RECORD DATE, VOTE REQUIRED AND RELATED MATTERS

The Board has fixed the close of business on February 26, 2016, as the Record Date for the determination of shareholders entitled to notice of, and to vote at, the Annual Meeting. In accordance with the Company's Charter, each outstanding share of Common Stock is entitled to one vote, and each outstanding share of Class B Common Stock is entitled to 20 votes, exercisable in person or by properly executed Proxy, on each matter brought before the Annual Meeting. Cumulative voting is not permitted. As of February 26, 2016, 15,155,273 shares of Common Stock, representing 15,155,273 votes, were held of record by approximately 3,000 shareholders (including an estimated 2,550 shareholders whose shares are held in nominee names) and 851,693 shares of Class B Common Stock, representing 17,033,860 votes, were held by 11 individual shareholders, together representing an aggregate of

32,189,133 votes.

Shares represented at the Annual Meeting by properly executed Proxy will be voted in accordance with the instructions indicated therein unless such Proxy has previously been revoked. If no instructions are indicated, such shares will be voted (i) FOR electing the nine (9) nominees for director; (ii) FOR approving the adoption of the Company's 2016 Incentive Compensation Plan; (iii) FOR approving the material terms of the Performance Goals applicable to 2016 - 2020; (iv) FOR approving the Company's executive compensation of its named executive officers; and (v) FOR ratifying the appointment of Dixon Hughes Goodman LLP to serve as independent registered public accountants of the Company for 2016.

Any Proxy given pursuant to this solicitation may be revoked at any time by the shareholder giving it by (i) delivering to the Corporate Secretary of the Company a written notice of revocation bearing a later date than the Proxy, (ii) submitting a later-dated, properly executed Proxy, or (iii) revoking the Proxy and voting in person at the Annual Meeting. Attendance at the Annual Meeting will not, in and of itself, constitute a revocation of a Proxy. Any written notice revoking a Proxy should be sent to The Dixie Group, Inc., P.O. Box 2007, Dalton, Georgia 30722-2007, Attention: Derek Davis.

The persons designated as proxies were selected by the Board of Directors and are Daniel K. Frierson, Lowry F. Kline and John W. Murrey, III. The cost of solicitation of Proxies will be borne by the Company.

The presence, in person or by Proxy, of the holders of a majority of the aggregate outstanding vote of Common Stock and Class B Common Stock entitled to vote is necessary to constitute a quorum at the Annual Meeting. In accordance with Tennessee law, Directors are elected by the affirmative vote of a plurality of the votes cast in person or by Proxy at the Annual Meeting.

The affirmative vote of a majority of the total votes cast is necessary for approval of the Company's 2016 Incentive Compensation Plan.

The affirmative vote of a majority of the total votes cast is necessary for approval of the material terms of the Performance Goals applicable to 2016 - 2020.

Ratification of the appointment of Dixon Hughes Goodman LLP to serve as independent registered public accountants of the Company for 2016 will be approved if the votes properly cast favoring ratification exceed the votes cast opposing ratification.

Approval of the Company's executive compensation for its named executive officers will be deemed to have been obtained if the number of votes properly cast in favor of such compensation exceeds the number of votes cast against such compensation.

Shares covered by abstentions and broker non-votes, while counted for purposes of determining the presence of a quorum at the Annual Meeting, are not considered to be affirmative or negative votes. Abstentions and broker non-votes will have no effect upon the election of a nominee for director, so long as such nominee receives any affirmative votes.

A copy of the Company's Annual Report for the year-ended December 26, 2015, is enclosed herewith.

The Board is not aware of any other matter to be brought before the Annual Meeting for a vote of shareholders. If, however, other matters are properly presented, Proxies representing shares of Common Stock and Class B Common Stock will be voted in accordance with the best judgment of the proxy holders.

No other director, nominee, or executive officer of the Company has any family relationship, not more remote than first cousin, to any other director, nominee, or executive officer.

Considerations with Respect to Nominees

In selecting the slate of nominees for 2016, the Independent Directors of the Board considered the familiarity of the Company's incumbent Directors with the business and prospects of the Company, developed as a result of their service on the Company's Board. The Board believes that such familiarity will be helpful in their service on the Company's Board. With respect to all nominees, the Independent Directors of the Board noted the particular qualifications, experience, attributes and skills possessed by each nominee. These qualifications are reflected in the business experience listed under each nominee's name, above. In order of the list of nominees, such information may be summarized as follows: Mr. Blue is an experienced investment banker having been Vice Chairman of Wells Fargo Securities and involved with capital formation, mergers, acquisitions and financing of various types of ventures. Mr. Brock is experienced in establishing new businesses having been involved in the establishment of both Foxmark Media and CapitalMark Bank and Trust. Mr. Daniel K. Frierson has served with the Company in several management and executive capacities his entire adult life, and has been Chief Executive Officer since 1980 and a Board member since 1973. In such capacity, he has been instrumental in planning and implementing the transition of the Company to its current position as a manufacturer of residential and commercial soft floorcovering products. Additionally, Mr. Frierson has experience as a board member of other public companies as well as significant trade group experience relevant to the Company's business. He is well known and respected throughout the industry. Mr. D. Kennedy Frierson, Jr. has served with the Company in various capacities since 1992. He is currently Chief Operating Officer and has most recently led the Company's Masland Residential business. Mr. Hubbard has highly relevant industry experience with businesses that are fiber producers and fiber suppliers, and that have served as fiber suppliers to the Company. Mr. Hubbard's experience in the management of Honeywell Nylon and BASF Corporation, as outlined above, has given him valuable experience in management, relevant to his duties as a Director of the Company. Ms. Murray has a long history of executive management experience at TPC Printing and Packaging, a provider to the specialty packaging business as well as experience with environmental controls and footprint through Greener Planet. Mr. Kline has a long history of management and board level experience with the world's largest bottler and distributor of Coca Cola Products. Nominations and Corporate Governance committee. Mr. Owens has extensive business and management experience, having served as President of Coverdell & Company prior to joining the University of Tennessee at Chattanooga. The Board of Directors recommends that the Company's shareholders vote FOR electing the nine (9) nominees for director.

MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

Meetings of the Board of Directors

The Board of Directors of the Company met five (5) times in 2015.

Committees, Attendance, and Directors' Fees

The Company has a standing Executive Committee, Audit Committee, Compensation Committee, and Nominations and Corporate Governance Committee. Copies of the Charter of the Company's Audit Committee, Compensation Committee and Nominations and Corporate Governance Committee may be found on the Company's website at www.thedixiegroup.com/investor/investor.html.

Members of the Executive Committee are Daniel K. Frierson, Chairman, William F. Blue, Jr. and Lowry F. Kline. Except as otherwise limited by law or by resolution of the Board of Directors, the Executive Committee has and may exercise all of the powers and authority of the Board of Directors for the management of the business and affairs of the Company, which power the Executive Committee exercises between the meetings of the full Board of Directors. The Executive Committee did not meet in 2015.

Members of the Audit Committee are Michael L. Owens, Chairman, William F. Blue, Jr., Charles E. Brock, Walter W. Hubbard, Lowry F. Kline, Hilda S. Murray, and John W. Murrey, III. All of the members of the Audit Committee are "independent directors" as that term is defined by applicable regulations and rules of the National Association of Securities Dealers, Inc. ("NASD"). The Audit Committee evaluates audit performance, handles relations with the Company's independent auditors, and evaluates policies and procedures relating to internal accounting functions and controls. The Audit Committee has the authority to engage the independent accountants for the Company. The Audit Committee operates pursuant to an Audit Committee Charter adopted by the Board of Directors. The Audit Committee has implemented pre-approval policies and procedures related to the provision of audit and non-audit services performed by the independent auditors. Under these procedures, the Audit Committee approves the type of services to be provided and the estimated fees related to those services.

The Audit Committee met four (4) times in 2015.

Members of the Compensation Committee are Lowry F. Kline, Chairman, William F. Blue, Jr., and Walter W. Hubbard. The Compensation Committee administers the Company's compensation plans, reviews and may establish the compensation of the Company's officers, and makes recommendations to the Board of Directors concerning such compensation and related matters. The Compensation Committee acts pursuant to a written Charter adopted by the Board of Directors.

The Compensation Committee may request recommendations from the Company's management concerning the types and levels of compensation to be paid to the Company's executive officers. Additionally, the Compensation Committee is authorized to engage compensation consultants and may review and consider information and recommendations of compensation consultants otherwise engaged by the Company or the Board of Directors in connection with the assessment, review and structuring of compensation plans and compensation levels. For a description of the Compensation Committee actions with respect to Compensation of Executive Officers in 2015, see Compensation Discussion and Analysis - Compensation for 2015.

Annually, the Compensation Committee reviews the performance of the Chief Executive Officer against goals and objectives established by the Committee as part of the process of determining his compensation. The Compensation Committee reports to the Board on its performance review.

The Compensation Committee met three (3) times in 2015.

The members of the Nominations and Corporate Governance Committee are John W. Murrey, III, Chairman, Charles E. Brock, and Hilda S. Murray. The Nominations and Corporate Governance Committee develops and recommends for board approval corporate governance guidelines.

The Nominations and Corporate Governance Committee's Charter includes the duties of a nominating committee. Nominees approved by a majority of the Committee are recommended to the full Board. In selecting and approving director nominees, the Committee considers, among other factors, the existing composition of the Board and the mix of Board members appropriate for the perceived needs of the Company. The Committee believes continuity in leadership and board tenure increase the Board's ability to exercise meaningful board oversight. Because qualified incumbent directors provide stockholders the benefit of continuity of leadership and seasoned judgment gained through experience as a director of the Company, the Committee will generally give priority as potential candidates to those incumbent directors interested in standing for re-election who have satisfied director performance expectations, including regular attendance at, preparation for and meaningful participation in Board and committee meetings.

