### Forward Looking Statements

Statements contained in this filing or the webcast that are not purely historical are forward looking within the meaning of the Private Securities Litigation Reform Act of 1995, including statements of the company's expectations, hopes, beliefs and intentions on strategies regarding the future. It is recognized that the company's actual future results could differ materially from those projected in the forward looking statements because of a number of factors, including but not limited to general economic, business conditions, labor relations, governmental action, competitor pricing activity, expense volatility and other factors detailed from time to time in Navistar's Securities and Exchange Commission filings. Navistar reserves the right to update the information included in this release.
