Item 3. Source and Amount of Funds or Other Consideration

The information set forth in or incorporated by reference in Items 2, 4 and 5 of the Schedule 13D is incorporated by reference in its entirety into this Item 3.

Amended and Restated Shareholders' Agreement

In connection with the closing of the IPO, AAA Guarantor Co-Invest VI (B), L.P., AIF VI NCL (AIV), L.P., AIF VI NCL (AIV II), L.P., AIF VI NCL (AIV III), L.P., AIF VI NCL (AIV IV), L.P., Apollo Overseas Partners (Delaware) VI, L.P., Apollo Overseas Partners (Delaware 892) VI, L.P., Apollo Overseas Partners VI, L.P., and Apollo Overseas Partners (Germany) VI, L.P. (collectively, the "Apollo Funds"), TPG Viking, L.P., TPG Viking AIV I, L.P., TPG Viking AIV II, L.P., and TPG Viking AIV III, L.P., (collectively, the "TPG Funds"), the Reporting Persons, and the Issuer entered into an Amended and Restated Shareholders' Agreement (the "Shareholders Agreement"), dated as of January 24, 2013 (the "Effective Date").

Restrictions on Transfer; Preemptive Rights; Genting HK Right of First Refusal; Drag-Along Transactions

Pursuant to the terms of the Shareholders Agreement, the shareholders party to the Shareholders Agreement, including the Apollo Funds, the Reporting Persons and the TPG Funds (collectively, the "Shareholders"), are prohibited from transferring shares without the consent of the Apollo Funds and the Reporting Persons, except (i) with respect to the Apollo Funds, any transfer by an Apollo Fund to an affiliate of such Apollo Fund, (ii) with respect to Star NCLC, any transfer to Genting HK, any wholly-owned subsidiary of Genting HK or any existing controlling shareholder of the Reporting Persons, (iii) with respect to the TPG Funds, any transfer by any TPG Fund to an affiliate of such TPG Fund other than a portfolio company of TPG Partners V, L.P. and its affiliates (provided, however, that no such transfer will be permitted if it would result in material adverse tax consequences to the Issuer, the Apollo Funds or the Reporting Persons in respect of their investments in the Issuer), (iv) with respect to the TPG Funds, the Apollo Funds and the Reporting Persons, in connection with the exercise of registration rights pursuant to the Shareholders Agreement and (v) with respect to the Apollo Funds, if certain conditions are met, in the event of a sale of all of the equity shares of the Issuer held by the Apollo Funds and the TPG Funds and their respective permitted transferees (collectively, the "Investor Group Shares") for cash to a third party.

Pursuant to the Shareholders Agreement, the Reporting Persons further agree not to acquire, and to cause their respective affiliates and subsidiaries not to acquire, any equity securities of the Issuer that are publicly traded on an established securities market without the prior written consent of the Apollo Funds. Such consents are not required where the Reporting Persons provide a notice of the maximum number of shares to be acquired and a certification that the acquisition of such shares will not result in certain adverse tax consequences to the Issuer at least ten business days prior to the proposed acquisition. A similar restriction applies to the Apollo Funds and the TPG Funds.

The Shareholders Agreement grants each of the Shareholders preemptive rights to purchase any equity securities offered by the Issuer after the Effective Date, subject to certain exceptions such as with respect to equity securities issued in connection with a public offering. The Shareholders Agreement also grants the Reporting Persons the right to purchase Investor Group Shares if the Apollo Funds offer to sell all of the Investor Group Shares to a third party. In addition, the Shareholders Agreement grants the Apollo Funds certain drag-along rights subject to limitations.

Irrevocable Proxy

Pursuant to the Shareholders Agreement, the Reporting Persons agree to vote all Ordinary Shares held by the Reporting Persons in the manner directed by the Apollo Funds and grant the Apollo Funds an irrevocable proxy to vote all Ordinary Shares held by the Reporting Persons on any action or proposed action of the Issuer or any of its subsidiaries if such action requires affirmative vote of the Shareholders to be effective (unless such action or proposed action is subject to the Consent Right set out below).

Registration Rights

The Reporting Persons shall have the right to make written requests for registration for all or a part of their Ordinary Shares, provided that the Issuer will not be required to act on any such request, for a six (6) month period following the effective date of a previous demand registration.

