Section 2 Financial Information

Item 2.02 Results of Operations and Financial Condition

On November 7, 2005, Northeast Utilities (NU) reported discontinued operations in its report on Form 10-Q for the quarter ended September 30, 2005 as a result of meeting certain accounting criteria requiring this presentation. NU presented in its third quarter 2005 report on Form 10-Q the operating results of the following companies as discontinued operations:

Select Energy Services, Inc. and its wholly owned subsidiaries HEC/Tobyhanna Energy Project, Inc. and HEC/CJTS Energy Center LLC;

Select Energy Contracting, Inc. - New Hampshire (including Reeds Ferry Supply Co., Inc.), a division of Select Energy Contracting, Inc., which was sold on November 8, 2005 for \$2.4 million;

Woods Network Services, Inc.; and

Woods Electrical Co., Inc.

As a result of these discontinued operations and the requirement to present discontinued operations in prior period financial statements, NU is filing this report on Form 8-K to conform certain financial information presented in its 2004 annual report on Form 10-K and first and second quarter 2005 reports on Form 10-Q to the presentation of the discontinued operations in its third quarter 2005 report on Form 10-Q.

The changes to the prior period financial statements reflected in the exhibits to this report on Form 8-K have no effect on NU's net income originally reflected in those financial statements. As the exhibits to this report on Form 8-K conform the financial information and disclosures in NU's 2004 report on Form 10-K and first and second quarter

2005 reports on Form 10-Q to reflect the discontinued operations, they should be read in conjunction with those periodic reports as originally filed with the Securities and Exchange Commission.

Restructuring and impairment charges which were originally presented in NU's condensed consolidated statements of (loss)/income in the first quarter 2005 report on Form 10-Q have been reclassified to conform with the presentation of wholesale contract market changes, net separately from restructuring and impairment charges in the second and third quarter reports on Form 10-Q.