The Nominations and Corporate Governance Committee also considers the following in selecting the proposed nominee slate:

at all times at least a majority of directors must be “independent” in the opinion of the Board as determined in accordance with relevant regulatory and NASD standards;

at all times at least three members of the Board must satisfy heightened standards of independence for Audit Committee members; and

at all times the Board should have at least one member who satisfies the criteria to be designated by the Board as an “audit committee financial expert”.

In selecting the current slate of director nominees, the Committee considered overall qualifications and the requirements of the makeup of the Board of Directors rather than addressing separate topics such as diversity in its selection. The Board considered the value of the incumbents’ familiarity with the Company and its business as well as the considerations outlined above under the heading Considerations with Respect to Nominees.

The newly formed Nominations and Corporate Governance Committee held its first formal meeting on February 11, 2016.

Board Leadership Structure

Mr. Daniel K. Frierson currently serves as the Chairman of the Board and the Chief Executive Officer of the Company. The positions of Chief Executive Officer and Chairman of the Board are combined. Executive sessions of the Board are chaired by the chairman of the Compensation Committee, Lowry F. Kline, who, as noted above, has extensive management and Board experience independent of his experience with the Company. Mr. Kline and the independent directors set their own agenda for meetings in executive session and may consider any topic relevant to the Company and its business. The Company believes that regular, periodic, meetings held in executive session, in the absence of management members or management directors, provide the Board an adequate opportunity to review and address issues affecting management or the Company that require an independent perspective. Additionally, the Company’s Audit Committee holds separate executive sessions with the Company’s independent registered public accounts, internal auditor and management. The Audit Committee also sets its own agenda and may consider any relevant topic in its executive sessions.

Director Attendance

During 2015, no director attended fewer than 75% of the total number of meetings of the Board of Directors and any Committee of the Board of Directors on which he served. All directors are invited and encouraged to attend the annual meeting of shareholders. In general, all directors attend the annual meeting of shareholders unless they are unable to do so due to unavoidable commitments or intervening events. All nine (9) of the directors attended the 2015 annual meeting of shareholders.

Director Compensation

Directors who are employees of the Company do not receive any additional compensation for their services as members of the Board of Directors. Non-employee directors receive an annual retainer of \$36,000, payable one-half in cash and one-half in value of Performance Units. Performance Units are redeemable upon a director’s retirement for an equivalent number of shares of the Company’s Common Stock, and the number of units issued is determined by the market value of the Company’s Common Stock on the date of grant of the units. In addition to the annual retainer,

directors who are not employees of the Company receive \$1,500 for each Board meeting attended and \$1,000 for each committee meeting attended. Chairmen of the Audit and Compensation committees receive an additional annual payment of \$8,000 and the Chairmen of the Nominations and Corporate Governance Committee receives an additional annual payment of \$4,000. For an additional discussion of Director Compensation, see the tabular information below under the heading, "Director Compensation."

Independent Directors

The Board has determined that William F. Blue, Jr., Charles E. Brock, Walter W. Hubbard, Lowry F. Kline, Hilda S. Murray, John W. Murrey, III, and Michael L. Owens are independent within the meaning of the standards for independence set forth in the Company's corporate governance guidelines, which are consistent with the applicable Securities and Exchange Commission ("SEC") rules and NASDAQ standards.

Executive Sessions of the Independent Directors

The Company's independent directors meet in executive session at each regularly scheduled quarterly meeting of the Board, with the chair of the Compensation Committee serving as chair of such executive sessions.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, and regulations of the SEC thereunder, require the Company's executive officers and directors and persons who beneficially own more than 10% of the Company's Common Stock, as well as certain affiliates of such persons, to file initial reports of such ownership and monthly transaction reports covering any changes in such ownership with the SEC and the National Association of Securities Dealers. Executive officers, directors and persons owning more than 10% of the Company's Common Stock are required by SEC regulations to furnish the Company with all such reports they file. Based on its review of the copies of such reports received by it, the Company believes that, during fiscal year 2015, all filing requirements applicable to its executive officers, directors, and owners of more than 10% of the Company's Common Stock have been met.

Management Succession

Periodically, the Board reviews a succession plan, developed by management, addressing the policies and principles for selecting successors to the Company's executive officers, including the Company's CEO. The succession plan includes an assessment of the experience, performance and skills believed to be desirable for possible successors to the Company's executive officers.

Certain Transactions between the Company and Directors and Officers

The Company's Nominations and Corporate Governance Committee has adopted written policies and procedures concerning the review, approval or ratification of all transactions required to be disclosed under the SEC's Regulation S-K, Rule 404. These policies and procedures cover all related party transactions required to be disclosed under the SEC's rules as well as all material conflict of interest transactions as defined by relevant state law and the rules and regulations of NASDAQ that are applicable to the Company, and require that all such transactions be identified by management and disclosed to the committee for review. If required and appropriate under the circumstances, the committee will consider such transactions for approval or ratification. Full disclosure of the material terms of any such transaction must be made to the committee, including:

- the parties to the transaction and their relationship to the Company, its directors and officers;
- the terms of the transaction, including all proposed periodic payments; and
- the direct or indirect interest of any related parties or any director, officer or associate in the transaction.

To be approved or ratified, the committee must find any such transaction to be fair to the Company. Prior approval of such transactions must be obtained generally, if they are material to the Company. If such transactions are immaterial, such transactions may be ratified and prior approval is not required. Ordinary employment transactions may be ratified.

Certain Related Party Transactions

During its fiscal year ended December 26, 2015, the Company purchased a portion of its product needs in the form of fiber, yarn, carpet and dyeing services from Engineered Floors, an entity substantially controlled by Robert E. Shaw, a shareholder of the Company. Mr. Shaw has reported holding approximately 8.4% of the Company's Common Stock, which, as of year-end, represented approximately 4.0% of the total vote of all classes of the Company's Common Stock. Engineered Floors is one of several suppliers of such products to the Company. Total purchases from Engineered Floors for 2015 were approximately \$8 million; or approximately 2.8% of the Company's cost of goods

sold in 2015. In accordance with the terms of its charter, the Compensation Committee reviewed the Company's supply relationship with Engineered Floors. The dollar value of Mr. Shaw's interest in the transactions with Engineered Floors is not known to the Company.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee of the Board of Directors is composed of seven members, each of whom is an independent, non-employee director. The Audit Committee operates under a written Audit Committee Charter adopted and approved by the Board of Directors. The Charter is reviewed at least annually by the Committee. While the Committee has the responsibilities and powers set forth in its written charter, it is not the duty of the Committee to plan or conduct audits. This function is conducted by the Company's management and its independent registered public accountants.

The Committee has reviewed and discussed with management the audited financial statements of the Company for the year ended December 26, 2015 (the "Audited Financial Statements"). In addition, the Committee has discussed with Dixon Hughes Goodman LLP all matters required by applicable auditing standards.

The Committee also has received the written report, disclosure and the letter from Dixon Hughes Goodman required by PCAOB Rule 3526, "Communication with Audit Committees Concerning Independence", and the Committee has reviewed, evaluated, and discussed with that firm the written report and its independence from the Company. The Committee also has discussed with management of the Company and Dixon Hughes Goodman LLP such other matters and received such assurances from them as the Committee deemed appropriate.

Based on the foregoing review and discussions and relying thereon, the Committee has recommended to the Company's Board of Directors the inclusion of the Company's Audited Financial Statements in the Company's Annual Report on Form 10-K for the year ended December 26, 2015, to be filed with the Securities and Exchange Commission.

For a brief list of Mr. Owens' relevant experience, please refer to Mr. Owens' biographical information as set forth in the Election of Directors section of this proxy statement. Additionally, the Company believes the remaining members of the Audit Committee would qualify as audit committee financial experts, within the meaning of applicable rules, based on each individual's qualification and expertise.

COMPENSATION DISCUSSION AND ANALYSIS

The Compensation Committee sets compensation for the Company's executive officers, and its decisions are reported to and reviewed by the Board of Directors. The Compensation Committee currently consists of three independent directors chosen annually by the Board.

Compensation of the Company's executive officers is intended to be competitive with compensation offered by other companies generally similar to the Company in size and lines of business. In determining what types and levels of compensation to offer, the Committee may review relevant, publicly available data and, from time to time, it may receive advice and information from professional compensation consultants.

The Elements of Executive Officer Compensation

Compensation for each of the Company's executive officers consists generally of base salary, retirement plan benefits and other customary employment benefits, as well as potential cash incentive awards and stock plan awards pursuant to an annual incentive plan reviewed and adopted by the Committee at the beginning of each year. The annual incentive plan is customarily structured so that a significant portion of each executive's potential annual compensation may consist of equity awards, the award value of which is tied to accomplishing both financial and non-financial goals and objectives.

Compensation for 2015. During 2015, the Compensation Committee engaged Pay Governance, an independent compensation consultant, to assist the Committee in structuring awards of restricted shares for the Chief Executive Officer, the President of the Company's Residential business and selected key associates designed to serve as incentives to continued service. The Committee considered the independence of the consultant and reviewed its recommendations concerning the retention awards. Following consideration of the Consultant's recommendations, the Committee adopted the retention award plans.

Effective February 24, 2015, the Compensation Committee selected performance goals and a range of possible incentives for the Company's 2015 Incentive Compensation Plan (the "2015 Plan"). Pursuant to the 2015 Plan, each executive officer had the opportunity to earn a Cash Incentive Award, a Primary Long-Term Incentive Award of restricted stock, and an award of restricted stock denominated as "Career Shares." The potential range of cash incentives and conditions to vesting of the restricted stock awards are described below.

For 2015, each executive officer also received customary retirement plan benefits and other customary employment benefits, as in prior years.

Salary for 2015. The base salaries for the executive officers were not adjusted during 2015. See the 2015 Summary Compensation Table for a tabular presentation of the amount of salary and other compensation elements paid in proportion to total compensation for each named executive officer.

