Elbit Systems' U.S. Subsidiary Awarded
\$23 million U.S. Army National Maintenance Contract for Repairs to ANVIS/HUD®

Haifa, Israel, October 10, 2011 – Elbit Systems Ltd. (NASDAQ and TASE: ESLT) ("ESLT") announced today that its subsidiary in the U.S., Elbit Systems of America, LLC. ("Elbit Systems of America"), has been awarded a five-year, \$23 million Indefinite Delivery/Indefinite Quantity (IDIQ) National Maintenance Contract by the US Army Communications-Electronics Command (CECOM), for depot level repair services on Elbit Systems of America's Aviator's Night Vision Imaging System Head Up Display (HUD) System (ANVIS/HUD®).

The contract is a follow - on to a previous IDIQ contract for depot level repair services on the ANVIS/HUD®. Work will be performed by Elbit Systems of America in Talladega, Alabama and is expected to be completed in 2016.

Elbit Systems of America, President and Chief Executive Officer, Raanan Horowitz commented: "This follow-on contract is evidence of our commitment to provide exceptional life-cycle management services in support of mission readiness requirements. We are proud to offer leading solutions and support for our ANVIS/HUD® and many other systems through our Repair Center of Excellence. This agreement reinforces our strong relationship with the Army and we look forward to our continued partnership".

This press release contains forward-looking statements (within the meaning of Section 27A of the Securities Act of 1933, as amended and Section 21E of the Securities Exchange Act of 1934, as amended) regarding Elbit Systems Ltd. and/or its subsidiaries (collectively the Company), to the extent such statements do not relate to historical or current fact. Forward Looking Statements are based on management's expectations, estimates, projections and assumptions. Forward-looking statements are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995, as amended. These statements are not guarantees of future performance and involve certain risks and uncertainties, which are difficult to predict. Therefore, actual future results, performance and trends may differ materially from these forward-looking statements due to a variety of factors, including, without limitation: scope and length of customer contracts; governmental regulations and approvals; changes in governmental budgeting priorities; general market, political and economic conditions in the countries in which the Company operates or sells, including Israel and the United States among others; differences in anticipated and actual program performance, including the ability to perform under long-term fixed-price contracts; and the outcome of legal and/or regulatory proceedings. The factors listed above are not all-inclusive, and further information is contained in Elbit Systems Ltd.'s latest annual report on Form 20-F, which is on file with the U.S. Securities and Exchange Commission. All forward-looking statements speak only as of the date of this release. The Company does not undertake to update its forward-looking statements.
