FOR IMMEDIATE RELEASE
FEBRUARY 17, 2004

Obsidian Enterprises (OTCBB: OBSD) Files Preliminary Proxy Materials and Intends to Solicit Proxies in Opposition to Net Perceptions' (NASDAQ: NETP) Plan of Liquidation

Obsidian Believes that Net Perceptions' Board of Directors Continues to Deny Shareholders the Opportunity to Evaluate and Accept Alternatives to Their Proposed Plan of Liquidation

INDIANAPOLIS, February 17, 2004 -- Obsidian Enterprises, Inc. (OTCBB: OBSD), a holding company headquartered in Indianapolis, announced today that it has filed preliminary proxy materials with the Securities and Exchange Commission that will permit Obsidian to solicit proxies from shareholders of Net Perceptions, Inc. (NASDAQ: NETP) opposing the plan of liquidation proposed by the Net Perceptions Board of Directors.

Timothy S. Durham, Chairman and CEO of Obsidian, stated, "If the plan of liquidation proposed by the Net Perceptions Board of Directors is a superior alternative, it is not at all clear to us why it is necessary for the Net Perceptions Board of Directors to maintain anti-takeover impediments to their shareholders' ability to evaluate and accept alternatives. We believe it is time for the Net Perceptions Board of Directors to remove its poison pill and other anti-takeover impediments and let the shareholders who have the most at stake here determine their own destiny. After taking millions of dollars off the table in the form of stock sales and compensation, failing to find a buyer for the company and generally being the people most responsible for Net Perceptions' dismal performance, it is surprising that the management and Board of Directors of Net Perceptions now believes they are the only people qualified to determine which alternative the Net Perceptions shareholders may evaluate and accept."

The identity of the participants in the solicitation (as defined by Schedule 14A) and a description of their direct or indirect interests are included under the captions "Other Information" and "Schedule I - Information Concerning Personals Who May Solicit Proxies" in the preliminary proxy materials filed by Obsidian with the SEC today.

Obsidian filed a Registration Statement on Form S-4 and a Tender Offer Statement with the Securities and Exchange Commission on December 15, 2003 and an amendment to each on December 17, 2003. Obsidian filed additional amendments to the Tender Offer Statement on December 23, 2003, and January 21, 2004.

The offer is scheduled to expire at 5:00 PM, New York City time, on February 20, 2004, unless the offer is extended. The offer is subject to certain conditions, including that:

- o Net Perceptions take appropriate action to cause their poison pill to not be applicable to the offer;
- o Obsidian be satisfied that Section 203 of the Delaware General

Edgar Filing: NET PERCEPTIONS INC - Form SC TO-T/A

Corporation Law will not be applicable to the contemplated second-step merger; and

- o stockholders tender at least 51% of the outstanding shares of common stock of Net Perceptions.
