Board Meetings and Committees

The Board of Directors held four meetings during the year ended December 31, 2002 and acted by unanimous consent four times. During such year all directors listed above attended at least 75% of the meetings of the full Board and the committees on which they served.

The Board of Directors has established an Executive Committee currently consisting of Messrs. Stonecipher, Harp and Grunebaum and an Audit Committee currently consisting of Messrs. Grunebaum and Belsky. The Executive Committee may exercise all of the powers of the Board of Directors, except to the extent limited by law. The Audit Committee makes recommendations to the Board of Directors concerning the selection of and oversees the Company's relationship with its independent auditors and reviews with the independent auditors the scope and results of the annual audit. The Audit Committee also reviews financial statements and reports including proxy statements, Forms 10-K and Forms 10-Q, reviews all significant financial reporting issues and practices and monitors internal control policies. Each of the members of the Audit Committee meets the independence standards of the New York Stock Exchange. The Audit Committee held five meetings during 2002.

Additionally, during 2002, the Board of Directors formed a nominating committee and a compensation committee, both currently consisting of Messrs. Grunebaum and Belsky. The nominating committee is designed to assist the full Board of Directors in selecting individuals for service on the Board of Directors and evaluating their performance. The compensation committee was designed to evaluate and recommend the compensation of the executive officers of the Company to assure they are compensated effectively in a manner consistent with the overall objectives of the Company and to communicate the Company's compensation policies and the reasoning behind such policies to shareholders. Both of these committees were designed to consist of two or more independent directors as defined in and determined pursuant to the corporate governance policies of the New York Stock Exchange. Members of these committees are elected by the Board of Directors annually for one-year terms, or until their successors shall be duly elected and qualified. During 2002, the nominating committee did not meet and the compensation committee met one time.

Compensation of Directors

Directors who are also employees of the Company or its subsidiaries receive no additional compensation for their services as directors. Non-employee directors of the Company receive \$500 per board and committee meeting attended. Under the Company's Stock Option Plan, each non-employee director also receives on March 1 of each year options to purchase 10,000 shares of Common Stock. These options are immediately exercisable as of the date of grant as to one-fourth of the shares covered by the options and vest in additional one-fourth increments on the following June 1st, September 1st and December 1st in the year of grant, subject to continued service by the non-employee director during such periods. Options granted to non-employee directors under the Stock Option Plan have an exercise price equal to the closing price of the Common Stock on the date of grant as reported by the New York Stock Exchange and expire five years from the date of grant. Additionally, Martin H. Belsky receives a consulting fee, not to exceed \$6,000 annually, for his consulting services, primarily related to the relationship between the Company and its provider law firms. The Board of Directors has considered such compensation and determined that such arrangement does not impair his judgment or independence.

The Board of Directors recommends that the shareholders vote "FOR" the re-election of John W. Hail and the election of Steven R. Hague to the Board of

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form DEF 14A

Directors.

PROPOSAL TWO APPROVAL OF AMENDMENT TO INCREASE SHARES UNDER STOCK OPTION PLAN AND TO EXTEND THE TERMINATION DATE OF THE STOCK OPTION PLAN

The Company's Stock Option Plan (the "Plan") is intended to promote and advance the interests of the Company and its shareholders by providing a means for the Company to encourage stock ownership by directors, officers and employees of the Company and its subsidiaries in order to increase the proprietary interests of such persons in the growth and financial success of the Company. The Plan was originally adopted by the Board and approved by shareholders in 1995. In May 2000, the Plan was amended to increase the number of shares authorized under the Plan from 1,000,000 to 2,000,000 shares. The Plan currently expires in December 2005.

The Board of Directors has adopted, subject to shareholder approval, an amendment to the Plan to increase the maximum number of shares of Common Stock in respect of which options may be granted under the Plan from 2,000,000 shares to 3,000,000 shares and to extend the Plan until December 12, 2012. The amendment was adopted in order to ensure that the Company will continue to have appropriate equity incentive compensation opportunities for its directors, officers, and employees. The Board of Directors considers the Company's ability to offer competitive compensation opportunities, including long-term equity based compensation in the form of stock options, as an important component of the Company's management retention and strategy. Because it is necessary to amend the Plan to authorize additional shares, the Board believes it is a convenient time to extend the term of the Plan to avoid having to do so in 2004 or 2005.

