This first amendment (the "First Amendment") amends and supplements the statement on Schedule 13D, previously filed with the Securities and Exchange Commission on December 15, 2003 by the President and Fellows of Harvard College ("Harvard"), with respect to the common stock, par value \$0.01 per share (the "Common Stock"), of The Korea Fund, a Maryland corporation (the "Issuer").

ITEM 4. PURPOSE OF TRANSACTION.

Harvard met with the Issuer's Board of Directors on December 16, 2003. They discussed a number of matters relating to the Issuer and investments, including actions the Issuer could take to eliminate or narrow the spread between the market and net asset values of the Issuer's Common Stock. Harvard urged that the Issuer take prompt and effective action in that regard. Harvard reviewed the tender offer for up to 10% of the Common Stock and program which may result in a similar offer being made in each of the next two years announced by the Issuer on January 21, 2004. Harvard believes the tender offer and the program are inadequate and so informed the Issuer.

Except as described above, Harvard does not have any plans or proposals which relate to or would result in any of the actions set forth in parts (a) through (j) of Item 4. Harvard reserves the right to make any such plans or proposals in the future or to take any other steps to enhance the value of its investment.
