ITEM 5. OTHER EVENTS

Navistar International Corporation (NYSE: NAV) reported that it has reached a comprehensive agreement concerning termination of the Ford V-6 diesel engine program.

While financial terms of the settlement will not be released, the agreement includes compensation costs associated with International's diesel engine plant designed to build the V-6 diesel engines and their obligations under the V-6 engine contract. The company will continue as Ford's exclusive supplier through 2012 for use in its over 8,500 lb. gross vehicle weight pick-up trucks, vans and SUVs for

The company said the agreement is consistent with the company's previous earnings guidance and the company's financial outlook or previously filed financial statements and provides the shareowner with excess costs associated with the V-6 program.
