PART III
NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR or the transition report or portion thereof, could not be filed within the prescribed time period.

(Attach Extra Sheets if Needed)

The Registrant was unable to file the Form 10-K for the fiscal year ended December 31, 2008 (the "Report") without unreasonable effort or expense. The primary reason for the Registrant's inability to file at this time is that the Registrant requires additional time to assess its liquidity needs and financial position with respect to the weakening global and domestic economies and their material adverse impact on the Registrant's results of operations and the receipt of a notice of default (the "Default Notice") from Wachovia Bank, National Association with respect to the Registrant's Credit Agreement, dated June 8, 2007. The Registrant disclosed receipt of the Default Notice on Form 8-K filed on March 4, 2009.

As a result of the receipt of the Default Notice described above, the Registrant believes that it is likely that the report of its independent registered public accounting firm on the Registrant's consolidated financial statements for the year ended December 31, 2008 will contain an explanatory paragraph with respect to the Registrant's ability to continue as a going concern.

PART IV
OTHER INFORMATION

(1) Name and telephone number of person to contact in regard to this notification

Phillip B. Simons	702	794-9527
(Name)	(Area Code)	(Telephone Number)

(2) Have all other periodic reports required under Section 13 or 15(d) of the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that the registrant was required to file such report(s) been filed? If answer is no, identify report(s). Yes No

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof? Yes No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

The current global economic and financial crisis has had a material adverse impact on the Registrant's results of operations for 2008 compared to 2007. For example, the weakening global and domestic economies have hurt consumer spending, which has resulted in significantly lower hotel occupancy and a decline in slot machine and table game amounts wagered.
