**QUESTIONS AND ANSWERS**

Your vote is very important. Your shares can only be voted at the Annual Meeting if you are present or represented by proxy. Whether or not you plan to attend the Annual Meeting, you are encouraged to vote by proxy to assure that your shares will be represented. You may revoke your proxy at any time before it is voted by written notice to the Secretary of the Company by submission of a proxy bearing a later date or by casting a ballot at the Annual Meeting. Properly executed proxies that are received before the Annual Meeting's adjournment will be voted in accordance with the directions provided. If no directions are given, your shares will be voted by one of the individuals named on your proxy card as recommended by the Board of Directors. If you wish to give a proxy to someone other than those named on the proxy card, you should cross out those names and insert the name(s) of the person(s), not more than two, to whom you wish to give your proxy.

**Q: WHO IS SOLICITING MY VOTE?**

A: This proxy solicitation is being made on behalf of us and our Board of Directors. Proxies are being solicited by mail, and all expenses of preparing and soliciting such proxies will be paid by us. In addition to the use of mail, proxies may be solicited by our directors, officers and regular employees, without additional compensation, in person or by telephone or other electronic means. We will reimburse brokerage houses and other nominees for their expenses in forwarding proxy materials to beneficial owners of our Common Stock.

**Q: WHO IS ENTITLED TO VOTE?**

A: Stockholders as of the close of business on December 29, 2006 (the Record Date) are entitled to vote at the Annual Meeting. On that date, 14,385,286 shares of our Common Stock were outstanding and eligible to vote. Every holder of Common Stock is entitled to one vote for each share held. A list of stockholders eligible to vote will be available at our principal place of business, 525 Lincoln Drive West, 5 Greentree Center, Suite 117, Marlton, New Jersey, beginning January 2, 2007. Stockholders may examine this list during normal business hours for any purpose relating to the Annual Meeting.

**Q: WHO WILL COUNT THE VOTE?**

A: Representatives of our transfer agent, Zions Bank, will count the votes.

**Q: IS MY VOTE CONFIDENTIAL?**

A: Proxy cards, ballots and voting tabulations that identify individual stockholders are mailed or returned directly to Zions Bank, and handled in a manner that protects your voting privacy. Your vote will not be disclosed except (1) as needed to permit Zions Bank to tabulate and certify the vote and (2) as required by law. Additionally, all comments written on the proxy card or elsewhere will be forwarded to management. Your identity will be kept confidential unless you ask that your name be disclosed.

**Q: WHAT IS A QUORUM?**

A: A quorum is a majority of the outstanding shares of our Common Stock entitled to vote on December 29, 2006. These shares must be present at the Annual Meeting, in person or by proxy, for the meeting to be held for the transaction of business.

Broker non-votes, votes withheld and abstentions will be counted for purposes of determining whether a quorum has been reached. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have the discretionary voting power with respect to that item and has not received instructions from the beneficial owner.

**Q: HOW MANY VOTES ARE REQUIRED FOR THE APPROVAL OF THE PROPOSALS?**

A: Assuming a quorum is present, directors will be elected by a plurality of the votes cast at the Annual Meeting. Ratification of the appointment of our independent registered public accounting firm requires the affirmative vote of a majority of shares present and entitled to vote at the Annual Meeting and voting thereon. Because abstentions will be included in tabulations of the votes entitled to vote for purposes of determining whether a proposal has been approved, abstentions have the same effect as negative votes. Broker non-votes, however, are not counted as shares present and entitled to be voted with respect to the matters which the broker has not expressly voted. Broker non-votes are not counted in determining whether the affirmative vote required for the approval of Items 1, 2, and 3 has been cast.

**Q: WHO CAN ATTEND THE ANNUAL MEETING:**

A: All stockholders as of December 29, 2006, the record date, can attend. If your shares are held through a broker and you would like to attend, please bring a copy of your brokerage account statement or an omnibus proxy (which you can obtain from your broker) to gain entrance to the Annual Meeting.

**Q: HOW WILL VOTING ON ANY OTHER BUSINESS BE CONDUCTED?**

A: We do not know of any business to be considered at the Annual Meeting other than the proposals described in this proxy statement. If any other business is presented at the Annual Meeting, your signed proxy card gives authority to Dinesh R. Desai, our Chairman, President and Chief Executive Officer, and Stephen C. Donnelly, our Chief Financial Officer, to vote on such matters at their discretion.

