PROXY STATEMENT
FOR ANNUAL MEETING OF
SHAREHOLDERS TO BE HELD
ON JULY 15, 2004

INTRODUCTION

This Proxy Statement and enclosed proxy card are being furnished in

Edgar Filing: SYMS CORP - Form DEF 14A

connection with the solicitation by the Board of Directors of Syms Corp, a New Jersey corporation (the "Company"), of proxies for use at the July 15, 2004 Annual Meeting of the Shareholders of the Company or at any adjournment(s) or postponement(s) thereof (the "Annual Meeting") for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders. The Annual Meeting will be held at the Company's executive offices located at Syms Way, Secaucus, New Jersey 07094. The cost of preparing and mailing the proxy and this Proxy Statement and all other costs in connection with this solicitation of proxies will be borne by the Company. It is anticipated that the accompanying proxy and this Proxy Statement will be sent to shareholders of the Company on or about June 11, 2004.

Proxies in the accompanying form which are properly executed and duly returned to the Company and not revoked will be voted as specified. Any proxy in which no direction is specified will be voted FOR the election of the nominees for director, FOR the ratification of the appointment of BDO Seidman, LLP as independent accountants, and AGAINST the shareholder proposal regarding indexed stock options (collectively the "Proposals"), and in the discretion of the proxies named on the proxy card with respect to any other matters properly brought before the meeting and any adjournment(s) or postponement(s) thereof. Each proxy granted is revocable and may be revoked at any time prior to its exercise, by notifying American Stock Transfer & Trust Co., 59 Maiden Lane, New York, NY 10038 in writing, by executing a subsequent proxy or by electing to vote in person at the Annual Meeting. Mere attendance at the Annual Meeting will not serve to revoke a proxy. The Company intends to reimburse brokerage companies and others for forwarding proxy materials to beneficial owners of shares.

Only shareholders of record of the Company's voting securities as of the close of business on June 11, 2004 are entitled to notice of and to vote at the Annual Meeting. As of the record date, 15,099,878 shares of common stock, par value \$.05 per share ("Common Stock"), were outstanding. Each share of Common Stock entitles the record holder thereof to one vote on each of the Proposals and on all other matters properly brought before the Annual Meeting. Concurrently with the mailing of this Proxy Statement, the Company is mailing its Annual Report for its fiscal year ended February 28, 2004 to shareholders of record on June 11, 2004.

Shareholders vote at the Annual Meeting by casting ballots (in person or by proxy) which are tabulated by a representative of the Company's independent transfer agent appointed to serve as Inspector of Election at the meeting and who has executed and verified an oath of office. The holders of a majority of the shares of Common Stock issued and outstanding represented in person or by proxy shall constitute a quorum. The affirmative vote of a plurality of the votes cast at the Annual Meeting is sufficient to elect a director. The affirmative vote of a majority of the votes cast at the Annual Meeting is required to ratify the appointment of BDO Seidman LLP as the Company's independent public accountants. The affirmative vote of a majority of the votes cast at the Annual Meeting is required to ratify the shareholder proposal regarding indexed options. Abstentions and broker non-votes are included in the determination of the number of shares present at the Annual Meeting for quorum purposes but not counted in the tabulations of the votes cast on proposals presented to shareholders.

for the term of one year or until their respective successors have been elected and qualified. It is intended that votes will be cast pursuant to proxies received from holders of Common Stock of the Company for the nominees listed below, unless the proxy contains contrary instructions. 3

MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

Edgar Filing: SYMS CORP - Form DEF 14A

During the Company's fiscal year ended February 28, 2004 there were four meetings of the Board of Directors. Each director attended all of the fiscal 2003 meetings of the Board of Directors and the committees of which he or she was a member during the 2003 fiscal year, except one Director missed a Board of Director's meeting during this fiscal year.

