Item 1.01. Entry into a Material Definitive Agreement.

On October 25, 2006, Ligand Pharmaceuticals Incorporated (Ligand) entered into a definitive agreement (the Real Estate Purchase Agreement) to sell its corporate headquarters building/land and two adjacent undeveloped parcels of land in Torrey Pines Science Center to Slough Estates USA Inc. (Slough) for an aggregate consideration of \$47.6 million and to lease the building back from Slough.

The Real Estate Purchase Agreement and related contracts have been approved by the board of directors of Ligand. The transaction is subject to payment of an existing mortgage and other customary closing conditions.

Under the terms of the Real Estate Purchase Agreement, Ligand will receive cash of approximately \$35 million, net of fees, expenses, and existing indebtedness. In addition, Ligand has entered into a 15 year lease arrangement with Slough to lease back the building at a rate of approximately \$3 million per year, subject to an annual fixed percentage increase. In addition, Ligand will have the right to extend the term of the lease for two five-year periods under the same terms and conditions as the initial term.

The foregoing description of the Real Estate Purchase Agreement does not purport to be complete and is qualified in its entirety by reference to such agreement which is attached as Exhibit 10.1 and incorporated herein by reference.

The press release announcing this transaction is attached as Exhibit 99.1.

Item 2.01. Completion of Acquisition or Disposition of Assets.

On October 25, 2006, Ligand and Seragen, Inc., a Delaware corporation and wholly-owned subsidiary of Ligand (together with Ligand, the Company), Eisai Inc., a Delaware corporation (Eisai Inc.) and Eisai Co., Ltd., a Japan company (together with Eisai Inc., Eisai), completed the sale to Eisai of assets related to Ligand's marketed oncology product assets pursuant to the Purchase Agreement dated as of September 7, 2006 (the Purchase Agreement). Under the Purchase Agreement, Eisai has acquired all of the Company's worldwide rights in and to the Company's oncology product line (the Product Line), including, among other things, all related inventory, equipment, records and intellectual property, and assume certain liabilities as set forth in the Purchase Agreement (collectively, the

Transaction). The Product Line includes the Company's four marketed oncology drugs: ONTAK, Targretin capsules, Targretin gel and Panretin gel. In addition, Eisai has hired certain of the Company's existing employees and has offered employment to certain other Company employees that support the sale of the Product Line, subject to certain terms and conditions.

Pursuant to the Purchase Agreement, at closing of the Transaction (the Closing), the Eisai paid Ligand \$205 million cash payment (the Closing Payment), \$20 million of which was funded into an escrow account to support any indemnification claims made by Eisai during the first year after the Closing, and Eisai has assumed certain liabilities. The Closing Payment is subject to certain adjustment based upon an agreed target value versus the actual value of the Product Line inventory at Closing, to be determined in accordance with the terms of the Purchase Agreement.

The Closing was subject to certain customary closing conditions, including, but not limited to, expiration or early termination of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, which occurred as of October 3, 2006.

There were no material relationships between the Company, its affiliates, directors or officers, and Eisai and subsidiaries, other than in respect to the Transaction.

The foregoing description of the Purchase Agreement does not purport to be complete and is qualified in its entirety by reference to such agreement. The Purchase Agreement is filed as Exhibit 2.1 to the Company's Current Report on Form 8-K filed with the SEC on September 11, 2006.

Table of Contents

The press release announcing the Closing is attached as Exhibit 99.2. Unaudited pro forma condensed consolidated financial statements showing how the Transaction might have affected historical financial statements if the Transaction had been consummated in prior periods are attached as Exhibit 99.3.

Item 8.01. Other Events.

On October 30, 2006, the Company announced that it had given notice of redemption to the noteholders of its 6% convertible subordinated notes due November 2007. The redemption date of the Notes has been set for November 29, 2006.

The noteholders may elect to receive cash in the redemption or convert the 6% notes, on or before November 29, 2006 into shares of the company's common stock at a conversion rate of 161.9905 shares per \$1,000 principal amount of the notes. The Company expects the majority notes will convert into shares of Ligand common stock in lieu of cash. The conversion price for the notes is approximately \$6.17 per share. Approximately \$128.15 million of principal amount of the notes remains outstanding and may be converted into approximately 20.8 million shares of common stock. The Company will pay the holders of those notes that are not converted into shares a redemption price equal to 101.2 % of the outstanding principal amount plus accrued and unpaid interest.

The Company issued \$155.25 million principal amount of its 6% convertible subordinated notes in November 2002. The terms of the 6% notes give the Company the right to provide a notice of redemption to noteholders after November 22, 2005.

AGREEMENT OF PURCHASE AND SALE

1.1 Agreement for Purchase and Sale. In consideration of Buyer's payment of the Purchase Price to Seller and other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Seller agrees to sell the Property to Buyer and Buyer agrees to purchase the Property from Seller on the terms and conditions set forth in this Agreement.

1.2 Property. The Property to be conveyed by Seller pursuant to this Agreement consists of (a) one (1) building containing approximately 82,500 square feet (the Building) and the land on which the Building is situated, located at 10275 Science Center Drive, San Diego, California (Improved Lot), and (b) two (2) adjacent parcels of land, one located at 10265 Science Center Drive, San Diego, California (Lot 14), and one located at 10285 Science Center Drive, San Diego, California (Lot 16). Lot 14 and Lot 16 are sometimes collectively referred to herein as the Vacant Lots. The legal description of the Improved Lot and the Vacant Lots is more particularly described in Exhibit A attached hereto (the Land). In addition to the Land, the Property to be conveyed hereunder also includes the following:

1.2.1 Improvements on the Land. The Building and other improvements currently located on the Land (Improvements).

1.2.2 Fixtures on the Land. All right, title and interest of Seller in and to any equipment, machinery or other property which is affixed to the Improvements so as to constitute fixtures under California law on the date of Closing (Fixtures), and with the Land, Improvements and Fixtures collectively referred to in this Agreement as the Real Property.

1.2.3 Personal Property. All right, title and interest of Seller, if any, in and to all tangible personal property now existing and located upon the Real Property as of the date of Closing, if any, to be conveyed pursuant to the Bill of Sale attached to this Agreement as Exhibit B (Bill of Sale); Buyer and Seller agree that no service contracts in effect as of the date hereof or executed subsequent to the date hereof in accordance with provisions of Section 4.5 below are being assigned to Buyer; and all other intangible property rights described in the Assignment of Warranties and General Intangibles (General Assignment) attached to this Agreement as Exhibit D (collectively the Personal Property). The Real Property and Personal Property are collectively referred to herein as the Property.

1.3 Opening of Escrow. Upon the execution of this Agreement, the parties shall open escrow by delivering three (3) originals of this Agreement to Escrow Agent. No later than one (1) Business Day after receipt of this Agreement, Escrow Agent shall execute the Consent of Escrow Agent attached to this Agreement and return one (1) original to Seller's counsel and one (1) original to Buyer's counsel at the address specified in the Basic Terms.

1.4 Payment of the Purchase Price. The Purchase Price will be paid by Buyer to Seller in accordance with the provisions set forth below.