Potential Incentive Awards for 2015. The CEO and all executive officers whose responsibilities primarily relate to corporate level administration had the opportunity to earn a cash payment ranging from 15% to no more than 105% of such executive's base salary (from 45% to 105% for the Chief Executive Officer and Chief Operating Officer, and from 30% to 90% for the Chief Financial Officer). Fifty percent of the amount of the potential award was based on achievement of specified levels of operating income from continuing operations for the Company's consolidated operating income, as adjusted for unusual items, 30% of the amount was based on achievement of specified levels of the Company's residential business operations, as adjusted for unusual items, and 20% of the amount was based on achievement of specified levels of the Company's commercial business operating income, as adjusted for unusual items.

Executive officers whose responsibilities primarily relate to one of the Company's business units, had the opportunity to earn a cash payment ranging from 15% to no more than 75% of such participant's base salary. Fifty five percent of the amount was based on achievement of specified levels of their annual business unit operating income, as adjusted for unusual items, 30% was based on the achievement of specified levels of the Company's consolidated operating income, as adjusted for unusual items, and 15% was based on achievement of specified levels of the annual operating

income of the Company's other business units, as adjusted for unusual items.

Primary Long-Term Incentive Share Awards and Career Shares Awards for 2015. The incentive plan provided for two possible awards of restricted stock in addition to the retention awards: Primary Long-Term Incentive Share Awards and Career Share Awards. Receipt of the Primary Long-Term Incentive Share Awards and Career Share Awards were made contingent on the Company's achievement of minimum levels of adjusted operating income and, in the case of Career Share Awards, having a profitable operating income, as adjusted.

The Primary Long-Term Incentive Share Award was designed as a possible award of restricted shares, in value equal to no more than 35% of the executive's base salary as of the beginning of 2015 plus any cash incentive award paid for such year. Any Primary Long-Term Incentive Share Awards, if earned, vest ratably over three years.

Career Shares were designed as a possible award of restricted stock valued at 20% of each executive officer's base salary as of the beginning of the year, excluding the Company's Chief Operating Officer and Chief Financial Officer. The level of career

share awards was increased to 35% and 30%, respectively, of the Chief Operating Officer's and Chief Financial Officer's base salary, with vesting of such awards occurring ratably over 5 years beginning after the participant's 61 birthday.

In accordance with past practice, any such award, if earned, would be granted in 2017. For participants age 61 or older, the Career Share Awards vest ratably over two years from the date of the grant. For the participants age 60 or younger, shares vest ratably over five years from the date of grant after participant reaches age 61.

Additionally, all Share Awards are subject to vesting or forfeiture under certain conditions as follows: death, disability or a change in control will result in immediate vesting of all Share Awards; termination without cause will also result in immediate vesting of all Share Awards; voluntary termination of employment prior to retirement, or termination for cause will result in forfeiture of all unvested awards; to the extent that the Company has recognized compensation expense related to the shares subject to the awards, such amounts vest at retirement age and are paid out by March 15 of the subsequent year.

All awards of restricted stock are subject to a \$5.00 minimum price per share when determining the number of shares awarded. The Compensation Committee retained the discretion to reduce any award by up to 30% of the amount otherwise earned based on the participant's failure to achieve individual performance goals set by the committee.

2015 Incentive Awards. No cash Awards were made for 2015 for the named executive officers. No Primary Long-Term Incentive Share Awards were granted in 2016 with respect to 2015 for the named executive officers. Career Share Awards were granted in 2016 with respect to 2015 for the following named executive officers: Mr. Daniel K. Frierson - 25,000 shares, Mr. D. Kennedy Frierson, Jr. - 22,400 shares, Mr. Paul B. Comiskey - 12,000 shares, Mr. Jon A. Faulkner - 16,200 shares and Mr. V. Lee Martin - 9,200 shares.

2015 Retention Awards. Retention grants of restricted stock were awarded as follows: 100,000 shares to the Company's Chief Executive Officer, Daniel K. Frierson, and 10,000 and 20,000 shares to the Company's President Residential, Paul B. Comiskey. Each of the additional awards is subject to a Continued Service Condition. In the case of the award to the Chief Executive Officer, the award is subject to a Performance Condition, namely that the Company's cumulative Operating Income as Adjusted as of fiscal year end 2018 (or in the case of death, disability, change of control, or other involuntary termination without cause, the end of the most recent quarterly accounting period), must equal or exceed 440% of the Company's Operating Income as Adjusted as of fiscal year end 2014.

Incentive Compensation Applicable to 2016. Following year-end, the Committee adopted an incentive plan for 2016 providing for possible cash incentive awards and restricted stock awards in the form of Long-Term Incentive Share Awards and Career Share awards, as in prior years, and similar in structure to the annual plan adopted for 2015. Any such awards, if earned, would be paid, in the case of the cash award, or granted, in the case of the restricted stock awards, in March 2017. Terms of the plan applicable to 2016 are set forth in more detail under Proposal Three, below. The Compensation Committee also revised and approved the material terms of the performance goals that would be applicable to 2016-2020. The description of performance criteria from which the Compensation Committee may choose in structuring performance awards is restated to include all potential criteria available under the 2016 Incentive Compensation Plan. Accordingly, the material terms of the performance goals as revised and restated are being submitted to the Company's shareholders for their approval. See "Proposal Three, To Consider and Approve the Material Terms of the Performance Goals Applicable to 2016-2020".

Retirement Plans and Other Benefits. The Company's compensation for its executive officers also includes the opportunity to participate in two retirement plans, one qualified and one non-qualified for federal tax purposes, and certain health insurance, life insurance, relocation allowances, and other benefits. Such benefits are designed to be similar to the benefits available to other exempt, salaried associates of the Company, and to be comparable to and competitive with benefits offered by businesses with which the Company competes for executive talent.

Executive officers may elect to contribute a limited amount of their compensation to the qualified plan and make deferrals into the non-qualified plan (up to 90% of total compensation). Although the plans permit the Company to make discretionary contributions in an aggregate amount equal to up to 3% of the executive officer's cash compensation, for 2015 the Company made a contribution of 1% to the qualified plan, while no Company

contributions were made to the non-qualified plan.

Compensation Considerations for 2015. The tax effect of possible forms of compensation on the Company and on the executive officers is a factor considered in determining types of compensation to be awarded. Similarly, the accounting treatment accorded various types of compensation may be an important factor used to determine the form of compensation. For 2015, the Committee considered the possible tax effects of cash incentives and equity incentive awards that may not qualify as “incentive compensation” under Section 162m of the Internal Revenue Code. The Company held a “Say on Pay” vote at its annual meeting in 2015. At that meeting, in excess of 95% of the votes were cast “For” approval of our executive compensation as described in the Proxy Statement for that meeting. The Committee intends to consider these results as part of its ongoing review of executive compensation.

Termination Benefits. Upon a Participant's reaching retirement age (as defined in the plan), all Long-Term Incentive Plan and Career Share restricted stock awards vest to the extent such awards have been expensed in the Company's financial statements. As of year-end, Daniel K. Frierson, Paul B. Comiskey and V. Lee Martin were the only Named Executive Officers eligible for retirement in accordance with the terms of the restricted stock awards. If Mr. Frierson had retired at year end, the number of shares subject to such awards that would have vested and the value of such shares would have been 21,136 shares and \$117,726. If Mr. Comiskey had retired at year end, the number of shares subject to such awards that would have vested and the value of such shares would have been 9,545 shares and \$53,164. If Mr. Martin had retired at year end, the number of shares subject to such awards that would have vested and the value of such shares would have been 7,079 shares and \$39,427. For purposes of valuing the foregoing awards, the Company used the year-end market value of the Company's Common Stock, which was \$5.57/share. No termination benefit was paid to or accrued for any executive officer named in the accompanying tables in the fiscal year ended December 26, 2015.

Compensation Committee Report

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis, set forth above, with management.

Based on our review and the discussions we held with management, we have recommended to the Board of Directors that the Compensation Discussion and Analysis be included in the Company's Proxy Materials.

Respectfully submitted,

Lowry F. Kline, Chairman

William F. Blue, Jr.

Walter W. Hubbard

Directors who are employees of the Company do not receive any additional compensation for their services as members of the Board of Directors. Non-employee directors receive an annual retainer of \$36,000, payable \$18,000 in cash and the remainder in Performance Units (subject, for payments made in 2013, 2014 and 2015, to a \$5.00 minimum value per unit). In addition to the annual retainer, directors who are not employees of the Company received \$1,500 for each Board meeting attended and \$1,000 for each committee meeting attended. Chairmen of the Audit and Compensation committees receive an additional annual payment of \$8,000 and the Chairmen of the Nominations and Corporate Governance Committee receives an additional annual payment of \$4,000. Also, directors receive reimbursement of the expenses they incur in attending all board and committee meetings. In addition to the annual retainer, directors who are not employees of the Company receive \$1,500 for each Board meeting attended and \$1,000 for each committee meeting attended.

The value presented is the aggregate grant date fair value computed in accordance with FASB ASC Topic 718. The value of the Performance Units awarded to each non-employee director under the Directors Stock Plan in 2015 was \$18,000.

At fiscal year-end, each non-employee director held the following outstanding equity awards:

Name (a)	Performance Units (#)(b)(1)
William F. Blue, Jr.	2,962
Charles E. Brock	7,341
Walter W. Hubbard	18,201
Lowry F. Kline	19,501
Hilda S. Murray	7,341
John W. Murrey, III	32,511
Michael L. Owens	3,175

The performance units represent an equal number of shares of the Company's Common Stock. At year-end, the (1) aggregate value of such stock was \$507,048, determined by multiplying the number of performance units by the year-end per share market value of the Company's Common Stock (\$5.57/share).

