CRYPTOLOGIC PROMOTED TO NEW NASDAQ GLOBAL SELECT MARKET

New market sets world's highest initial listing standards

July 6, 2006 (Toronto, ON) CryptoLogic Inc., a leading software developer and supplier to the global Internet gaming market, announced today that it has been included in the NASDAQ Global Select Market, a new market segment with the highest initial listing standards of any exchange in the world based on earnings, market value and liquidity requirements. Prior to the change, CryptoLogic had been listed on the NASDAQ National Market, which was renamed the NASDAQ Global Market.

CryptoLogic's qualification in the Global Select Market places us among the top third of NASDAQ-listed companies, said Lewis Rose, CryptoLogic's President and CEO. It is particularly fitting that CryptoLogic meets the market's stringent new requirements as we've set benchmarks within our own industry by adhering to the strongest standards of governance, transparency and probity.

Beginning July 3, 2006, NASDAQ-listed companies will be classified under three listing tiers: NASDAQ Global Select Market, NASDAQ Global Market, and NASDAQ Capital Market. With the NASDAQ Global Select Market, NASDAQ is recognizing the world class companies

that list on NASDAQ and their commitment to the highest standards and the best corporate governance in the world.

CryptoLogic is an example of an industry leader that has achieved superior listing standards, which clearly defines the essence of the NASDAQ Global Select Market, said Bruce Aust, Executive Vice President, Corporate Client Group. NASDAQ is focused on leading a race to the top in terms of listing qualifications. In recognizing these companies, we are highlighting their achievement in meeting the requirements to be included in the market with the highest listing standards in the world, added Mr. Aust.

About NASDAQ

NASDAQ is the largest US electronic stock market. With approximately 3,200 companies, it lists more companies and, on average, trades more shares per day than any other US market. It is home to companies that are leaders across all areas of business including technology, retail, communications, financial services, transportation, media and biotechnology. NASDAQ is the primary market for trading NASDAQ-listed stocks. For more information about NASDAQ, visit www.nasdaq.com or the NASDAQ Newsroom at <http://www.nasdaq.com/newsroom/>.

NASDAQ announced the new three tier listing classification in February 2006. All three market tiers will maintain rigorous listing and corporate governance standards. For additional information about the NASDAQ Global Select Market, please go to: www.nasdaq.com/GlobalSelect.