1.4.1 Buyer's Initial Deposit. Prior to the Effective Date and pursuant to that certain letter of intent dated September 21, 2006, between Buyer and Seller (LOI), Buyer has

Table of Contents

already delivered to Escrow Agent the Initial Deposit. The Initial Deposit shall be in immediately available federal funds by wire transfer to Escrow Agent.

1.4.2 Buyer's Additional Deposit. Buyer will, not later than one (1) Business Day after Buyer's delivery of a Notice of Approval under Section 2.1 of this Agreement, deliver Buyer's Additional Deposit to Escrow Agent in immediately available federal funds by wire transfer. The failure of Buyer to timely deliver the Additional Deposit shall constitute a material default by Buyer under this Agreement. Within one (1) Business Day after Escrow Agent receives the Additional Deposit, Escrow Agent shall release and pay to Seller the Initial Deposit and the Additional Deposit (which shall collectively be the Deposit) without the requirement of further instruction from either Buyer or Seller.

1.4.3 Applicability of Deposit. If Escrow closes for the Property, Buyer's Deposit shall be applicable to the Purchase Price. Until released to Seller, the Deposit (and any portion thereof held by Escrow Agent) shall be deposited by Escrow Agent in an interest bearing account with a federally insured state or national bank (Account) located in California and all interest accrued on the Deposit shall be held in the Account and credited to Buyer at Closing if Buyer acquires the Property.

1.4.4 Disposition of Buyer's Deposit Upon Termination of this Agreement. If Buyer disapproves or is deemed to have disapproved of the Property during its Due Diligence Period pursuant to Section 2.1 of this Agreement, Buyer shall be entitled to a refund of Buyer's Initial Deposit and all interest earned thereon. Upon Buyer's delivery of a Notice of Approval, Buyer's Deposit shall be nonrefundable (unless Buyer's performance is excused hereunder by reason of Seller's breach, the failure of a condition precedent not within Buyer's control, or as otherwise set forth herein, in which event the Deposit shall be refunded to Buyer by Escrow Agent or Seller, as the case may be), and shall constitute liquidated damages to Seller pursuant to Section 10.2 of this Agreement if Escrow fails to close due to Buyer's default. Upon any termination of this Agreement and subject to the payment of liquidated damages as described herein, each party shall be released from any further obligations under this Agreement, except that (i) Buyer shall be required to deliver all originals of any Property Documents back to Seller and to destroy all copies of any Property documents in Buyer's possession, and (ii) Buyer's indemnification obligations under Section 2.5 of this Agreement will survive such termination (Surviving Obligations).

1.5 Balance of Purchase Price. Not less than one (1) Business Day before the Closing Date, Buyer shall deposit into Escrow in immediately available federal funds by wire transfer, an amount equal to the Purchase Price, less the amount of the Buyer's Deposit and as adjusted by the amount of any credits due or any items chargeable to Buyer under this Agreement.

1.6 Allocation of Purchase Price. The Purchase Price shall be allocated, for transfer tax, title insurance, and other purposes, as follows: Thirty-Eight Million Three Hundred Forty-Two Thousand Five Hundred Eighty Dollars (\$38,342,580) for the Improved Lot, Six Million Dollars (\$6,000,000) for Lot 14, and Three Million Three Hundred Thousand Dollars (\$3,300,000) for Lot 16.

Buyer, or (b) any qualified exchange intermediary utilized by Buyer to effectuate a 1031 tax deferred exchange pursuant to Section 13.23 hereof.

**ARTICLE 10
DEFAULT**

10.1 Breach by Buyer. If Buyer fails to complete the acquisition of the Property on the Closing Date by reason of any default by Buyer which is not cured before the expiration of all applicable notice and cure periods, and Seller shall not be in breach or default of this Agreement, Seller shall be entitled to terminate this Agreement by written notice to Buyer, in which event Seller shall be entitled to retain any and all of the Buyer's Deposit held by Escrow Agent as liquidated damages pursuant to the provisions set forth below, and this Agreement shall terminate. Notwithstanding any such termination, Seller shall have the continuing right to enforce any Surviving Obligations provided for in this Agreement. Notwithstanding anything to the contrary contained herein, Buyer shall not be in default under this Agreement unless Buyer shall receive written notice thereof from Seller and shall fail to cure said default within ten (10) days after Buyer's receipt of said notice; provided that in the event any notice of default is delivered to Buyer, the Closing Date shall be extended to the extent necessary to accommodate the cure period set forth above. Notwithstanding any provision in this Agreement to the contrary, Seller shall not be required to deliver to Buyer a notice of default for Buyer's failure to timely deliver any payment to Seller or Escrow Agent pursuant to this Agreement, and Buyer shall not have any cure period for any such failure.

10.2 LIQUIDATED DAMAGES. IF ESCROW FAILS TO CLOSE DUE TO A BUYER DEFAULT WHICH IS NOT CURED PRIOR TO THE EXPIRATION OF ALL APPLICABLE NOTICE AND CURE PERIODS (SUCH BUYER DEFAULT TO INCLUDE, BUT NOT LIMITED TO, BUYER'S FAILURE TO TIMELY FUND THE PURCHASE PRICE AND ACQUIRE THE PROPERTY SUBSEQUENT TO BUYER PROVIDING A NOTICE OF APPROVAL), SELLER WILL BE DAMAGED AND WILL BE ENTITLED TO COMPENSATION FOR THOSE DAMAGES. SUCH DAMAGES WILL, HOWEVER, BE EXTREMELY DIFFICULT AND IMPRACTICAL TO ASCERTAIN FOR THE FOLLOWING REASONS: (A) THE DAMAGES TO WHICH SELLER WOULD BE ENTITLED IN A COURT OF LAW WILL BE BASED IN PART ON THE DIFFERENCE BETWEEN THE ACTUAL VALUE OF THE PROPERTY AT THE TIME SET FOR THE CLOSE OF ESCROW AND THE PURCHASE PRICE FOR THE PROPERTY AS SET FORTH IN THIS AGREEMENT; (B) PROOF OF THE AMOUNT OF SUCH DAMAGES WILL BE BASED ON OPINIONS OF VALUE OF THE PROPERTY, WHICH CAN VARY IN SIGNIFICANT AMOUNTS; AND (C) IT IS IMPOSSIBLE TO PREDICT AS OF THE DATE ON WHICH THIS AGREEMENT IS MADE WHETHER THE VALUE OF THE PROPERTY WILL INCREASE OR DECREASE AS OF THE DATE SET FOR THE CLOSE OF ESCROW. FURTHERMORE, BUYER ACKNOWLEDGES SELLER HAD OTHER OPPORTUNITIES TO SELL THE PROPERTY AND RELIED UPON THE REPRESENTATIONS OF BUYER THAT IT WOULD PERFORM AND PURCHASE THE PROPERTY FROM SELLER. BUYER DESIRES TO LIMIT THE AMOUNT OF DAMAGES FOR WHICH BUYER MIGHT BE LIABLE SHOULD BUYER BREACH THIS AGREEMENT. BUYER AND SELLER WISH TO AVOID THE COSTS AND LENGTHY DELAYS WHICH WOULD RESULT IF

Table of Contents

SELLER FILED A LAWSUIT TO COLLECT ITS DAMAGES FOR A BREACH OF THIS AGREEMENT.