PROPOSAL TWO

TO APPROVE ADOPTION OF THE COMPANY'S 2016 INCENTIVE COMPENSATION PLAN

On February 11, 2016, the Compensation Committee approved and recommended to the Board of Directors The Dixie Group, Inc. 2016 Incentive Compensation Plan (the "2016 Incentive Compensation Plan"), providing for the issuance of a maximum of 800,000 shares of Common Stock and/or Class B Common Stock in connection with the grant of options and/or other stock-based or stock-denominated awards. The Board of Directors approved the 2016 Incentive Compensation Plan and recommended it be submitted to shareholders for approval at the annual meeting. If approved by shareholders at our annual meeting, the 2016 Incentive Compensation Plan will become effective on May 3, 2016. A copy of the 2016 Incentive Plan is attached as Appendix A. If approved the term of the plan will be from May 2016 to May 2025. Material terms of the Performance Goals applicable to 2016 - 2020 are separately presented for shareholder approval under Proposal Three. See "Proposal Three, To Consider and Approve the Material Terms of the Performance Goals Applicable to 2016 - 2020".

The 2016 Incentive Compensation Plan and the allocation of shares thereunder is intended to supersede and replace The Dixie Group, Inc. 2006 Stock Awards Plan, as amended (the "2006 Plan") and the allocation of shares thereunder. As part of this proposal, the existing 2006 Plan, with approximately 281,742 shares available for grant as of March 11, 2016, will be terminated with respect to new awards.

The 2016 Incentive Compensation Plan includes the following features that protect the interests of our shareholders:

Administration by a Compensation Committee composed entirely of independent directors.

A fixed number of shares available for grant that will not automatically increase because of an "evergreen" feature.

Exercise prices (when applicable) must be at least 100% of fair market value on the date of the award.

Option Awards (and other awards granted with applicable exercise prices) may not be re-priced by any action that has the effect of reducing the exercise price of such option (or other such award).

The 2016 Incentive Compensation Plan sets the maximum number of options that may be granted to any one Participant during any fiscal year of the Company at 150,000. The maximum number of shares of restricted stock that may be granted to any one employee during any fiscal year of the Company is set at 330,000, and the maximum number of performance units that may be granted to any non-employee director in any one fiscal year is set at 20,000.

No material amendments will be made without the approval of shareholders.

Termination of Existing Plan

If the proposal to adopt the 2016 Incentive Compensation Plan is approved, the 2006 Plan will be terminated. Awards previously granted under the 2006 Plan will continue to be governed by the terms of that plan and will not be affected by its termination. However, no new grants will be made under the 2006 Plan, and no additional shares will become available for grant thereunder.

Description of The Dixie Group, Inc. 2016 Incentive Compensation Plan (subject to shareholder approval)

The following is a brief description of certain important features of the 2016 Incentive Compensation Plan, the full text of which is attached as Appendix A. This summary does not purport to be complete and is qualified in its entirety by reference to Appendix A. If the proposal to adopt the 2016 Incentive Compensation Plan is approved, we intend to promptly file a registration statement on Form S-8 under the Securities Act of 1933, as amended, registering the shares available for issuance under the 2016 Incentive Compensation Plan.

General. The 2016 Incentive Compensation Plan provides for various types of awards denominated in shares of Common Stock and/or Class B Common Stock to employees, officers, directors and agents of the Company and its participating subsidiaries. The primary purposes of the 2016 Incentive Compensation Plan are to attract and retain such persons by providing competitive compensation opportunities, to provide incentives for those who contribute to the long-term performance and growth of the Company, and to align employee and director interests with those of our shareholders.

Administration. The 2016 Incentive Compensation Plan is administered by the Compensation Committee of the Board. All members of the Compensation Committee must satisfy the requirements for independence of the Securities Exchange Act Rule 16b-3 and remain qualified as “outside directors” within the meaning of Section 162(m) of the Internal Revenue Code of 1986, as amended.

The Compensation Committee has the authority to administer and interpret the 2016 Incentive Compensation Plan, to determine the employees to whom awards will be granted under the 2016 Incentive Compensation Plan and, subject to the terms of the 2016 Incentive Compensation Plan, the type and size of each award, the terms and conditions for vesting, cancellation and forfeiture of awards and the other features applicable to each award or type of award. The Committee may accelerate or defer the vesting or payment of awards, cancel or modify outstanding awards, waive any conditions or restrictions imposed with respect to awards or the stock issued pursuant to awards and make any and all other determinations that it deems appropriate, subject to the limitations contained in the 2016 Incentive Compensation Plan, including minimum vesting requirements, prohibitions against re-pricing, and provisions designed to maintain compliance with the requirements of Sections 422 (for incentive stock options), 162(m) and 409A of the Internal Revenue Code, as well as other applicable laws and stock exchange rules.

The Committee may delegate some or all of its authority over administration of the 2016 Incentive Compensation Plan to one or more officers or directors, except with respect to persons who are Section 16(a) officers or covered employees (as defined in the 2016 Incentive Compensation Plan).

Eligibility. All “employees” of the Company - within the SEC’s broad definition set forth in the instructions to the Form S-8 registration statement, which includes employees, officers, directors and (subject to certain restrictions) consultants and advisors to the Company - are eligible to receive awards under the 2016 Incentive Compensation Plan. Participation is discretionary - awards are subject to approval by the Compensation Committee.

Shares Subject to the Plan. The maximum number of shares of Common Stock and/or Class B Common Stock that may be issued as awards pursuant to the 2016 Incentive Compensation Plan is 800,000 shares.

The maximum number of shares of Common Stock that may be issued under the 2016 Incentive Compensation Plan will not be affected by the payment in cash of dividends or dividend equivalents in connection with outstanding awards, the granting or payment of stock-denominated awards that by their terms may be settled only in cash, or awards that are granted through the assumption of, or in substitution for, outstanding awards previously granted to individuals who have become employees as a result of a merger, consolidation, or acquisition or other corporate transaction involving the Company or a subsidiary. Additionally, shares used by a participant to exercise an option, and shares withheld by the Company to cover the withholding tax liability associated with the exercise of an option are not counted toward the maximum number of shares that may be issued under the 2016 Incentive Compensation Plan and, accordingly, will not reduce the number of shares that will be available for future awards.

Shares of Common Stock and/or Class B Common Stock issued in connection with awards under the 2016 Incentive Compensation Plan may be shares that are authorized but unissued, or previously issued shares that have been reacquired, or both. If an award under the 2016 Incentive Compensation Plan is forfeited, canceled, terminated or expires prior to the issuance of shares, the shares subject to the award will be available for future grants under the 2016 Incentive Compensation Plan. Shares subject to outstanding awards granted under other plans shall not be subject to future issuance under the 2016 Incentive Compensation Plan, if such awards are forfeited, canceled, terminated or expire prior to the issuance of shares.

Limit on Awards. The aggregate number of shares of Common Stock and/or Class B Common Stock subject to awards of stock options that may be granted to any one Participant during any fiscal year of the Company may not exceed 150,000. The maximum number of shares of restricted stock that may be granted to any one Participant during any fiscal year of the Company is set at 330,000, and the maximum number of performance units that may be granted to any non-employee director in any fiscal year is set at 20,000. Performance units may be granted annually to non-employee directors in payment of up to one half of such directors' annual retainer, which may be set at the beginning of each annual term.

Proportional Exercise for Common Stock and Class B Common Stock. All awards granted under the 2016 Plan shall be denominated and documented with reference to the number of shares of Common Stock subject to such award; provided, however, that any participant who owns shares of the Company's Class B Common Stock shall be entitled to elect, on the election date applicable to any award, to receive a portion of such award in shares of Class B Common Stock in an amount no greater than the proportion of Class B Common Stock then held by such participant.

Types of Awards. The following types of awards may be granted under the 2016 Incentive Compensation Plan. All of the awards described below are subject to the conditions, limitations, restrictions, vesting and forfeiture provisions determined by the Compensation Committee, in its sole discretion, subject to such limitations as are provided in the 2016 Incentive Compensation Plan. The number of shares subject to any award is also determined by the Compensation Committee, in its discretion. At the discretion of the Compensation Committee, awards may be made subject to or may vest on an accelerated basis upon the achievement of performance criteria, which may be established on a Company-wide basis or with respect to one or more business units or divisions or subsidiaries and may be based upon the attainment of criteria as may be determined by the Committee and set forth in the participant's Award Agreement. Awards which vest in less than six (6) months from the date of grant may be made to employees who are exempt from the overtime pay provisions of the Federal Fair Labor Standards Act.

Qualifying Performance Award. The Committee may, in its sole discretion, grant a Qualifying Performance Award to any Section 162(m) Participant, which shall be subject to the terms and conditions established by the Committee in connection with the award and specified in the applicable award document, but in all events subject to the attainment of Section 162(m) Performance

Goals as may be specified by the Committee, in accordance with the 2016 Incentive Compensation Plan. The material terms of the Performance Goals (applicable to 2016-2020) are discussed below in Proposal Three, and submitted to shareholders for their review and approval. Awards to Section 162(m) Participants need not be structured as Qualifying Performance Awards.

Restricted Stock. A restricted stock award is an award of outstanding shares of Common Stock and/or Class B Common Stock that does not vest until after a specified period of time, or upon the satisfaction of other vesting conditions as determined by the Compensation Committee, and which may be forfeited if conditions to vesting are not met. Participants generally receive dividend payments on the shares subject to an award of restricted stock during the vesting period, and are also generally entitled to vote the shares underlying their awards.

Stock Unit; Performance Units. A stock unit is an award denominated in shares of Common Stock and/or Class B Common Stock that may be settled either in shares and/or cash, subject to terms and conditions determined by the Compensation Committee. Awards of stock units to non-employee directors as part of their annual director's fee are called Performance Units. Directors who are employees of the Company do not receive any additional compensation for their services as members of the Board of Directors. Non-employee directors receive an annual retainer, payable one-half in cash and one-half in value of Performance Units. Performance Units are redeemable upon a director's retirement for an equivalent number of shares of the Company's Common Stock, and the number of units issued is determined by the market value of the Company's Common Stock on the date of grant of the units. The maximum number of performance units that may be granted to any non-employee director in any one fiscal year is set at 20,000.

