SI FINANCIAL GROUP, INC.

PROXY STATEMENT

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Directors of SI Financial Group, Inc. ("SI Financial" or

Edgar Filing: SI Financial Group, Inc. - Form DEF 14A

the "Company") to be used at the annual meeting of stockholders of the Company. The Company is the holding company for Savings Institute Bank and Trust Company ("Savings Institute") and the majority-owned subsidiary of SI Bancorp, MHC ("SI Bancorp"). The annual meeting will be held at the Capital Theater, 896 Main Street, Willimantic, Connecticut, on Wednesday, May 11, 2005, at 9:00 a.m., local time. This proxy statement and the enclosed proxy card are being first mailed to stockholders on or about April 6, 2005.

Voting And Proxy Procedure

Who Can Vote at the Meeting

You are entitled to vote your shares of SI Financial common stock if the records of the Company show that you held your shares as of the close of business on March 18, 2005. If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in "street name" and these proxy materials are being forwarded to you by your broker, bank or nominee. As the beneficial owner, you have the right to direct your broker on how to vote your shares. Your broker, bank or nominee has enclosed a voting instruction card for you to use in directing it on how to vote your shares.

As of the close of business on March 18, 2005, a total of 12,563,750 shares of SI Financial common stock were outstanding. Each share of common stock has one vote. The Company's Charter provides that record owners of the Company's common stock (other than SI Bancorp) who beneficially own, either directly or indirectly, in excess of 10% of the Company's outstanding shares are not entitled to any vote in respect of the shares held in excess of that 10% limit.

Attending the Meeting

If you are a stockholder as of the close of business on March 18, 2005, you may attend the meeting. However, if you hold your shares in street name, you will need proof of ownership to be admitted to the meeting. A recent brokerage statement or letter from a bank, broker or other nominee are examples of proof of ownership. If you want to vote your shares of SI Financial common stock held in street name in person at the meeting, you will need a written proxy in your name from the broker, bank or other nominee who holds your shares.

Vote By SI Bancorp

SI Bancorp, the mutual holding company for the Company, owned 58% of the outstanding shares of common stock of the Company as of March 18, 2005. All shares of common stock owned by SI Bancorp will be voted in accordance with the instructions of the Board of Directors of SI Bancorp, the members of which are identical to the members of the Board of Directors of the Company. SI Bancorp is expected to vote such shares "FOR" each nominee for election as a director and "FOR" each other proposal.

Vote Required

The annual meeting will be held only if there is a quorum. A majority of the outstanding shares of SI Financial common stock entitled to vote, represented in person or by proxy, constitutes a quorum. If you return valid proxy instructions or attend the meeting in person, your shares will be counted for purposes of determining whether there is a quorum, even if you abstain from voting. Broker non-votes also will be counted for purposes for determining the existence of a quorum. A broker non-vote occurs when a broker, bank or other nominee holding shares for a beneficial owner does not vote on a particular proposal because the broker, bank or other nominee does not have discretionary

Edgar Filing: SI Financial Group, Inc. - Form DEF 14A

voting power with respect to that item and has not received voting instructions from the beneficial owner.

In voting on the election of directors, you may vote in favor of all nominees, withhold votes as to all nominees or withhold votes as to specific nominees. There is no cumulative voting for the election of directors. Directors are elected by a plurality of the votes cast at the annual meeting. "Plurality" means that the nominees receiving the largest number of votes cast will be elected as directors up to the maximum number of directors to be elected at the annual meeting. At the annual meeting, the maximum number of directors to be elected is three. Votes that are withheld and broker non-votes will have no effect on the outcome of the election.

In voting to approve the SI Financial Group, Inc. 2005 Equity Incentive Plan (the "2005 Plan"), you may vote in favor of the proposal, against the proposal or abstain from voting. To be approved, this matter requires the affirmative vote of a majority of the votes eligible to be cast at the annual meeting, including the shares held by SI Bancorp ("Vote Standard A"), and by the affirmative vote of a majority of the votes cast at the annual meeting, excluding the shares held by SI Bancorp ("Vote Standard B"). For Vote Standard A, abstentions and broker non-votes will have the same effect as a negative vote. For Vote Standard B, abstentions and broker non-votes will have no effect on the voting.

In voting to ratify the appointment of Wolf & Company, P.C. as independent auditors, you may vote in favor of the proposal, against the proposal or abstain from voting. To be approved, this matter requires the affirmative vote of a majority of the votes present in person or by proxy at the annual meeting and entitled to vote. Abstentions will have the same effect as a negative vote, while broker non-votes will have no effect on the voting.

Because SI Bancorp owns in excess of 50% of the outstanding shares of SI Financial common stock, the votes it casts will ensure the presence of a quorum and determine the outcome of Proposal 1 (Election of Directors) and Proposal 3 (Appointment of Independent Auditors).

Voting by Proxy

This proxy statement is being sent to you by the Board of Directors of SI Financial to request that you allow your shares of SI Financial common stock to be represented at the annual meeting by the persons named in the enclosed proxy card. All shares of SI Financial common stock represented at the meeting by properly executed and dated proxies will be voted according to the instructions indicated on the proxy card. If you sign, date and return a proxy card without giving voting instructions, your shares will be voted as recommended by the Company's Board of Directors. The Board of Directors recommends that you vote "FOR" each of the nominees for director, "FOR" approval of the SI Financial Group, Inc. 2005 Equity Incentive Plan and "FOR" ratification of the appointment of Wolf & Company, P.C. as the Company's independent auditors.

If any matter not described in this proxy statement is properly presented at the annual meeting, the persons named in the proxy card will use their judgment to determine how to vote your shares. This includes a motion to adjourn or postpone the meeting to solicit additional proxies. If the annual meeting is postponed or adjourned, your shares of SI Financial common stock may also be voted by the persons named in the proxy card on the new meeting date, unless you have revoked your proxy. The Company does not know of any other matters to be

Edgar Filing: SI Financial Group, Inc. - Form DEF 14A

presented at the meeting.

You may revoke your proxy at any time before the vote is taken at the meeting. To revoke your proxy, you must either advise the Secretary of the Company in writing before your SI Financial common stock has been voted at the annual meeting, deliver a later-dated valid proxy or attend the meeting and vote your shares in person. Attendance at the annual meeting will not in itself constitute revocation of your proxy.

If your SI Financial common stock is held in street name, you will receive instructions from your broker, bank or other nominee that you must follow to have your shares voted. Your broker, bank or other nominee may allow you to deliver your voting instructions by telephone or by the Internet. Please see the instruction form provided by your broker, bank or other nominee that accompanies this proxy statement. If you wish to change your voting instructions after you have returned your voting instruction form to your broker, bank or other nominee, you must contact your broker, bank or other nominee.

If you have any questions about voting, please contact our proxy solicitor, Regan & Associates, at (800) 737-3426.

Participants in Savings Institute's ESOP or 401(k) Plan

If you participate in the Savings Institute Bank and Trust Company Employee Stock Ownership Plan (the "ESOP") or if you hold SI Financial common stock through the Savings Institute Profit Sharing and 401(k) Savings Plan (the "401(k) Plan"), you will receive a vote authorization form for each plan that will reflect all the shares that you may direct the trustees to vote on your behalf under the plans. Under the terms of the ESOP, all shares held by the ESOP are voted by the ESOP trustee, but each participant in the ESOP may direct the trustee how to vote the shares of Company common stock allocated to his or her account. Unallocated shares of common stock held by the ESOP and allocated shares for which no timely voting instructions are received will be voted by the ESOP trustee in the same proportion as shares for which the trustee has received voting instructions, subject to the exercise of its fiduciary duties. Under the terms of the 401(k) Plan, you are entitled to direct the trustee how to vote the shares of SI Financial common stock credited to your account in the 401(k) Plan. The trustee will vote all shares for which it does not receive timely instructions from participants in the same proportion as the instructions the trustee receives from participants. The deadline for returning your voting instructions to each plan's trustee is May 2, 2005.

No director attended fewer than 75% of the total meetings of the Boards of Directors and committees on which such director served. Attendance at the Annual Meeting

The Board of Directors encourages directors to attend the annual meeting of stockholders. Due to the timing of the Company's minority stock offering on September 30, 2004, the Company did not hold an annual meeting of stockholders in 2004.

Directors' Compensation

Fees. Each non-employee director of Savings Institute receives a monthly retainer of \$500. The Chairman of the Board of Directors receives a \$1,000 monthly retainer. Each non-employee director of Savings Institute receives \$400 for each board or loan committee meeting attended and \$250 for any other committee meeting attended. Each non-employee director of SI Financial receives a quarterly retainer of \$500. Directors do not receive any compensation for their service on the Board of Directors of SI Bancorp.

Director Deferred Fee Agreement. Savings Institute and Mr. Gillard have entered into an agreement that provides Mr. Gillard with the opportunity to defer the receipt of Savings Institute board fees until Mr. Gillard terminates service with the board. Interest will be paid on Mr. Gillard's deferrals in accordance with the terms of the plan. Mr. Gillard may elect to receive his benefits in installments or a lump sum payment. Mr. Gillard may exercise a one-time option to receive benefits before his termination of service. However, if Mr. Gillard exercises this option, he will forfeit the opportunity to defer future director fees. In addition, Mr. Gillard may apply to the Board of Directors for a hardship withdrawal in the event of an unforeseeable financial emergency. If Mr. Gillard dies before receiving his

Director Retirement Plan. Savings Institute maintains the Director Retirement Plan for the purpose of providing designated directors with supplemental retirement benefits. Participants are eligible to retire and receive benefits under the plan as of the first of the month following the attainment of age 72 or before age 72 if the director has completed 15 years of service on the board of Savings Institute. Eligible directors who satisfy the retirement criteria are entitled to an annual retirement benefit equal to 70% of

Edgar Filing: SI Financial Group, Inc. - Form DEF 14A

the average compensation received by the director for service as a director of Savings Institute during the three calendar years preceding the date on which the director terminated service. The amount is payable in monthly installments beginning with the first month of a director's termination of service and ending on the earlier of: (1) the 120th month following commencement of such monthly payments; or (2) the date on which the director attains age 82. Directors who elect to receive an early retirement benefit will be paid an amount equal to his or her accrued liability balance as of the director's early retirement date. Early retirement benefits will also be paid in monthly installments for the same period of time as normal retirement benefits. If a director dies after he or she has begun to receive payments under the plan, all remaining benefits payable will be paid to the director's beneficiary, heirs or assigns. If a director dies before he or she commences benefits under the plan, the benefit payable to his or her beneficiary, heir or assign will be the accrued liability as of the date of the director's death. No benefits will be paid under the plan if a director is terminated for cause as defined in the plan.

