PART III - NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

Registrant has been unable to complete its Form 10-Q for the quarter ended February 28, 2007, within the prescribed time because of delays in completing the preparation of its unaudited financial statements and its management discussion and analysis. Such delays are primarily due to Registrant's management's dedication of time to business matters, including the exploration of a possible business combination with Configuration Management, Inc. This has taken a significant amount of management's time away from the preparation of the Form 10-Q and delayed the preparation of the unaudited financial statements for quarter ended February 28, 2007. It is anticipated that the Form 10-Q, along with the unaudited financial statements, will be filed on or before the 5th calendar day following the prescribed due date of the Registrant's Form 10-Q.

PART IV - OTHER INFORMATION

(1) Name and telephone number of person to contact in regard to this notification:

(2) Have all other periodic reports required under Section 13 or 15(d) of the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that the registrant was required to file such report(s) been filed? If answer is no, identify report(s). Yes No

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion hereof? Yes No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

It is anticipated that the Registrant will report net loss of approximately \$2.70 million, or (\$0.19) per share, and total revenues of \$41.15 million for the three months ended February 28, 2007, as compared to net loss of \$388,536, or (\$0.03) per share, and total revenues of \$41.42 million for the three months ended February 28, 2006, respectively. It is anticipated that Registrant will report net loss of approximately \$2.66 million, or (\$0.19) per share, and total revenues of \$106.10 million for the six months ended February 28, 2007, as compared to net income of \$27,504 or \$0.00 per share, and total revenues of \$126.2 million for the six months ended February 28, 2006. This net loss is attributable primarily to the following:

- During the quarter ended February 28, 2007, in connection with the Registrant's potential acquisition of Configuration Management, Inc., the Registrant incurred \$678,116 of merger related costs, including \$500,000 in advance purchase price payments, which have been recorded as an expense on the Registrant's consolidated statement of operations as selling, general and administrative expense. As previously reported by Registrant in a Current Report on Form 8-K dated April 3, 2007, this agreement was terminated by the Seller on March 28, 2007.
- On February 5, 2007, in connection with the entry into amended and restated employment agreements with Mr. Keith Gabel and Ms. Mary Margaret Gabel, and in connection with the termination of the Management Services Agreement with DARR Global Holdings, Inc., our subsidiary, Westwood Computer Corporation, issued subordinated promissory notes to Mr. Gabel, Mrs. Gabel and DARR Global Holdings, Inc. in the principal amount of \$671,300, \$655,600,

and \$1,002,900, respectively. The aggregate principal amount of these notes, equal to \$2.33 million, has been recorded as a nonrecurring expense on the consolidated statements of operations for the three months ended February 28, 2007.

- There was a decline in gross profit during the three months ended February 28, 2007 of approximately \$770,000 as compared to gross profit for the three months ended February 28, 2006.