Stock Payment. The Compensation Committee may issue unrestricted shares of Common Stock and/or Class B Common Stock under the 2016 Incentive Compensation Plan, alone or in tandem with other awards, in such amounts and subject to such terms and conditions as the Compensation Committee shall determine. A stock payment may be granted as, or in payment of, a bonus (including without limitation any compensation that is intended to qualify as performance-based compensation for purposes of Section 162(m) of the Code), or to provide incentives or recognize special achievements or contributions.

Non-Qualified Stock Options. An award of a non-qualified stock option under the 2016 Plan grants a participant the right to purchase a certain number of shares of Common Stock and/or Class B Common Stock during a specified term in the future, after a vesting period, at an exercise price equal to at least 100% of the fair market value of the Common Stock on the grant date. The exercise price may be paid by any of the means described below under "Payment of Exercise Price." A non-qualified stock option is an option that does not qualify under Section 422 of the Code.

Incentive Stock Options. An incentive stock option is a stock option that meets the requirements of Section 422 of the Code, which include an exercise price of no less than 100% of fair market value on the grant date, a term of no more than 10 years, and that the option be granted from a plan that has been approved by shareholders. Additional requirements apply to an incentive stock option granted to a participant who beneficially owns stock representing more than 10% of the total voting power of all outstanding stock of the Company on the date of grant. If certain holding period requirements are met and there is no disqualifying disposition of the shares, the participant will be able to receive capital gain (rather than ordinary income) treatment under the Code with respect to any gain related to the exercise of the option.

Payment of Exercise Price. Payment of the exercise price of a non-qualified stock option or incentive stock option may be made in cash or, if permitted by the Compensation Committee, by tendering shares of Common Stock and/or Class B Common Stock owned by the participant and acquired at least six (6) months prior to exercise, having a fair market value equal to the exercise price, by a combination of cash and shares of Common Stock and/or Class B Common Stock or by authorizing the sale of shares otherwise issuable upon exercise, with the sale proceeds applied towards the exercise price. Additionally, the Committee may provide that stock options can be net exercised - that is

exercised by issuing shares having a value approximately equal to the difference between the aggregate value of the shares as to which the option is being exercised and the aggregate exercise price for such number of shares.

Prohibition Against Re-pricing. The 2016 Incentive Compensation Plan prohibits any adjustment to an award of options that would constitute a re-pricing (within the meaning of U.S. generally accepted accounting principles or any applicable stock exchange rule) of awards, and defined, for these purposes, as any action that would have the effect of reducing the exercise price of an option or other such awards.

Additional Forfeiture Provisions. Awards granted under the 2016 Incentive Compensation Plan may be made subject to forfeiture if, after a termination of employment, the Participant engages in certain activities that breach an obligation or duty of the Participant to the Company, or that are materially injurious to or in competition with the Company.

Deferrals. The Compensation Committee may postpone the exercise of awards, or the issuance or delivery of shares or cash pursuant to any award for such periods and upon such terms and conditions as the Compensation Committee determines, but not in contravention of Section 409A of the Code. In addition, the Compensation Committee may, but not in contravention of Section 409A of the Code, determine that all or a portion of a payment to a participant, whether in cash and/or shares, will be deferred in order to prevent the Company or any subsidiary from being denied a United States federal income tax deduction under Section 162(m) of the Code with respect to an award granted under the 2016 Incentive Compensation Plan.

Non-Transferability. During the vesting period, awards granted under the 2016 Incentive Compensation Plan are not transferable other than by will or the laws of descent and distribution, and the shares underlying any award are not transferable until they have been issued and all applicable restrictions have either lapsed or been waived by the Compensation Committee. However, the Compensation Committee may permit non-qualified stock options, or shares issued as a result of an option exercise that are subject to a restriction on transferability, to be transferred one time to a participant's immediate family member or a trust for the benefit of a participant's immediate family members. During a participant's lifetime, all rights with respect to an award maybe exercised only by the participant (or, if applicable pursuant to the preceding sentence, by a permitted transferee).

Adjustments. Subject to certain limitations, the maximum number of shares available for issuance under the 2016 Incentive Compensation Plan, the number of shares covered by outstanding awards, the exercise price applicable to outstanding awards and the limit on awards to a single employee may be adjusted by the Compensation Committee if it determines that any stock split, extraordinary dividend, stock dividend, distribution (other than ordinary cash dividends), recapitalization, merger, consolidation, reorganization, combination or exchange of shares or other similar event equitably requires such an adjustment.

Change of Control. Upon a "Change of Control," as defined in the 2016 Incentive Compensation Plan, the Compensation Committee, may, in its discretion and as it deems appropriate as a consequence of such Change in Control, accelerate, purchase, adjust, modify or terminate awards or cause awards to be assumed by the surviving corporation in the transaction that triggered such Change in Control. Any such actions that would cause awards under the 2016 Incentive Compensation Plan to become subject to Section 409A of the Code, however, generally may not be taken unless the Compensation Committee affirmatively determines to subject the 2016 Incentive Compensation Plan to the provisions of Section 409A.

Amendment and Termination. The 2016 Incentive Compensation Plan may be amended or terminated by the Compensation Committee at any time, provided that no amendment that would require stockholder approval under any applicable law or regulation (including the rules of any exchange on which the Company's shares are then listed for trading) or under any provision of the Code, may become effective without stockholder approval. A termination, suspension or amendment of the 2016 Incentive Compensation Plan may not adversely affect the rights of any participant with respect to a previously granted award, without the participant's written consent.

New Plan Benefits Under the 2016 Plan. Future benefits under the 2016 Incentive Compensation Plan are not currently determinable; however, the benefits to any director, officer or employee from future equity awards will not increase solely because of approval of the 2016 Incentive Compensation Plan. The amounts and terms of any future awards under the 2016 Incentive Compensation Plan, as well as the participants to which such awards may be made, depend on discretionary decisions of the Compensation Committee. While the Compensation Committee expects that any shares which ultimately may become issuable as Qualifying Performance Awards for 2016 will be issued as restricted stock awards under the 2016 Incentive Compensation Plan, the number of shares (if any) to be issued pursuant to such awards cannot be determined until it is known whether, and to what extent, the related performance goals have been met. If the 2016 Incentive Compensation Plan had been in effect during 2015, no awards of Primary Long Term Incentive restricted stock would have been made pursuant to the terms of the Company's 2015 Incentive Compensation Plan, because the relevant performance criteria to permit such awards under that plan were not satisfied; however, an award of career shares would have been made in the same amount as awarded in 2016 for 2015.

Certain United States Federal Income Tax Consequences

The following is a brief summary of the principal United States federal income tax consequences of transactions under the 2016 Incentive Compensation Plan, based on current United States federal income tax laws. This summary is not

intended to be exhaustive, does not constitute tax advice and, among other things, does not describe state, local or foreign tax consequences, which may be substantially different.

Restricted Stock. A participant generally will not be taxed at the time a restricted stock award is granted, but will recognize taxable income when the award vests or otherwise is no longer subject to a substantial risk of forfeiture. The amount of taxable income recognized will equal the fair market value of the shares subject to the award (or the portion of the award that is then vesting) at that time. Participants may elect to be taxed based on the fair market value of the shares at the time of grant by making an election under Section 83(b) of the Code within 30 days of the award date. If a restricted stock award with respect to which a participant has made such an election under Section 83(b) is subsequently canceled, no deduction or tax refund will be allowed for the amount previously recognized as income.

Unless a participant makes a Section 83(b) election, dividends paid to a participant on shares of an unvested restricted stock award will be taxable to the participant as ordinary income. If the participant made a Section 83(b) election, the dividends will be taxable to the participant as dividend income, which generally is subject to the same rate as capital gains income.

Except as provided under “Certain Limitations on Deductibility of Executive Compensation” below, the Company will ordinarily be entitled to a deduction at the same time and in the same amounts as the ordinary income recognized by the participant with respect to an award of restricted stock. Unless a participant has made a Section 83(b) election, the Company will also be entitled to a deduction, for federal income tax purposes, for dividends paid on unvested restricted stock awards.

Stock Units. A participant will generally not recognize taxable income on the grant of a stock unit award. Subsequently, when the terms and conditions prescribed by the Compensation Committee for payment of the award have been satisfied and settlement is made in either cash or stock, the participant will recognize ordinary income equal to the amount of any cash received and the fair market value of any shares of the Company's Common Stock received as of the date of such settlement, reduced by the amount (if any) that the participant is required to pay to exercise the award. Any dividend equivalents paid on the unvested stock unit awards are taxable as ordinary income when paid to the participant.

Except as provided under "Certain Limitations on Deductibility of Executive Compensation" below, the Company will ordinarily be entitled to a deduction at the same time and in the same amounts as the ordinary income recognized by the participant with respect to an award of stock units. The Company will also be entitled to a deduction, for federal income tax purposes, on any dividend equivalent payments made to the participant.

Stock Awards. A participant will recognize taxable income on the grant of unrestricted stock, in an amount equal to the fair market value of the shares on the grant date. Except as provided under "Certain Limitations on Deductibility of Executive Compensation" below, the Company will ordinarily be entitled to a deduction at the same time and in the same amounts as the ordinary income recognized by the participant with respect to such a stock award.

Non-Qualified Stock Options. Generally, a participant will not recognize taxable income on the grant of a non-qualified stock option provided the exercise price of the option is equal to the fair market value of the underlying stock at the time of grant. Upon the exercise of a non-qualified stock option, a participant will recognize ordinary income in an amount equal to the difference between the fair market value of the Common Stock received on the date of exercise and the option cost (number of shares purchased multiplied by the exercise price per share). The participant will recognize ordinary income upon the exercise of the option even though the shares acquired may be subject to further restrictions on sale or transferability. Except as provided under "Certain Limitations on Deductibility of Executive Compensation" below, the Company will ordinarily be entitled to a deduction on the exercise date equal to the ordinary income recognized by the participant upon exercise.