Based on information supplied to it by the Directors, the Board of Directors has affirmatively determined that each of Harvey A. Weinberg, David A. Messer and Wilbur L. Ross, Jr. are "independent" under the listing standards of the New York Stock Exchange and the rules and regulations promulgated by the Securities and Exchange Commission (the "SEC"). The Board of Directors has further determined that Amber M. Brookman, if elected, would be "independent" under the listing standards of the New York Stock Exchange ("NYSE") and the rules and regulations promulgated by the Securities and Exchange Commission. The Board of Directors has made such determinations based on the fact that none of such persons have had, or currently have any material relationship with the Company or its affiliates or any executive officer of the Company or his or her affiliates, that would currently impair their independence, including, without limitation, any commercial, industrial, banking, consulting, legal, accounting, charitable or familial relationship.

The Board of Directors has determined that the Company is a "controlled company" (as defined in the NYSE listing standards) based on the fact that more than 50% of the voting power of the Company's voting stock is held by a group comprised of Sy Syms, individually and as trustee of The Sy Syms Revocable Living Trust, dated March 17, 1989, as amended, and Marcy Syms, individually and as trustee of The Laura Merns Living Trust, dated February 14, 2003. As a result, the Company is exempt from the provisions of the NYSE listing standards requiring that (i) a majority of the board consist of independent directors, (ii) the nominating committee be composed entirely of independent directors and (iii) the compensation committee be composed entirely of independent directors.

The Committees of the Board of Directors include an Audit Committee, an Executive Committee, a Stock Option Committee, a Compensation Committee and a Nominating & Corporate Governance Committee.

The Audit Committee has the principal function of reviewing the adequacy of the Company's internal system of accounting controls, conferring with the independent certified public accountants concerning the scope of their examination of the books and records of the Company and their audit and non-audit fees, recommending to the Board of Directors the appointment of independent certified public accountants, reviewing and approving related party transactions and considering other appropriate matters regarding the financial affairs of the Company. The Board of Directors had adopted a written charter setting out the functions of the Audit Committee, a copy of which is attached to this Proxy Statement as Appendix A, which will be available on the Company's website at www.syms.com and is available in print to any shareholder who requests it, in writing to the Company's Assistant Secretary, Syms Corp, Syms Way, Secaucus, New Jersey 07094. The current members of the Audit Committee are Harvey A. Weinberg (Chairman), David A. Messer and Wilbur L. Ross, Jr., none of whom is, or has ever been, an officer or employee of the Company and are all considered "independent" for the purposes of the New York Stock Exchange listing standards. In addition to meeting the independence standards of the NYSE, each member of the Audit Committee is financially literate and meets the independence standards established by the SEC. The Board of Directors has also determined that Wilbur L. Ross, Jr. has the requisite attributes of an "audit committee financial expert" as defined by regulations of the SEC and that such attributes were acquired through relevant education and experience. The Audit Committee met four times during the fiscal year ended February 28, 2004.

The Executive Committee exercises all of the powers and authority of the Board of Directors in the management and affairs of the Company between meetings

Edgar Filing: SYMS CORP - Form DEF 14A

of the Board of Directors, to the extent permitted by law. The members of the Executive Committee are Sy Syms and Marcy Syms. The Executive Committee did not meet during the fiscal year ended February 28, 2004.

4

The Stock Option Committee, which was formed by the Board of Directors on April 27, 2004, reviews and recommends to the Board of Directors remuneration arrangements and compensation plans for the Company's officers and key employees and administers the Company's Amended and Restated Incentive Stock Option and Appreciation Plan, as amended (the "Option Plan"), and determines the officers and key employees who are to be granted options under the Option Plan and the number of shares subject to such options. The members of the Stock Option Committee are David A. Messer, Wilbur L. Ross, Jr. and Harvey A. Weinberg, none of whom is, or has ever been, an officer or employee of the Company and are all "independent" for the purposes of the NYSE listing standards. The Stock Option Committee did not meet during the fiscal year ended February 28, 2004.

In addition, the Company's Stock Option - Compensation Committee of the Board of Directors, which administered the Company's Option Plan and is the predecessor committee to the Stock Option Committee, was composed of the following board members until April 27, 2004: David A. Messer, Wilbur L. Ross, Jr. and Harvey A. Weinberg. The Stock Option - Compensation Committee met once during the fiscal year ended February 28, 2004.