THEREFORE, THE SUM REPRESENTED BY THE BUYER'S DEPOSIT SHALL NOT BE DEEMED OR INTENDED TO BE A FORFEITURE OR PENALTY WITHIN THE MEANING OF CALIFORNIA CIVIL CODE SECTION 3275 OR 3369, BUT IS INTENDED TO CONSTITUTE A REASONABLE ESTIMATE OF SELLER'S DAMAGES UNDER THE PROVISIONS OF SECTION 1671 OF THE CALIFORNIA CIVIL CODE AND, EXCEPT AS PROVIDED BELOW, SELLER'S SOLE AND EXCLUSIVE REMEDY IN THE EVENT OF THE FAILURE TO CLOSE ESCROW RESULTING FROM ANY REASONS SHALL BE LIMITED TO SUCH AMOUNT, PROVIDED, HOWEVER, THAT THE PARTIES AGREE THAT, IN NO EVENT, SHALL THIS LIQUIDATED DAMAGES PROVISION APPLY TO ANY BREACH OF BUYER'S INDEMNIFICATION OBLIGATIONS UNDER THE ACCESS AGREEMENT AND SECTION 2.5 OF THIS AGREEMENT; PROVIDED FURTHER THAT IN NO EVENT SHALL SELLER BE ENTITLED TO RECEIVE OR RECOVER FROM BUYER ANY CONSEQUENTIAL, PUNITIVE, SPECIAL, EXEMPLARY OR INDIRECT DAMAGES, OR LOST PROFITS. BUYER HAS REVIEWED THE EFFECT OF THIS PROVISION WITH LEGAL COUNSEL AND HAS AGREED THAT SUCH DAMAGES ARE A REASONABLE AND FAIR ESTIMATE OF THE DAMAGES SELLER WILL SUSTAIN. BY INITIALING THIS PROVISIONS IN THE SPACES BELOW, SELLER AND BUYER EACH SPECIFICALLY AFFIRM THEIR RESPECTIVE AGREEMENTS CONTAINED IN THIS SECTION.

10.3 BREACH BY SELLER. IF SELLER DEFAULTS IN THE PERFORMANCE OF ANY OF ITS OBLIGATIONS PURSUANT TO THIS AGREEMENT, AND THE CLOSING OF THE SALE OF THE PROPERTY FAILS TO OCCUR BY REASON THEREOF, AND SELLER FAILS TO CURE THE DEFAULT WITHIN TEN (10) DAYS AFTER RECEIPT OF WRITTEN NOTICE THEREOF FROM BUYER, BUYER'S SOLE REMEDY SHALL BE EITHER: (A) TO TERMINATE THIS AGREEMENT BY WRITTEN NOTICE DELIVERED TO SELLER AND ESCROW AGENT AND TO RECOVER THE DEPOSIT AND BUYER'S ACTUAL OUT-OF-POCKET EXPENSES INCURRED IN CONNECTION WITH ITS EVALUATION OF THE PROPERTY UP TO A MAXIMUM OF SEVENTY-FIVE THOUSAND DOLLARS (\$75,000); OR (B) TO ENFORCE SPECIFIC PERFORMANCE (INCLUDING A LIS PENDENS AGAINST THE PROPERTY) OF SELLER'S OBLIGATIONS UNDER THIS AGREEMENT, SO LONG AS BUYER (I) IS READY, WILLING, AND ABLE TO PERFORM; AND (II) IS NOT IN MATERIAL DEFAULT OF THIS AGREEMENT. BUYER ACKNOWLEDGES THAT EACH OF THE FOREGOING CONDITIONS IS IN EVERY DETAIL MATERIAL TO SELLER, AND THEREFORE, IF BUYER FAILS TO SATISFY ANY ONE OF SUCH CONDITIONS, SELLER SHALL BE ENTITLED TO AN IMMEDIATE DISMISSAL OF ANY SUCH ACTION AND AN IMMEDIATE EXPUNGEMENT OF ANY LIS PENDENS. BUYER SHALL NOT HAVE THE RIGHT TO RECOVER DAMAGES OF ANY KIND OR TO OBTAIN OTHER EQUITABLE RELIEF, INCLUDING, WITHOUT LIMITATION, ANY

EQUITABLE ADJUSTMENT TO THE TERMS OF THE SALE OF THE PROPERTY, IN CONNECTION WITH ANY SUCCESSFUL ACTION FOR SPECIFIC PERFORMANCE. EXCEPT TO THE EXTENT PERMITTED ABOVE, BUYER SHALL NOT (X) PREPARE, FILE OR RECORD A LIS PENDENS AGAINST THE PROPERTY; OR (Y) BE ENTITLED TO THE AWARD OF ANY DAMAGES. BUYER ACKNOWLEDGES THAT A MATERIAL INDUCEMENT TO SELLER'S DECISION TO SELL THE PROPERTY TO BUYER IS THE AGREEMENT OF BUYER NOT TO IMPEDE OR INTERFERE WITH A SUBSEQUENT SALE OF THE PROPERTY, AND THAT SELLER WILL BE DAMAGED IN THE EVENT BUYER FAILS TO COMPLY WITH THE REQUIREMENTS OF THIS SECTION 10.3. BUYER SHALL NOT BE ENTITLED UNDER ANY CIRCUMSTANCES TO RECOVER ANY OTHER DAMAGES, INCLUDING PUNITIVE, SPECIAL, EXEMPLARY, OR INDIRECT DAMAGES, LOST PROFITS RELATING TO BUYER'S PROPOSED ACQUISITION OF THE PROPERTY OR ANY OTHER COMPENSATORY OR CONSEQUENTIAL DAMAGES, AND BUYER HEREBY EXPRESSLY AND KNOWINGLY WAIVES ANY AND ALL RIGHTS TO RECOVER ANY SUCH OTHER DAMAGES THAT MIGHT OTHERWISE EXIST, INCLUDING ANY RIGHTS UNDER CALIFORNIA CIVIL CODE SECTION 3306. SUBJECT TO SECTION 5.9 OF THIS AGREEMENT, NOTHING CONTAINED HEREIN SHALL LIMIT OR WAIVE BUYER'S RIGHTS AND REMEDIES FOR SELLER'S BREACH OF ANY EXPRESS REPRESENTATION OR WARRANTY SET FORTH IN THIS AGREEMENT.

If a Party so elects not to participate in the judicial reference proceeding, such Party will provide notice to the other Parties to the judicial reference proceeding that the Dispute will not be resolved by judicial reference. The consent or approval by Seller or Buyer to or of any act by the other party requiring consent or approval shall not be deemed to waive or render unnecessary consent or approval to or of any subsequent similar acts.

All indemnity obligations under this Agreement shall also include the costs of enforcing any indemnity. This Section is intended to be expressly severable from the other provisions of this Agreement, is intended to survive any judgment and is not to be deemed merged into the judgment.