**Q: WHO ARE THE LARGEST PRINCIPAL STOCKHOLDERS?**

A: As of December 29, 2006, 2006, Mr. Desai owned a total of 7,622,488 shares of our Common Stock (53.0%), 7,022,488 of which are owned through DARR Westwood LLC, in which he is a sole member and 600,000 of which are owned through DARR Emtec LLC, in which he is a member, and Mary Margaret Gabel, spouse of Keith Gabel, President of Westwood, owned 1,905,622 shares (13.2%).

## **CORPORATE GOVERNANCE**

In accordance with the General Corporation Law of the State of Delaware and our Certificate of Incorporation and Bylaws, our business, property and affairs are managed under the direction of the Board of Directors. The Board delegates the conduct of business to the Company's senior management team. Although our directors are not involved in our day-to-day operating details, they are kept informed of our business through written reports and documents provided to them regularly, as well as by operating, financial and other reports presented by our officers at meetings of the Board of Directors and committees of the Board of Directors.

### **Board and Committee Meetings**

Our Board usually meets four times a year in regularly scheduled meetings. It may meet more often if necessary. During the fiscal year ended August 31, 2006, the board held five meetings. Each director attended all the meetings. The Chairman usually determines the agenda for the meetings. Board members receive the agenda and supporting information in advance of the meetings. Board members may also raise other matters at the meetings.

We have a Code of Ethics, which was adopted in its current form in July 2004, applicable to all of its employees, including its Principal Executive Officer, Principal Financial Officer and Principal Accounting Officer, as well as the members of its Board. The Code of Ethics seeks to ensure compliance with all applicable laws and to maintain the highest standards of ethical conduct. The Code of Ethics sets out basic principles and methodology to help guide all of our officers, directors and employees in the attainment of this common goal.

Qualifications for consideration as a Board nominee may vary according to the particular areas of expertise being sought as a complement to the existing Board composition. However, in making its nominations, the Board of Directors considers, among other things, an individual's business experience, industry experience, breadth of knowledge about issues affecting our company, time available for meetings and consultation regarding company matters and other particular skills and experience possessed by the individual.

Any stockholder recommendation of a director candidate should include the candidate's name, biographical data and a detailed description of the candidate's qualifications for Board membership, and should be sent to Emtec, Inc., 525 Lincoln Drive West, 5 Greentree Center, Suite 117, Marlton, New Jersey 08053, Attention: Sam Bhatt. Any stockholder recommendations must be submitted in sufficient time for an appropriate evaluation by the Board.

### **Stockholder Communication with Board Members**

We maintain contact information for stockholders, both by telephone and email, on our website ([www.emtecinc.com](http://www.emtecinc.com)) under the heading "About Us" Investor Relations. By following the link, a stockholder will be given access to our telephone number and mailing address as well as a link for providing email correspondence to Investor Relations. Communications sent to Investor Relations and specifically marked as a communication for our Board will be forwarded to the Board or specific members of the Board as directed in the stockholder communication. In addition, communications received via telephone or mail that are directed to the Board are forwarded to the Board by one of our officers.

### **Board Member Attendance at Annual Meetings**

Our Board of Directors does not have a formal policy regarding attendance of directors at our annual stockholder meetings. All directors attended our 2006 Annual Meeting of stockholders except Mr. Robert Mannarino, who was not our director at that date.

## Director Independence

The Board of Directors has determined that Messrs. Chandler and Mannarino are independent under the listing standards of the National Association of Securities Dealers.

**Committees of the Board of Directors.** The Board of Directors has established two standing committees.

*Audit Committee* - - assists the Board of Directors in monitoring: (i) the integrity of the consolidated financial statements of the Company; (ii) the Company's compliance with legal and regulatory requirements related to the financial statements, including the Company's systems of internal controls regarding finance, accounting, legal compliance and ethics that have been established relating to such financial statements; and (iii) the independence and performance of the Company's external auditors. In addition, the Audit Committee maintains the sole responsibility to appoint, determine funding for, and oversee the independence and performance of our internal and external auditors and has the authority to engage independent counsel and other advisors to assist in such responsibility. Each of the members of the Audit Committee is independent under the listing standards of the National Association of Securities Dealers and as that term is used in Section 10A(m)(3) of the Securities Exchange Act of 1934, as amended (the Exchange Act). The Audit Committee met two times during 2006. The Audit Committee has adopted a written charter, a copy of which is available on our Internet website at [www.emtecinc.com](http://www.emtecinc.com). The current members of the Audit Committee are Mr. Chandler (Chairman) and Mr. Mannarino. The Board has determined that Mr. Chandler is a financial expert, as described in Rule 401(h) of Regulation S-K promulgated under the Securities Act of 1933, as amended.