Interest of Certain Persons in Matters to be Acted Upon

The three nominees for election as director were unanimously nominated by the Nominating and Governance Committee of the Board of Directors. None of the nominees were nominated according to any agreement or understanding between any of them and the Company.

The SI Financial Group, Inc. 2005 Equity Incentive Plan is being presented to stockholders for approval. See Proposal 2 for more information. Directors, officers and employees of the Company and Savings Institute may be granted stock

Edgar Filing: SI Financial Group, Inc. - Form DEF 14A

awards and options under the 2005 Plan.

Proposal 1 -- Election of Directors

The Company's Board of Directors consists of eight members. All of the directors are independent under the current listing standards of the Nasdaq Stock Market, Inc., except for Mr. Brouillard because he is an employee of SI Financial and Savings Institute. The Board is divided into three classes with three-year staggered terms, with approximately one-third of the directors elected each year. Three directors will be elected at the annual meeting to serve for a three-year term or until their respective successors have been elected and qualified. The nominees for election are Mark D. Alliod, Robert C. Cushman, Sr. and Robert O. Gillard. Mr. Brouillard, the Company's Chief Executive Officer, recommended Mr. Alliod's nomination to the Nominating and Governance Committee to replace Everett A. Watson. Mr. Watson, having reached the age limit established by the Board of Directors in the Company's bylaws, will retire at the 2005 annual meeting of stockholders.

It is intended that the proxies solicited by the Board of Directors will be voted for the election of the nominees named above. If any nominee is unable to serve, the persons named in the proxy card would vote your shares to approve the election of any substitute nominee proposed by the Board of Directors. Alternatively, the Board of Directors may adopt a resolution to reduce the size of the Board. At this time, the Board of Directors knows of no reason why any nominee might be unable to serve.

The Board of Directors recommends a vote "FOR" the election of all of the nominees.

Information regarding the nominees and the directors continuing in office is provided below. Unless otherwise stated, each individual has held his or her current occupation for the last five years. The age indicated in each nominee's biography is as of December 31, 2004. There are no family relationships among the directors or executive officers. The indicated period for service as a director includes service as a director of Savings Institute.

Nominees for Election of Directors

The following nominees are standing for election for terms ending in 2008:

Mark D. Alliod operates his own public accounting firm in South Windsor, Connecticut, which has participated and successfully passed the Profession's Peer Review Program. Age 41.

Robert C. Cushman, Sr. is a former real estate appraiser with Cushman Real Estate and Appraisal located in Mystic, Connecticut. Age 70. Director since 1993.

8

Robert O. Gillard is the Chairman of The O.L. Willard Co., Inc., a full-service hardware store with locations in Storrs and Willimantic, Connecticut. Age 58. Director since 1999.

Directors Continuing in Office

The following directors have terms ending in 2006:

Donna M. Evan is a sales manager for Nutmeg Broadcasting, the owner of a

Edgar Filing: SI Financial Group, Inc. - Form DEF 14A

commercial radio station located in Willimantic, Connecticut. Age 56. Director since 1996.

Henry P. Hinckley is the Chairman of the Board of Directors of SI Bancorp, SI Financial and Savings Institute. Mr. Hinckley also is the President of J.P. Mustard Agency, Inc., an insurance agency located in Willimantic, Connecticut. Age 64. Director since 1984.

Steven H. Townsend is the Chairman of the Board of Directors and Chief Executive Officer of United Natural Foods, Inc., a distributor of natural and organic food and related products located in Dayville, Connecticut, which is quoted on the Nasdaq Stock Market. Age 51. Director since 2003.

The following directors have terms ending in 2007:

Rheo A. Brouillard has been the President and Chief Executive Officer of Savings Institute, SI Bancorp and SI Financial since 1995, 2000 and 2004, respectively. Age 50. Director since 1995.

Roger Engle was the President of The Crystal Water Co., a water supplier located in Danielson, Connecticut, from 1973 until his retirement in 2000. He is also a director of Connecticut Water Service, Inc., which delivers water to customers throughout 42 towns in Connecticut and Massachusetts, and which is quoted on the Nasdaq Stock Market. Age 66. Director since 1998.

Proposal 2 -- Approval of the SI Financial Group, Inc. 2005 Equity Incentive Plan

On March 16, 2005, the Board of Directors adopted, subject to stockholder approval at the annual meeting, the SI Financial Group, Inc. 2005 Equity Incentive Plan. The 2005 Plan will become effective as of the date it is approved by the stockholders.

The Board has reserved 861,872 shares of common stock for issuance upon the grant or exercise of awards pursuant to the 2005 Plan. All of the Company's employees, officers, directors and directors emeritus are eligible to participate in the 2005 Plan. A summary of the 2005 Plan is set forth below. This summary is qualified in its entirety by the full text of the 2005 Plan, which is attached to this proxy statement as Appendix B.

Summary of the 2005 Plan

Purpose. The purpose of the 2005 Plan is to promote the Company's success by linking the personal interests of its employees, officers, directors and directors emeritus to those of the Company's stockholders, and by providing participants with an incentive for outstanding performance.

9

Permissible Awards. The 2005 Plan authorizes the granting of:

- o options to purchase shares of Company common stock, which may be non-statutory stock options or incentive stock options under the U.S. Internal Revenue Code (the "Code"); and
- o restricted stock, which is subject to restrictions on transferability and subject to forfeiture.

Shares Available for Awards. Subject to adjustment as provided in the

Edgar Filing: SI Financial Group, Inc. - Form DEF 14A

plan, the aggregate number of shares of common stock reserved and available for issuance pursuant to awards granted under the 2005 Plan is 861,872. Except for shares retained or surrendered to satisfy tax withholding obligations, only shares actually issued under the 2005 Plan count against the total number of shares available under the 2005 Plan. Of the total shares available under the 2005 Plan, 615,623 may be issued in connection with the exercise of stock options and 246,249 may be issued as restricted stock.

Administration. The 2005 Plan will be administered by the Compensation Committee of the Board of Directors (the "Committee"). The Committee will have the authority to designate participants; determine the type or types of awards to be granted to each participant and the number, terms and conditions thereof; establish, adopt or revise any rules and regulations as it may deem advisable to administer the 2005 Plan; and make all other decisions and determinations that may be required under the 2005 Plan.

Limitations on Transfer; Beneficiaries. No award will be assignable or transferable by a participant other than by will or the laws of descent and distribution or (except in the case of an incentive stock option) pursuant to a qualified domestic relations order. The Committee may permit other transfers where it concludes that such transferability does not result in accelerated taxation, does not cause any option intended to be an incentive stock option to fail to qualify as such, and is otherwise appropriate and desirable, taking into account any factors deemed relevant, including without limitation, any state or federal tax or securities laws or regulations applicable to transferable awards. A participant may, in the manner determined by the Committee, designate a beneficiary to exercise the rights of the participant and to receive any distribution with respect to any award upon the participant's death.

Acceleration Upon Certain Events. Unless otherwise provided in an award agreement, if a participant's service terminates by reason of death or disability, all of such participant's outstanding options and other awards in the nature of rights that may be exercised will become fully vested and exercisable and all time-based vesting restrictions on his or her outstanding awards will lapse. The vesting of awards will also occur upon a change in control of the Company.

Adjustments. In the event of a stock split, a dividend payable in shares of Company common stock, or a combination or consolidation of the Company's common stock into a lesser number of shares, the share authorization limits under the 2005 Plan will automatically be adjusted proportionately, and the shares then subject to each award will automatically be adjusted proportionately without any change in the aggregate purchase price for such award. If the Company is involved in another corporate transaction or event that affects its common stock, such as an extraordinary cash dividend, recapitalization, reorganization, merger, consolidation, split-up, spin-off, combination or exchange of shares, the share authorization limits under the 2005 Plan will be adjusted proportionately, and the Committee may adjust the 2005 Plan and outstanding awards to preserve the benefits or potential benefits of the awards.

10

Termination and Amendment

The Board of Directors may, at any time and from time to time, terminate or amend the 2005 Plan, but if an amendment to the 2005 Plan would materially increase the number of shares of stock issuable under the 2005 Plan, expand the types of awards provided under the 2005 Plan, materially expand the class of participants eligible to participate in the 2005 Plan, materially extend the

Edgar Filing: SI Financial Group, Inc. - Form DEF 14A

term of the 2005 Plan or otherwise constitute a material amendment requiring stockholder approval under applicable stock market or stock exchange listing requirements, laws, policies or regulations, then such amendment will be subject to stockholder approval. In addition, the Board of Directors may condition any amendment on the approval of the stockholders for any other reason. No termination or amendment of the 2005 Plan may adversely affect any award previously granted under the 2005 Plan without the written consent of the participant.

The Committee may amend or terminate outstanding awards; however, such amendments may require the consent of the participant and, unless approved by the stockholders or otherwise permitted by the anti-dilution provisions of the 2005 Plan, the exercise price of an outstanding option may not be reduced, directly or indirectly, and the original term of an option may not be extended.

