Item 2.02 Results of Operations and Financial Condition

On July 20, 2015, Equity LifeStyle Properties, Inc. (referred to herein as “we,” “us,” and “our”) issued a news release announcing our results of operations for the three and six months ended June 30, 2015.

The news release also contains detailed guidance assumptions on our projections for 2015. We project our normalized funds from operations (“Normalized FFO”) per common share (fully diluted) and funds from operations (“FFO”) per common share (fully diluted) for the three months ending September 30, 2015 to be between \$0.73 and \$0.79. We project our Normalized FFO and FFO per common share (fully diluted) for the year ending December 31, 2015 to be between \$2.97 and \$3.07 and \$2.78 and \$2.88, respectively.

We also project our net income per common share (fully diluted) for the three months ended September 30, 2015 and year ending December 31, 2015, to be between \$0.40 and \$0.46 and \$1.48 and \$1.58, respectively.

The projected 2015 per share amounts represent a range of possible outcomes and the mid-point of each range reflects management’s best estimate of the most likely outcome. Actual figures could vary materially from these amounts if any of our assumptions are incorrect. The news release is furnished as Exhibit 99.1 to this report on Form 8-K. The news release was also posted on our website, [www.equitylifestyle.com](http://www.equitylifestyle.com), on July 20, 2015.

These forward-looking statements are subject to numerous assumptions, risks and uncertainties, including, but not limited to:

- our ability to control costs, real estate market conditions, the actual rate of decline in customers, the actual use of sites by customers and our success in acquiring new customers at our properties (including those that we may acquire);
- our ability to maintain historical or increase future rental rates and occupancy with respect to properties currently owned or that we may acquire;
- our ability to retain and attract customers renewing, upgrading and entering right-to-use contracts;
- our assumptions about rental and home sales markets;
- our assumptions and guidance concerning 2015 estimated net income, FFO and Normalized FFO;
- our ability to manage counterparty risk;
- in the age-qualified properties, home sales results could be impacted by the ability of potential homebuyers to sell their existing residences as well as by financial, credit and capital markets volatility;
- results from home sales and occupancy will continue to be impacted by local economic conditions, lack of affordable manufactured home financing and competition from alternative housing options including site-built single-family housing;
- impact of government intervention to stabilize site-built single family housing and not manufactured housing;
- effective integration of recent acquisitions and our estimates regarding the future performance of recent acquisitions;
- the completion of future transactions in their entirety, if any, and timing and effective integration with respect thereto;
- unanticipated costs or unforeseen liabilities associated with recent acquisitions;
- ability to obtain financing or refinance existing debt on favorable terms or at all;
- the effect of interest rates;

the dilutive effects of issuing additional securities;  
the effect of accounting for the entry of contracts with customers representing a right-to-use the properties under the Codification Topic "Revenue Recognition;"  
the outcome of pending or future lawsuits filed against us, including those disclosed in our filings with the Securities and Exchange Commission, by tenant groups seeking to limit rent increases and/or seeking large damage awards for our alleged failure to properly maintain certain properties or other tenant related matters, such as the case currently pending in the California Court of Appeal, Sixth Appellate District, Case No. H041913, involving our California Hawaiian manufactured home property, including any further proceedings on appeal or in the trial court; and  
other risks indicated from time to time in our filings with the Securities and Exchange Commission.