The Compensation Committee, which was formed by the Board of Directors on April 27, 2004, is responsible for reviewing and approving, for the CEO and other executives of the Company, annual base salary, and for determining director compensation and benefit programs (other than those programs administered by the Stock Option Committee). The full Board of Directors reviews and approves the recommendations of the Compensation Committee for the annual base salary of the CEO and Chairman of the Board. The current members of the Compensation Committee are Sy Syms and Marcy Syms. The Compensation Committee did not meet during the fiscal year ended February 28, 2004.

The Nominating & Corporate Governance Committee, which was formed by the Board of Directors on April 27, 2004, seeks to, among other things, find qualified individuals to serve as Directors of the Company. The current members of the Nominating & Corporate Governance Committee are Marcy Syms and Sy Syms. The Nominating & Corporate Governance Committee did not meet during the fiscal year ended February 28, 2004.

Minimum Qualifications. The Company does not set specific criteria for directors except to the extent required to meet applicable legal, regulatory and stock exchange requirements, including, but not limited to, the independence requirements of the NYSE and the SEC, as applicable. Nominees for director will be selected on the basis of outstanding achievement in their personal careers; board experience; wisdom; integrity; ability to make independent, analytical inquiries; understanding of the business environment; and willingness to devote adequate time to Board duties. While the selection of qualified directors is a complex and subjective process that requires consideration of many intangible factors, the Nominating & Corporate Governance Committee believes that each director should have a basic understanding of (i) principal operational and financial objectives and plans and strategies of the Company, (ii) results of operations and financial condition of the Company and of any significant subsidiaries or business segments, and (iii) the relative standing of the Company and its business segments in relation to its competitors.

Nominating Process. The Nominating & Corporate Governance Committee is willing to consider candidates submitted by a variety of sources (including

Edgar Filing: SYMS CORP - Form DEF 14A

incumbent directors, shareholders, Company management and third party search firms) when reviewing candidates to fill vacancies and/or expand the Board of Directors. If a vacancy arises or the Board of Directors decides to expand its membership, the Nominating & Corporate Governance Committee asks each director to submit a list of potential candidates for consideration. The Nominating & Corporate Governance Committee then evaluates each potential candidate's educational background, employment history, outside commitments and other relevant factors to determine whether he/she is potentially qualified to serve on the Board of Directors. At that time, the Nominating & Corporate Governance Committee also will consider potential nominees submitted by shareholders in accordance with the procedures adopted by the Board of Directors, the Company's management and, if the Nominating & Corporate Governance Committee deems it necessary, retain an independent third party search firm to provide potential candidates. The Nominating & Corporate Governance Committee seeks to identify and recruit the best available candidates, and it intends to evaluate qualified shareholder nominees on the same basis as those submitted by members of the Board of Directors, Company management, third party search firms or other sources.

5

After completing this process, the Nominating & Corporate Governance Committee will determine whether one or more candidates are sufficiently qualified to warrant further investigation. If the process yields one or more desirable candidates, the Nominating & Corporate Governance Committee will rank them by order of preference, depending on their respective qualifications and the Company's needs. The Nominating & Corporate Governance Committee will then contact the preferred candidate(s) to evaluate their potential interest and to set up interviews with the Nominating & Corporate Governance Committee. All such interviews are held in person, and include only the candidate and the Nominating & Corporate Governance Committee members. Based upon interview results and appropriate background checks, the Nominating & Corporate Governance Committee then decides whether it will recommend the candidate's nomination to the full Board of Directors.

When nominating a sitting director for re-election at an annual meeting, the Nominating & Corporate Governance Committee will consider the director's performance on the Board of Directors and the director's qualifications in respect of the criteria referred to above.

