Item 8.01 Other Events.

On December 1, 2017, SunTrust Banks, Inc. (“SunTrust” or the “Company”) completed the sale of Premium Assignment Corporation (“PAC”), SunTrust’s commercial lines insurance premium finance subsidiary, to IPFS Corporation. As a result of this transaction, the Company will recognize a pre-tax gain of approximately \$105 million in the fourth quarter of 2017. As of and for the twelve months ended September 30, 2017, PAC had \$1.3 billion in assets and contributed approximately \$20 million of net income to SunTrust.

Separately, the Company continues to execute on its efficiency plans and is taking certain actions in the fourth quarter of 2017. Specifically, the Company offered a voluntary early retirement program to certain employees based on age, job grade and tenure, which will result in the recognition of separation benefits for participating employees. Additionally, the Company continues to optimize its real estate footprint, including consolidating operations centers, terminating leases and disposing of certain owned real estate. Lastly, the Company will write-off certain software assets due to related technology enhancements. Collectively, these items are expected to result in a pre-tax charge of approximately \$35 to \$40 million in the fourth quarter of 2017.

In addition, SunTrust Mortgage, Inc. (“STM”) will increase the valuation allowance against some of its state carryforward deferred tax assets by approximately \$25 million, after-tax, in the fourth quarter of 2017 primarily due to changes in the projected future taxable income of the STM legal entity.

In the aggregate, the aforementioned matters are expected to positively impact the Company’s fourth quarter 2017 earnings by approximately \$15 million after-tax, which is estimated to be \$0.03 per share.
