2004 ELECTION OF DIRECTORS

The only matter scheduled to be considered at the annual meeting will be the election of three persons to the Board of Directors of the Corporation. The Corporation's Board of Directors is divided into three classes. Each year, on a rotating basis, the terms of office of the directors in one of the three classes expire. Directors are elected for a three (3) year term. The directors whose terms expire at the annual meeting (Class I Directors) are J. David Karr, Thomas P. McKenney, and Brian P. Petty. The Board has nominated these same individuals for reelection as Class I Directors. If elected, the terms of these directors will expire at the 2007 annual meeting of shareholders.

Except for those individuals nominated by the Board of Directors, no persons may be nominated for election at the 2004 annual meeting. The Corporation's Bylaws require at least 120 days prior written notice of any other proposed shareholder nominations and no such notice has been received.

The proposed nominees are willing to be elected and to serve. In the event that any nominee is unable to serve or is otherwise unavailable for election, which is not now contemplated, the incumbent Board of Directors may or may not select a substitute nominee. If a substitute nominee is selected, all proxies will be voted for the person so selected. If a substitute nominee is not so selected, all proxies will be voted for the election of the remaining nominee. Proxies will not be voted for a greater number of persons than the number of nominees named.

A vote of shareholders holding a plurality of shares voting is required to elect directors. For the purpose of counting votes on this proposal, abstentions, broker nonvotes, and other shares not voted will not be counted as shares voted.

The Nomination Process

Director nominees are considered and must be recommended to the full Board by the Director Selection Committee, each of whom is independent under SEC and NASDAQ Standards. When considering a potential candidate for membership on the Corporation's Board, the Committee seeks to identify candidates who will meet the challenges and needs of the Board. The Committee considers, among other qualifications, demonstrated character and judgment, diversity, geographic representation, professional credentials, recognition in the marketplace, and experience in business and the financial industry. There are no differences in the manner in which the Committee evaluates a candidate that is recommended for nomination for membership on the Corporation's Board by a shareholder. As noted, the Board has not received any recommended nominations from any of the Corporation's shareholders in connection with the Annual Meeting.

The Committee will consider shareholder nominations for directors submitted in accordance with the procedure set forth in Article III, Section 15(c) of the Corporation's Bylaws. The procedure provides that a notice relating to the nomination must be given in writing to the Corporation not later than one hundred twenty (120) days prior to the annual meeting. Such notice must contain identification information, business experience and background information with respect to the proposed nominee and contain information with respect to the proposed nominee's share ownership.

The following tables contain information concerning stock options granted during 2003 to and retained by the named executives of the Corporation at December 31, 2003. None of the named executives exercised any stock options during the year 2003.

The right to exercise each option vests as to one-third of the shares covered by the option on the third, fourth and fifth anniversary of the date of grant.

Unfunded plan benefits are accrued based on participant longevity and the Corporation's return on equity. In 2003, the SERP accrued \$23,983 on behalf of Donald L. Grill and \$10,010 on behalf of Robert E. Sewick. The SERP target retirement benefit is an annual retirement payment equal to a percentage of the executive's projected final salary, 25% for Mr. Grill and 20% for Mr. Sewick. Estimated annual benefits payable over a period of 15 years following retirement at age 65 are \$62,853 for Mr. Grill and \$35,056 for Mr. Sewick. The retirement benefits accruing on behalf of the executives are backed by prepaid life insurance policies. The Corporation plans to use the investment earnings on these policies to pay all or part of the annual costs for the SERP.

Split-Dollar Retirement Plan

The Corporation and the Affiliate Banks have established a Split Dollar Supplemental Retirement Plan (the Split Dollar Plan) for key executives not covered under the SERP. The plan is designed to encourage executives to remain long term employees of the Corporation and the Affiliate Banks, and to provide the executive with supplemental retirement income. The plan is a life insurance backed product that allows participants to direct the investment of funds through various investment vehicles. Upon retirement, the executives who participate in the plan receive the earnings from funds invested on their behalf and the invested funds are returned to their employer. No contributions were made during the year because of the uncertain impact on the plan as a result of the Sarbanes Oxley Act of 2002. Management contemplates replacing the plan with an alternative qualified retirement plan.

Qualified Retirement Plans

The Corporation and the Affiliate Banks offer two separate qualified retirement plans, the first of which is the Employee Stock Ownership Plan (ESOP) and the second is a 401k profit sharing plan. The ESOP is one hundred percent funded by Affiliate Banks. Based on particular Affiliate Bank's earnings the Board approves an amount to be distributed into eligible participants accounts. In order to promote longevity with the Affiliate Banks, this plan includes a vesting schedule of seven years before a participant is fully vested. The 401k profit sharing plan allows participants to defer compensation, before taxes, in order to invest in various investment vehicles. Participants also receive a corporate match of 100% up to a maximum of 3% and 50% of the next 2% (participants are allowed to defer up to 15%).