Consideration of Shareholder Nominated Directors. The Nominating & Corporate Governance Committee will consider candidates for the Board of Directors submitted by shareholders in a timely manner in accordance with applicable securities laws. Any shareholder wishing to submit a candidate for consideration should send the following information to the Company's Secretary, Syms Corp, Syms Way, Secaucus, New Jersey 07094: (i) shareholder's name, number of shares owned, length of period held, and proof of ownership; (ii) name, age and address of candidate; (iii) a detailed resume describing, among other things, the candidate's educational background, occupation, employment history for at least the previous five years, and material outside commitments (e.g., memberships on other boards and committees, charitable foundations, etc.); (iv) a supporting statement which describes the candidate's reasons for seeking election to the Board of Directors; (v) a description of any arrangements or understandings between the candidate and the Company; and (vi) a signed statement from the candidate, confirming his or her willingness to serve on the Board of Directors.

CORPORATE GOVERNANCE

Edgar Filing: SYMS CORP - Form DEF 14A

The Board of Directors has adopted Corporate Governance Guidelines. The Board of Directors has also adopted a Code of Business Conduct and Ethics. The Corporate Governance Guidelines and the Code of Business Conduct and Ethics will be available on the Company's website at www.syms.com. NON-MANAGEMENT DIRECTORS

Non-management directors will meet in executive sessions routinely and regularly and, if the group of non-management directors includes any director who is not "independent," the independent directors will meet at least once a year in an executive session of only independent directors. As appropriate, some of the executive sessions of the non-management directors should be with the CEO and some should be outside the presence of the CEO and any other management officials.

6

COMMUNICATIONS BETWEEN SHAREHOLDERS AND THE BOARD OF DIRECTORS

Shareholders and other interested persons seeking to communicate with the Board of Directors should submit any communications in writing to the Company's Assistant Secretary, Syms Corp, Syms Way, Secaucus, New Jersey 07094. Any such communication must state the number of shares beneficially owned by the shareholder making the communication. The Company's Assistant Secretary will forward such communication to the full Board of Directors or to any individual director or directors to whom the communication is directed.

ATTENDANCE AT ANNUAL MEETINGS

All Board of Director's members are expected to attend in person the Company's annual meeting of shareholders and be available to address questions or concerns raised by shareholders.

COMPENSATION OF DIRECTORS

Each member of the Board of Directors who is not an officer or employee of the Company receives a Director's fee presently established at the rate of \$3,500 per meeting for attending regular or special meetings of the Board of Directors. Additionally, each committee member of the Board of Directors receives \$500 for any committee meeting attended by such member, together with travel expenses related to such attendance. PENSION PLAN

The following table sets forth the estimated annual benefits payable on retirement to persons in specified remuneration and years of participation classifications under the Company's defined benefit pension plan (the "Pension Plan") for employees not covered under collective bargaining agreements:

| HIGHEST FIVE YEAR AVERAGE COMPENSATION | 15 YEARS OF SERVICE | 20 YEARS OF SERVICE | 25 YEARS OF SERVICE | 30 YEARS OF SERVICE |
|--|---------------------------|---------------------------|---------------------------|---------------------------|
| \$ 50,000 | \$ 5,700 | \$ 7,600 | \$ 9,500 | \$9,500 |
| 75,000 | 8,550 | 11,400 | 14,250 | 14,250 |
| 100,000 | 11,400 | 15,200 | 19,000 | 19,000 |
| 125,000 | 14,250 | 19,000 | 23,750 | 23,750 |
| 150,000 | 17,100 | 22,800 | 28,500 | 28,500 |

Each participant in the Pension Plan is entitled to an annual retirement benefit equal to 19% of the average compensation (excluding bonuses) during his five consecutive highest paid calendar years during the ten years prior to retirement except that the annual benefit payable to Sy Syms at normal retirement, as per the Pension Plan, cannot exceed \$70,000. A participant's interest vests over a seven year period commencing in the third year at the rate of 20% after completing three years of employment and 20% for each year thereafter, and is 100% vested after the completion of seven years of service.

Edgar Filing: SYMS CORP - Form DEF 14A

Benefit payments are made in the form of one of five annuity payment options elected by the participant. Amounts in the table are based on a straight life annuity. For the executive officers named in the Summary Compensation Table, compensation for purposes of the Pension Plan generally corresponds to the amounts shown in the "Salary" column of the Summary Compensation Table.