Description of the Plan

Administration. The Plan is administered by the Board of Directors of the Company. The Board has the authority to appoint a committee ("Committee") of not less than two members of the Board to administer the Plan and to make determinations concerning the granting of options thereunder. The Board may appoint and remove members of the Committee as it sees fit from time to time. The Board or Committee has sole authority to determine the persons who shall participate in the Plan and the extent of their participation and to construe and interpret provisions of the Plan and any option granted thereunder. No member of the Board or Committee will be liable for any action or determination made in good faith, and such members will be entitled to indemnification and reimbursement in the manner provided in the Company's Certificate of Incorporation, or as otherwise permitted by law.

Shares Subject to the Plan. The maximum number of shares of Common Stock reserved for issuance under the Plan and in respect of which options may be granted pursuant to the terms of the Plan will be increased by the proposed amendment from 2,000,000 shares to 3,000,000 shares. These shares consist of authorized but unissued shares or treasury shares held by the Company. This number is subject to appropriate equitable adjustment in the event of any subdivision or consolidation of shares or other capital adjustment, or the payment of a stock dividend or other increase or decrease in such shares, effected without receipt of consideration by the Company. In the event that any outstanding option under the Plan for any reason expires or is terminated prior to the end of the period during which options may be granted, the shares of Common Stock allocable to the unexercised portion of such option may again be subject to options granted under the Plan.

Eligibility. Persons eligible to participate in the Plan consist of such directors, officers and employees of the Company and its subsidiaries as the

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form DEF 14A

Board or Committee may determine from time to time. There is no limit to the total number of eligible persons to whom options may be granted under the Plan. The Board or Committee will determine in accordance with the Plan the persons to whom option awards are granted, the size of any option awards and the conditions applicable thereto.

Exercise of Options. Options may be exercised solely by the optionee during the optionee's lifetime at the rate of 20% of the number of shares covered thereby per year beginning one year from the date of grant, unless otherwise provided by the Board or Committee at the time the option is granted. After becoming exercisable, options granted under the Plan may be exercised, in whole or in part, at any time prior to the expiration or termination of the options. The exercise price of options granted under the Plan is determined by the Board or the Committee, but may not be less than the fair market value of the Common Stock on the date of grant of the option. The exercise price of options granted under the Plan must be paid upon the exercise of the option and may be paid in cash or, if so determined by the Board or the Committee, the exercise price may be paid in property or installment payments.

Nontransferability. Options granted under the Plan are not assignable or transferable by the optionee except by will or by the laws of descent and distribution, and are exercisable during the optionee's lifetime only by the optionee.

Effect of Death, Termination of Employment and Retirement. If an optionee dies while employed by the Company at a time when the optionee is entitled to exercise an option granted pursuant to the Plan, then at any time or times within 12 months after the optionee's death the options may be exercised by the optionee's estate, personal representative, beneficiary or other person upon whom such right devolves by will or the laws of descent and distribution, and except as so exercised, will expire at the end of such 12-month period. If the optionee's employment is terminated as a result of a violation of law or for cause, the optionee's options whether or not then exercisable will terminate immediately. If the termination is for a reason other than a violation of law or for cause, the optionee will have the right to exercise his or her options at any time within 30 days after such termination, except if the termination is as a result of retirement as described below. In the event an optionee's termination of employment is as a result of retirement with the consent of the Company, the optionee will have the right to exercise his or her option within three months after retirement to the extent exercisable on the day of retirement. However, in any event, no option may be exercised after its expiration date set forth in the applicable option agreement.

Option Awards to Non-Employee Directors. Each member of the Board of Directors who is not an employee of the Company (a "Non-Employee Director") is eligible to receive option grants under the Plan on the same basis as other eligible persons. In addition, each Non-Employee Director receives annual grants of stock options to purchase 10,000 shares of Common Stock on March 1st of each year during the term of the Plan, subject to there being at the time of any such grant sufficient remaining shares of Common Stock available for awards under the Plan. The purchase price for each share placed under an annual option grant for a Non-Employee Director is equal to 100% of the fair market value of such share on the date the option is granted. No options will be granted to a Non-Employee Director after any date that the Non-Employee Director ceases to be a director of the Company. All stock options granted to a Non-Employee Director shall consist of options that do not qualify as incentive stock options under the Code.

Except as otherwise provided in the Plan, the annual option grants to Non-Employee Directors are fully vested and immediately exercisable as to 2,500 shares on the date of grant and will become vested and exercisable in additional increments of 2,500 shares on June 1, September 1, and December 1 in the year

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form DEF 14A

the option is granted; provided however, that it is a condition to the vesting of each incremental portion of the option that the Non-Employee Director continue to be a Non-Employee Director of the Company through the applicable vesting date. The period during which such Non-Employee Director options may be exercised is 5 years from the date of grant, subject to earlier termination as provided in the Plan.