Prohibition on Repricing

As discussed above under "Termination and Amendment," outstanding stock options cannot be repriced, directly or indirectly, without the prior consent of the Company's stockholders. The exchange of an "underwater" option (i.e., an option having an exercise price in excess of the current market value of the underlying stock) for another award would be considered an indirect repricing and would, therefore, require the prior consent of the Company's stockholders.

Regulatory Restrictions

Under the 2005 Plan, the Committee may not grant options and restricted stock to any one individual for shares that would exceed 25% of the shares reserved for each type of award. The Committee may not grant options and restricted stock to any non-employee individual director for shares that would exceed 5% of the shares reserved for each type of award. The Committee may not grant, in the aggregate, to non-employee directors options and restricted stock that would exceed 30% of the shares reserved for each type of award. All awards must vest over a period of time no more rapidly than 20% per year commencing on the first anniversary of the date of grant, however, awards may fully vest upon the death or disability of an award recipient or upon a change in control. These provisions comply with the rules and regulations issued by the Office of Thrift Supervision.

Certain Federal Tax Effects

Nonstatutory Stock Options. There will be no federal income tax consequences to the optionee or to the Company upon the grant of a nonstatutory stock option under the 2005 Plan. When the optionee exercises a nonstatutory option, however, he or she will recognize ordinary income equal to the excess of the fair market value of the common stock received upon exercise of the option at the time of exercise over the exercise price, and the Company will be allowed a corresponding deduction, subject to any applicable limitations under Code Section 162(m). Any gain that the optionee realizes when he or she later sells or disposes of the option shares will be short-term or long-term capital gain, depending on how long the shares were held.

Incentive Stock Options. There typically will be no federal income tax consequences to the optionee or to the Company upon the grant or exercise of an incentive stock option. If the optionee holds the option shares for at least two years after the date the option was granted or for one year after exercise, the difference between the exercise price and the amount realized upon sale or

Edgar Filing: SI Financial Group, Inc. - Form DEF 14A

disposition of the option shares will be long-term capital gain or loss, and the Company will not be entitled to a federal income tax deduction. If the optionee disposes of the option shares in a sale, exchange, or other disqualifying disposition before the required holding period ends, he or she will recognize taxable ordinary income equal to the excess of the fair market value of the option shares at the time of exercise over the exercise price, and the Company will be allowed a federal income tax deduction equal to such amount. While the exercise of an incentive stock option does not result in current taxable income, the excess of the fair market value of the option shares at the time of exercise over the exercise price will be an item of adjustment for purposes of determining the optionee's alternative minimum taxable income.

Restricted Stock. Unless a participant makes an election to accelerate recognition of the income to the date of grant as described below, a participant will not recognize income, and the Company will not be allowed a tax deduction, at the time a restricted stock award is granted, provided that the award is subject to restrictions on transfer and is subject to a substantial risk of forfeiture. When the restrictions lapse, the participant will recognize ordinary income equal to the fair market value of the common stock as of that date (less any amount he or she paid for the stock), and the Company will be allowed a corresponding federal income tax deduction at that time, subject to any applicable limitations under Code Section 162(m). If the participant files an election under Code Section 83(b) within 30 days after the date of grant of the restricted stock, he or she will recognize ordinary income as of the date of grant equal to the fair market value of the stock as of that date (less any amount paid for the stock), and the Company will be allowed a corresponding federal income tax deduction at that time, subject to any applicable limitations under Code Section 162(m). Any future appreciation in the stock will be taxable to the participant at capital gains rates. However, if the stock is later forfeited, the participant will not be able to recover the tax previously paid pursuant to the Code Section 83(b) election.

Benefits to Named Executive Officers and Others

Awards, if any, will be granted under the 2005 Plan only after the 2005 Plan is approved by stockholders. All awards under the 2005 Plan will be made at the discretion of the Compensation Committee or under delegated authority. Therefore, it is not possible to determine the benefits or amounts that will be received by any individuals or groups pursuant to the 2005 Plan in the future, or the benefits or amounts that would have been received by any individuals or groups for the last completed fiscal year if the 2005 Plan had been in effect.

Equity Compensation Plan Information

SI Financial did not maintain any equity compensation plans under which its common stock may be issued upon exercise of options, warrants and rights as of December 31, 2004.

The Board of Directors recommends that you vote "FOR" approval of the SI Financial Group, Inc. 2005 Equity Incentive Plan.

Proposal 3 - Ratification of Independent Auditors

For the fiscal years ended December 31, 2004 and 2003, the Company's consolidated financial statements were audited by McGladrey & Pullen, LLP. On March 15, 2005, the Company dismissed McGladrey & Pullen and engaged Wolf & Company, P.C., the Company's current independent auditors. The decision to

Edgar Filing: SI Financial Group, Inc. - Form DEF 14A

change auditors was approved by the Audit Committee of the Board of Directors on March 15, 2005.

For the fiscal years ended December 31, 2004 and 2003 and up to the date of the replacement of McGladrey & Pullen, there were no disagreements with McGladrey & Pullen on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure which, if not resolved to the satisfaction of McGladrey & Pullen, would have caused it to make reference to the subject matter of the disagreement in connection with its reports. McGladrey & Pullen's reports on the consolidated financial statements for the fiscal years ended December 31, 2004 and 2003 did not contain an adverse opinion or a disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope, or accounting principles.

For the fiscal years ended December 31, 2004 and 2003 and up to the date of the replacement of McGladrey & Pullen, the Company did not consult Wolf & Company regarding (1) the application of accounting principles to a specified transaction, either completed or proposed; (2) the type of audit opinion that might be rendered on the Company's financial statements; or (3) any matter that was either the subject of a disagreement with McGladrey & Pullen on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure or the subject of a reportable event.

The Audit Committee of the Board of Directors has appointed Wolf & Company to be the Company's independent auditors for the 2005 fiscal year, subject to ratification by stockholders. A representative of McGladrey & Pullen is expected to be present at the annual meeting to respond to appropriate questions from stockholders and will have the opportunity to make a statement should he or she desire to do so. A representative of Wolf & Company is not expected to be present at the annual meeting.

If the ratification of the appointment of the auditors is not approved by a majority of the votes present in person or by proxy at the annual meeting and entitled to vote, the Audit Committee of the Board of Directors will consider other independent auditors. The Board of Directors recommends a vote "FOR" the ratification of the appointment of independent auditors.

Pre-Approval of Services by the Independent Auditor

The Audit Committee has adopted a policy for pre-approval of audit and permitted non-audit services by the Company's independent auditor. The Audit Committee will consider annually and approve the provision of audit services by its external auditor and consider and, if appropriate, pre-approve the provision of certain defined audit and non-audit services. The Audit Committee also will consider on a case-by-case basis and, if appropriate, approve specific engagements.

Any proposed specific engagement may be presented to the Audit Committee for consideration at its next regular meeting or, if earlier consideration is required, to the Audit Committee or one or more of its members. The member or members to whom such authority is delegated shall report any specific approval of services at the next regular meeting of the Audit Committee. The Audit Committee will regularly review summary reports detailing all services being provided to the Company by its external auditor.

During the year ended December 31, 2004, the Audit Committee approved all Audit Related Fees, Tax Fees and All Other Fees set forth above.

(1) Represents ESOP allocations with a market value of \$3,125, \$2,407, \$1,870 and \$1,785 for Messrs. Brouillard, Hull and Moran and Ms. Dudas, respectively. Also includes employer contributions under the Savings Institute Profit Sharing and 401(k) Plan of \$17,600, \$11,758, \$8,548 and \$8,506 for Messrs. Brouillard, Hull and Moran and Ms. Dudas, respectively, and \$3,335, \$575, \$1,489 and \$1,100 for Messrs. Brouillard, Hull and Moran and Ms. Dudas, respectively, which represents the economic benefit of employer-paid premiums for split-dollar life insurance. Also includes allocations with a market value of \$2,902 under the Savings Institute Executive Supplemental Retirement Plan for Mr. Brouillard. All of the amounts are for 2004.

Employment Agreements

The Company and Savings Institute each maintain three-year employment agreements with Messrs. Brouillard and Hull. The term of each employment agreement will be extended on an annual basis unless written notice of non-renewal is given by the Board of Directors of Savings Institute. The employment agreements provide that the executive's base salary will be reviewed annually. The base salary currently in effect for such employment agreement is \$253,000 and \$150,000 for Messrs. Brouillard and Hull, respectively. In addition to the base salary, the employment agreements provide for, among other things, discretionary bonuses, participation in stock benefit plans and other fringe benefits applicable to executive personnel. The employment agreements provide for termination for cause, as defined in the employment agreements, at any time. If Savings Institute chooses to terminate the executive's employment for reasons other than for cause, or if the executive resigns from Savings Institute after specified circumstances that would constitute constructive termination, the executive or, if he dies, his beneficiary, would be entitled to receive an amount equal to the remaining base salary

payments due for the remaining term of the employment agreement and the contributions that would have been made on his behalf to any employee benefit plans of SI Financial and Savings Institute during the remaining term of the employment agreement. Savings Institute would also continue and/or pay for Messrs. Brouillard's or Hull's life, health and dental coverage for the remaining term of the employment agreement. Upon termination of Messrs. Brouillard or Hull for reasons other than a change in control, they must adhere to a one-year non-competition agreement.