Currently no more than \$160,000 (as adjusted from time to time by the Internal Revenue Service) of cash compensation may be taken into account in calculating benefits payable under the Pension Plan. Executive officers in the Summary Compensation Table were credited with the following years of service at December 31, 2003: Sy Syms, 30 or more years; Marcy Syms, 26 or more years; Ronald Zindman, 14 years; Allen Brailsford, 19 or more years; and Antone Moreira 7 or more years. Benefits under the Pension Plan are not subject to any deduction for social security or other offset amount. The annual retirement benefit is reduced pro rata if the employee has completed less than fifteen years of service. Effective December 31, 1994, the plan was amended to change the pro rata reduction to be

11

based on 25 years of participation. A participant is entitled to be paid his benefits upon his retirement at age 65. If a participant has completed at least 15 years of service he may retire upon reaching age 55 but the benefits he receives will be actuarially reduced to reflect the longer period during which he will receive a benefit. A participant who leaves the Company for any reason other than death, disability or retirement will be entitled to receive the vested portion of his benefit payable over different periods of time depending on the aggregate amount vested and payment option elected.

EMPLOYMENT AGREEMENTS

The Company has entered into an employment agreement dated November 1, 1996 with its Executive Vice President - General Merchandise Manager, Ronald Zindman. Pursuant to the agreement, Mr. Zindman is to receive a minimum salary of \$225,000 per year from inception through March 1, 1997; \$300,000 per year for the next succeeding three years; \$350,000 per year for the next succeeding three years; \$400,000 per year for the next succeeding three years; and \$450,000 per year for the final three years of the agreement. The agreement is to remain in effect until March 1, 2009. Termination of the agreement by the Company before that date will require a payment to Mr. Zindman equal to 150% of one year's salary (at the employee's then current rate). If this agreement is terminated by the employee prior to its final term, the Company must pay to the employee a sum equal to 60% of one year's salary (also at the employee's then current rate).

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

All of the members of the Stock Option Committee are non-employee directors and none has any direct or indirect material interest in or relationship with the Company outside of his position as a Director. The members of this Committee are Harvey A. Weinberg, David A. Messer and Wilbur L. Ross, Jr.

In addition, the Stock Option - Compensation Committee, the predecessor committee to the Stock Option Committee, was composed entirely of non-employee directors that had no direct or indirect material interest in or relationship with the Company outside of his position as a Director. The Stock Option - Compensation Committee was composed of the following board members until April 27, 2004: David A Messer, Wilbur L. Ross, Jr. and Harvey A. Weinberg.

No executive officer of the Company served during fiscal 2003 (i) as a member of the compensation committee (or other board committee performing

REPORT OF THE STOCK OPTION - COMPENSATION COMMITTEE

The Stock Option - Compensation Committee's (the predecessor committee to both the Stock Option Committee and the Compensation Committee) through its executive compensation policy, strives to provide compensation rewards based upon both corporate and individual performance while maintaining a relatively simple compensation program in order to avoid the administrative costs which the Stock Option - Compensation Committee believes are inherent in multiple complex compensation plans and agreements. The Company has only one employment agreement with an executive officer, Ronald Zindman, and has only one executive compensation plan, the Option Plan.

The determination of compensation ranges for executive officers reflects a review of salaries and bonuses for executive officers holding similar positions in retailers of relatively comparable size and orientation. However, in making compensation decisions, the Stock Option - Compensation Committee remains cognizant of the Board of Directors' responsibility to enhance shareholder value. The Stock Option - Compensation Committee utilizes cash bonuses, when it feels a bonus is merited, based on factors such as an executive's individual performance and the Company's performance relative to its past performance and

Edgar Filing: SYMS CORP - Form DEF 14A

the performance of competitors. The Company has available a long-term incentive for executives to both remain in the employ of the Company and to strive to maximize shareholder value through the Option Plan, which aligns the interests of executives with those of shareholders.

Determination of Marcy Syms' compensation as the Company's Chief Executive Officer for the fiscal year ended February 28, 2004 reflects the Company's performance and a comparison with chief executive officer compensation of the Company's competitors, but also reflects recognition of Ms. Syms unique, ongoing contribution to the growth, success and profitability of the Company.