Recapitalization or Reorganization. In the event of a subdivision or consolidation of shares or other capital adjustment, or the payment of a stock dividend or other increase or decrease in such shares effected without receipt of consideration by the Company, the number of shares covered by each outstanding option and the price of each outstanding option will be proportionately adjusted.

Subject to any required action by the shareholders, if the Company is a party to a merger or consolidation which does not result in a change of control of the Company, any option granted under the Plan will apply to the securities to which a holder of the number of shares of Common Stock subject to the option would have been entitled. If, however, the Company dissolves, liquidates, or is reorganized in a manner which results in a change in control of the Company, or in the event of a tender or exchange offer which results in a change in control of the Company, the Board or Committee will determine: (i) whether all or any part of the unexercised portion of any option outstanding under the Plan will terminate; (ii) whether the options will become immediately exercisable; or (iii) whether such options may be exchanged for options covering securities of any surviving or resulting corporation, subject to the agreement of any such surviving or resulting corporation, on terms and conditions substantially similar to options under the Plan.

Modification and Termination of the Plan. The Board of Directors may from time to time amend, alter, suspend, or discontinue the Plan or alter or amend (including any decrease of the option price by cancellation and substitution of options or otherwise) any and all options granted thereunder. However, the Board may not, without shareholder approval, alter the Plan so as to (i) materially increase the benefits accruing to participants under the Plan; (ii) materially increase the number of securities which may be issued under the Plan; or (iii) materially modify the requirements as to eligibility for participation in the Plan. Additionally, no amendment may affect any then outstanding options or unexercised portions thereof without the consent of the optionee. The termination date of the Plan will be extended from December 12, 2005, to December 12, 2012 except with respect to awards then outstanding.

Special Provisions Applicable to Incentive Stock Options. The Board or the Committee will determine at the time of any option grant whether such option will be an incentive stock option intended to qualify under Section 422 of the Internal Revenue Code or a nonstatutory stock option. Options granted to Non-Employee Directors will not qualify as incentive stock options. Incentive stock options granted pursuant to the Plan will comply with all the previously mentioned provisions of the Plan modified by the following special terms and conditions:

(i) Eligibility. Persons eligible to receive incentive stock options are employees (including officers and directors who are employees) of the Company or its subsidiaries only.

(ii) Limitations on Aggregate Value of Shares Subject to Incentive Stock Options. The aggregate fair market value as of the date of the grant of shares with respect to which incentive stock options are exercisable for the first time by an optionee during any calendar year will not exceed \$100,000.

(iii) Term of Incentive Stock Options. Each Incentive stock option

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form DEF 14A

granted under the Plan will not be exercisable more than 10 years from the date the option is granted.

(iv) Limitations for Certain Shareholders. Any person who owns, directly or indirectly, stock possessing more than 10% of the total combined voting power of all classes of stock of the Company or its subsidiaries may not receive an incentive stock option under the Plan, unless at the time the option is granted to such person the exercise price is at least 110% of the fair market value of the shares covered by the option and the option is not exercisable after the expiration of five years from the date of the grant.

Federal Income Tax Consequences. An optionee receiving an option qualifying as an "incentive stock option" under Section 422 of the Internal Revenue Code will not recognize taxable income upon the grant or exercise of the option. Upon disposition of the shares acquired, the optionee will recognize a capital gain or loss based on the difference between the amount realized and the option price, assuming certain holding period requirements are satisfied and the shares are held as a capital asset. However, alternative minimum tax may be applicable. The Company will not receive any tax deduction in connection with the grant or exercise of an incentive stock option or, assuming the holding period requirements are satisfied, sale of the shares by an optionee.

An optionee receiving a nonstatutory stock option will not recognize taxable income on the grant of an option, but will be deemed to have received ordinary income on the exercise of an option equal in amount to the difference between the fair market value of the shares acquired as of the date of exercise and the option price. The Company will be entitled to a tax deduction at the same time in the same amount. An optionee's tax basis in the shares acquired will be equal to the fair market value of the shares as of the date of exercise for purposes of measuring any gain or loss on subsequent disposition of the shares.