3. Term.

3.1 This Lease shall take effect upon the date of execution hereof by each of the parties hereto, and each of the provisions hereof shall be binding upon and inure to the benefit of Landlord and Tenant from the date of execution hereof by each of the parties hereto.

3.2 The approximate term of this Lease is as set forth in Section 2.1.4. The actual term of this Lease will be that period from the Term Commencement Date through the Term Expiration Date, subject to earlier termination of this Lease or extension of the term of this Lease as provided herein.

4. Possession and Commencement Date.

4.1 Tenant acknowledges that it is currently in possession of the Premises and that Landlord's obligation to tender possession of the Premises to Tenant has been satisfied.

4.2 Landlord and Tenant shall execute a written acknowledgment of the Term Commencement Date and the Term Expiration Date when such is established, in substantially the form attached hereto as Exhibit A .

5. Rent.

5.1 Tenant agrees to pay Landlord as Basic Annual Rent for the Premises the sum set forth in Section 2.1.2, subject to the rental adjustments provided in Article 6. Table of Contents

5.3 Basic Annual Rent and Additional Rent shall together be denominated Rent. Except as expressly set forth in this Lease, Rent shall be paid to Landlord, without notice, demand, abatement, suspension, deduction, setoff, counterclaim, or defense except as set forth in this Lease or pursuant to law (unless otherwise set forth in this Lease), at the office of Landlord as set forth in Section 2.1.7 or to such other person or at such other place as Landlord may from time to time designate in writing.

5.4 In the event the term of this Lease commences or ends on a day other than the first day of a calendar month, then the Rent for such fraction of a month shall be prorated for such period on the basis of a thirty (30) day month and shall be paid at the then current rate for such fractional month prior to the commencement of the partial month.

5.5 This is an absolutely triple net lease to Landlord. It is the intent of the parties that the Basic Annual Rent payable under this Lease shall be a net return to Landlord and that Tenant shall pay all costs and expenses relating to the Premises unless otherwise expressly provided in this Lease.

6. Rental Adjustments. The initial Basic Annual Rent set forth in Section 2.1.2 shall be increased each year by three percent (3%). The first such increase shall become effective commencing with that monthly rental installment which is first due on or after the first (1st) annual anniversary of the Term Commencement Date and subsequent increases shall become effective on the same day of each calendar year thereafter for so long as this Lease continues in effect.

7. Additional Rent and Expenses.

7.1 Within fifteen (15) days after receipt of a statement or invoice from Landlord, Tenant shall pay to Landlord as Additional Rent, (i) reimbursement and expenses of Landlord's performance of any obligations of Tenant under this Lease, including but not limited to the provisions of Section 7.2, Article 13 (Taxes and Assessments subject to Section 13.3), Article 16 (Utilities and Services), Article 18 (Repairs and Maintenance), Article 22 (Damage or Destruction), and Section 24.3, and (ii) costs of management services in an amount not to exceed one percent (1%) of the then current Basic Annual Rent, per annum (Management Fee). Table of Contents

(vii) costs of maintenance and repairs of heating, ventilation, air conditioning, plumbing, electrical and other systems; (viii) costs of maintenance of landscape, grounds, drives and parking areas, including periodic resurfacing; (ix) assessments and other expenses payable pursuant to the Project Documents (described in Section 10.2 subject to Section 13.3); (x) costs of security services and devices; (xi) insurance premiums and portions of insured losses deductible by reason of insurance policy terms; (xii) costs of service contracts and services of independent contractors retained by Tenant to do work of a nature before referenced; (xiii) costs of compensation (including employment taxes and fringe benefits) of persons who perform regular and recurring duties connected with the day-to-day operation and maintenance exclusively of the Premises, including without limitation, janitors, floorwaxers, window-washers, watchmen, gardeners, sweepers, and handymen and (xiv) costs of compliance with new governmental laws, ordinances, regulations and requirements enacted after the Term Commencement Date.

7.3 The responsibility of Tenant for Operating Expenses attributable to the Premises shall continue until the date of termination of the Lease. Notwithstanding the foregoing, Tenant's obligations to pay Operating Expenses which accrue through the date of termination of the Lease, shall survive the termination of the Lease.

7.4 Operating Expenses for the calendar year in which Tenant's obligation to pay them commences and in the calendar year in which such obligation ceases shall be prorated. Within ten (10) days after written notice from Landlord (which, unless written notice of nonpayment is received from the provider of an Operating Expense, may be given no more than four (4) times per calendar year), Tenant shall deliver to Landlord evidence of the Tenant's payment of routine and/or monthly Operating Expenses.

7.5 In fulfilling its obligations set forth in Section 7.2 and Article 18, Tenant shall maintain the roof, HVAC system, elevator and other systems in accordance with no less than the minimum standards established by the manufacturer and the minimum standards necessary to maintain any warranties in effect, and in a commercially reasonable manner, and Tenant may enter into such maintenance contracts as Tenant determines is reasonably necessary to maintain the Premises in a first class condition. Landlord shall have the right, upon reasonable notice, to inspect and copy any such maintenance contracts, as well as records of maintenance conducted by Tenant or any such service provider. Within ten (10) days after written notice from Landlord to be given no more than one (1) time per calendar year, Tenant shall deliver to Landlord evidence of the current maintenance contracts, inspections, and services performed.

8. Tenant's Right to Inspect. Tenant shall have the right, upon reasonable notice, to inspect and copy documents showing in reasonable detail the actual expense paid by Landlord pursuant to Section 7.1 of this Lease, if any. Landlord shall maintain such documents as are reasonably necessary for such purpose for a period of not less than one (1) year. If, after such inspection, Tenant disputes the amount of Additional Rent payable by Tenant, Tenant shall be entitled to retain an independent nationally or regionally recognized certified public accountant to audit or review Landlord's records to determine the proper amount of Additional Rent. If such audit or review reveals that Landlord has overcharged Tenant, then within ten (10) business days after the results of such audit are made available to Landlord, Landlord shall reimburse Tenant the amount of such overcharge. If the audit reveals that Tenant was undercharged, then within ten (10) business days after the results of the audit are made available to Tenant, Tenant shall reimburse

Table of Contents

Landlord the amount of such undercharge. Tenant agrees to pay the cost of such audit if Tenant the Additional Rent is within 5% of the landlord's actual costs, and Landlord shall pay the cost of such audit if its actual costs are less than 95% or more than 105% of the Additional Rent charged to Tenant.

9. Security Deposit. There is no security deposit.

10. Use.

10.1 Tenant may use the Premises for any of those purposes, and only those purposes, allowed by (i) the City of San Diego Scientific Research Zone Ordinance in effect from time to time and as applicable to the Premises, (ii) any other applicable laws, regulations, ordinances, requirements, permits and approvals applicable to the Premises, and (iii) all covenants, conditions and restrictions in the Project Documents (defined in the following Section 10.2) or otherwise recorded against the Land, and shall not use the Premises, or permit or suffer the Premises to be used, for any other purpose without the prior written consent of Landlord, which consent shall not be unreasonably withheld. Landlord acknowledges that Tenant's activities may include scientific research and development pertaining to pharmaceuticals (including radio-active materials and other regulated substances), corporate and other office space, ancillary manufacturing capabilities, and a vivarium, subject to the terms, conditions and restrictions set forth in Article 33. Tenant may change the use of the Premises from time to time as long as such changed use is authorized by this Section 10.1, such use is legally permissible, and Tenant first obtains the written consent of Landlord, which consent shall not be unreasonably withheld.