Under the employment agreements, if voluntary (upon circumstances discussed in the agreement) or involuntary termination follows a change in control of SI Financial or Savings Institute, Messrs. Brouillard or Hull, or, if either one dies, his beneficiary, would be entitled to a severance payment equal to 2.99 times the average of the five preceding taxable years' annual compensation. Savings Institute would also continue the benefits Messrs. Brouillard or Hull would have received under the retirement programs in which they participated before a change in control and under any health, life or disability coverage for 36 months. Code Section 280G provides that severance

Edgar Filing: SI Financial Group, Inc. - Form DEF 14A

payments that equal or exceed three times the individual's base amount are deemed to be "excess parachute payments" if they are contingent upon a change in control. Individuals receiving excess parachute payments are subject to a 20% excise tax on the amount of the payment in excess of the base amount, and the employer would not be entitled to deduct such amount. The agreements provide that Messrs. Brouillard and Hull will not receive an excess parachute payment.

All reasonable costs and legal fees paid or incurred by Messrs. Brouillard or Hull in any dispute or question of interpretation relating to the employment agreement will be paid by Savings Institute if Messrs. Brouillard or Hull is successful on the merits in a legal judgment, arbitration or settlement. The employment agreements also provide that Savings Institute and SI Financial will indemnify Messrs. Brouillard or Hull to the fullest extent legally allowable.

Change in Control Agreements. Savings Institute has entered into change in control agreements with Mr. Moran and Ms. Dudas. The change in control agreements have an initial two-year term and are renewable by the Board of Directors for an additional year on an annual basis. If, following a change in control of SI Financial or Savings Institute, Mr. Moran or Ms. Dudas is terminated without cause, or Mr. Moran or Ms. Dudas voluntarily resigns upon the occurrence of circumstances specified in the agreements, Mr. Moran or Ms. Dudas will receive a severance payment under the agreement equal to two times their average annual compensation for the five most recent taxable years. Savings Institute will also continue health and welfare benefit coverage for 24 months following termination of employment.

Supplemental Executive Retirement Plan. Savings Institute maintains the Savings Institute Supplemental Executive Retirement Plan. This plan provides restorative payments to executives designated by the Board of Directors who are prevented from receiving the full benefits contemplated by the employee stock ownership plan's benefit formula and the full matching contribution under the 401(k) Plan. The Board of Directors of Savings Institute has designated Mr. Brouillard to participate in the plan. The restorative payments under the plan consist of payments in lieu of shares that cannot be allocated to the participant's account under the employee stock ownership plan and payments for employer matching contributions that cannot be allocated under the 401(k) plan due to the legal limitations imposed on tax-qualified plans. In addition to providing for benefits lost under the employee stock ownership plan and 401(k) Plan as a result of limitations imposed by the Code, the supplemental executive retirement plan also provides supplemental benefits to participants upon a change in control (as defined in the plan) before the complete scheduled repayment of the employee stock ownership plan loan. Generally, upon

16

such an event, the supplemental executive retirement plan will provide the participant with a benefit equal to what the participant would have received under the employee stock ownership plan had he remained employed throughout the term of the employee stock ownership plan loan, less the benefits actually provided under the employee stock ownership plan on behalf of such participant.

Group Term Replacement Plan. Savings Institute maintains the Group Term Replacement Plan for the purpose of providing a death benefit to executives designated by the Compensation Committee of the Board of Directors. The death benefits are funded through certain insurance policies, which are owned by Savings Institute, on the lives of the participating executives. Savings Institute pays the life insurance premiums that fund the death benefits from its general assets and is the beneficiary of any death benefits exceeding any executive's maximum dollar amount specified in his or her split-dollar

Edgar Filing: SI Financial Group, Inc. - Form DEF 14A

endorsement policy. The maximum dollar amount of each executive's split-dollar death benefit equals three times the executive's annual compensation less \$50,000 pre-retirement and three times the executive's final annual compensation post-retirement not to exceed a specified dollar amount. For purposes of the plan, annual compensation includes an executive's base compensation, plus commissions and cash bonuses earned under Savings Institute's bonus plan. Participation in the plan ceases if an executive is terminated for cause or the executive terminates employment for reasons other than death, disability or retirement. If Savings Institute wishes to maintain the insurance after a participant's termination in the plan, Savings Institute will be the direct beneficiary of the entire death proceeds of the insurance policies.

Executive Supplemental Retirement Plan - Defined Benefit. Savings Institute maintains the Executive Supplemental Retirement Plan for the purpose of providing Messrs. Brouillard, Hull and Moran and Ms. Dudas with supplemental retirement benefits. The plan provides these designated executives with a retirement benefit equal to 70% of the final three-year average compensation less 50% of the executive's annual social security benefit and the value of the executive's annual benefit under employer-provided tax-qualified plans. Plan participants are entitled to their supplemental retirement benefit upon the earlier of the participant's termination of employment (other than for cause) at or after attaining age 65, or on the date when the sum of the participant's years of service and age total 80 (or 78 in the case of Mr. Hull). If a participant terminates employment before satisfaction of these requirements, the participant may receive an early retirement benefit which would be adjusted by 2% for each point by which the sum of the participant's age and years of service is less than 80. Participants may elect to receive benefits under the plan in the form of a single life annuity with 15 guaranteed annual payments or a lump sum equal to the actuarial equivalent of the annuity payment. Should a participant die while actively employed with Savings Institute or after the payments have begun, the executive's designated beneficiary will receive the balance in the executive's plan liability account on the date of death in a lump sum cash payment. If a participant terminates employment in connection with a change in control (as defined in the plan), the participant will be entitled to a lump sum cash amount specified in the executive's plan agreement payable within 30 days of the participant's termination of employment. If the designated executives become disabled, Savings Institute will transfer funds to a Contingent Liability Trust equal to its accrued plan liability for the executive as of the date of the disability. When the accrued liability balance is transferred, Savings Institute's obligation ends and a bank-owned disability policy from MassMutual Life Insurance Company covering the executive makes payments to the Contingent Liability Trust during the disability period.

17

Notwithstanding anything to the contrary set forth in any of the Company's previous filings under the Securities Act of 1933 or the Securities Exchange Act of 1934 that might incorporate future filings, including this proxy statement, in whole or in part, the following report of the Compensation Committee and the stock performance graph shall not be incorporated by reference into any such filings.

Compensation Committee Report on Executive Compensation

Under rules established by the Securities and Exchange Commission, the Company is required to provide certain data and information regarding the compensation and benefits provided to the Chief Executive Officer and other executive officers of the Company and Savings Institute for the year ended December 31, 2004. Recommendations regarding all components of compensation paid

Edgar Filing: SI Financial Group, Inc. - Form DEF 14A

to executive officers of the Company and Savings Institute are made by the Compensation Committee of the Company's Board of Directors and are approved by the Company's Board of Directors.

Compensation Policies and Procedures. The Compensation Committee reviews management's recommendations for compensation and benefits for officers and employees, including officers and employees of Savings Institute. The Compensation Committee recommends to the full Board of Directors an amount and composition of executive compensation to be paid to the executive officers, including the President and Chief Executive Officer. The Board of Directors reviews and considers such compensation recommendations.

Management is faced continually with competitive and economic challenges. The Compensation Committee believes that, if the Company is to be successful, its compensation programs must be structured to attract and retain the highest quality employees available. The Company's executive compensation programs are intended to provide incentives that will reward managers for achieving superior levels of performance, which strengthen the Company and enhance stockholder value.

The Compensation Committee annually reviews and evaluates base salary and bonuses for all executive officers, and in conducting such reviews places primary consideration upon the recommendations by the President and Chief Executive Officer, along with the rationale for such recommendations, except for the compensation review of the President and Chief Executive Officer. The President and Chief Executive Officer does not participate in the Compensation Committee's decision as to his compensation package.

To achieve the compensation objectives established by the Compensation Committee, the Company's executive compensation program consists of two main elements, base salary and bonus. In addition, executive officers participate in other benefit plans available to all employees, including the Savings Institute Bank and Trust Company Employee Stock Ownership Plan and the Savings Institute Profit Sharing and 401(k) Plan, and may be selected to participate in supplemental benefit plans.

In establishing individual compensation levels, the Compensation Committee considers the Company's overall objectives and performance, the Company's stock performance, peer group comparisons and individual performance. No formula is used to determine an executive's salary. The Company's overall performance and the achievement of financial and business objectives are considered. Increases in compensation are recommended based on strong individual performance in relationship to Company and individual goals.

18

Base Salaries. Salaries recommended by the Compensation Committee are intended to be consistent and competitive with the practices of comparable financial institutions and each executive's level of responsibility. The Compensation Committee utilized peer comparison survey data it prepared. Adjustments were made this year: (1) to reflect the performance of the Company, the executive and any increased responsibilities assumed by the executive; and (2) based on the peer comparison survey.

Bonus. Bonuses were paid on a subjective, discretionary basis at the end of the fiscal year based on the Company's overall performance. Specific factors included: return on equity; return on assets; efficiency ratio; stock price performance; and earnings improvement over the prior year. In addition, performance against the Company's strategic plan is measured. The President and

Edgar Filing: SI Financial Group, Inc. - Form DEF 14A

Chief Executive Officer was invited to participate in the discussion about fiscal year bonuses for executives. He did not participate in any discussion related to his own bonus.

President and Chief Executive Officer Compensation. The compensation of the President and Chief Executive Officer during fiscal 2004 consisted of the same elements as for other senior executives, including salary and bonus. In reviewing base salary, the Committee consulted the Connecticut Bankers Association Salary Survey, the 2004 SNL Executive Compensation Survey and two surveys prepared by outside parties. Particular focus was placed on the level of compensation paid to chief executive officers of depository institutions and their holding companies of comparable size and performance characteristics. The Committee observed that Mr. Brouillard's base compensation was commensurate with the survey information used for comparative purposes.