Summary of Award Activity Pursuant to the Plan

The following table indicates as of April 4, 2003 the number of shares authorized for issuance under the Plan (including the proposed increase in the authorized number of shares), the aggregate number of shares subject to outstanding awards (net of cancellations), the number of shares issued pursuant to prior awards, and the number of shares available for future awards (including the proposed increase in the authorized number of shares):

Authorized (including proposed increase)	Subject to Outstanding Awards (net of cancellations) (1)	Issued Pursuant to Prior Awards	Available Awards (including proposed increase)
3,000,000	1,052,752	791,998	

(1) Includes options to purchase 821,252 shares of Common Stock granted to executive officers and eligible employees of the Company at exercise prices ranging from \$16.46 to \$32.81 per share. The exercise prices of such options are 100% of the market value of the Common Stock on the date of grant. The expiration dates of such options range from April 2004 to March 2011. Of such options, 685,000 were granted to four executive officers of the Company and 136,252 were granted to a total of ten employees of the Company other than executive officers. Also includes 231,500 options

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form DEF 14A

granted to five Non-Employee Directors pursuant to the annual grant provisions described above at exercise prices ranging from \$17.03 to \$39.50 per share.

Based on the closing sale price of the Common Stock as reported by the New York Stock Exchange on April 1, 2003 of \$17.48 per share, the market value of the total number of shares of Common Stock previously issued pursuant to exercise of option awards under the Plan was \$13.8 million, the market value of shares underlying outstanding awards under the Plan was \$18.4 million and the market value of shares available for future awards (including the proposed increase in the number of shares authorized for issuance under the Plan) was \$20.2 million.

Consequences of Non-Approval

If the shareholders do not approve the proposed amendment of the Plan, no further awards will be made pursuant to the Plan after all existing available awards of 155,250 options are granted before the existing expiration date of December 12, 2005.

Recommendation

Provided that the shareholders approve the proposed amendment of the Plan, the increased number of shares will be available for awards to all eligible participants in the Plan and the Plan will be extended. Except as described above in connection with the annual awards to Non-Employee Directors, the Board of Directors has not at this time considered or approved any future awards under the Plan, and, as a result, the identity of future award recipients and the size and terms of future awards are not known at this time.

The Board of Directors recommends that the shareholders for "FOR" the proposed amendment to increase the number of shares under the Stock Option Plan and to extend the termination date of the Stock Option Plan.

Fiscal 2002 Audit and Other Fees

The firm of Grant Thornton LLP was originally engaged in September 2001 to serve as the Company's independent auditor and subsequently retained for the annual audit for the fiscal year ended December 31, 2002. The aggregate fees billed by Grant Thornton LLP for the annual audit of the Company's consolidated financial statements for the fiscal year 2002 and for reviews of the Company's interim financial statements included in Forms 10-Q for 2002 are set forth below under the caption Audit Fees. Grant Thornton LLP performed no services, and therefore no fees were billed by Grant Thornton LLP for financial information systems design and implementation, or for other professional services during fiscal 2002:

Audit Fees.....	\$	157,500
Financial Information Systems Design and Implementation Fees....	\$	-
All Other Fees.....	\$	22,350

The Audit Committee has considered whether the provision of non-audit services by Grant Thornton LLP is compatible with maintaining auditor independence.

AUDIT COMMITTEE REPORT

In accordance with its written charter adopted by the Board of Directors ("Board"), the Audit Committee of the Board ("Committee") assists the Board in

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form DEF 14A

fulfilling its responsibility for oversight of the quality and integrity of the accounting, auditing and financial reporting practices of the Company. During fiscal 2002, the Committee met five times, and the Committee chair, as representative of the Committee, discussed the interim financial information contained in each quarterly earnings announcement with the CFO and independent auditors prior to public release.

In discharging its oversight responsibility as to the audit process, the Audit Committee obtained from the independent auditors a formal written statement describing all relationships between the auditors and the Company that might bear on the auditors' independence consistent with Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," discussed with the auditors any relationships that may impact their objectivity and independence and satisfied itself as to the auditors' independence. The Committee also discussed with management and the independent auditors the quality and adequacy of the Company's internal controls. The Committee reviewed with the independent auditors their audit plans, audit scope, and identification of audit risks.

The Committee discussed and reviewed with the independent auditors all communications required by generally accepted auditing standards, including those described in Statement on Auditing Standards No. 61, as amended, "Communication with Audit Committees" and, with and without management present, discussed and reviewed the results of the independent auditors' examination of the financial statements.

The Committee reviewed the audited financial statements of the Company as of and for the fiscal year ended December 31, 2002, with management and the independent auditors. Management has the responsibility for the preparation of the Company's financial statements and the independent auditors have the responsibility for the examination of those statements.

Based on the above-mentioned review and discussions with management and the independent auditors, the Committee recommended to the Board that the Company's audited financial statements be included in its Annual Report on Form 10-K for the fiscal year ended December 31, 2002, for filing with the Securities and Exchange Commission. The Committee intends to recommend reappointment of the independent auditors to the Board.

