The Registrant is filing this form to obtain permissible relief extending the time in which to file its annual report on Form 11-K (Annual Report of Employee Stock Purchase, Savings and Similar Plans) for the UCAR Carbon Savings Plan (the Plan) for the fiscal year ended December 31, 2006. The Plan is sponsored by a subsidiary of the Registrant. The Registrant's Form 11-K cannot be filed by the June 29, 2007 deadline because additional time is required to obtain certain information from a third-party service provider, which provides recordkeeping, trustee, and administrative services to the Plan. The third-party service provider has not yet provided certain information which the Plan's auditors need in order to complete certain procedures in connection with the audit of the financial statements and application of Financial Accounting Standards Board Staff Position AAG INV-1 and Statement of Position 94-4-1, Reporting of Fully Benefit-Responsive Investment Contracts Held by Certain Investment Companies Subject to the AICPA Investment Company Guide and Defined-Contribution Health and Welfare and Pension Plans. The Registrant intends to file the Form 11-K for the fiscal year ended December 31, 2006 on or before July 16, 2007.