Generally, upon a subsequent sale of shares acquired in an option exercise, the difference between the sale proceeds and the cost basis of the shares sold will be taxable as a capital gain or loss, including any sale of shares freed from sale restrictions to fund the payment of taxes incurred at exercise.

Incentive Stock Options (ISOs). No taxable income is recognized by a participant on the grant of an ISO. If a participant exercises an ISO in accordance with the terms of the ISO and does not dispose of the shares acquired within two years from the date of the grant of the ISO, nor within one year from the date of exercise, the participant will be entitled to treat any gain or loss related to the exercise of the ISO as capital gain or loss (instead of ordinary income), and the Company will not be entitled to a deduction by reason of the grant or exercise of the ISO. The amount of the gain or loss upon a subsequent sale will be long-term capital gain or loss equal to the difference between the amount realized on the sale and the participant's basis in the shares acquired. If a participant sells or otherwise disposes of the shares acquired without satisfying the required minimum holding period, such "disqualifying disposition" will give rise to ordinary income equal to the excess of the fair market value of the shares acquired on the exercise date (or, if less, the amount realized upon disqualifying disposition) over the participant's tax basis in the shares acquired. Additionally, the exercise of an ISO will give rise to an item of tax preference that may result in alternative minimum tax liability for the participant. Except as provided under "Certain Limitations on Deductibility of Executive Compensation" below, the Company will ordinarily be entitled to a deduction equal to the amount of the ordinary income taxable to a participant as a result of any disqualifying disposition.

Withholding. The Company retains the right to deduct or withhold, or require the participant to remit to his or her employer, an amount sufficient to satisfy federal, state and local and foreign taxes, required by law or regulation to be withheld with respect to any taxable event as a result of the 2016 Incentive Compensation Plan.

Certain Limitations on Deductibility of Executive Compensation. With certain exceptions, Section 162(m) of the Code limits the deduction to the Company for compensation paid to certain executive officers to \$1 million per executive per taxable year unless such compensation is considered “qualified performance-based compensation” within the meaning of Section 162(m) or is otherwise exempt from Section 162(m). The 2016 Incentive Compensation Plan is intended to permit options to qualify for this exemption, and it permits the Committee to grant other awards designed to qualify for this exemption.

Treatment of “Excess Parachute Payments”. The accelerated vesting of awards under the 2016 Incentive Compensation Plan upon a change of control of the Company could result in a participant being considered to receive “excess parachute payments” (as defined in Section 280G of the Code), which payments are subject to a 20% excise tax imposed on the participant. The Company would not be able to deduct the excess parachute payments made to a participant.

The Board of Directors recommends that the Company’s shareholders vote FOR the approval of the 2016 Incentive Compensation Plan.

PROPOSAL THREE

TO CONSIDER AND APPROVE THE MATERIAL TERMS OF THE PERFORMANCE GOALS APPLICABLE TO 2016 - 2020.

The Company seeks generally to preserve its ability to claim tax deductions for compensation paid to its executive officers. Section 162(m) of the Internal Revenue Code (the code) sets limits on deductibility for compensation paid to (i) the Chief Executive Officer and (ii) the other most highly compensated executive officers whose compensation is reported in the Summary Compensation Table (covered employees). "Qualified performance based compensation", as defined in the Code, (which can include compensation from stock options, stock units, stock payments, cash awards and grants of restricted stock) is not subject to the applicable deductibility limits if certain conditions are met. One of the conditions is shareholder approval of the material terms of the performance goals under which compensation is paid.

On February 11, 2016, the Compensation Committee adopted the 2016 Incentive Compensation Plan, and revised and approved the material terms of the Performance Goals applicable to 2016 - 2020. The material terms of the performance goals upon which awards may be based are being submitted to you for shareholder approval at the Annual Meeting, in order to allow awards granted under the plan to satisfy the requirements for "qualified performance based compensation" under the Code, thereby allowing the company to take a federal income tax deduction for the related compensation expense notwithstanding the limitations of Section 162(m).

Material Terms of the Performance Goals Applicable to 2016 - 2020

Under the 2016 Incentive Compensation Plan, both cash incentive and stock based incentive awards may be granted. The material terms of the performance goals for such awards consist of: (i) the class of employees eligible to receive the awards, see Eligible Employees; (ii) the performance criteria on which goals are based, see Performance Criteria; and (iii) the maximum payout of an award that can be provided to any employee and to all covered employees under the plan during a specified period, see Maximum Payout.

Eligible Employees. All Covered Employees (as defined under IRC Section 162(m) of the Code) and any additional key executives chosen by the compensation committee are eligible to receive awards under the plan. This group currently consists of approximately 30 individuals.

Performance Criteria. The performance goals related to awards that may be paid to participants under the Plan include one or more of the following measures in the discretion of the Compensation Committee: minimum annual levels of profitability; minimum annual levels of corporate and/or business unit Operating Income, as adjusted for specific and unusual items; corporate and/or business unit earnings before interest (EBIT) or earnings before interest taxes, and depreciation, as adjusted (EBITDA); total shareholder return, return on capital, return on equity, pre-tax earnings, earnings growth, revenue growth, operating income, operating profit, earnings per share, and return on investment or working capital, any one or more of which may be measured with respect to the Company, or any one or more of its subsidiaries or business units, and either in absolute terms or as compared to another company or other companies. Maximum payouts for each category of awards are described below.

Cash Incentive Awards. A cash incentive award component may be established for each participant in an amount expressed as a percentage of such participant's base salary as of the beginning of the applicable year. Such percentage or percentages may be set annually by the compensation Committee.

Share Based Awards. The Compensation Committee may elect annually to establish awards of restricted stock, stock options, performance units or other types of awards permitted under the Company's 2016 Incentive Compensation Plan, to each participant, the value of which may be equal to a percentage of the sum of such participant's base salary

at the beginning of the applicable year plus any cash incentive award paid for such year. The Committee shall determine such percentage annually. All such awards may be made contingent upon attainment of one or more of the performance goals listed above and as set annually by the Committee.

Maximum Payout. The maximum annual Cash Incentive Award that could be paid to any one participant for 2016 - 2020 is \$750,000 and the maximum annual amount of cash awards that can be paid to all covered employees is \$3,000,000.

The maximum annual value of stock based awards that could be issued to any one participant for 2016 - 2020 would be \$1,650,000 or 330,000 shares and the maximum annual value of stock awards that could be issued to all covered employees would be \$3,750,000 or 750,000 shares using the \$5.00 per share minimum price provided by the plan.

Within the terms of the 2016 Incentive Compensation Plan, and subject to the limitations of the material terms of the performance goals as approved by shareholders, the Committee will select annual performance criteria, specific targets, and types and amounts of potential incentive awards applicable to each year in the 2016 - 2020 period. Thereafter, the material terms of the Performance Goals will be again submitted to shareholder for approval.

As described below, the Committee has established a plan specific to 2016, pursuant to which Qualifying Performance Awards may be granted in 2017. Whether such awards will be granted is subject to meeting applicable performance and service

criteria, and to the discretion of the Compensation Committee. Accordingly, benefits for 2016 are not currently determinable. Maximum payouts applicable to 2016 are set forth below.

The 2016 Plan

Performance Criteria. For awards that may be earned for 2016, the Committee has chosen minimum annual levels of corporate and business unit Operating Income, as adjusted, with respect to the cash incentive and restricted stock awards denominated as Long-Term Incentive Plan Awards and Career Share Awards.

Cash Incentive Awards. For 2016, the Cash Incentive Award component is equal to a range of 15% to a maximum of 105% of base salary as of the beginning of the year. For 2016, the percentage weight given to Operating Income achievement levels was set at 55%, 30% and 15%, respectively, for business unit, Company, and other business unit results, to determine the cash incentive for officers whose primary responsibility relates to one of the Company's business units. For the Chief Executive Officer and all other participants whose primary responsibility is at the corporate level, the percentage weight given to Operating Income achievement levels was set at 50%, 30% and 20%, respectively, for Company, residential, and contract business unit results to determine the cash incentive.

Share Based Awards. For 2016, each participant may earn a restricted stock award consisting of Long-Term Incentive Shares and career Shares. Vesting of the restricted share awards of Long-Term Incentive Shares and Career Shares is as follows: any Primary Long-Term Incentive Share Awards, if earned, vest ratably over three years. Career Share Awards for the participants age 60 or younger, shares vest ratably over five years from the date of grant and after the participant reaches age 61. Additionally, all such awards are subject to vesting or forfeiture under certain conditions as follows: death, disability or a change in control will result in immediate vesting of all such awards; termination without cause will also result in immediate vesting of all such awards; voluntary termination of employment prior to retirement, or termination for cause will result in forfeiture of all unvested awards; upon reaching retirement age (age 65 for this purpose), awards vest to the extent that the Company has recognized compensation expense related to the shares subject to the awards.

Maximum Payout for 2016. The maximum awards that may be granted to the named executive officers for 2016, which may be payable in 2017 are as follows: cash incentive: Mr. Daniel K. Frierson - \$626,250; Mr. D. Kennedy Frierson, Jr. - \$336,000; Mr. Paul B. Comiskey - \$225,000; Mr. Jon A. Faulkner - \$243,000; Mr. V. Lee Martin - \$172,500. The maximum number of restricted shares that may be subject to awards for 2016 are as follows: Mr. Daniel K. Frierson - 114,688; Mr. D. Kennedy Frierson, Jr. - 68,320; Mr. Paul B. Comiskey - 48,750; Mr. Jon A. Faulkner - 52,110; Mr. V. Lee Martin - 37,375.

The maximum cash awards that may be granted to all covered employees for 2016 is \$1,805,250. The maximum value of stock based compensation that may be granted to all participants for 2016 is \$1,793,100, or 358,620 shares using a \$5.00 per share minimum price provided by the plan.

