On May 28, 2010, the Registrant's subsidiary, Tri Counties Bank, purchased and assumed certain of the assets and deposits of Granite Community Bank, N.A. ("Granite") in an FDIC-assisted transaction. The Registrant has experienced a delay in completing its Quarterly Report on Form 10-Q for the quarter-ended June 30, 2010 as a result of the additional time required to collect, evaluate and integrate into its financial statements information concerning the transaction, the assets purchased and the deposits assumed. It is anticipated that the Form 10-Q will be filed on or before the fifth calendar day following the prescribed due date of the Registrant's Form 10-Q.

As reported in its press release included as an exhibit to its Current Report on Form 8-K filed on August 3, 2010, the Registrant anticipates that, for the three months ended June 30, 2010, it will report net income of \$1,320,000, or \$0.08 per diluted share, as compared to net income of \$2,512,000, or \$0.16 per diluted share for the three months ended June 30, 2009. The decrease in net income for the three months ended June 30, 2010 compared to the same period of the prior year is principally attributable to decreased net interest income and increased provision for loan losses that were partially offset by decreased noninterest expense. For the six months ended June 30, 2010, the Registrant anticipates that it will report net income of \$2,878,000, or \$0.18 per diluted share, as compared to net income of \$5,394,000, or \$0.34 per diluted share for the six months ended June 30, 2009. The decrease in net income for the three months ended June 30, 2010 compared to the same period of the prior year is principally attributable to decreased net interest income and increased provision for loan losses that were partially offset by increased noninterest income and decreased noninterest expense.