*Compensation Committee* - - reviews and determines compensation arrangements for the President and the other executive officers. The Compensation Committee also administers our equity compensation plans and makes recommendations to the Board of Directors regarding the compensation to be provided to the directors. The Compensation Committee has adopted a written charter, a copy of which is available on our Internet website at [www.emtecinc.com](http://www.emtecinc.com). The Compensation Committee held four meetings during 2006. The current members of the Compensation Committee are Mr. Mannarino (Chairman) and Mr. Chandler. Each member of the Compensation Committee is independent as defined under the listing standards of the National Association of Securities Dealers.

*Nominating and Corporate Governance* - - At this time, given that the Board consists of five members, two of whom are independent as defined under the listing standards of the National Association of Securities Dealers, the Board has concluded that all members of the Board of Directors should convene for purposes of considering potential candidates to the Board. We expect that the Board will continue to review whether formation of a nominating and governance committee is appropriate.

The Independent Directors will consider director candidates recommended by stockholders. A description of the procedures a stockholder must follow to submit a director candidate and the criteria the Independent Directors will use to evaluate candidates is set forth on page 3 under the subheading Board and Committee Meetings and on page 26 under the heading Stockholder Proposals for the 2008 Annual Meeting.

## Director Compensation

Effective June 1, 2006, our independent directors, Mr. Gregory P. Chandler and Mr. Robert Mannarino, who are not employees of the Company, became entitled to receive an annual fee of \$15,600. Non-employee directors also receive a fee for each regular meeting of the Board of Directors attended in person and a fee for each regular meeting of the Board of Directors attended telephonically. In addition, non-employee directors receive a fee for each special meeting of the Board of Directors attended. These meeting fees range from \$100 a meeting to \$1,000 per day per meeting. Independent directors receive reimbursement of out-of-pocket expenses incurred for each Board meeting or committee

Edgar Filing: EMTEC INC/NJ - Form DEF 14A

meeting attended and any other expenses incurred while working in his capacity as a Board member. Prior to June 1, 2006 and since August 5, 2005, our independent directors received an annual fee of \$20,000, plus stock options.

**ITEMS 1 AND 2 ON PROXY CARD**

Our Certificate of Incorporation and Bylaws provide that our business will be managed by a Board of Directors. Our Board of Directors currently has five directors, divided into two classes. The Audit Committee has received the written disclosures and the letter required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, and has discussed with the independent auditors their independence. The Audit Committee reviews and approves any non-auditing services to be provided by McGladrey & Pullen, LLP prior to the firm being retained to perform such services.

We are not employees of the Company and we are not accountants or auditors by profession. Therefore, we have relied, without independent verification, on management's representation that the financial statements have been prepared with integrity and objectively and in conformity with GAAP and on the representations of the independent auditors included in their report on the Company's financial statements. Our oversight does not provide us with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, our considerations and discussions with management and the independent auditors do not assure that the Company's financial statements are presented in accordance with GAAP, that the audit of the Company's financial statements has been carried out in accordance with the standards of the Public Company Accounting Oversight Board (United States) or that our Company's independent accountants are in fact independent.

The Audit Committee has reappointed, subject to stockholder ratification, the firm of McGladrey & Pullen, LLP, certified public accountants, as the Company's independent registered public accounting firm to audit and report upon the Company's financial statements for 2007. In appointing McGladrey & Pullen, LLP as the Company's auditors for the year ending August 31, 2007, the Audit Committee has considered whether McGladrey & Pullen, LLP's provision of services other than audit services are compatible with maintaining their independence.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K for the fiscal year ended August 31, 2006 for filing with the Securities and Exchange Commission.

