Foreign Currency Dividend Payments

As set out in the 2005 Notice of Annual General Meeting, BHP Billiton intends to continue its existing practice of setting the foreign currency conversion rates for dividends prior to the announcement of each dividend, and advising these rates when the dividend is announced.

If shareholders wish to alter the currency in which they receive a dividend, BHP Billiton now requires that they complete and return an appropriate election form no later than the close of business **two days prior** to the announcement of the dividend. For the forthcoming dividend, which is due to be announced on 15 February 2006, this will be the close of business on **13 February 2006**. Election forms received after this time will not apply.

Election forms may be obtained from, and should be returned to, the appropriate office of BHP Billiton's share registrar as follows:
