The Loan is secured by a first priority security interest in all of the capital stock of Union Bank.

The Loan Agreement contains customary representations, warranties, affirmative covenants and events of default, and also contains a number of negative covenants, including, but not limited to, restrictions on mergers and similar transactions without prior approval from the Lender, restrictions on liens, and a restriction on the Company’s repurchase of stock under certain circumstances. The Loan Agreement also contains customary financial covenants, including requiring that Union Bank shall maintain a “well capitalized” status.
