Item 5. Other events.

Effective October 1, 2001, the Registrant completed an acquisition of all of the outstanding stock of Tri-State Insurance Agency, Inc. ("Tri-State"), a full-service insurance agency located in Augusta, New Jersey. The Registrant intends to operate Tri-State as a wholly owned subsidiary of the Registrant's bank subsidiary, Sussex Bank, a New Jersey chartered commercial bank. The following is a summary of the terms of the Stock Purchase Agreement, dated as of September 28, 2001. This summary is qualified in its entirety by reference to the Stock Purchase Agreement, which is attached as an exhibit hereto.

The purchase price paid by the Registrant for Tri-State is comprised of an upfront payment of \$350,000 at closing, and deferred payments on the first,

second and third anniversaries of the closing.

On each of the first, second, and third anniversaries of the closing, the shareholders of Tri-State will be entitled to an aggregate payment of \$700,000, to be satisfied through a mix of cash and common stock of the Registrant. The deferred payments are subject to adjustment based upon the net income of Tri-State as a subsidiary of Sussex Bank. In Tri-State's first year of operation after the acquisition, it must produce a minimum net pretax profit of \$175,000, or the shareholders of Tri-State will receive a dollar for dollar reduction in their deferred payments (i.e., in Year 1, the aggregate payment may be reduced to \$525,000 in the event Tri-State produces no profit). In the second year, the targeted net pretax profit is \$192,500, and in Year 3 it is \$210,000.

As part of the acquisition, each of the principals of Tri-State have entered into an employment agreement providing for their employment by Tri-State for a period of at least five years. After the initial five-year term, the employment agreement will automatically renew for additional three-year periods unless twelve months prior to the end of the initial term either party provides notice of its intention not to renew.

The Registrant expects that the transaction will be accretive to its basic earnings per share in the first year.