10.2 Tenant shall conduct its business operations and use the Premises in compliance with all federal, state, and local laws, regulations, ordinances, regulations, requirements, permits and approvals applicable to the Premises, and the Project Documents described below. Tenant shall not use or occupy the Premises in violation of any law or regulation. Tenant shall immediately deliver to Landlord copies of all written notices pertaining to any alleged violation of federal, state or local laws, regulations, ordinances, requirements, permits, approvals or any alleged violation of any of the Project Documents.

Tenant shall comply with any direction of any governmental authority having jurisdiction which shall, by reason of the nature of Tenant's use or occupancy of the Premises, impose any duty upon Tenant or Landlord with respect to the Premises or with respect to the use or occupation thereof, including any duty to make structural or capital improvements, alterations, repairs and replacements to the Premises.

This Lease, and any sublease or assignment entered into by Tenant under the provisions of this Lease, shall be subject and subordinate to any of the Project Documents affecting the Property which may be amended or modified from time to time in a manner consistent with the terms and intent of such Project Documents.

Table of Contents

The Project Documents include the following documents, as they may be amended from time to time:

- (a) Hazardous Material Documents, as such are defined in Section 33.4;
- (b) Declaration of Covenants, Conditions and Restrictions for Torrey Pines Science Center (Unit 2) dated June 22, 1994, and recorded on June 27, 1994 as File No. 1994-0405385 of the Official Records of San Diego County, California (CC&Rs);
- (c) Articles of Incorporation and Bylaws of Torrey Pines Science Center Association for Unit 2;
- (d) Planned Industrial Development Permit No. 86-0884 and Planning Director Resolution No. 7658, dated September 26, 1988, as amended to incorporate the conditions of approval of Coastal Development Permit No. 6-88-504, and including a copy of the City regulations for the SR Zone, and amended PID 96-0738;
- (e) Coastal Development Permit No. 6-88-504, approved February 5, 1991, and all conditions of approval thereof;
- (f) Final Map No. 12845;
- (g) Parcel Map No. 17826;
- (h) Provisions of the SR Zone and other applicable zoning as such may be adopted or amended by the City of San Diego from time to time; and
- (i) All easements, agreements, declarations, covenants, conditions and restrictions of record as of the Term Commencement Date.

10.3 Tenant shall not do or permit to be done anything which will invalidate or increase the cost of any fire, extended coverage or any other insurance policy covering the Premises, or which will make such insurance coverage unavailable on commercially reasonable terms and conditions, and shall comply with all rules, orders, regulations and requirements of the insurers of the Premises.

10.4 Tenant shall comply with the Americans with Disabilities Act of 1990 (ADA), and the regulations promulgated thereunder, as amended from time to time. All responsibility for compliance with the ADA relating to the Premises and the activities conducted by Tenant within the Premises shall be exclusively that of Tenant and not of Landlord, including any duty to make structural or capital improvements (as set forth in Section 7.2 above), alterations, repairs and replacements to the Premises. Any alterations to the Premises made by Tenant for the purpose of complying with the ADA or which otherwise require compliance with the ADA shall be done in accordance with Article 17 of this Lease; provided, that Landlord's consent to such alterations shall not constitute either Landlord's assumption, in whole or in part, of Tenant's responsibility for compliance with the ADA, or representation or confirmation by

Table of Contents

Landlord that such alterations comply with the provisions of the ADA. However, nothing in this Lease shall be construed to require Tenant to make structural or capital improvements, alterations, repairs or replacements to comply with ADA unless and until Landlord or Tenant has received written notice of the need for such capital improvements, alterations, repairs or replacements from a court of law exercising proper jurisdiction with regard thereto, or from any government entity. Notwithstanding the foregoing, Tenant shall have the right to object to and defend against any such notice from a governmental entity, provided that (a) Tenant has good faith belief that such improvements, alterations, repairs or replacements are unnecessary and not required to comply with ADA and (b) Tenant agrees to indemnify and defend Landlord against and save Landlord harmless from all demands, claims, causes of action and judgments, and all reasonable expenses incurred in investigating or resisting the same (including reasonable attorneys' fees), relating to Tenant's objection or defense against any such notice from a governmental entity.

10.5 Tenant may maintain current signage and, subject to Landlord's reasonable approval, install additional signage on and about the Premises, to the extent permitted by, and in conformity with, applicable provisions of the Project Documents and the City of San Diego Sign Ordinance. Tenant acknowledges it is familiar with the restrictions of the Project Documents and the City of San Diego Sign Ordinance, and is not relying on any representations or warranty of Landlord regarding the number, size or location of any signage. No other sign, advertisement, or notice shall be exhibited, painted or affixed by Tenant on any part of the Premises which is visible from outside the Building, or any part of the exterior of the Building or elsewhere in the Premises, without the prior written consent of Landlord, which consent shall not be unreasonably withheld. The expense of design, permits, purchase and installation of any signs shall be the responsibility of Tenant and the cost thereof shall be borne by Tenant. At the termination of the Lease, all signs shall be the property of Tenant and may be removed from the Premises by Tenant, subject to the provisions of Article 28.

10.6 No equipment shall be placed at a location within the Building other than a location designed to carry the load of the equipment. Equipment weighing in excess of floor loading capacity shall not be placed in the Building.

11. Brokers. Other than Burnham Real Estate (Lynn LaChapelle, Robert Prendergast, Brent Jacobs, Greg Bisconti and Brian Cooper) on behalf of Tenant and Burnham Real Estate (Jed Stirnkorb) on behalf of Landlord, the parties represent and warrant one to the other that there have been no dealings with any real estate broker or agent in connection with the negotiation of this Lease. Tenant and Landlord shall each be responsible for any commission or other amount claimed by or due as set forth above. Each shall indemnify, defend, protect, and hold harmless the other from any claim of any broker as a result of any act or agreement of the indemnitor.

12. Holding Over.

12.1 If, with Landlord's written consent, Tenant holds possession of all or any part of the Premises after the expiration or earlier termination of this Lease, Tenant shall become a tenant from month to month upon the date of such expiration or earlier termination, and in such

Table of Contents

case Tenant shall continue to pay in accordance with Article 5 the Basic Annual Rent as adjusted from the Term Commencement Date in accordance with Article 6, together with Operating Expenses in accordance with Article 7 and other Additional Rent as may be payable by Tenant, and such month-to-month tenancy shall be subject to every other term, covenant and condition contained herein. Such continued occupancy with Landlord's consent shall include up to three (3) months so long as Tenant has given written notice to Landlord at least nine (9) months prior to such expiration or termination of the term.