#### **Compensation Committee Interlocks and Insider Participation**

No member of the Compensation Committee during fiscal year 2006 was an officer or employee of the Company, or any of its subsidiaries, or was formerly an officer of the Company or any of its subsidiaries. No member of the Compensation Committee had any relationship requiring disclosure by the Company under any paragraph of Item 404 of Regulation S-K. Furthermore, none of the other executive officers, directors or Compensation Committee members of the Company currently serve, or have in the past served, on the Compensation Committee of any other company whose directors and executive officers have served on the Company's Compensation Committee.

#### **EXECUTIVE COMPENSATION AND REPORT OF THE COMPENSATION COMMITTEE REGARDING COMPENSATION**

The Compensation Committee of the Board of Directors is currently composed of two non-employee directors. The Compensation Committee is responsible for setting and administering the policies that govern executive annual salary, bonus and stock ownership programs. The Compensation Committee annually evaluates the performance of and determines and reports to the full board, the compensation of the Chief Executive Officer ( CEO ) and our other executive officers based upon a combination of the achievement of corporate goals and individual performances.

#### **Role of the Compensation Committee**

The Compensation Committee of the Board of Directors establishes, oversees and directs the Company's executive compensation programs and policies and administers the Company's equity compensation plans. The Compensation Committee seeks to align executive compensation with Company objectives and strategies, management programs and business financial performance in order to enhance shareholder value. The Compensation Committee consists of two non-employee directors. In 2006, the Compensation Committee consisted of Robert Mannarino and Gregory Chandler.

The goals of the Compensation Committee with respect to executive officers, including the CEO, are to provide compensation that is designed to attract, motivate and retain executives of outstanding ability and potential and to align the interest of executive officers with the interests of the Company's stockholders. The Compensation Committee's goal is to provide incentives for superior individual performance by paying competitive compensation, and by basing a significant portion of compensation upon achieving that performance. To meet these goals, the Compensation Committee has adopted a mix among the compensation elements of salary, bonus, restricted stock grants and stock option grants. In general, the exercise price of stock option grants will be set in two tiers, the first will be equal to the fair market value of the Common Stock on the date of grant and the second will be set at a premium to the current fair market value of the Common Stock.

The Board as a whole meets to discuss executive compensation. For fiscal year 2007, the Board has determined as follows.

***Executive Compensation Summary***

***Executive Compensation Program.*** The Company's executive compensation program is designed to attract and retain highly qualified executives and to motivate them to contribute to the Company's goals and objectives and its overall financial success. Compensation for the Company's executives may consist of both cash and equity-based compensation. In determining executive compensation, the Compensation Committee reviews and evaluates information supplied by management and bases decisions on management recommendations as well as on the Company's performance and on the individual's contribution and performance.

***Salary.*** The Compensation Committee reviews the salary of each executive officer in relation to previous salaries, personal performance, and salaries of executive officers in the industry and general economic conditions. The salaries are set at levels intended to motivate and retain highly qualified executives whom the Board believes are important to the continued success of the Company.

***Bonuses.*** The Company provides bonus compensation that is intended to encourage and reward excellent individual performances by managers who make significant contributions to the Company's financial success. An executive officer could earn bonus compensation based in part upon achievement by the Company of certain financial performance objectives and in part by achievement of individual operating objectives designed to enhance future performance by the Company. No performance bonuses were paid in 2006 except for Stephen Donnelly, received a signing and performance bonus and bonuses were paid to Keith Grabel in accordance with the terms of his employment agreement in fiscal 2006.

Bonuses for future fiscal years will be provided pursuant to our new Senior Management Annual Incentive Plan, discussed below.

***Non-Cash Incentives.*** The Company has the ability to grant stock options and restricted stock to provide long-term incentives for the executive officers. Although none of the named executive officers listed in the Summary Compensation Table were granted stock options or restricted stock during the fiscal year ended August 31, 2006, equity grants under the Company's 2006 Stock-Based Incentive Compensation Plan (the Equity Plan) since then are designed to better align the interests of the executive officers with those of the stockholders and to provide each individual with a significant incentive to manage the Company from the perspective of an owner and to remain employed by the Company. The number of shares subject to each option grant is based on the officer's level of responsibility, relative position within the Company, and is approved by the Compensation Committee. Equity grants may be awarded as bonus compensation under the Senior Management Annual Incentive Plan, discussed below.