Options are granted at fair market value at the date of the grant and are generally immediately exercisable for a period of three years or within 90 days of termination, whichever occurs first. There were 244,679, 131,288 and 90,892 total options granted to RVPs in the years ended December 31, 2002, 2001 and 2000, respectively. Employment Contracts and Termination of Employment and Change-in-Control Arrangements

The Company has an employment agreement with Mr. Stonecipher that commenced in January 1993, and, unless sooner terminated, expires on June 30, 2003. The agreement will be automatically extended for successive one-year periods unless either party elects to terminate at least 30 days prior to the expiration date. Under the terms of the employment agreement, Mr. Stonecipher is to receive compensation as determined by the Board of Directors but not less than \$157,755 per year. In addition to his annual salary, Mr. Stonecipher also is entitled to receive a supplemental retirement benefit in the amount of \$26,000 per year

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form DEF 14A

payable on the first day of the month following his termination of employment and annually thereafter until the earlier of his death or the date upon which ten such payments have been made. Mr. Stonecipher must meet certain minimal conditions subsequent to the termination of his employment in order to receive such payments. The Company's obligation for supplemental retirement benefits pursuant to the employment agreement is subject to the continuation of a certain split dollar life insurance agreement between the Company and Shirley A. Stonecipher, Mr. Stonecipher's wife, described below. If the Company terminates the employment agreement for any reason (other than Mr. Stonecipher's death) or Mr. Stonecipher terminates the agreement for certain specified events including a change of control of the Company (as defined in the agreement), the Company is required to pay Mr. Stonecipher a lump sum payment equal to the present value (using a 3% discount rate) of the remaining salary and retirement benefits throughout the term of the agreement.

Pursuant to an agreement with the Company, Mr. Stonecipher is also entitled to an override commission, payable monthly, in an amount equal to \$.025 per active membership as compensation for his efforts in assisting in the growth and development of new production for the Company and its subsidiaries. The agreement provides that the amount of the commissions shall in no event exceed \$20,000 per month. The payment of such commissions to Mr. Stonecipher continues during his lifetime and after his death to his designated beneficiaries and their successors. The agreement requires that Mr. Stonecipher devote reasonable efforts to the generation of new membership sales for the Company. The amounts paid to Mr. Stonecipher under this agreement during the fiscal year ended December 31, 2002 are reflected in the summary compensation table set forth above. Mr. Stonecipher has deferred payments under this agreement of \$63,176 at December 31, 2002. Mr. Stonecipher also receives a portion of the annualized commission revenue of PPL Agency, Inc., which is owned by Mr. Stonecipher as a nominee for the Company. See "Certain Relationships and Related Transactions." Such amounts paid to Mr. Stonecipher are also reflected in the summary compensation table set forth above.

Commencing in January 1997, the Company implemented its "Fast Start to Success" program pursuant to which electing marketing associates may participate in Company-sponsored sales training programs, including use of a video and other training aides developed by the Company. The cost to each marketing associate for participation in the program is typically \$249, except for special promotions the Company implements from time to time. Mr. Stonecipher received a payment of \$10 for each marketing associate who participated in the program until August 2002 at which time this form of compensation ceased and was replaced by one-half of one percent (.5%) of Membership premiums collected. Such amounts paid to Mr. Stonecipher are reflected in the summary compensation table set forth above. Mr. Stonecipher has deferred payments under this agreement of \$134,279 at December 31, 2002. In January 2003, the Board of the Company approved a modification in this compensation arrangement for 2003 to provide for Mr. Stonecipher to receive a monthly commission of one-quarter of one percent (0.25%) of monthly Membership premiums so long as monthly Membership premiums are at least 85% of the comparable month of the prior year and a quarterly commission of one-quarter of one percent (0.25%) of quarterly Membership premiums so long as quarterly Membership premiums exceed Membership premiums for the comparable quarter of the prior year.

In July 1984, the Company entered into a life insurance arrangement with Shirley A. Stonecipher, Mr. Stonecipher's wife, whereby the Company agreed to pay premiums on a life insurance policy covering Mr. Stonecipher. The face amount of the policy is \$600,000 and Mrs. Stonecipher is the owner and beneficiary. Mrs. Stonecipher has an agreement with the Company whereby upon Mr. Stonecipher's death, the proceeds of the policy will be paid to the Company in an amount sufficient to reimburse premiums paid to date by the Company and any supplemental retirement payments made pursuant to his employment contract. This agreement is secured by a collateral assignment of the policy proceeds.