General

The Compensation Committee has the authority to establish, review and certify achievement of the performance criteria and to administer and interpret the Incentive Compensation Plan. The plan also provides that the Committee may, in its discretion, reduce, but not increase, any participant's award (by amount equal to up to 30% of such award) based on subjective criteria related to the individuals' performance during the year.

The Compensation Committee must review and certify achievement of any applicable performance and service criteria prior to any grant or payment of any award.

In accordance with past practice, determination of whether and to what extent awards under the plan applicable to 2016 will be granted, will be made by the Compensation Committee during the first quarter of 2017.

The affirmative vote of a majority of the total votes cast that are represented in person or by proxy at the Annual Meeting is necessary for approval of the material terms of the performance goals for the plan. Abstentions and broker non-votes will not be treated as negative votes in determining whether a majority of the total votes has been obtained.

The Board of Directors recommends that the Company's shareholders vote FOR approval of the material terms of the Performance Goals applicable to 2016 - 2020.

PROPOSAL FOUR

ADVISORY VOTE ON EXECUTIVE COMPENSATION

As required under recent amendments to the Securities Exchange Act of 1934, our stockholders may cast an advisory vote on the compensation of our Named Executive Officers, as described in this proxy statement.

Our executive compensation programs are designed to attract, motivate, and retain our Named Executive Officers, who are critical to our success. Please read the Compensation Discussion and Analysis for additional details about our executive compensation programs, including information about the fiscal 2015 compensation of our Named Executive Officers.

We are asking our Shareholders to indicate their approval of our Named Executive Officer compensation as described in this proxy statement. This proposal, commonly known as a “say-on-pay” proposal, gives our stockholders the opportunity to express their views on our Named Executive Officers’ compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our Named Executive Officers and the philosophy, policies and practices described in this proxy statement.

We recommend that stockholders vote, on an advisory basis, “FOR” the following resolution:

“RESOLVED, that the Company’s stockholders approve, on an advisory basis, the compensation of the Company’s named executive officers, as discussed and disclosed in the Compensation Discussion and Analysis, the executive compensation tables and related narrative executive compensation disclosure in this proxy statement.”

The above resolution will be deemed to be approved if it receives the affirmative vote of a majority of the total votes cast on Proposal Four at the annual meeting. Abstentions and broker non-votes are not considered to be votes cast and, accordingly, will have no effect on the outcome of the vote. As this vote is an advisory vote, the outcome is not binding on us with respect to future executive compensation decisions, including those relating to our named executive officers. Our Board of Directors and our Compensation Committee, however, value the opinions of our stockholders, and to the extent there is any significant vote against the Named Executive Officer compensation as disclosed in this proxy statement, the Compensation Committee will consider our stockholders’ concerns and will evaluate whether any actions are necessary to address those concerns.

The Board of Directors recommends that the Company’s shareholders vote FOR the approval of Proposal Four.

5. Administration

(a) Committee Authority Generally. The Committee shall administer the Plan and shall have full power and authority to make all determinations under the Plan, subject to the express provisions hereof, including without limitation: (i) to select Participants from among the Eligible Individuals; (ii) to make Awards; (iii) to determine the number of Shares subject to each Award or the cash amount payable in connection with an Award; (iv) to establish the terms and conditions of each Award, including, without limitation, those related to vesting, cancellation, payment, exercisability, and the effect, if any, of certain events on a Participant's Awards, such as the Participant's termination of employment with the Company; (v) to specify and approve the provisions of the Award Documents delivered to Participants in connection with their Awards; (vi) to construe and interpret any Award Document delivered under the Plan; (vii) to prescribe, amend and rescind rules and procedures relating to the Plan; (viii) to make all determinations necessary or advisable in administering the Plan and Awards, including, without limitation, determinations as to whether (and if so as of what date) a Participant has commenced, or has experienced a termination of, employment; provided, however, that to the extent full or partial payment of any Award that constitutes a deferral of compensation subject to Section 409A is made upon or as a result of a Participant's termination of employment, the Participant will be considered to have experienced a termination of employment if, and only if, the Participant has experienced a separation from service with the Participant's employer for purposes of Section 409A; (ix) to vary the terms of Awards to take account of securities law and other legal or regulatory requirements of jurisdictions in which Participants work or reside or to procure favorable tax treatment for Participants; and (x) to formulate such procedures as it considers to be necessary or advisable for the administration of the Plan.

(b) Authority to Construe and Interpret. The Committee shall have full power and authority, subject to the express provisions hereof, to construe and interpret the Plan.

(c) Committee Discretion. All of the Committee's determinations in carrying out, administering, construing and interpreting the Plan shall be made or taken in its sole discretion and shall be final, binding and conclusive for all purposes and upon all persons. In the event of any disagreement between the Committee and an Administrator, the Committee's determination on such matter shall be final and binding on all interested persons, including any Administrator. The Committee's determinations under the Plan need not be uniform and may be made by it selectively among persons who receive, or are eligible to receive, Awards under the Plan (whether or not such persons are similarly situated). Without limiting the generality of the foregoing, the Committee shall be entitled, among other things, to make non-uniform and selective determinations, and to enter into non-uniform and selective Award Documents, as to the persons receiving Awards under the Plan, and the terms and provisions of Awards under the Plan.

(d) No Liability. Subject to applicable law: (i) no member of the Committee or any Administrator shall be liable for anything whatsoever in connection with the exercise of authority under the Plan or the administration of the Plan except such person's own willful misconduct; (ii) under no circumstances shall any member of the Committee or any Administrator be liable for any act or omission of any other member of the Committee or an Administrator; and (iii) in the performance of its functions with respect to the Plan, the Committee and an administrator shall be entitled to rely upon information and advice furnished by the Company's officers, the Company's accountants, the Company's counsel

and any other party the Committee or the Administrator deems necessary, and no member of the Committee or any Administrator shall be liable for any action taken or not taken in good faith reliance upon any such advice.

6. Eligibility

All “employees” of the Company - within the SEC’s broad definition set forth in the instructions to the Form S-8 registration statement, which includes employees, officers, directors and (subject to certain restrictions) consultants and advisors to the Company - are eligible to receive awards under the 2016 Incentive Compensation Plan. Participation is discretionary - awards are subject to approval by the Compensation Committee.

7. Restricted Stock

An Award of Restricted Stock shall be subject to the terms and conditions established by the Committee in connection with the Award and specified in the applicable Award Document. Restricted Stock may, among other things, be subject to restrictions on transfer, vesting requirements or cancellation under specified circumstances.

8. Performance Units

Performance Units may be granted to non-employee directors as payment for a portion or all of such Participant’s annual directors’ fees or other compensation to such persons who perform services for the Company. An Award of Performance Units shall be subject to the terms and conditions established by the Committee in connection with the Award and specified in the applicable Award Document. Each Performance Unit awarded to a Participant shall correspond to one Share. Upon satisfaction of the terms

Appendix-3

and conditions of the Award, a Performance Unit will be payable in Stock equal to the Fair Market Value on the grant date of one Share. As a holder of Performance Units, a Participant shall have only the rights of a general unsecured creditor of The Dixie Group, Inc. A Participant shall not be a stockholder with respect to the Shares underlying Performance Units unless and until the Performance Units convert to Shares. Performance Units may, among other things, be subject to restrictions on transfer, vesting requirements or cancellation under specified circumstances. For purposes of such awards to non-employee directors, there shall be an annual limit of 20,000 Performance Units (20,000 shares) per Participant.

9. Options

(a) Options Generally. An Award of Options shall be subject to the terms and conditions established by the Committee in connection with the Award and specified in the applicable Award Document. The Committee shall establish (or shall authorize the method for establishing) the exercise price of all Options awarded under the Plan, except that the exercise price of an Option shall not be less than 100% of the Fair Market Value of one Share on the Award Date (110% in the case of a 10% Shareholder). Upon satisfaction of the conditions to exercisability of the Award, a Participant shall be entitled to exercise the Options included in the Award and to have delivered, upon The Dixie Group, Inc.'s receipt of payment of the exercise price and completion of any other conditions or procedures specified by The Dixie Group, Inc., the number of Shares in respect of which the Options shall have been exercised. Options may be either nonqualified stock options or Incentive Stock Options. Options and the Shares acquired upon exercise of Options may, among other things, be subject to restrictions on transfer, vesting requirements or cancellation under specified circumstances.

(b) Prohibition on Repricing of Options. Anything in the Plan to the contrary notwithstanding, the Committee may not reprice any Option. "Reprice" means any action that has the effect of reducing the exercise price of such Option.

(c) Payment of Exercise Price. Subject to the provisions of the applicable Award Document and to the extent authorized by rules and procedures of The Dixie Group, Inc. from time to time, the exercise price of the Option may be paid in cash, by actual delivery or attestation to ownership of freely transferable Shares already owned by the person exercising the Option, or by such other means as The Dixie Group, Inc. may authorize.

(d) Maximum Term on Stock Options. No Incentive Stock Option shall have an expiration date that is later than the tenth anniversary of the Award Date thereof.

10. Qualifying Performance Awards

(a) The Committee may, in its sole discretion, grant a Qualifying Performance Award to any Section 162(m) Participant. A Qualifying Performance Award shall be subject to the terms and conditions established by the Committee in connection with the Award and specified in the applicable Award Document, but in all events shall be subject to the attainment of Section 162(m) Performance Goals as may be specified by the Committee. Qualifying Performance Awards may be denominated as a cash amount, number of Shares or other securities of the Company, or a combination thereof. Subject to the terms of the Plan, the Section 162(m) Performance Goals to be achieved during any performance period, the length of any performance period, the amount of any Qualifying Performance Award granted and the amount of any payment or transfer to be made pursuant to any Qualifying Performance Award shall be determined by the Committee. The Committee shall have the discretion, by Section 162(m) Participant and by Award, to reduce (but not to increase) some or all of the amount that would otherwise be payable under the Award by reason of the satisfaction of the Section 162(m) Performance Goals set forth in the Award. In making any such determination, the Committee is authorized in its discretion to take into account additional factors that the Committee may deem relevant to the assessment of individual or Company performance for the performance period.