***Senior Management Annual Incentive Plan.*** On November 3, 2006, in connection with its work with an outside compensation consultant and upon the recommendation of the Compensation Committee, the Company approved the Senior Management Annual Incentive Plan (the Incentive Plan) to pay annual bonuses to certain full-time management employees of the Company and its subsidiaries based on the Company's achievement of annual performance goals and, if applicable, a participant's achievement of individual performance goals. The Company's performance goals for any fiscal year will be based on earnings before interest, taxes, depreciation and amortization (EBITDA), earnings per share, business unit or departmental objectives, or some combination of the foregoing, to be determined by the Compensation Committee. Unless the Compensation Committee determines otherwise, the Company's Chief Executive Officer and other members of the Company's senior management will be eligible to receive a bonus under the Incentive Plan, provided they have been employed by the Company for at least six months. The Compensation Committee will annually designate a percentage of each participant's base salary (ranging from 10% to 50%) or dollar amount as such participant's bonus opportunity if target performance is achieved. The threshold, or minimum, bonus that may be earned by a participant is 25% of such participant's bonus opportunity and the target bonus that may be earned is 100% of such bonus opportunity. No bonuses will be paid unless the

## Edgar Filing: EMTEC INC/NJ - Form DEF 14A

performance goals are achieved at the threshold level or above. A straight line sliding scale will be used for calculating the percentage of bonus opportunity earned between the threshold and target levels. Participants may receive additional bonuses if performance exceeds the target level.

Bonuses for 2007 will be based on the Company's attainment of specified levels of EBITDA and earnings per share. The Committee has approved the following bonus opportunities for 2007 for the following participants:

Name	2007 Bonus Opportunity
Dinesh Desai, Chairman, President and Chief Executive Officer	50% Base Salary
Brian McAdams, Vice Chairman	30% Base Salary
Stephen Donnelly, Chief Financial Officer	30% Base Salary
Ronald Seitz, President Operations	Emtec 50% Base Salary
Keith Grabel, President Marketing	Sales and \$75,000

Bonuses earned for fiscal year 2007 will be paid in a combination of cash (70%) and restricted stock (30%), following the Committee's determination and certification that performance goals were achieved for the fiscal year to participants who remain employed on the date of payment. Restricted Stock awards will be granted under the Equity Plan, and will vest on the first anniversary of the date of grant. Subject to the prior approval of the Compensation Committee, participants may elect to have all or a portion of the cash bonus paid in immediately vested stock options.

### *Equity Awards*

In connection with the Incentive Plan's implementation, the Compensation Committee also approved the payment of awards under the Incentive Plan on November 3, 2006 to the individuals set forth in the table below. Such awards will be paid in shares of restricted stock to be granted under the Equity Plan in the amounts set forth in the table below. The number of shares were calculated based upon the closing stock price of \$1.24 per share of the Company's common stock on the NASDAQ OTC stock exchange on November 1, 2006.

Name	Restricted Shares
Dinesh Desai, Chairman and Chief Executive Officer	114,919
Brian McAdams, Vice Chairman	80,645
Stephen Donnelly, Chief Financial Officer	43,548

The shares of restricted stock vest in 25% increments over four years from the date of grant, provided that the recipient remains employed by the Company.

### *2006 Compensation of Chairman and Chief Executive Officer*

## Edgar Filing: EMTEC INC/NJ - Form DEF 14A

The Compensation Committee determined the 2006 compensation for Mr. Desai's service as Chairman, President and Chief Executive Officer in accordance with the guidelines described above. Mr. Desai is currently paid a salary of \$285,000 on an annual basis. Based on the scope of services that he has and will be asked to perform from time to time, the Compensation Committee determined that his salary and incentive compensation levels are reflective of the market place for senior executive level financial and business advisors and for the type of services that Mr. Desai performs.

### *Deductibility of Compensation*

Section 162(m) of the Internal Revenue Code of 1986, as amended, generally imposes a \$1 million limit on the deductibility of compensation paid to executive officers of public companies. The Board believes that all of the compensation awarded to the Company's executive officers during 2005 is fully deductible within this limit.

The members of the Board of Directors respectfully submit this report.