Mr. Brouillard was paid a discretionary cash bonus of \$24,678 for fiscal 2004. In determining an appropriate 2004 bonus for Mr. Brouillard, the committee considered his leadership of the Company and the continued success of the Company as demonstrated by, among other things, a successful stock offering, strong loan and deposit growth and continued solid asset quality. In addition, the independent directors reviewed the cash bonuses paid to chief executive officers of similar institutions. The independent directors did not assign weights or rankings to any single performance factor but instead made subjective determinations based on a consideration of all the factors in the Company's business performance. The Committee observed that after Mr. Brouillard's base compensation was established, it was commensurate with the survey information used for comparative purposes.

Compliance with Section 16(a) of the Exchange Act

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's executive officers and directors, and persons who own more than 10% of any registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Executive officers, directors and greater than 10% stockholders are required by regulation to furnish the Company with copies of all Section 16(a) reports they file.

Based solely on its review of the copies of the reports it has received and written representations provided to the Company from the individuals required to file the reports, the Company believes that each of its executive officers and directors has complied with applicable reporting requirements for transactions in SI Financial common stock during the fiscal year ended December 31, 2004, except for one late report filed by Mr. Moran regarding a purchase of Company common stock.

Transactions with Management

Loans and Extensions of Credit. The Sarbanes-Oxley Act of 2002 generally prohibits loans by SI Financial to its executive officers and directors. However, the Sarbanes-Oxley Act contains a specific exemption from such prohibition for loans by Savings Institute to its executive officers and directors in compliance with federal banking regulations. Federal regulations require that all loans or extensions of credit to executive officers and directors of insured financial institutions must be made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons, except for loans made under programs generally available to all employees, and must not involve more than the normal risk of repayment or present other unfavorable features. Savings Institute is therefore prohibited from making any new loans or extensions of credit to executive officers and directors at different rates or terms than those offered to the general public, except for loans made pursuant to programs generally available to all employees, and has adopted a policy to this effect. In addition, loans made to a director or executive officer in an amount that, when aggregated with the amount of all other loans to such person and his or her related interests, are in excess of the greater of \$25,000 or 5% of the institution's capital and surplus (up to a maximum of \$500,000), must be approved in advance by a majority of the disinterested members of the Board of Directors.

Notwithstanding anything to the contrary set forth in any of the Company's previous filings under the Securities Act of 1933 or the Securities Exchange Act of 1934 that might incorporate future filings, including this proxy statement, in whole or in part, the following report of the Audit Committee shall not be incorporated by reference into any such filings.

Audit Committee Report

The Audit Committee of the Company's Board of Directors is comprised of three non-employee directors and operates under a written charter adopted by the Board of Directors, a copy of which is included as Appendix A to this proxy statement. The Board of Directors has determined that each Audit Committee member is independent in accordance with the listing standards of the Nasdaq Stock Market.

The Company's management is responsible for the Company's internal control over financial reporting. The independent auditors are responsible for performing an independent audit of the Company's consolidated financial statements and issuing an opinion on the conformity of those financial statements with generally accepted accounting principals. The Audit Committee

Edgar Filing: SI Financial Group, Inc. - Form DEF 14A

oversees the Company's internal control over financial reporting on behalf of the Board of Directors.

21

In this context, the Audit Committee has met and held discussions with management and the independent auditors. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent auditors. The Audit Committee discussed with the independent auditors matters required to be discussed by Statement on Auditing Standards No. 61 (Communication With Audit Committees), including the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of the disclosures in the financial statements.

In addition, the Audit Committee has received the written disclosures and the letter from the independent auditors required by the Independence Standards Board Standard No. 1 (Independence Discussions With Audit Committees) and has discussed with the independent auditors the auditors' independence from the Company and its management. In concluding that the auditors are independent, the Audit Committee considered, among other factors, whether the non-audit services provided by the auditors were compatible with its independence.

The Audit Committee discussed with the Company's independent auditors the overall scope and plans for their audit. The Audit Committee meets with the independent auditors, with and without management present, to discuss the results of their examination, their evaluation of the Company's internal control over financial reporting, and the overall quality of the Company's financial reporting process.

In performing all of these functions, the Audit Committee acts only in an oversight capacity. In its oversight role, the Audit Committee relies on the work and assurances of the Company's management, which has the primary responsibility for financial statements and reports, and of the independent auditors who, in their report, express an opinion on the conformity of the Company's financial statements to generally accepted accounting principles. The Audit Committee's oversight does not provide it with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal control over financial reporting designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions with management and the independent auditors do not assure that the Company's financial statements are presented in accordance with generally accepted accounting principles, that the audit of the Company's financial statements has been carried out in accordance with the standards of the Public Company Accounting Oversight Board (United States) or that the Company's independent auditors are in fact "independent."

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the board has approved, that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2004 for filing with the Securities and Exchange Commission. The Audit Committee has appointed, subject to stockholder ratification, the selection of the Company's independent auditors for the fiscal year ending December 31, 2005.

Nominating and Governance Committee Procedures

General

It is the policy of the Nominating and Governance Committee of the Board of Directors of the Company to consider director candidates recommended by stockholders who appear to be qualified to serve on the Company's Board of Directors. The Nominating and Governance Committee may choose not to consider an unsolicited recommendation if no vacancy exists on the Board of Directors and the Nominating and Governance Committee does not perceive a need to increase the size of the Board of Directors. To avoid the unnecessary use of the Nominating and Governance Committee's resources, the Nominating and Governance Committee will consider only those director candidates recommended in accordance with the procedures set forth below.

Procedures to be Followed by Stockholders

To submit a recommendation of a director candidate to the Nominating and Governance Committee, a stockholder should submit the following information in writing, addressed to the Chair of the Nominating and Governance Committee, care of the Corporate Secretary, at the main office of the Company:

1. The name of the person recommended as a director candidate;
2. All information relating to such person that is required to be disclosed in solicitations of proxies for election of directors pursuant to Regulation 14A under the Securities Exchange Act of 1934;
3. The written consent of the person being recommended as a director candidate to being named in the proxy statement as a nominee and to serving as a director if elected;
4. The name and address of the stockholder making the recommendation, as they appear on the Company's books; provided, however, that if the stockholder is not a registered holder of the Company's common stock, the stockholder should submit his or her name and address along with a current written statement from the record holder of the shares that reflects ownership of the Company's common stock; and
5. A statement disclosing whether such stockholder is acting with or on behalf of any other person and, if applicable, the identity of such person.

In order for a director candidate to be considered for nomination at the Company's annual meeting of stockholders, the recommendation must be received by the Nominating and Governance Committee at least 120 calendar days before the date the Company's proxy statement was released to stockholders in connection with the previous year's annual meeting, advanced by one year.

Process for Identifying and Evaluating Nominees

Edgar Filing: SI Financial Group, Inc. - Form DEF 14A

The process that the Nominating and Governance Committee follows when it identifies and evaluates individuals to be nominated for election to the Board of Directors is as follows:

23

Identification. For purposes of identifying nominees for the Board of Directors, the Nominating and Governance Committee relies on personal contacts of the committee members and other members of the Board of Directors, as well as their knowledge of members of the communities served by Savings Institute. The Nominating and Governance Committee also will consider director candidates recommended by stockholders in accordance with the policy and procedures set forth above. The Nominating and Governance Committee has not used an independent search firm to identify nominees.

Evaluation. In evaluating potential nominees, the Nominating and Governance Committee determines whether the candidate is eligible and qualified for service on the Board of Directors by evaluating the candidate under the selection criteria, which are discussed in more detail below. If such individual fulfills these criteria, the Nominating and Governance Committee will conduct a check of the individual's background and interview the candidate to further assess the qualities of the prospective nominee and the contributions he or she would make to the Board.

Minimum Qualifications

The Nominating and Governance Committee has adopted a set of criteria that it considers when it selects individuals not currently on the Board of Directors to be nominated for election to the Board of Directors. A candidate must meet the eligibility requirements set forth in the Company's bylaws, which include an age limitation, a stock ownership requirement and a requirement that the candidate not have been subject to certain criminal or regulatory actions. A candidate must also meet any qualification requirements set forth in any Board or committee governing documents.

If the candidate is deemed eligible for election to the Board of Directors, the Nominating and Governance Committee will then evaluate the prospective nominee to determine if he or she possesses the following qualifications, qualities or skills:

- o contributions to the range of talent, skill and expertise appropriate for the Board;
- o financial, regulatory and business experience, knowledge of the banking and financial service industries, familiarity with the operations of public companies and ability to read and understand financial statements;
- o familiarity with the Company's market area and participation in and ties to local businesses and local civic, charitable and religious organizations;
- o personal and professional integrity, honesty and reputation;
- o the ability to represent the best interests of the stockholders of the Company and the best interests of the institution;
- o the ability to devote sufficient time and energy to the performance of his or her duties;

Edgar Filing: SI Financial Group, Inc. - Form DEF 14A

- o independence under applicable Securities and Exchange Commission and listing definitions; and
- o current equity holdings in the Company.

The committee will also consider any other factors it deems relevant, including age, diversity, size of the Board of Directors and regulatory disclosure obligations.

With respect to nominating an existing director for re-election to the Board of Directors, the Nominating and Governance Committee will consider and review an existing director's board and committee attendance and performance; length of board service; experience, skills and contributions that the existing director brings to the board; and independence.

24

Stockholder Proposals and Nominations

The Company must receive proposals that stockholders seek to have included in the proxy statement for the Company's next annual meeting no later than December 7, 2005. If next year's annual meeting is held on a date more than 30 calendar days from May 11, 2006, a stockholder proposal must be received by a reasonable time before the Company begins to print and mail its proxy solicitation materials. Any stockholder proposals will be subject to the requirements of the proxy rules adopted by the Securities and Exchange Commission.

The Company's Bylaws provides that in order for a stockholder to make nominations for the election of directors or proposals for business to be brought before a meeting of stockholders, a stockholder must deliver written notice of such nominations and/or proposals to the Secretary not less than 30 days before the date of the meeting; provided that if less than 40 days notice or prior public disclosure of the meeting is given or made to stockholders, such notice must be delivered not later than the close of the tenth day following the day on which notice of the meeting was mailed to stockholders or such public disclosure was made.

