Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On January 31, 2018, the Compensation Committee (the “Committee”) of the Board of Directors of El Paso Electric Company (the “Company”) approved an amendment (the “Amendment”) to the El Paso Electric Company Amended and Restated 2007 Long-Term Incentive Plan (the “Plan”). The Amendment will be effective upon approval by the Federal Energy Regulatory Commission, which the Company expects to seek on or before April 30, 2018. Pursuant to the Amendment, with respect to awards granted under the Plan, the Company may withhold shares of common stock of the Company or cash, as applicable, for tax purposes using rates up to the maximum statutory tax rate for each applicable tax jurisdiction, rather than being limited to the minimum statutory tax rate.

The Committee also approved a form of Performance Share Award Agreement for outstanding awards (the “Performance Share Award Agreement”) in connection with the Amendment, as well as a new form of (i) Performance Share Award Agreement, (ii) Restricted Stock Award Agreement for employees and (iii) Restricted Stock Award Agreement for non-employee directors. The Performance Share Award Agreement will be provided to those employees who hold outstanding performance shares and either, (i) as of the date of the Committee’s action, are age 55 or older with at least five years of service or, (ii) prior to the end of the performance period to which such performance shares relate, will be age 55 or older with at least five years of service (including Nathan T. Hirschi and Rocky R. Miracle). The Performance Share Award Agreement modifies the existing terms of the outstanding performance share awards to provide that if the holder’s employment is terminated due to retirement (defined as a termination of employment on or after the attainment of age 55 and at least five years of service; provided that such holder gives the Company six months of notice of the intention to retire), the holder shall have the opportunity to vest in a pro rata portion of the performance shares subject to the achievement of the performance goals set forth in the Performance Share Award Agreement. The Performance Share Award Agreement further provides that any holder that terminates employment due to retirement will also be subject to non-compete and non-solicit provisions for the period beginning on the retirement date and ending when the vested award is distributed (or when the Committee determines the performance achievement percentage is zero percent).

The preceding description of the Amendment is qualified in its entirety by reference to the full text of the Amendment, which is filed as Exhibit 10.1 to this Current Report on Form 8-K. The preceding descriptions of the Performance Share Award Agreement and the new forms of Performance Share Award Agreement, Restricted Stock Award Agreement for employees and Restricted Stock Award Agreement for non-employee directors are qualified in their entirety to the full text of such agreements, which are filed as Exhibits 10.2, 10.3, 10.4 and 10.5 to this Current Report on Form 8-K.