Severance Agreements

The Corporation and The State Bank have entered into a Severance Compensation Agreements with each of Messrs. Grill, Justice and Sewick. Under this agreement, if a change in control (as defined in the agreement) occurs while the Executive is an employee of the Corporation or The State Bank, and if within five years thereafter the Executive's employment is terminated by either of them without cause, by the Executive for good reason, or by either party because of the Executive's death or disability (in each case, as such terms are defined in the agreements), then the Corporation and The State Bank are required to pay the Executive an annual amount equal to 50% of the highest amount of the Executive's annual compensation (as defined in the agreement) in the five preceding calendar years, for a period of five years after the termination date (or until the first day of the month immediately preceding the

Edgar Filing: FENTURA FINANCIAL INC - Form DEF 14A

Executive's normal retirement date, if earlier). If the Executive dies after this payment obligation begins, or if the Executive so elects, the Corporation and The State Bank will be obligated to make a lump sum payment of these payments, discounted to the then present value using a 10% per year discount rate. In addition, the Corporation and The State Bank are required to provide the Executive with hospital and medical coverage for the full COBRA period. However, if the payments exceed the ceiling amount for deductibility under Section 280G of the internal Revenue Code of 1986 (generally, three times the Executive's annual compensation), then the payments shall be reduced to the maximum amount allowable under Section 280G.

RELATIONSHIP WITH INDEPENDENT PUBLIC ACCOUNTANTS

The Consolidated financial statements of the Corporation for the year ended December 31, 2003, have been examined by Crowe Chizek and Company LLC, independent public accountants. A representative of Crowe Chizek and Company is expected to be present at the annual meeting with the opportunity to make a statement, if desired, and will be available to respond to appropriate questions. The Corporation's Audit Committee selects the Corporation's auditors before the end of each calendar year.

Fees Paid to Independent Accountants

	<u>2003</u>	<u>2002</u>
Audit Fees	\$ 61,750	\$ 64,320
Audit-related Fees	\$ 16,250	\$ 0
Tax Fees	\$ 18,350	\$ 11,700
All Other Fees	\$ 0	\$ 6,500

The amounts shown for Audit-related Fees related to consultation with management regarding accounting and transaction matters pertaining to the Corporation's pending acquisition of West Michigan Financial Corporation

The amounts shown for Tax Fees were for corporate tax compliance, tax advice and tax planning services.

The amounts shown for All Other Fees in 2002 include fees associated with an asset liability management informational presentation to the Board and assisting management in evaluating the new certification requirements and developing procedures to document same.

The Audit Committee has considered whether the provision of these services is compatible with maintaining our principal auditors independence. Following the adoption of the Sarbanes-Oxley Act of 2002 and the rules promulgated thereunder, our independent auditors are proscribed from offering certain services to us. None of those proscribed services were provided to us in 2003. The Corporation's Audit Committee has concluded that the provision of services covered under the caption All Other Fees is compatible with Crowe Chizek and Company LLC maintaining their independence. None of the hours expended on Crowe Chizek and Company LLC's engagement to audit the Corporation's consolidated financial statements for the year ended December 31, 2003, were attributed to work performed by persons other than Crowe Chizek and Company LLC's full-time, permanent employees.

The Charter of the Audit Committee provides that the Audit Committee will administer the Corporation's policy regarding the approval of audit and non-audit services. Under that policy, the Audit Committee must pre-approve all engagements of the Corporation's independent auditors. Before the end of the first quarter of each year, the independent auditors retention to audit the Corporation's financial statements, including the associated fee, is approved by the Audit Committee. At the same time, the

Edgar Filing: FENTURA FINANCIAL INC - Form DEF 14A

Audit Committee will evaluate other known potential engagements of the independent auditors, including the scope of the work proposed to be performed and the proposed fees and approve or reject each service, taking into account whether the services are permissible under applicable law and the possible impact of each non-audit service on the independent auditors' independence from management. At each subsequent meeting of the Audit Committee, the Audit Committee will receive updates on the services actually provided by the independent auditors and management may present additional services for approval. The Audit Committee has delegated to the Chairman of the Audit Committee the authority to evaluate and approve engagements on behalf of the Audit Committee in the event that the need arises for pre-approval between Audit Committee meetings. This might occur, for example, if the Corporation was proposing to execute a financing on an accelerated timetable. If the Chairman so approves any such engagements, he is required to report that approval to the full Audit Committee at the next Audit Committee meeting.

The graph compares the cumulative total shareholder return on the Corporation's common stock for the last five years with the cumulative total return of the Midwest Quadrant Pink Bank Index, published by SNL Financial L.C., and the Nasdaq Market Index assuming a \$100 investment at the end of 1998. The Nasdaq Market Index is a broad equity market index. The Midwest Quadrant Pink Bank Index is composed of 67 banks and bank holding companies located in the Midwest and whose shares primarily trade on the Over-the-Counter Bulletin Board.

The graph assumes the investment of \$100 in the Corporation's common stock, the Nasdaq Market Index, and the Midwest Quadrant Pink Bank Index at the market close on December 31, 1998 and the reinvestment of all dividends through the period ending December 31, 2003.