Consent Right

For so long as the number of Ordinary Shares owned by the Apollo Funds and the TPG Entities is equal to or exceeds a minimum ratio of the Ordinary Shares owned by the Reporting Persons (the "Minimum Ratio") neither the Issuer nor any of its subsidiaries shall be permitted to engage in certain transactions, including a sale of the company, significant acquisitions or divestitures, declare or pay any dividends and other transactions specified in the Shareholders Agreement.

Termination

The Shareholders Agreement terminates upon the earlier of (i) the voluntary or involuntary liquidation, dissolution or winding up of the Issuer or (ii) the execution by the Issuer, the Apollo Funds and the Reporting Persons of a written instrument approving such termination.

Lock-Up Agreement

In connection with the IPO, the Reporting Persons agreed pursuant to a lock-up agreement (the “Lock-Up Agreement”), subject to certain exceptions, not to, directly or indirectly, (i) sell, offer to sell, contract or agree to sell, hypothecate, pledge, grant any option to purchase or otherwise dispose of or agree to dispose of, or file (or participate in the filing of) a registration statement with the Commission in respect of, or establish or increase a put equivalent position or liquidate or decrease a call equivalent position within the meaning of Section 16 of the Exchange Act with respect to any of the Ordinary Shares, any other securities of the Issuer that are substantially similar to the Ordinary Shares, or any securities convertible into or exchangeable or exercisable for, or any warrants or other rights to purchase or subscribe for the foregoing, (ii) enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of Ordinary Shares or any other securities of the Issuer that are substantially similar to Ordinary Shares, or any securities convertible into or exchangeable or exercisable for, or any warrants or other rights to purchase, the foregoing, whether any such transaction is to be settled by delivery of Ordinary Shares or such other securities, in cash or otherwise or (iii) publicly announce an intention to effect any transaction specified in clause (i) or (ii), for a period beginning on the date of such Lock-Up Agreement and continuing for 180 days after the date of the underwriting agreement related to the IPO (such period, the “Lock-Up Period”), except with the prior written consent of the representatives of the underwriters.

The Lock-Up Period will be automatically extended if (i) during the last 17 days of the Lock-Up Period the Issuer issues an earnings release or announces material news or a material event or (ii) prior to the expiration of the Lock-Up Period, the Issuer announces that it will release earnings results during the 16-day period following the last day of the Lock-Up Period, in which case the restrictions will continue to apply until the expiration of the 18-day period beginning on the issuance of the earnings release or the announcement of the material news or material event, unless the underwriters agree to waive such extension.

General

In addition to the foregoing, each Reporting Person, at any time and from time to time may directly or indirectly acquire additional Ordinary Shares, economic interests in Ordinary Shares or associated rights or securities exercisable for or convertible into Ordinary Shares, or dispose of some or all of its Ordinary Shares, based upon its ongoing evaluation of the Issuer, prevailing market conditions, liquidity requirements of such Reporting Person and/or other investment considerations.

Other than as described above, none of the Reporting Persons nor, to the best knowledge of each of the Reporting Persons, without independent verification, any of the persons listed in Schedules A-1 and A-2 hereto, currently has any plans or proposals that relate to, or would result in, any of the matters listed in Items 4(a)–(j) of the instructions to Schedule 13D, although the Reporting Persons may, at any time and from time to time, review or reconsider their position and/or change their purpose and/or formulate plans or proposals with respect thereto. As a result of these activities, one or more of the Reporting Persons may suggest or take a position with respect to potential changes in the operations, management, or capital structure of the Issuer as a means of enhancing shareholder value. Such suggestions or positions may include one or more plans or proposals that relate to or would result in any of the actions required to be reported herein, including, without limitation, such matters as acquiring additional securities of the Issuer or disposing of securities of the Issuer; entering into an extraordinary corporate transaction such as a merger, reorganization or liquidation, involving the Issuer or any of its subsidiaries; selling or transferring a material amount of assets of the Issuer or any of its subsidiaries; changing the present board of directors or management of the Issuer, including changing the number or term of directors or filling any existing vacancies on the board of directors of the Issuer; materially changing the present capitalization or dividend policy of the Issuer; materially changing the Issuer’s business or corporate structure; changing the Issuer’s certificate of incorporation, bylaws or instruments corresponding thereto or taking other actions which may impede the acquisition of control of the Issuer by any person; causing a class of securities of the Issuer to be delisted from a national securities exchange or to cease to be authorized to be

quoted in an inter-dealer quotation system of a registered national securities association; causing a class of equity securities of the Issuer to become eligible for termination of registration pursuant to Section 12(g)(4) of the Securities Act; and taking any action similar to any of those enumerated above.