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form DEF 14A

In November 2002, the Company adopted a deferred compensation plan, which permits executive officers to defer receipt of a portion of their compensation. Deferred amounts accrue hypothetical returns based upon investment options selected by the participant. Deferred amounts are paid in cash based on the value of the investment option and are generally payable following termination of employment in a lump sum or in installments as elected by the participant, but the plan permits on demand distributions, which are subject to a 10% penalty, and provides for financial hardship distributions, distributions in the event of total disability or death and distributions upon a change in control. The plan also provides for a death benefit of \$500,000 for each participant. Although the plan is unfunded and represents an unsecured liability of the Company to the participating officers, the Company has purchased company-owned variable life insurance policies insuring the lives of the group of participants to finance its obligations under the plan. Such life insurance was purchased subsequent to December 31, 2002. As of December 31, 2002, the Company had a deferred compensation liability for Mr. Stonecipher, Mr. Harp, Ms. Pinson, Mr. Williamson and Mr. Smith (the Company's former President) in the amounts of \$258,249, \$5,192, \$1,923, \$1,846 and \$40,095, respectively.

Board of Director Interlocks and Insider Participation in Executive Compensation Decisions

The Board of Directors of the Company is responsible for establishing compensation of Harland C. Stonecipher, Chairman, Chief Executive Officer and President of the Company. The Board of Directors formed a compensation committee during 2002 as described above and recommended that Mr. Stonecipher accept one-half of one percent (.5%) of Membership premiums collected in lieu of the \$10 payment for each associate that participated in the Fast Start to Success training program. Mr. Stonecipher's cash compensation for 2002 was determined pursuant to his employment agreement and other arrangements with the Company approved by the Board of Directors prior to 2002, as amended by the Compensation Committee's recommendation described above. However, during 2002, the Board of Directors approved the grant of stock options to Mr. Stonecipher, Randy Harp, Steve Williamson and Kathleen S. Pinson, each executive officers and directors of the Company, for the purchase of 100,000, 50,000, 5,000 and 5,000 shares, respectively, under the Company's Stock Option Plan. Messrs. Stonecipher, Smith and Harp and Ms. Pinson participated in the deliberations of the Board of Directors with respect to such stock option grants.

Report On Executive Compensation

As previously indicated, the Board of Directors of the Company (the "Board") is responsible for establishing compensation of Harland C. Stonecipher, the Chairman, Chief Executive Officer and President. The Board formed a compensation committee during 2002. The compensation committee was designed to evaluate and recommend the compensation of the executive officers of the Company to assure they are compensated effectively in a manner consistent with the overall objectives of the Company and to communicate the Company's compensation policies and the reasoning behind such policies to shareholders. The compensation committee met one time during 2002 and recommended a change in the compensation structure of Mr. Stonecipher but did not recommend any changes to the compensation of any other executive officer.

The base salary of Mr. Stonecipher for 2002 was as provided in his employment agreement with the Company entered into in 1993. The principal terms of his employment agreement are described elsewhere herein. See "Executive Compensation and Other Information - Employment Contracts and Termination of Employment and Change-in-Control Arrangements." The level of base salary for Mr. Stonecipher in the employment agreement was determined through negotiations with

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form DEF 14A

Mr. Stonecipher at the time the employment agreement was entered into, and the base salaries of the other executive officers of the Company for 2002 were determined by Mr. Stonecipher based upon his assessment of the respective executive officer's performance and potential contribution to the Company's financial and operational objectives.

Pursuant to his employment agreement, Mr. Stonecipher receives a monthly override commission of \$.025 per active membership, subject to certain limitations, and a portion of the annualized commission revenue of PPL Agency, Inc., which is owned by Mr. Stonecipher as a nominee of the Company. During 2002, Mr. Stonecipher earned \$297,932 pursuant to these commission-based incentive compensation arrangements. These arrangements foster the goals of the Company's compensation policy by linking a significant portion of the chief executive officer's annual compensation to the level of revenues derived from active memberships, thereby creating strong financial incentives to the chief executive officer for the continued growth of the Company's membership base. During 2002, new membership sales increased 6% to 773,767 compared to 728,295 during 2001, and active memberships in force of 1,382,306 at December 31, 2002 increased 11% compared to 1,242,908 memberships in force at December 31, 2001. Over the last five years, the compounded growth rate of the Company's active membership base has exceeded 25% per year and earnings per share has grown from \$.48 per share to \$1.82 per share for 2002.