Stockholder Communications

The Company encourages stockholder communications to the Board of Directors and/or individual directors. Stockholders who wish to communicate with the Board of Directors or an individual director should send their communications to the care of Sandra A. Mitchell, Corporate Secretary, SI Financial Group, Inc., 803 Main Street, Willimantic, Connecticut 06226. Communications regarding financial or accounting policies should be sent to the attention of the Chair of the Audit Committee. All other communications should be sent to the attention of the Chair of the Nominating and Governance Committee.

Miscellaneous

The Company will pay the cost of this proxy solicitation. In addition to the solicitation of proxies by mail, Regan & Associates, Inc., a proxy solicitation firm, will assist the Company in soliciting proxies for the annual meeting. The Company will pay a fee of \$9,000, including expenses, for these services. The Company will reimburse brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending

Edgar Filing: SI Financial Group, Inc. - Form DEF 14A

proxy materials to the beneficial owners of the Company. In addition to soliciting proxies by mail, directors, officers and regular employees of the Company may solicit proxies personally or by telephone. None of these persons will receive additional compensation for these activities.

The Company's Annual Report to Stockholders has been mailed to all persons who were stockholders as of the close of business on March 18, 2005. Any stockholder who has not received a copy of the Annual Report may obtain a copy by writing to the Secretary of the Company. The Annual Report is not to be treated as part of the proxy solicitation material or as having been incorporated in this proxy statement by reference.

25

If you and others who share your address own your shares in "street name," your broker or other holder of record may be sending only one annual report and proxy statement to your address. This practice, known as "householding," is designed to reduce our printing and postage costs. However, if a shareholder residing at such an address wishes to receive a separate annual report or proxy statement in the future, he or she should contact the broker or other holder of record. If you own your shares in "street name" and are receiving multiple copies of our annual report and proxy statement, you can request householding by contacting your broker or other holder of record.

This is the responsibility of management and the Independent Auditor.

Each member of the Committee is entitled to, in good faith, rely or act upon any report or other information furnished to that member by any officer or other employee of the Company or any Affiliate, the Company's or an Affiliate's independent certified public accountants, Company counsel or any executive compensation consultant or other professional retained by the Company to assist in the administration of the Plan.

5.2 SHARE COUNTING.

- (a) To the extent that an Award is canceled, terminates, expires, is forfeited or lapses for any reason, any unissued Shares subject to the Award will again be available for issuance pursuant to Awards granted under the Plan.
- (b) If the exercise price of an Option is satisfied by delivering Shares to the Company (by either actual delivery or attestation), only the number of Shares issued in excess of the delivery or attestation shall be considered for purposes of determining the number of Shares remaining available for issuance pursuant to Awards granted under the Plan.
- (c) To the extent that the full number of Shares subject to an Option is not issued upon exercise of the Option for any reason (other than Shares used to satisfy an applicable tax withholding obligation), only the number of Shares issued and delivered upon exercise of the Option shall be considered for purposes of determining the number of Shares remaining available for issuance pursuant to Awards granted under the Plan. Nothing in this subsection shall imply that any particular type of cashless exercise of an Option is permitted under the Plan, that decision being reserved to the Committee or other provisions of the Plan.

5.3 STOCK DISTRIBUTED. Any Stock distributed pursuant to an Award may consist, in whole or in part, of authorized and unissued Stock, treasury Stock or Stock purchased on the open market.

5.4 LIMITATION ON AWARDS. Notwithstanding any provision in the Plan to the contrary (but subject to adjustment as provided in Section 10.1), the maximum number of Shares that may be delivered pursuant to Options under the Plan is 615,623 and the maximum number of Shares that may be delivered pursuant to Award of Restricted Stock under the Plan is 246,249. The maximum number of Shares with respect to which Options may be granted during any one calendar year under the Plan to any one Participant shall be 153,905.

B-6

ARTICLE 6 ELIGIBILITY

Awards may be granted only to Eligible Participants, except that Incentive Stock Options may be granted only to Eligible Participants who are employees of the Company or a Parent or Subsidiary of the Company.

ARTICLE 7 STOCK OPTIONS

7.1 GENERAL. The Committee is authorized to grant Options to Participants on the following terms and conditions:

Edgar Filing: SI Financial Group, Inc. - Form DEF 14A

- (a) Exercise Price. The exercise price of an Option shall not be less than the Fair Market Value as of the Grant Date.
- (b) Time and Conditions of Exercise. The Committee shall determine the time or times at which an Option may be exercised in whole or in part, subject to Section 7.1(d) of the Plan. The Committee shall also determine the conditions, if any, that must be satisfied before all or part of an Option may be exercised or vested. The Committee may waive any exercise or vesting provisions at any time in whole or in part based upon factors as the Committee may determine in its sole discretion so that the Option becomes exercisable or vested at an earlier date.
- (c) Payment. The Committee shall determine the methods by which the exercise price of an Option may be paid, the form of payment, including, without limitation, cash, Shares, or other property (including "cashless exercise" arrangements), and the methods by which Shares shall be delivered or deemed to be delivered to Participants.
- (d) Exercise Term. In no event may any Option be exercisable for more than ten years from the Grant Date.

7.2 INCENTIVE STOCK OPTIONS. The terms of any Incentive Stock Options granted under the Plan must comply with the following additional rules:

- (a) Lapse of Option. Subject to any earlier termination provision contained in the Award Agreement, an Incentive Stock Option shall lapse upon the earliest of the following circumstances; provided, however, that the Committee may, prior to the lapse of the Incentive Stock Option under the circumstances described in subsections (3), (4) or (5) below, provide in writing that the Option will extend until a later date, but if an Option is so extended and is exercised after the dates specified in subsections (3) and (4) below, it will automatically become a Nonstatutory Stock Option:
 - (1) The expiration date set forth in the Award Agreement.
 - (2) The tenth anniversary of the Grant Date.
 - (3) Three months after termination of the Participant's Continuous Status as a Participant for any reason other than the Participant's Disability or death.
 - (4) One year after the Participant's Continuous Status as a Participant by reason of the Participant's Disability.
 - (5) One year after the termination of the Participant's death if the Participant dies while employed, or during the three-month period described in paragraph (3) or during the one-year period described in paragraph (4) and before the Option otherwise lapses.

Unless the exercisability of the Incentive Stock Option is accelerated as provided in Articles 9 or 10 of the Plan, if a Participant exercises an Option after termination of employment, the

Edgar Filing: SI Financial Group, Inc. - Form DEF 14A

Option may be exercised only with respect to the Shares that were otherwise vested on the Participant's termination of employment. Upon the Participant's death, any exercisable Incentive Stock Options may be exercised by the Participant's beneficiary, determined in accordance with Section 9.4 of the Plan.

- (b) Individual Dollar Limitation. The aggregate Fair Market Value (determined as of the Grant Date) of all Shares with respect to which Incentive Stock Options are first exercisable by a Participant in any calendar year may not exceed \$100,000 (or any higher value as may be permitted under Section 422 of the Code).
- (c) Ten Percent Owners. No Incentive Stock Option shall be granted to any individual who, at the Grant Date, owns stock possessing more than ten percent of the total combined voting power of all classes of stock of the Company or any Parent or Subsidiary unless the exercise price per share of such Option is at least 110% of the Fair Market Value per Share at the Grant Date and the Option expires no later than five years after the Grant Date.
- (d) Expiration of Authority to Grant Incentive Stock Options. No Incentive Stock Option may be granted pursuant to the Plan after the day immediately prior to the tenth anniversary of the date the Plan was approved by shareholders, or the termination of the Plan, if earlier.
- (e) Right to Exercise. During a Participant's lifetime, an Incentive Stock Option may be exercised only by the Participant or, in the case of the Participant's Disability, by the Participant's guardian or legal representative.
- (f) Eligible Grantees. The Committee may not grant an Incentive Stock Option to a person who is not at the Grant Date an employee of the Company or of an Affiliate.

B-8

ARTICLE 8 RESTRICTED STOCK

8.1 GRANT OF RESTRICTED STOCK. The Committee is authorized to make Awards of Restricted Stock to Participants in such amounts and subject to such terms and conditions as may be selected by the Committee. An Award of Restricted Stock shall be evidenced by an Award Agreement setting forth the terms, conditions, and restrictions applicable to the Award.

8.2 ISSUANCE AND RESTRICTIONS. Restricted Stock shall be subject to such restrictions on transferability and other restrictions as the Committee may impose (including, without limitation, limitations on the right to vote Restricted Stock or the right to receive dividends on the Restricted Stock). These restrictions may lapse separately or in combination at such times, under such circumstances, in such installments, upon the satisfaction of performance goals or otherwise, as the Committee determines at the time of the grant of the Award or thereafter. Except as otherwise provided in an Award Agreement, the Participant shall have all of the rights of a shareholder with respect to the Restricted Stock.

8.3 FORFEITURE. Except as otherwise determined by the Committee at the time of the grant of the Award or thereafter, upon termination of Continuous

Edgar Filing: SI Financial Group, Inc. - Form DEF 14A

Status as a Participant during the applicable restriction period, Restricted Stock that is at that time subject to restrictions shall be forfeited; provided, however, that the Committee may provide in any Award Agreement that restrictions or forfeiture conditions relating to Restricted Stock will be waived in whole or in part in the event of terminations resulting from death or disability or in connection with a Change in Control, and the Committee may in other cases waive in whole or in part restrictions or forfeiture conditions relating to Restricted Stock.