It is the responsibility of the Stock Option - Compensation Committee to address the issues raised by the tax laws which make certain non-performance-based compensation to executives of public companies in excess of \$1,000,000 non-deductible to the Company. In this regard, the Stock Option - Compensation Committee must determine whether any actions with respect to this limit should be taken by the Company. At this time, it is not anticipated that any Executive Officer will receive any such compensation in excess of this limit. Therefore, the Stock Option - Compensation Committee has not taken any action to comply with the limit.

The lease for this store between the Company and Mr. Syms expires November 30, 2010. During the fiscal year ended February 28, 2004, the Company paid to Sy Syms approximately \$796,500 in fixed rent.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Executive officers, directors and greater than 10% shareholders are required to furnish the Company with copies of all such forms they file.

To the Company's knowledge, based solely on its review of the copies of such forms received by it, or written representations from certain reporting persons that no additional forms were required, all filing requirements applicable to its executive officers, directors, and greater than 10% shareholders were met.

AUDIT COMMITTEE REPORT

The Audit Committee reviews the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and reporting process. The Company's independent auditors are responsible for expressing an opinion on the conformity of the Company's audited financial statements to generally accepted accounting

Edgar Filing: SYMS CORP - Form DEF 14A

principles.

In this context, the Audit Committee has reviewed and discussed with management and the independent auditors the Company's audited financial statements. The Audit Committee has discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (communication with audit committees). In addition, the Audit Committee has received from the independent auditors the written disclosures and letter required by Independence Standards Board Standard No. 1 (independence discussions with audit committees) and discussed with them their independence from the Company and its management.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board has approved that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended February 28, 2004, for filing with the Securities and Exchange Commission.

RATIFICATION OF APPOINTMENT OF INDEPENDENT ACCOUNTANTS PROPOSAL 2

The independent accountants for the Company for the fiscal year ended March 1, 2003 and from March 2 through May 28, 2003 were Deloitte & Touche LLP ("Deloitte & Touche"). The Audit Committee of the Company has appointed BDO Seidman, LLP ("BDO Seidman") as the independent accountants for the Company for the fiscal year ending February 26, 2005 and recommends that shareholders ratify such appointment. The affirmative vote of a majority of the votes cast at the meeting is necessary for ratification of the appointment of BDO Seidman as the independent accountants for fiscal 2004. If the shareholders do not ratify the appointment of BDO Seidman as the Company's independent accountants, the Audit Committee will reconsider this selection.

On May 23, 2003, upon the recommendation of the Company's Audit Committee, the Company's Board of Directors voted to approve the engagement of BDO Seidman as the Company's independent auditors. BDO Seidman will replace Deloitte & Touche as the Company's independent auditors. Effective May 28, 2003, the Company dismissed Deloitte & Touche as the Company's independent auditors. Deloitte & Touche and its predecessor firms had audited the financial statements of the Company for more than the past ten fiscal years and served as the Company's independent accountants for the fiscal year ended March 1, 2003.

None of Deloitte & Touche's reports on the Company's consolidated financial statements for the past two years contained an adverse opinion or a disclaimer of opinion, or was qualified or modified as to uncertainty, audit scope or accounting principles.

During the Company's two most recent fiscal years and any subsequent interim period preceding the dismissal of Deloitte & Touche as the independent accountants, there were no disagreements between the Company and Deloitte & Touche on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which, if not resolved to Deloitte & Touche's satisfaction, would have caused Deloitte & Touche to make reference to the subject matter in connection with its report on the Company's consolidated

Edgar Filing: SYMS CORP - Form DEF 14A

financial statements for such period; and there were no reportable events, as defined in Item 304(a)(1)(v) of Regulation S-K.

The Company provided Deloitte & Touche with a copy of the foregoing statements and received a letter from Deloitte & Touche stating its agreement with such statements. The Company filed this letter as an exhibit to its current report on Form 8-K/A filed with the SEC on June 3, 2003.