12.2 If Tenant remains in possession of all or any portion of the Premises after the expiration or earlier termination of the term hereof without the express written consent of Landlord, Tenant shall become a tenant at sufferance upon the terms of this Lease as may be applicable to a tenant at sufferance and any such holdover shall not constitute an extension of this Lease; except that Tenant shall pay monthly rental for the first three (3) months shall be equal to one hundred twenty percent (120%) of the Basic Annual Rent in effect during the last twelve (12) months of the Lease term, and thereafter shall be equal to one hundred fifty percent (150%) of the Basic Annual Rent in effect during the last twelve (12) months of the regular Lease term. In addition, if Landlord delivers ninety (90) days prior written notice to Tenant that a specifically identified successor occupant is ready, willing and able to move in and occupy the Premises upon the expiration or termination of the term hereof, then Landlord may pursue any and all legal remedies available to Landlord under applicable law with respect to such unconsented holding over by Tenant, may recover all damages, direct or consequential resulting therefrom, and Tenant shall indemnify, defend, and hold Landlord harmless from and against any losses, damages, or claims related thereto.

12.3 Acceptance by Landlord of Rent after such expiration or earlier termination shall not result in a renewal or reinstatement of this Lease.

12.4 The foregoing provisions of this Article 12 are in addition to and do not affect Landlord's right to re-entry or any other rights of Landlord under Article 24 or elsewhere in this Lease or as otherwise provided by law.

13. Taxes and Assessments.

13.1 Landlord shall direct the applicable tax authority to submit the appropriate bill/invoice directly to Tenant at the address identified herein. Upon receipt of such bill or invoice, Tenant shall pay and discharge as they become due, before delinquency, all taxes, assessments, rates, charges, license fees, municipal liens, levies, excises or imposts, whether general or special, or ordinary or extraordinary, of every name, nature, and kind whatsoever, including all governmental charges of whatsoever name, nature, or kind, which may be levied, assessed, charged, or imposed, or may become a lien or charge on the Premises, or any part thereof, or any improvements now or hereafter thereon, or on Landlord by reason of its ownership, leasing, renting or operating of the Premises or any part thereof, during the entire term hereof, saving and excepting only those taxes hereinafter in this Article 13 specifically excepted (the

Taxes). Taxes include, without limitation, real estate taxes, Mello-Roos, supplemental taxes, personal property taxes, sewer rents, water rents, assessments (special or otherwise), transit taxes, any tax or charge for fire protection, streets, sidewalks, road

maintenance, refuse or other service, any tax imposed upon this transaction, any tax or excise or rent or any other tax or fee (however described) on account of rental received for use and occupancy of any or all of the Project, whether any such taxes are imposed by the United States, the state, any local governmental municipality, county or authority or agency, or any other political subdivision of any thereof, saving and excepting only those taxes hereinafter in this Article 13 specifically excepted. Taxes shall also include all reasonable costs and expenses (including, without limitation, legal fees and court costs) charged for the protest or the reduction of any of the aforesaid taxes by Tenant, whether such protest or reduction is ultimately successful or not.

13.2 Specifically and without in any way limiting the generality of the foregoing, Tenant shall pay any and all special assessments or levies or charges made by any municipal or political subdivision for local improvements, and shall pay the same in cash as they shall fall due and before they shall become delinquent and as required by the act and proceedings under which any such assessments or levies or charges are made by any municipal or political subdivision. If the right is given to pay either in one sum or in installments, Tenant may elect either mode of payment and its election shall be binding on Landlord. If by making an election to pay in installments, any of the installments shall be payable after the termination of this Lease or any extended term thereof, the unpaid installments shall be prorated as of the date of termination, and amounts payable after said date shall be paid by Landlord. All other taxes and charges payable under this Article 13 shall be prorated as of and payable at the commencement and expiration of the term of this Lease, as the case may be. Landlord shall not during the term of this Lease undertake any action to place any special assessments, levies or charges on the Premises without first obtaining the prior written approval of Tenant, other than those payable under any of the Project Documents, and those imposed by the City of San Diego or other government entity over which Landlord has no control. If Landlord does undertake such action without Tenant's approval, Landlord, and not Tenant, shall pay any special assessments, levies or charges sought by such action.

13.3 Anything in this Article 13 to the contrary notwithstanding, Tenant shall not be required to pay (i) any estate, gift, inheritance, succession, franchise, income, or excess profits taxes that may be payable by Landlord or Landlord's legal representative, successors, or assigns, or (ii) any increases in Real Property Taxes and Assessments caused by any sale, transfer or other Change in Ownership (as such term is used in California Revenue & Taxation Code Sections 60 *et seq.*) of the Building or Premises occurring more than five (5) years after the Term Commencement Date, except for the sale of the Premises by Nexus Equity VI, LLC, a California limited liability company (Nexus), to Landlord.

13.4 Any and all rebates on account of the Taxes paid by Tenant under the provisions of this Lease shall belong to Tenant, and Landlord will, on the request of Tenant, execute any receipts, assignments, or other acquaintances that may be necessary in order to secure the recovery of the rebates, and will pay over to Tenant any rebates that may be received by Landlord.

13.5 Upon written notice from Landlord to Tenant, within ninety (90) days following the conclusion of each calendar year during the term of this Lease, and at such more

frequent times as Landlord may reasonably request, Tenant shall obtain and deliver to Landlord receipts or duplicate receipts or copies thereof evidencing payment of the Taxes and other items required hereunder to be paid by Tenant, together with an accounting showing in reasonable detail the Taxes and other items paid.

13.6 If Tenant shall in good faith desire to contest the validity or amount of any of the Taxes, or other governmental charge herein agreed to be paid by Tenant, Tenant shall be permitted to do so, and to defer the payment of said tax or charge, the validity or amount of which Tenant is so contesting, until final determination of the contest, by giving to Landlord written notice thereof prior to the commencement of any contest, which shall be at least fifteen (15) days prior to delinquency, and by protecting Landlord on demand by a good and sufficient surety bond against any tax, levy, assessment, rate or governmental charge, and from any costs, penalties, interest, liability, or damage arising out of a contest. Landlord shall not be required to join in any proceeding or contest brought by Tenant unless the provisions of any law require that the proceeding or contest be brought by or in the name of Landlord. In that case, Landlord shall join in the contest or permit it to be brought in Landlord's name, provided that Tenant pay Landlord's reasonable costs and expenses associated with the proceeding or contest and that Tenant indemnifies Landlord against any liability associated with such proceeding or contest. Tenant, on final determination of the contest, shall immediately pay or discharge any decision or judgment rendered, together with all costs, charges, interest and penalties incidental to the decision or judgment. If Landlord shall in good faith decide to contest the validity or amount of any of the Taxes, Tenant shall only be liable for the reasonable expenses incurred by Landlord for such contest to the extent of any resulting savings in a revised, lower Tax amount for the first year of such lower amount. All other expenses of such Landlord contest shall be borne by Landlord.

13.7 To the extent Tenant fails to make any payment required by this Article 13 and Landlord does so on Tenant's behalf, Tenant shall reimburse Landlord for the cost thereof pursuant to the provisions of Sections 7.1 and 24.3 of this Lease.

