Pre-Paid Legal Announces 2003 Year End Results

2003 Membership Revenues Up 7%; Net Income Up 11% and EPS Up 25%

ADA, OK, February 23, 2004 - Pre-Paid Legal Services, Inc. (NYSE:PPD), today announced results for the fourth quarter and year ended December 31, 2003. Net income for the fourth quarter of 2003 decreased 13 percent to \$8.4 million from \$9.7 million for the prior year's fourth quarter due to \$4.2 million of incremental costs (in excess of the related revenue recognized) related to the sale of more than 94,000 Identity Theft Shield memberships in the 2003 fourth quarter period compared to none in the 2002 comparable period. Diluted earnings per share decreased 4 percent to 49 cents per share from 51 cents per share for the prior year's comparable quarter due to decreased net income of 13 percent partially offset by an approximate 9 percent decrease in the weighted average number of outstanding shares. Membership revenues increased 6 percent to \$84.2 million from \$79.3 million for the same period last year.

Net income for the full year of 2003 increased 11 percent to \$39.9 million from \$36.0 million for 2002. Diluted earnings per share for 2003 increased 25

percent to \$2.27 per share from \$1.82 per share for the prior year due to increased net income of 11 percent and an approximate 11 percent decrease in the weighted average number of outstanding shares. Membership revenues for 2003 were up 7 percent to \$330.3 million from \$308.4 million for the prior year marking the eleventh consecutive year of increased membership revenue.

Net cash provided from operating activities was unchanged at \$52 million for 2003 and 2002, despite the approximate \$7.3 million negative cash flow resulting from sales of Identity Theft Shield memberships which commenced in the 2003 fourth quarter. During 2003 the company repurchased 2.1 million shares of its stock for \$48.3 million at an average share price of \$22.70. Since April 1999, the Company has repurchased 7.6 million shares for \$173.4 million, or an average price of \$22.74 per share, and reduced the number of shares outstanding at the end of 2003 to approximately 16.8 million shares. At December 31, 2003, the Company had \$23.6 million outstanding of the \$25 million previously announced stock purchase line of credit and \$19.8 million of its \$20 million line of credit for its new office construction. Previously advanced funds of \$10.8 million remain available to purchase additional shares. At year-end, the Company had \$47.4 million in cash and cash equivalents and unpledged investments.

Fourth quarter 2003 membership fees increased from the third quarter to \$84.2 million vs. \$82.7 million. Associate services revenue declined during the 2003 fourth quarter from the third quarter by approximately \$229,000. Associate services and direct marketing expenses also decreased by \$302,000 from the third quarter. Membership benefits totaled \$28.9 million in the fourth quarter of 2003 compared to \$28.0 million for the third quarter and represented 34% of membership fees for both periods. Due to increased commissions related to the sale of Identity Theft Shield memberships which began during the 2003 fourth quarter, total commissions to associates per new membership sold during the respective quarters were \$198 per membership for the three months ended December 31, 2003 compared to \$169 for the third quarter of 2003. General and administrative expenses during both the 2003 fourth and third quarters were \$9.9 million and represented 12% of membership fees for each period.

In the fourth quarter of 2003, the Company added 153,501 new members and 33,068 new sales associates vs. 169,350 new members and 29,555 new sales associates in the same period of 2002. For the year ended December 31, 2003, the Company added 671,857 new members and 108,557 new sales associates vs. 773,767 new members and 155,663 new sales associates added during 2002. Active memberships as of December 31, 2003, increased 3 percent to 1,418,997 from 1,382,306 at December 31, 2002, marking the eleventh consecutive year of increased active memberships. Effective January 1, 2004, and in order to provide additional tools and classroom training to the new sales associate, the Company has increased the cost to become a Fast Start sales associate to \$249 from \$99 which was in effect for December 2003 and \$149 which was in effect for October and November 2003.