During the Company's two most recent fiscal years and any subsequent interim period prior to engaging BDO Seidman as the independent accountants, the Company did not consult BDO Seidman with respect to (i) the application of accounting principles to a specified transaction, either completed or proposed or the type of audit opinion that might be rendered on the Company's consolidated financial statements; or (ii) any matter that was either the subject of a disagreement (as defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions to this item); or (iii) a reportable event (as defined in Item 304(a)(1)(v) of Regulation S-K).

A representative of BDO Seidman is expected to be present at the meeting and will have an opportunity to make a statement if he or she desires to do so and will be available to respond to appropriate questions from shareholders. A representative from Deloitte & Touche is not expected to be present at this meeting.

Audit Fees: Audit fees billed to the Company by BDO Seidman for auditing the Company's annual financial statements for the fiscal year ended February 28, 2004 and reviewing the financial statements included in the Company's quarterly reports on Form 10-Q amounted to \$125,000. Audit fees billed to the Company by Deloitte & Touche for auditing the Company's annual financial statements for the fiscal year ended March 1, 2003 and reviewing the financial statements included in the Company's quarterly reports on Form 10-Q amounted to \$150,000.

15

All Other Fees. There were no audit related fees for fiscal 2003 or 2002.

Tax Fees: In fiscal 2003 and 2002, the Company paid Deloitte & Touche tax fees of \$25,135 and \$14,000, respectively. Tax fees included professional services rendered for tax compliance, tax advice and tax planning.

Audit Related Fees: Fees for employee benefit related services billed by BDO Seidman during the fiscal year ended February 28, 2004 amounted to approximately \$30,000. Fees for employee benefit related services billed by Deloitte & Touche during the fiscal year ended March 1, 2003 amounted to approximately \$30,000.

PRE-APPROVAL POLICIES AND PROCEDURES. The Audit Committee Charter adopted by the Board of Directors of the Company requires that, among other things, the Audit Committee pre-approve the rendering by the Company's independent auditor of all audit and permissible non-audit services. The Audit Committee has pre-approved the services provided by BDO Seidman and Deloitte & Touche referred to above.

The Company and the Audit Committee have considered whether other non-audit services by BDO Seidman are compatible with maintaining the independence of BDO Seidman in its audit of the Company.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE SHAREHOLDERS VOTE FOR RATIFICATION OF THE APPOINTMENT OF BDO SEIDMAN. PROXIES SOLICITED HEREBY WILL BE VOTED FOR THE PROPOSAL UNLESS A VOTE AGAINST THE PROPOSAL OR ABSTENTION IS

Edgar Filing: SYMS CORP - Form DEF 14A

SPECIFICALLY INDICATED.

SHAREHOLDER PROPOSAL REGARDING "INDEXED OPTIONS" PROPOSAL 3

Joseph S. Criscione, 76 Blackburn Road, Basking Ridge, New Jersey 07920, owner of 4,000 shares, submitted the following proposal:

"Resolved, that the shareholders of Syms Corporation request that the Board of Directors adopt an executive compensation policy that all future stock option grants to senior executives shall be performance-based. For the purposes of this resolution, a stock option is performance-based if the option exercise price is indexed or linked to an industry peer group stock performance index so that the options have value only to the extent that the Company's stock price performance exceeds the peer group performance level.

Statement of Support: As a well informed shareholder of the Company, I support executive compensation policies and practices that provide challenging performance objectives and serve to motivate executives to achieve long-term corporate value maximization goals. In my opinion stock option grants can and do often provide levels of compensation well beyond those merited. In my opinion, it has become abundantly clear that stock option grants without specific performance-based targets often reward executives for stock price increases due solely to a general stock market rise, rather than to extraordinary company performance.

Stock options whose exercise price moves with an appropriate peer group index composed of a company's primary competitors are a type of option that I believe addresses these concerns. The resolution requests that the Company's Board ensure that future senior executive stock option plans link the options exercise price to an industry performance index associated with a peer group of companies selected by the Board, such as those companies used in the Company's proxy statement to compare 5 year stock price performance.