During 1997, the Company implemented its "Fast Start to Success" program. The "Fast Start to Success" program is a Company-sponsored field training program for the Company's marketing associates that utilizes audio, video and other training aides developed by the Company and is designed to increase new memberships sold and new sales associates recruited per participating associate. Participating associates are required to pay the Company a one-time training fee to offset the Company's direct and indirect costs incurred in developing and maintaining the program. Mr. Stonecipher received a payment from the Company of \$10 for each marketing associate who participated in the "Fast Start to Success" program through July 2002 and such payments totaled \$1,033,340 during 2002. Mr. Stonecipher was instrumental in the conception and development of the program, which the Board believes has enhanced the Company's marketing efforts and contributed to the growth of new membership sales during 2002. Beginning in August 2002 and in lieu of the \$10 for each Fast Start participant, Mr. Stonecipher began receiving one-half of one percent (.5%) of Membership premiums collected. This change in Mr. Stonecipher's compensation was designed to more closely link his compensation with realized membership revenues. Another change in this arrangement was made for 2003 as described above to tie the compensation based on percentage of premiums to the achievement of specified thresholds of total membership premiums in 2003 compared to membership premiums in 2002.

The Company maintains a Stock Option Plan (the "Plan") pursuant to which the Board may grant options to purchase Common Stock to directors and employees of the Company, including the executive officers. The exercise price of options granted under the Plan may not be less than the fair market value per share of Common Stock on the date of grant. In authorizing option awards under the Plan to executive officers, the Board considers various factors including the recommendation of the Chairman, the relative responsibilities of the optionee, the Board's subjective evaluation of the optionee's performance, and the optionee's relative equity interest in the Company in the form of stock and options. The Board granted options during 2002 to the Company's executive officers as follows: Harland C. Stonecipher - 100,000; Randy Harp - 50,000, Steve Williamson - 5,000 and Kathleen S. Pinson - 5,000. The Board considers stock options to be an important element of the Company's incentive compensation policies and anticipates that additional options will be granted to certain executive officers during 2003.

In 2002, the Company adopted a deferred compensation plan for its executive officers as described under "Executive Contracts and Termination of Employment

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form DEF 14A

and Change-in-Control Arrangements." This plan is intended to supplement the Company's existing tax-qualified retirement plans to provide the participants with improved long-term retirement security.

Section 162(m) of the Internal Revenue Code provides that the Company may be limited in deducting annual compensation in excess of \$1 million paid to certain executive officers. The Board of Directors has considered the effect of Section 162(m) on the Company's compensation program. The deferred compensation plan was adopted in 2002 in part to be responsive to the limitations of Section 162, to permit the deferral of compensation that would not otherwise be deductible under Section 162. In certain circumstances it may be in the best interests of the Company and its shareholders to retain the flexibility to pay compensation that may not be deductible under Section 162.

The preceding report is presented by each of the current members of the Board of Directors.

Smith, National Marketing Director and formerly President and a director of the Company, own S & S Aviation LLC ("S&SA"). The Company has agreed to reimburse SA and S&SA for certain expenses pertaining to trips made by Company personnel for Company business purposes using aircraft owned by SA and S&SA. Such reimbursement represents the pro rata portion of direct operating expenses, such as fuel, maintenance, pilot fees and landing fees, incurred in connection with such aircraft based on the relative number of flights taken for Company business purposes versus the number of other flights during the applicable period. No reimbursement is made for depreciation, capital expenditures or improvements relating to such aircraft. During 2002, the Company paid \$397,000, to SA as reimbursement for such transportation expenses. The Company paid \$436,000 to S&SA during 2002 as reimbursement for such transportation expenses. The Company expects to make similar reimbursements in 2003.

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form DEF 14A

\$526,000 during 2002, of which \$266,000 was net of amounts passed through as commissions to their sales agents. The Company expects similar commissions will be paid in 2003.

COMPLIANCE WITH SECTION 16 REPORTING REQUIREMENTS

Section 16(a) of the Securities Exchange Act of 1934 requires directors and executive officers of the Company and persons who beneficially own more than 10% of the Company's Common Stock to file reports of ownership and changes in ownership of the Company's Common Stock with the Securities and Exchange Commission. The Company is required to disclose delinquent filings of reports by such persons during 2002. Based on a review of the copies of such reports and amendments thereto received by the Company, or written representations that no filings were required, the Company believes that during 2002 all Section 16(a) filing requirements applicable to its executive officers, directors and 10% shareholders were met.

VOTING

Directors will be elected by a plurality of the votes of the shares present in person or represented by proxy at the Annual Meeting. All other matters properly brought before the Annual Meeting, including the proposal to amend the Stock Option Plan will be decided by a majority of the votes cast on the matter, unless otherwise required by law

Shares represented by proxies which are marked "withhold authority" with respect to the election of any one or more nominees for election as directors or "abstain" with respect to the Stock Option Plan will be counted for the purpose of determining the number of shares represented by proxy at the meeting. As a result, proxies marked "abstain" with respect to the proposed amendment to the Stock Operation Plan will have the same effect as if they were voted against approval. However, because directors are elected by a plurality rather than a majority of the shares present in person or represented by proxy at the Annual Meeting, proxies marked "withhold authority" with respect to any one or more nominee will not affect the outcome of the nominee's election unless the nominee receives no affirmative votes or unless other candidates are nominated for election as directors.