8.4 DELIVERY OF RESTRICTED STOCK. Unless otherwise held in a trust and registered in the name of the trustee, reasonably promptly after the Grant Date with respect to shares of Restricted Stock, the Company shall cause to be issued a stock certificate, registered in the name of the Participant to whom the Restricted Stock was granted, evidencing such shares. Each such stock certificate shall bear the following legend:

"The transferability of this certificate and the shares of stock represented hereby are subject to the restrictions, terms and conditions (including forfeiture provisions and restrictions against transfer) contained in the SI Financial Group, Inc. 2005 Equity Incentive Plan and Award Agreement entered into between the registered owner of such shares and SI Financial Group, Inc. or its Affiliates. A copy of the Plan and Award Agreement is on file in the office of the Corporate Secretary of SI Financial Group, Inc."

Such legend shall not be removed until the Participant vests in such shares pursuant to the terms of the Plan and Award Agreement. Each certificate issued pursuant to this Section 8.4, in connection with a Restricted Stock Award, shall be held by the Company or its Affiliates, unless the Committee determines otherwise.

8.5 VOTING RIGHTS. Unless otherwise determined by the Committee at the time of grant, a Participant holding Restricted Stock shall be entitled to exercise full voting rights with respect to those Shares during the restriction period.

B-9

8.6 DIVIDENDS AND OTHER DISTRIBUTIONS. During the restriction period, a Participant holding Restricted Stock may, if the Committee so determines, be credited with dividends paid with respect to the underlying Shares. Such dividends shall be paid to the Participant at times determined by the Committee in its sole discretion. The Committee may apply any restrictions to the dividends that the Committee deems appropriate.

ARTICLE 9 GENERAL PROVISIONS APPLICABLE TO AWARDS

9.1 STAND-ALONE AND TANDEM AWARDS. Awards granted under the Plan may, in the discretion of the Committee, be granted either alone or in addition to or, in tandem with, any other Award granted under the Plan.

9.2 TERM OF AWARD. The term of each Award shall be for the period as determined by the Committee, provided that in no event shall the term of any Incentive Stock Option exceed a period of ten years from its Grant Date (or, if Section 7.2(c) applies, five years from its Grant Date).

9.3 LIMITS ON TRANSFER. No right or interest of a Participant in any unexercised or restricted Award may be pledged, encumbered, or hypothecated to

Edgar Filing: SI Financial Group, Inc. - Form DEF 14A

or in favor of any party other than the Company or an Affiliate, or shall be subject to any lien, obligation, or liability of such Participant to any other party other than the Company or an Affiliate. No unexercised or restricted Award shall be assignable or transferable by a Participant other than by will or the laws of descent and distribution or, except in the case of an Incentive Stock Option, pursuant to a domestic relations order that would satisfy Code Section 414(p)(1)(A) if that Code Section applied to an Award under the Plan; provided, however, that the Committee may (but need not) permit other transfers where the Committee concludes that such transferability (i) does not result in accelerated taxation, (ii) does not cause any Option intended to be an Incentive Stock Option to fail to be described in Code Section 422(b), and (iii) is otherwise appropriate and desirable, taking into account any factors deemed relevant, including without limitation, state or federal tax or securities laws applicable to transferable Awards.

9.4 BENEFICIARIES. Notwithstanding Section 9.3 of the Plan, a Participant may, in the manner determined by the Committee, designate a beneficiary to exercise the rights of the Participant and to receive any distribution with respect to any Award upon the Participant's death. A beneficiary, legal guardian, legal representative, or other person claiming any rights under the Plan is subject to all terms and conditions of the Plan and any Award Agreement applicable to the Participant, except to the extent the Plan and Award Agreement otherwise provide, and to any additional restrictions deemed necessary or appropriate by the Committee. If no beneficiary has been designated or survives the Participant, payment shall be made to the Participant's estate. Subject to the foregoing, a beneficiary designation may be changed or revoked by a Participant at any time provided the change or revocation is filed with the Committee.

9.5 STOCK CERTIFICATES. All Stock issuable under the Plan is subject to any stop-transfer orders and other restrictions as the Committee deems necessary or advisable to comply with federal or state securities laws, rules and regulations and the rules of any national securities exchange or automated quotation system on which the Stock is listed, quoted, or traded. The Committee may place legends on any Stock certificate or issue instructions to the transfer agent to reference restrictions applicable to the Stock.

B-10

9.6 ACCELERATION UPON DEATH OR DISABILITY. Except as otherwise provided in the Award Agreement, upon the Participant's death or Disability during his or her Continuous Status as a Participant, all of such Participant's outstanding Options and other Awards in the nature of rights that may be exercised shall become fully exercisable and all time-based vesting restrictions on the Participant's outstanding Awards shall lapse. Any Awards shall thereafter continue or lapse in accordance with the other provisions of the Plan and the Award Agreement. To the extent that this provision causes Incentive Stock Options to exceed the dollar limitation set forth in Section 7.2(c) of the Plan, the excess Options shall be deemed to be Nonstatutory Stock Options.

9.7 TERMINATION OF EMPLOYMENT. Whether military, government or other service or other leave of absence shall constitute a termination of employment shall be determined in each case by the Committee at its discretion, and any determination by the Committee shall be final and conclusive. A Participant's Continuous Status as a Participant shall not be deemed to terminate in a circumstance in which a Participant transfers from the Company to an Affiliate, transfers from an Affiliate to the Company, or transfers from one Affiliate to another Affiliate. To the extent that this provision causes Incentive Stock Options to extend beyond three months from the date a Participant is deemed to

Edgar Filing: SI Financial Group, Inc. - Form DEF 14A

be an employee of the Company, a Parent or Subsidiary for purposes of Sections 424(e) and 424(f) of the Code, the Options held by such Participant shall be deemed to be Nonstatutory Stock Options.

ARTICLE 10 CHANGE IN CAPITAL STRUCTURE; CHANGE IN CONTROL

10.1 CHANGES IN CAPITAL STRUCTURE. In the event of a corporate event or transaction involving the Company (including, without limitation, any stock dividend, stock split, extraordinary cash dividend, recapitalization, merger, consolidation, split-up, spin-off, combination or exchange of shares), the authorization limits under Article 5 shall be adjusted proportionately, and the Committee may adjust the Plan and Awards to preserve the benefits or potential benefits of the Awards. Action by the Committee may include: (i) adjustment of the number and kind of shares which may be delivered under the Plan; (ii) adjustment of the number and kind of shares subject to outstanding Awards; (iii) adjustment of the exercise price of outstanding Awards or the measure to be used to determine the amount of the benefit payable on an Award; and (iv) any other adjustments that the Committee determines to be equitable. Without limiting the foregoing, in the event of a subdivision of the outstanding stock (stock-split), a declaration of a dividend payable in Shares, or a combination or consolidation of the outstanding stock unto a lesser number of Shares, the authorization limits under Article 5 shall automatically be adjusted proportionately, and the Shares then subject to each Award shall automatically be adjusted proportionately without any change in the aggregate purchase price therefor.

10.2 ACCELERATED VESTING AND PAYMENT. Subject to the provisions of Section 10.3 of the Plan or as otherwise provided in the Award Agreement, in the event of a Change in Control, unless otherwise specifically prohibited under law or by the rules and regulations of an Exchange:

- (a) Any and all Options granted hereunder shall become immediately exercisable; additionally, if a Participant's employment or service is involuntarily terminated or constructively terminated for any reason except cause within twelve (12) months of such Change in Control, the Participant shall have until the expiration of the term of the Option to exercise such Options;
- (b) Any time-based and other restrictions imposed on Restricted Stock shall lapse; and

B-11

- (c) The Committee shall have the ability to unilaterally determine that all outstanding Awards are cancelled upon a Change in Control, and the value of such Awards, as determined by the Committee in accordance with the terms of the Plan and the Award Agreement, be paid out in cash in an amount based on the Change in Control Price within a reasonable time subsequent to the Change in Control.

10.3 ALTERNATIVE AWARDS. Notwithstanding Section 10.2 of the Plan, no cash settlement or other payment shall occur with respect to any Award if the Committee reasonably determines in good faith prior to the occurrence of a Change in Control that such Award shall be honored or assumed, or new rights substituted therefor (such honored, assumed or substituted Award hereinafter called an "Alternative Award") by any successor as described in Section 12.16 of the Plan; provided that any such Alternative Award must:

- (a) Be based on stock which is traded on an established U.S. securities

Edgar Filing: SI Financial Group, Inc. - Form DEF 14A

market, or that the Committee reasonably believes will be so traded within sixty (60) days after the Change in Control;

- (b) Provide such Participant with rights and entitlements substantially equivalent to or better than the rights, terms and conditions applicable under such Award;
- (c) Have substantially equivalent economic value to such Award (determined at the time of the Change in Control); and
- (d) Have terms and conditions which provide that if the Participant's employment is involuntarily terminated or constructively terminated, any conditions on a Participant's rights under, or any restrictions on transfer or exercisability applicable to, each such Alternative Award shall be waived or shall lapse, as the case may be.

ARTICLE 11 AMENDMENT, MODIFICATION AND TERMINATION

11.1 AMENDMENT, MODIFICATION AND TERMINATION. The Board or the Committee may, at any time and from time to time, amend, modify or terminate the Plan without shareholder approval; provided, however, that if an amendment to the Plan would, in the reasonable opinion of the Board of Directors or the Committee, either (i) materially increase the number of Shares available under the Plan, (ii) expand the types of awards under the Plan, (iii) materially expand the class of participants eligible to participate in the Plan, (iv) materially extend the term of the Plan, or (v) otherwise constitute a material change requiring shareholder approval under applicable laws, policies or regulations or the applicable listing or other requirements of an Exchange, then such amendment shall be subject to shareholder approval; and provided, further, that the Board of Directors or Committee may condition any other amendment or modification on the approval of shareholders of the Company for any reason, including by reason of such approval being necessary or deemed advisable to (i) permit Awards made hereunder to be exempt from liability under Section 16(b) of the 1934 Act, (ii) to comply with the listing or other requirements of an exchange, or (iii) to satisfy any other tax, securities or other applicable laws, policies or regulations.