Implementing an indexed stock option plan would mean that our Company's participating executives would receive payouts only if the Company's stock price performance was better than that of the peer group average. By tying the exercise price to a market index, indexed options reward participating executives for outperforming the competition. Indexed options would have value when our Company's stock price rises in excess of its peer group average or declines less than its peer group average stock price decline. By downwardly adjusting the exercise price of the option during a downturn in the industry, indexed options remove pressure to reprice stock options. In short, superior performance would be rewarded.

16

At present, stock options granted by the Company are not indexed to peer group performance standards. As an owner, I feel strongly that our Company would benefit from the implementation of a stock option program that rewarded superior long-term corporate performance. I urge your support for this important governance reform."

THE BOARD OF DIRECTORS RECOMMENDS
THAT THE SHAREHOLDERS VOTE AGAINST PROPOSAL 3 REGARDING INDEXED OPTIONS

The Board of Directors has considered this proposal and considers it unnecessary and not in the best interests of the Company and its shareholders.

The Company's executive compensation policy with respect to stock option

Edgar Filing: SYMS CORP - Form DEF 14A

grants is administered by the Stock Option Committee of the Board of Directors. The Stock Option Committee strives to provide compensation rewards based upon both corporate and individual performance. In making compensation decisions, the Stock Option Committee remains cognizant of the Board of Directors' responsibility to enhance shareholder value.

The Company's current long-term incentive programs for executives gives the Stock Option Committee the flexibility to align the interest of executives with those of shareholders by enabling the Company to attract and retain key employees and to secure for the Company the benefits of the incentive inherent in ownership of the Company's equity securities by employees who are responsible for the continuing growth and success of the Company. An indexed option plan would restrict the flexibility the Stock Option Committee currently has and would not necessarily allow the Company to provide a direct link between executive performance and long-term value for shareholders.

In addition, an indexed option plan would raise complex financial and accounting issues. Under such a plan, strike prices would vary widely over time in accordance with the relative performances of the Company and its peer group, requiring elaborate and burdensome calculations each quarterly financial reporting period.

Use of indexed options results in variable accounting treatment under generally accepted accounting principles ("GAAP"), requiring a quarterly charge to earnings. In contrast, GAAP does not require expense treatment for fixed term stock options, e.g., options with no performance conditions attached. Thus, regardless of the merits of indexed options from a compensation standpoint, current accounting rules effectively make it financially imprudent to award them. The charges resulting from the use of indexed options could depress and add artificial volatility to the Company's earnings, clearly an outcome contrary to the best interests of shareholders.

Few companies presently grant indexed stock options. Forcing the Company to grant indexed options could place it at a substantial disadvantage in recruiting and retaining executives in competition with other companies not burdened with similar requirements.

For the reasons stated above, the Board of Directors recommends a vote against the proposal.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE AGAINST PROPOSAL 3 REGARDING INDEXED OPTIONS. PROXIES SOLICITED HEREBY WILL BE VOTED AGAINST THE PROPOSAL UNLESS A VOTE FOR THE PROPOSAL OR ABSTENTION IS SPECIFICALLY INDICATED.

OTHER MATTERS

The Board of Directors does not know of any matters to be brought before the Annual Meeting, except those set forth in the notice thereof. Evaluate the qualifications, performance and independence of the independent auditor, including considering whether the auditor's quality controls are adequate and the provision of non-audit services is compatible with maintaining the auditor's independence, taking into account the opinions of management and the internal auditor. The Committee shall present its conclusions to the Board and, if so determined by the Committee, recommend that the Board take additional action to satisfy itself of the qualifications, performance and independence of the auditor.
15. Adopt a policy of rotating the lead and concurring audit partner every five years and consider whether in order to assure continuing auditor independence, it is appropriate to adopt a policy of rotating the independent auditing firm itself on a regular basis.
16. Recommend to the Board guidelines that would prohibit the Company from hiring any employee or former employee of the independent auditor in a "financial reporting oversight role" if the employee or former employee provided more than ten hours of audit, review or attest services to the Company within the one year preceding the commencement of the Company's then current year's audit.