13.8 Tenant shall pay prior to delinquency, all taxes charged against trade fixtures, furnishings, equipment and all other personal property belonging to Tenant. Tenant shall attempt to have such personal property taxed separately from the Premises. If any such taxes on Tenant's personal property are levied against and previously paid by Landlord or the Premises, then Tenant shall, upon demand, repay to Landlord the taxes levied against Landlord within fifteen (15) days after Tenant receives a written statement from Landlord for such personal property taxes.

14. Condition of Premises.

14.1 Tenant acknowledges and agrees that Tenant is taking possession of the Premises in their as-is condition and that neither Landlord nor any agent of Landlord has made any representation or warranty, express or implied, with respect to the condition of the Premises, or with respect to their suitability for the conduct of Tenant's business.

14.2 Tenant's taking possession of the Premises shall constitute acceptance of the Premises in the condition in which they then exist, and shall waive any right or claim Tenant

may have against Landlord for any cause directly or indirectly arising out of the condition of the Premises, appurtenances thereto, the improvements thereon and the equipment thereof.

14.3 Landlord hereby assigns to Tenant, and Tenant shall have the benefit of, on a non-exclusive basis, any and all warranties with respect to the design, materials and construction of the Premises which are assignable to Tenant. Landlord and Tenant agree to cooperate with regard to the enforcement of all such warranties, rights and claims. All such warranties, rights and claims shall revert to Landlord exclusively upon the expiration or earlier termination of this Lease. Tenant shall comply with whatever maintenance and similar standards are required to maintain any applicable warranties in affect.

14.4 Landlord shall not be sued or named as a party in any suit or action to enforce any such warranty except as may be necessary to secure jurisdiction of Landlord or to the extent necessary to enforce any such warranty. Landlord shall not be required to answer or otherwise plead to any complaint and no judgment will be taken or writ of execution levied against Landlord with respect thereto. Without limited the foregoing, Tenant shall (i) not name Landlord as a party or participant in any suit or action to such warranty except as may be necessary to secure jurisdiction of Landlord or to the extent necessary to enforce any such warranty, (ii) Tenant shall indemnify, defend and hold harmless Landlord against any claims, suits or actions related to the enforcement of any such warranties.

14.5 At the expiration, or earlier termination of this Lease, or upon the exercise of any right of Landlord to dispossess Tenant from the Premises, Tenant shall surrender the Premises in good and clean condition and repair, ordinary wear and tear, casualty and condemnation excepted, and in accord with the requirements of this Lease, including Article 33 hereof.

15. Parking Facilities. Parking on the existing surface parking area of the Premises shall be provided to Tenant and Tenant shall not place any equipment, storage containers or any other property on the surface parking area except as allowed by the Project Documents or approved by Landlord, which approval shall not be unreasonably withheld.

16. Utilities and Services.

16.1 Whenever possible, Tenant shall pay directly to the provider for all water, gas, electricity, telephone, sewer, and other utilities which may be furnished to the Premises during the term of this Lease, together with any taxes thereon. In the event that for any reason Tenant cannot be billed directly, Landlord shall forward each bill with respect to the Premises to Tenant and Tenant shall pay it promptly in accordance with its terms.

16.2 Landlord shall not be liable for, nor shall any eviction of Tenant result from, any failure of any such utility or service, and in the event of such failure Tenant shall not be entitled to any abatement or reduction of Rent, nor be relieved from the operation of any covenant or agreement of this Lease, and Tenant waives any right to terminate this Lease on account thereof, provided, however, if any such failure is due to the gross negligence or willful misconduct of Landlord, and such failure continues beyond three (3) consecutive calendar days, then Rent shall be equitably abated until uninterrupted service is restored. Tenant acknowledges

and agrees that it shall insure against any risks it determines are necessary to be insured against pursuant to this Section 16.2.

17. Alterations.

17.1 Tenant shall make no alterations, additions or improvements (hereinafter in this section, improvements) in or to the Premises, other than interior non-structural alterations, additions or improvements costing less than Fifty Thousand Dollars (\$50,000) (Permitted Alterations), without notice to Landlord. For any alteration not a Permitted Alteration, Tenant shall deliver notice to Landlord, with plans and specifications and working drawings for the improvements.

17.2 The improvements shall be constructed only by licensed contractors. Tenant shall cause any such contractor must have in force a general liability insurance policy of not less than \$3,000,000, property damage insurance, and other insurance or at such higher limits as Landlord may reasonably require, which policy of insurance shall name Landlord, Landlord s property manager and lender, as an additional insured. Except for the negligence or willful misconduct of Landlord s Agents (as hereinafter defined), each contractor, and Tenant with respect to any activity of each contractor, shall indemnify defend and hold Landlord and Landlord s Agents harmless from and against any and all claims, demands, liabilities, damages, actions, losses, costs and expenses (including, but not limited to, reasonable attorneys fees), to the extent arising out of or in connection with the presence on the Premises of, and the actions or failures to act of, such contractors or subcontractors. Tenant shall provide Landlord with the name of all contractors prior to the commencement of construction. Tenant shall maintain, and shall provide copies to Landlord of, all plans, specifications, drawings (including, particularly, as-builts) of any and all improvements, alterations, additions, renovations, repairs, installations of fixtures or other equipment and the like for which as-built drawings are typically provided. Landlord shall be permitted to observe any and all such work by Tenant on the Premises so long as Landlord does not interfere with or hinder any of Tenant s use or occupancy of the Premises, or the work of construction.

17.3 Tenant agrees that any work by Tenant shall be accomplished in such a manner as to permit any fire sprinkler system and fire water supply lines to remain fully operable at all times except when minimally necessary for building reconfiguration work.

17.4 Tenant covenants and agrees that all work done by Tenant shall be performed and completed in substantial compliance with the plans and specifications and in compliance with all laws, rules, orders, ordinances, directions, regulations, permits, approvals, and requirements of all governmental agencies, offices, departments, bureaus and boards having jurisdiction, and in substantial compliance with the rules, orders, directions, regulations, and requirements of any applicable fire rating bureau.

17.6 All alterations, additions and improvements installed in, on or about the Premises, shall be part of the Building and shall be the property of Landlord.

17.7 Notwithstanding anything herein to the contrary, upon the expiration or termination of the Lease term, Tenant shall surrender the Premises containing at least as much laboratory space as existed on the Premises on the Term Commencement Date, and the laboratory space will be of substantially the same character, quality, and utility as existed on the Term Commencement Date, ordinary wear and tear excepted.

18. Repairs and Maintenance.

18.1 Tenant shall, throughout the term of this Lease, at its own cost and expense (subject to recovery under any warranties assigned to Tenant under Section 14.3), and without any cost or expense to Landlord, keep and maintain in good, sanitary and neat order, and repair, the Premises and every part thereof (subject to wear and tear consistent with commercially reasonable maintenance and repair standards applicable to comparable buildings), including structural and capital improvements, all improvements, fixtures, equipment and personal property built or installed in the Premises, and all appurtenances thereto, including but not limited to sidewalks, parking areas, curbs, roads, driveways, lighting standards, landscaping, sewers, water, gas and electrical distribution systems and facilities, drainage facilities, and all signs, both illuminated and non-illuminated that are now or hereafter on the Premises. 19. Liens.