(b) In any calendar year, no one Section 162(m) Participant may be granted Awards pursuant to Section 10(a) that allow for cash payments in an aggregate amount determined in excess of \$750,000 and the maximum annual aggregate amount that can be paid, in cash awards, to all Participants is \$3,000,000.00. To the extent that one or more Qualifying Performance Awards granted to any one Section 162(m) Participant during any calendar year are denominated in Shares, the maximum value of any such Awards to any one Participant shall be \$1,650,000, and the maximum annual number of shares that could be issued to any one participant is 330,000 shares. The maximum

annual value of stock Awards that may be issued to all Participants for any given year is \$3,750,000.00. The maximum annual number of shares that may be issued for all Participants who are Covered Employees under this Section 10 is 750,000.

(c)Section 162(m) Performance Goals may vary by Section 162(m) Participant and by Award, and may be based upon the attainment of specific or per-share amounts of, or changes in, one or more, or a combination of two or more, of the following: minimum annual levels of profitability; minimum annual levels of corporate and/or business unit operating income, as adjusted for specific and unusual items so designated by the Compensation Committee; corporate and/or business unit earnings before interest (EBIT) or earnings before interest, taxes, depreciation and amortization (EBITDA), as adjusted for specific and unusual items so designated by the Compensation Committee; total shareholder return; return on capital; return on equity; pre-tax earnings; earnings growth; revenue growth operating profit; earnings per share; and return on investment or working capital or other specific non-financial objective that enhances the value of the Company to its shareholders. Any of the preceding measures may be set or determined with respect to the Company, or any one of its subsidiaries or business units, and measured either in absolute terms or as compared to an external metric or another company or other companies.

(d)Following the completion of any performance period applicable to a Qualifying Performance Award, the Committee shall certify in writing the applicable performance and amount, if any, payable to Section 162(m) Participants for such performance period. The amounts payable to a Section 162(m) Participant will be paid (or granted in the case of awards of restricted stock granted subject to service conditions) following the end of the performance period after such certification by the Committee in accordance with the terms of the Qualifying Performance Award, but no later than the first March 15 following the Performance Period.

Appendix-4

(e) Without further action by the Board, this Section 10 shall cease to apply on the effective date of the repeal of Section 162(m) of the Code (and any successor provision thereof).

11. General Terms and Provisions

(a) Awards in General. Awards may be granted as an award of Cash, as Stock, as Restricted Stock, as a Qualified Performance Award, as Options or as Performance Units. Awards may be granted independent of other Awards. The grant, vesting or payment of an Award may, among other things, be conditioned on the attainment of performance objectives, including without limitation objectives based in whole or in part on net income, pre-tax income, return on equity, earnings per share, total shareholder return or book value per share. Performance objectives for Awards intended to qualify as Qualifying Performance Awards shall be based on Performance Goals as specified in Section 10(c).

(b) Dividends and Distributions. If The Dixie Group, Inc. pays any dividend or makes any distribution to holders of Stock, the Committee may in its discretion authorize payments (which may be in cash, Stock (including Restricted Stock) or Performance Units or a combination thereof) with respect to the Shares corresponding to an Award, or may authorize appropriate adjustments to outstanding Awards, to reflect such dividend or distribution. The Committee may make any such payments subject to vesting, deferral, restrictions on transfer or other conditions. Any determination by the Committee with respect to a Participant's entitlement to receive any amounts related to dividends or distributions to holders of Stock, as well as the terms and conditions of such entitlement, if any, will be part of the terms and conditions of the Award, and will be included in the Award Document for such Award.

(c) Award Documentation and Award Terms. The terms and conditions of an Award shall be set forth in an Award Document authorized by the Committee. The Award Document shall include any vesting, exercisability, payment and other restrictions applicable to an Award (which may include, without limitation, the effects of termination of employment, cancellation of the Award under specified circumstances, restrictions on transfer or provision for mandatory resale to the Company).

(d) Proportional Exercise for Common Stock and Class B Common Stock. All Awards granted under the Plan shall be denominated and documented with reference to the number of shares of Common Stock subject to such Award; provided, however, that any Participant who already owns shares of the Company's Class B Common Stock prior to exercising any Award granted to him under the Plan shall be entitled to elect to receive shares of both Common Stock and Class B Common Stock with respect to such Award, with the maximum number of shares of Class B Common Stock that the Participant may elect to receive being limited to a number that will not increase the ratio of the number of shares of Class B Common Stock held by the Participant to the total number of shares of Common Stock and Class B Common Stock held by such Participant on the Election Date (as defined below). For any Award which is an ISO or Nonqualified Stock Option (or portion thereof, in the case of Options which vest in installments over time), the Election Date shall be the date on which such Award (or any applicable installment) is exercised, unless the Participant chooses to express such election on the date of grant. For any Award of Restricted Stock, the Election Date shall be the date on which the Award is granted. Any Participant who holds shares of Class B Common Stock and fails to effectively make the applicable election as described above will receive only shares of Common Stock with respect to such Award. All references to "Common Stock" in the Plan or in any Award agreement issued under the Plan shall be deemed to refer to the appropriate number of shares of Common Stock and Class B Common Stock as applied to any eligible Participant who makes the election provided by this Section 11(d).

(e) Voting. Participants shall have the right to vote shares of Common Stock (or Class B Common Stock) allocated to an Award of Restricted Stock. The shares allocated to such Award shall be voted in accordance with instructions received from Participants, or pursuant to such other method as the Committee may establish to enable Participants holding any such Award to vote, or to direct the voting of, such shares.

12. Certain Restrictions

(a) Stockholder Rights. Except as otherwise provided in Section 4(b) or 11(b), no adjustments shall be made for dividends or distributions on, or other events relating to, Shares subject to an Award for which the record date is prior to the date such Shares are delivered. Except for the risk of cancellation and the restrictions on transfer that may apply

to certain Shares (including restrictions relating to any dividends or other rights) or as otherwise set forth in the applicable Award Document, the Participant shall be the beneficial owner of any Shares delivered to the Participant in connection with an Award and, upon such delivery shall be entitled to all rights of ownership, including, without limitation, the right to vote the Shares and to receive cash dividends or other dividends (whether in Shares, other securities or other property) thereon.

(b)Transferability. No Award granted under the Plan shall be transferable, whether voluntarily or involuntarily, other than by will or by the laws of descent and distribution; provided that, except with respect to Incentive Stock Options, the Committee may permit transfers on such terms and conditions as it shall determine. During the lifetime of a Participant to whom Incentive Stock Options were awarded, such Incentive Stock Options shall be exercisable only by the Participant.

13.Representation; Compliance with Law

The Committee may condition the grant, exercise, settlement or retention of any Award on the Participant making any representations required in the applicable Award Document. Each Award shall also be conditioned upon the making of any filings and the receipt of any consents or authorizations required to comply with, or required to be obtained under, applicable law.

14.Miscellaneous Provisions

(a)Satisfaction of Obligations. As a condition to the making or retention of any Award, the vesting, exercise or payment of any Award or the lapse of any restrictions pertaining thereto, The Dixie Group, Inc. may require a Participant to pay such sum to the Company as may be necessary to discharge the Company's obligations with respect to any taxes, assessments or other governmental charges (including FICA and other social security or similar tax) imposed on property or income received by

Appendix-5

a Participant pursuant to the Award or to satisfy any obligation that the Participant owes to the Company. In accordance with rules and procedures authorized by The Dixie Group, Inc., (i) such payment may be in the form of cash or other property, including the tender of previously owned Shares, and (ii) in satisfaction of such taxes, assessments or other governmental charges or, exclusively in the case of an Award that does not constitute a deferral of compensation subject to Section 409A, of other obligations that a Participant owes to the Company, The Dixie Group, Inc. may make available for delivery a lesser number of Shares in payment or settlement of an Award, may withhold from any payment or distribution of an Award or may enter into any other suitable arrangements to satisfy such withholding or other obligation. To the extent an Award constitutes a deferral of compensation subject to Section 409A, the Company may not offset from the payment of such Award amounts that a Participant owes to the Company with respect to any such other obligation except to the extent such offset is not prohibited by Section 409A and would not cause a Participant to recognize income for United States federal income tax purposes prior to the time of payment of the Award or to incur interest or additional tax under Section 409A.

(b)No Right to Continued Employment. Neither the Plan nor any Award shall give rise to any right on the part of any Participant to continue in the employ of the Company.

(c)Headings. The headings of sections herein are included solely for convenience of reference and shall not affect the meaning of any of the provisions of the Plan.

(d)Governing Law. The Plan and all rights hereunder shall be construed in accordance with and governed by the laws of the State of Tennessee, without regard to any conflicts or choice of law, rule or principle that might otherwise refer the interpretation of the award to the substantive law of another jurisdiction.

(e)Amendments and Termination. The Board or Committee may modify, amend, suspend or terminate the Plan in whole or in part at any time and may modify or amend the terms and conditions of any outstanding Award (including by amending or supplementing the relevant Award Document at any time); provided, however, that no such modification, amendment, suspension or termination shall, without a Participant's consent, materially adversely affect that Participant's rights with respect to any Award previously made; and provided, further, that the Committee shall have the right at any time, without a Participant's consent and whether or not the Participant's rights are materially adversely affected thereby, to amend or modify the Plan or any Award under the Plan in any manner that the Committee considers necessary or advisable to comply with any law, regulation, ruling, judicial decision, accounting standards, regulatory guidance or other legal requirement. Notwithstanding the preceding sentence, neither the Board nor the Committee may accelerate the payment or settlement of any Award, including, without limitation, any Award subject to a prior deferral election, that constitutes a deferral of compensation for purposes of Section 409A except to the extent such acceleration would not result in the Participant incurring interest or additional tax under Section 409A. No amendment to the Plan may render any Board member who is not a Company employee eligible to receive an Award at any time while such member is serving on the Board.