B-12

11.2 AWARDS PREVIOUSLY GRANTED. At any time and from time to time, the Committee may amend, modify or terminate any outstanding Award without approval of the Participant; provided, however:

- (a) Subject to the terms of the applicable Award Agreement, such amendment, modification or termination shall not, without the Participant's consent, reduce or diminish the value of such Award determined as if the Award had been exercised, vested, or otherwise settled on the date of such amendment or termination (with the per-share value of an Option for this purpose being calculated as the excess, if any, of the Fair Market Value as of the date of such amendment or termination over the exercise price of such Award);
- (b) The original term of an Option may not be extended without the prior approval of the shareholders of the Company;
- (c) Except as otherwise provided in Article 10 of the Plan, the exercise price of an Option may not be reduced, directly or indirectly, without the prior approval of the shareholders of the Company; and

Edgar Filing: SI Financial Group, Inc. - Form DEF 14A

- (d) No termination, amendment, or modification of the Plan shall adversely affect any Award previously granted under the Plan, without the written consent of the Participant affected thereby. An outstanding Award shall not be deemed to be "adversely affected" by a Plan amendment if such amendment would not reduce or diminish the value of such Award determined as if the Award had been exercised, vested, or otherwise settled on the date of such amendment (with the per-share value of an Option for this purpose being calculated as the excess, if any, of the Fair Market Value as of the date of such amendment over the exercise or base price of such Award).

ARTICLE 12 GENERAL PROVISIONS

12.1 NO RIGHTS TO AWARDS; NON-UNIFORM DETERMINATIONS. No Participant or any Eligible Participant shall have any claim to be granted any Award under the Plan. Neither the Company, its Affiliates nor the Committee is obligated to treat Participants or Eligible Participants uniformly, and determinations made under the Plan may be made by the Committee selectively among Eligible Participants who receive, or are eligible to receive, Awards (whether or not such Eligible Participants are similarly situated).

12.2 NO SHAREHOLDER RIGHTS. Except as otherwise provided in this Plan or an Award Agreement, no Award gives a Participant any of the rights of a shareholder of the Company unless and until Shares are in fact issued to such person in connection with such Award.

12.3 WITHHOLDING. The Company or any Affiliate shall have the authority and the right to deduct or withhold, or require a Participant to remit to the Company, an amount sufficient to satisfy federal, state, and local taxes (including the Participant's FICA obligation) required by law to be withheld with respect to any exercise, lapse of restriction or other taxable event arising as a result of the Plan. If Shares are surrendered to the Company to satisfy withholding obligations in excess of the minimum withholding obligation, such Shares must have been held by the Participant as fully vested shares for such period of time, if any, as necessary to avoid variable accounting for the Option. With respect to

B-13

withholding required upon any taxable event under the Plan, the Committee may, at the time the Award is granted or thereafter, require or permit that any such withholding requirement be satisfied, in whole or in part, by withholding from the Award Shares having a Fair Market Value on the date of withholding equal to the minimum amount (and not any greater amount) required to be withheld for tax purposes, all in accordance with such procedures as the Committee establishes.

12.4 NO RIGHT TO CONTINUED SERVICE. Nothing in the Plan, any Award Agreement or any other document or statement made with respect to the Plan, shall interfere with or limit in any way the right of the Company or any Affiliate to terminate any Participant's employment or status as an employee, officer, director, director emeritus or consultant at any time, nor confer upon any Participant any right to continue as an employee, officer, director, director emeritus or consultant of the Company or any Affiliate, whether for the duration of a Participant's Award or otherwise.

12.5 UNFUNDED STATUS OF AWARDS. The Plan is intended to be an "unfunded" plan for incentive and deferred compensation. With respect to any payments not

Edgar Filing: SI Financial Group, Inc. - Form DEF 14A

yet made to a Participant pursuant to an Award, nothing contained in the Plan or any Award Agreement shall give the Participant any rights that are greater than those of a general creditor of the Company or any Affiliate. The Plan is not intended to be subject to the Employee Retirement Income Security Act of 1974 ("ERISA").

12.6 RELATIONSHIP TO OTHER BENEFITS. No payment under the Plan shall be taken into account in determining any benefits under any pension, retirement, savings, profit sharing, group insurance, welfare or benefit plan of the Company or any Affiliate unless provided otherwise in such other plan.

12.7 EXPENSES. The expenses of administering the Plan shall be borne by the Company and its Affiliates.

12.8 TITLES AND HEADINGS. The titles and headings of the Sections in the Plan are for convenience of reference only, and in the event of any conflict, the text of the Plan, rather than such titles or headings, shall control.

12.9 GENDER AND NUMBER. Except where otherwise indicated by the context, any masculine term used herein also shall include the feminine; the plural shall include the singular and the singular shall include the plural.

12.10 FRACTIONAL SHARES. No fractional Shares shall be issued and the Committee shall determine, in its discretion, whether cash shall be given in lieu of fractional Shares or whether such fractional Shares shall be eliminated by rounding up or down.

12.11 GOVERNMENT AND OTHER REGULATIONS.

- (a) Notwithstanding any other provision of the Plan, no Participant who acquires Shares pursuant to the Plan may, during any period of time that such Participant is an affiliate of the Company (within the meaning of the rules and regulations of the Securities and Exchange Commission under the 1933 Act), sell such Shares, unless such offer and sale is made (i) pursuant to an effective registration statement under the 1933 Act, which is current and includes the Shares to be sold, or (ii) pursuant to an appropriate exemption

B-14

from the registration requirement of the 1933 Act, such as that set forth in Rule 144 promulgated under the 1933 Act.

- (b) Notwithstanding any other provision of the Plan, if at any time the Committee shall determine that the registration, listing or qualification of the Shares covered by an Award upon any Exchange or under any federal, state or local law or practice, or the consent or approval of any governmental regulatory body, is necessary or desirable as a condition of, or in connection with, the granting of such Award or the purchase or receipt of Shares thereunder, no Shares may be purchased, delivered or received pursuant to such Award unless and until such registration, listing, qualification, consent or approval shall have been effected or obtained free of any condition not acceptable to the Committee. Any Participant receiving or purchasing Shares pursuant to an Award shall make such representations and agreements and furnish such information as the Committee may request to assure compliance with the foregoing or any other applicable legal requirements. The Company shall not be required to issue or deliver any certificate or certificates for

Edgar Filing: SI Financial Group, Inc. - Form DEF 14A

Shares under the Plan prior to the Committee's determination that all related requirements have been fulfilled. The Company shall in no event be obligated to register any securities pursuant to the 1933 Act or applicable state law or to take any other action in order to cause the issuance and delivery of such certificates to comply with any such law, regulation or requirement.

- (c) Notwithstanding any other provision contained in the Plan, this Plan will comply with the requirements of 12 C.F.R. Section 575.8 and 12 C.F.R. Section 563b.500, including:
- (i) No Options or Restricted Stock Awards granted to any Eligible Participant who is a common law employee may exceed 25% of the total amount of Options or Restricted Stock Awards, as applicable, available under the Plan;
 - (ii) No Options or Restricted Stock Awards granted to any individual Non-Employee Director may exceed 5% of the total amount of Options or Restricted Stock Awards, as applicable, available under the Plan;
 - (iii) The aggregate amount of Options or Restricted Stock Awards granted to all Non-Employee Directors may not exceed 30% of the total amount of Options or Restricted Stock Awards, as applicable, under the Plan; and
 - (iv) No single grant of Options or Restricted Stock Awards under the Plan may become exercisable or vest at a rate more quickly than 20% per year commencing one year from the Grant Date.

12.12 GOVERNING LAW. To the extent not governed by federal law, the Plan and all Award Agreements shall be construed in accordance with and governed by the laws of the State of Connecticut.

12.13 ADDITIONAL PROVISIONS. Each Award Agreement may contain such other terms and conditions as the Committee may determine; provided that such other terms and conditions are not inconsistent with the provisions of the Plan.

B-15

12.14 INDEMNIFICATION. To the extent allowable under applicable law, each member of the Committee shall be indemnified and held harmless by the Company from any loss, cost, liability or expense that may be imposed upon or reasonably incurred by such member in connection with or resulting from any claim, action, suit or proceeding to which such member may be a party or in which he may be involved by reason of any action or failure to act under the Plan and against and from any and all amounts paid by such member in satisfaction of judgment in such action, suit or proceeding against him provided he gives the Company an opportunity, at its own expense, to handle and defend the same before he undertakes to handle and defend it on his own behalf. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled under the Company's Charter or Bylaws, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

12.15 NO LIMITATIONS ON RIGHTS OF COMPANY. Subject to Section 12.16 of the Plan, the grant of any Award shall not in any way affect the right or power of the Company to make adjustments, reclassification or changes in its capital or business structure or to merge, consolidate, dissolve, liquidate, sell or

Edgar Filing: SI Financial Group, Inc. - Form DEF 14A

transfer all or any part of its business or assets. The Plan shall not restrict the authority of the Company, for proper corporate purposes, to draft or assume Awards, other than under the Plan, to or with respect to any person. If the Committee so directs, the Company may issue or transfer Shares to an Affiliate, for such lawful consideration as the Committee may specify, upon the condition or understanding that the Affiliate will transfer such Shares to a Participant in accordance with the terms of an Award granted to such Participant and specified by the Committee pursuant to the provisions of the Plan.

12.16 SUCCESSORS. Any obligations of the Company or an Affiliate under the Plan with respect to Awards granted hereunder, shall be binding on any successor to the Company or Affiliate, respectively, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise, of all or substantially all of the business and/or assets of the Company or Affiliate, as applicable.