Shares represented by limited proxies will be treated as represented at the meeting only as to such matter or matters for which authority is granted in the limited proxy. Shares represented by proxies returned by brokers where the brokers' discretionary authority is limited by stock exchange rules will be treated as represented at the Annual Meeting only as to such matter or matters voted on in the proxies.

INDEPENDENT PUBLIC ACCOUNTANTS

Grant Thornton LLP served as the Company's independent accountants for the year ended December 31, 2002. Representatives of Grant Thornton LLP are expected to be present at the Annual Meeting, with the opportunity to make a statement if they desire to do so, and will be available to respond to appropriate questions.

As previously reported, on August 1, 2001, the Company and its former independent auditor, Deloitte & Touche LLP ("Deloitte"), reached a mutual agreement to cease their client-auditor relationship. Deloitte's reports on the Company's financial statements for 1999 and 2000 did not contain an adverse opinion or a disclaimer of opinion, nor were such reports qualified or modified as to uncertainty, audit scope, or accounting principle. The mutual agreement to cease the client-auditor relationship was approved by the Company's audit

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form DEF 14A

committee of the Board of Directors.

During the Company's two most recent fiscal years and the subsequent interim period preceding the mutual agreement to cease the client-auditor relationship there were no disagreements between the Company and Deloitte on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Deloitte, would have caused it to make reference to the subject matter of the disagreement in connection with its report, except as described in the following paragraph.

On July 30, 2001, the Company publicly announced that, although it believed its historical accounting policies for commission advance receivables were in compliance with generally accepted accounting principles ("GAAP"), it had decided not to further contest the SEC's conclusion that the Company's advance commission payments should be expensed over the one month term of the Company's legal plan membership contracts. Accordingly, the Company announced that it would amend its previously filed SEC reports to restate its financial statements to reflect the SEC's conclusion. In addition, the Company prepared its interim financial statements for the three- and six-month periods ended June 30, 2001, in accordance with the revised accounting policy reflecting the SEC's conclusion. Deloitte informed the Company and publicly announced that Deloitte continues to believe that the Company's historical accounting for commission advances was correct and in compliance with GAAP, that Deloitte respectfully disagrees with the SEC staff's interpretation of GAAP in this case and the SEC's decision to require that the Company restate its financial statements, and that Deloitte is therefore unable to render an unqualified opinion with respect to the Company's restated financial statements. Deloitte previously issued an unqualified opinion on the December 31, 2000 financial statements contained in the Company's Form 10-K and issued unqualified opinions for each of the previous six years. Because an unqualified opinion is necessary for the Company to be in compliance with the SEC reporting requirements and Deloitte is unable to render such an opinion, the Company had no choice but to seek another auditor. Accordingly, Deloitte and the Company, after discussion of these issues with the Company's audit committee, agreed to cease the client-auditor relationship. The Company authorized Deloitte to respond fully to the inquiries of the Company's successor accountant concerning this matter.

Except for the matter described in the preceding paragraph, during the Company's two most recent fiscal years and the subsequent interim period preceding the mutual agreement to cease the client-auditor relationship there were no "reportable events" as defined in Item 304 of Regulation S-K promulgated by the SEC.

The Company engaged Grant Thornton LLP as its new independent accountants as of September 17, 2001. During the two most recent fiscal years prior to, and through, September 17, 2001, the Company did not consult with Grant Thornton LLP regarding (i) the application of accounting principles to any specific completed or contemplated transaction, or the type of audit opinion that might be rendered on the Company's financial statements or (ii) any matter that was the subject of a disagreement or reportable event with the former auditor except as described in the following paragraph.

As described above, the Company and Deloitte, its former auditor, agreed to cease the client-auditor relationship after the Company decided not to further contest the SEC's conclusion that the Company's advance commission payments should be expensed over the one month term of the Company's legal plan membership contracts. The Company provided Grant Thornton LLP copies of all correspondence with, and from, the SEC regarding the accounting for advance commission payments. Based on review of this correspondence and discussions with the Company, Grant Thornton LLP advised the Company that expensing advance commission payments over the one-month term of the Company's legal membership

contracts is acceptable under accounting principles generally accepted in the United States of America.
