Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

In May 2013, the Board of Directors of Airgas, Inc. (“Airgas” or the “Company”) approved the Airgas, Inc. Executive Bonus Plan (the “Executive Bonus Plan”), subject to stockholder approval. On August 6, 2013, at the 2013 Annual Meeting of Stockholders, the stockholders of the Company approved the Executive Bonus Plan. Except with respect to the following changes, the terms of the plan have not changed from those in the plan as approved by the stockholders at the Company’s 2008 Annual Meeting of Stockholders: (1) change the definition of salary for the plan year from the participant’s annual base pay on the first day of the second fiscal quarter to the participant’s annual base pay on the 100<sup>th</sup> day of the fiscal year, except where proration is required because of partial year participation or when there is a significant change in base pay; (2) change the requirements for eligibility to receive payment of an award from requiring that the participant be employed on the payment date to requiring that the participant be employed on the last day of the plan year; (3) change in the performance goals to delete “return on average capital employed” and add “transaction processing accuracy”; (4) change the maximum that a participant may receive in any one year to \$2,000,000 from \$1,500,000; (5) add a statement regarding the requirement that the Governance and Compensation Committee certify in writing that the performance goals have been satisfied; and (6) revise the definition of the EBITDA performance goal for clarification purposes.

The purpose of the Executive Bonus Plan is to provide incentives to executives who are responsible for providing leadership in attaining the Company’s business objectives. The Executive Bonus Plan accomplishes this objective by paying awards only after the achievement of the specified goals. The Executive Bonus Plan is designed to allow the Company to pay incentive compensation that qualifies as “performance-based” compensation under Section 162(m) of the Internal Revenue Code. Under Section 162(m), the Company may not receive a federal income tax deduction for compensation paid to its Executive Chairman, its CEO or any of the three other most highly compensated executive officers (excluding the chief financial officer) to the extent that any of these persons receives more than \$1 million in any one year. However, if the Company pays compensation that is “performance-based” under Section 162(m), the Company still can receive a federal income tax deduction for the compensation even if the executive’s total compensation exceeds \$1 million during a single year.

The description of the Executive Bonus Plan set forth above is qualified in its entirety by reference to the Executive Bonus Plan filed with this report as Exhibit 10.1.