19.1 Tenant shall keep the Premises and every part thereof free from any encumbrances or any liens arising out of work performed, materials furnished or obligations incurred by Tenant. Tenant further covenants and agrees that any encumbrance or lien filed against the Premises (except to the extent caused by Landlord) will be discharged by Tenant, by bond or otherwise, within thirty (30) days after the filing thereof (or within ten (10) days after the filing thereof if requested by Landlord as necessary to facilitate a pending sale or refinancing), at the cost and expense of Tenant.

19.2 In the event Tenant shall lease or finance the acquisition of office equipment, furnishings, or other personal property utilized by Tenant in the operation of Tenant's business, Tenant warrants that any Uniform Commercial Code financing statement executed by Tenant will upon its face or by exhibit thereto indicate that such financing statement is applicable only to personal property of Tenant specifically described in the financing statement. Should any holder of a security agreement executed by Tenant record or place of record a financing statement which appears to constitute a lien against any interest of Landlord, Tenant shall within thirty (30) days after Landlord delivers notice thereof to Tenant, cause (1) copy of the security agreement or other documents to which the financing statement pertains to be furnished to Landlord to facilitate Landlord's being in a position to show such lien is not applicable to any interest of Landlord. Notwithstanding the foregoing, no such financing or grant of security interest shall attach to any such item which must remain on the Premises at the expiration or the earlier termination of this Lease (including, but not limited to, lab benches, fume hoods, cold rooms (including all equipment and ancillary items necessary to the proper functioning thereof) and wet laboratories (including all equipment and ancillary items necessary to the proper functioning thereof)), and Tenant shall execute such documents, in recordable form if necessary, to establish and provide notice of Landlord's prior and superior rights in this regard.

20. Indemnification and Exculpation.

20.1 Tenant agrees to indemnify Landlord, and its partners and affiliates, and their respective shareholders, directors, officers, agents, contractors and employees (collectively, Landlord's Agents), against, and to protect, defend, and save them harmless from, all demands, claims, causes of action, liabilities, losses and judgments, and all reasonable expenses incurred in investigating or resisting the same (including reasonable attorneys' fees), for death of or injury to person or damage to property arising out of (i) Tenant's use, occupancy, repairs, maintenance, and improvements of the Premises and all improvements, fixtures, equipment and personal property thereon, and (ii) any act or omission of Tenant, its shareholders, directors, officers, agents, employees, servants, contractors, invitees and subtenants. Tenant's obligation under this Section 20.1 shall survive the expiration or earlier termination of the term of this Lease.

20.2 Landlord agrees to indemnify Tenant and Tenant's shareholders, directors, officers, agents, and employees (collectively Tenant's Agents) against and save them harmless from all demands, claims, causes of action and judgments, and all reasonable expenses incurred in investigating or resisting the same (including reasonable attorneys' fees), for death of, or

Landlord's obligations under this Section 20.2 shall survive the expiration or earlier termination of the term of this Lease.

20.3 Notwithstanding any provision of Sections 20.1 and 20.2 to the contrary, Landlord shall not be liable to Tenant and Tenant assumes all risk of damage to any fixtures, goods, inventory, merchandise, equipment, records, research, experiments, animals and other living organisms, computer hardware and software, leasehold improvements, and other personal property of any nature whatsoever, and Landlord shall not be liable for injury to Tenant's business or any loss of income therefrom relative to such damage, unless caused by Landlord's or Landlord's Agents' willful misconduct or gross negligence.

21. Insurance Waiver of Subrogation.

21.1 Commencing on the Term Commencement Date, and continuing at all times during the term of this Lease, Tenant shall maintain, at Tenant's expense, commercial general liability insurance, on an occurrence basis, insuring Tenant and Tenant's agents, employees and independent contractors against all bodily injury, property damage, personal injury and other covered loss arising out of the use, occupancy, improvement and maintenance of the Premises and the business operated by Tenant on the Premises. Such insurance shall have a minimum combined single limit of liability per occurrence of not less than \$5,000,000.00 and a general aggregate limit of \$5,000,000.00. Such insurance shall: (i) name Landlord, and Landlord's lenders if required by such lenders, and any management company retained to manage the Premises if requested by Landlord, as additional insureds; (ii) include a broad form contractual liability endorsement insuring Tenant's indemnity obligations under Section 20.1; (iii) provide that it is primary coverage and noncontributing with any insurance maintained by Landlord or Landlord's lenders; and (iv) provide for severability of interests or include a cross-liability endorsement, such that an act or omission of an insured shall not reduce or avoid coverage of other insureds.

21.2 At all times during the term of this Lease, Tenant shall maintain, at Tenant's expense, all risk insurance, including, but not limited to, coverage against loss or damage by fire, vandalism, and malicious mischief covering the Building (exclusive of excavations, foundations and footings), Tenant's Improvements (whether owned by Landlord or Tenant), and all other improvements and fixtures that may be constructed or installed on the Premises, in an amount equal to the full replacement value thereof. The aforementioned all risk insurance policy shall include an agreed amount endorsement, and an inflation endorsement (if available for a commercially reasonable cost) and shall cover all acts of terrorism. At all times during the term of this Lease, Tenant shall maintain, at Tenant's expense, boiler and machinery coverage of not less than \$10,000,000. At all times during the course of any major demolition or construction permitted hereunder, or any restoration pursuant to Articles 22 or 23, Tenant shall maintain, at Tenant's expense, all risk builder's risk insurance, including, but not limited to, coverage against loss of damage by fire, vandalism and malicious mischief, covering

improvements in place and all material and equipment at the job site furnished under contract, in an amount equal to the full replacement value thereof. The insurance described in this Section 21.2 shall: (i) insure Landlord, and Landlord's lenders if required by such lenders, as their interests may appear; (ii) contain a Lender's Loss Payable Form (Form 438 BFU or equivalent) in favor of Landlord's lenders and (in the event there is no lender such Form shall be modified to insure Landlord interest in the same manner) name Landlord, or Landlord's lender if required by such lender, as the loss payee; (iii) provide for severability of interests or include a cross-liability endorsement, such that an act or omission of an insured shall not reduce or avoid coverage of other insureds; and (iv) provide that it is primary coverage and noncontributing with any insurance maintained by Landlord or Landlord's lenders, which shall be excess insurance. The proceeds of the insurance described in this Section shall be used for the repair, replacement and restoration of the Premises and Tenant's Improvements and other improvements and fixtures insured thereunder, as further provided in Article 22.

21.3 At all times during the term of this Lease, Tenant shall maintain, at Tenant's expense, business interruption insurance in order to insure that the Basic Annual Rent and Operating Expenses provided for hereunder will be paid for a period of not less than one (1) year after any casualty insured against by all risk policy of insurance described in Section 21.2 above or any restriction of access to the Premises as a result of such casualty and shall also insure the 365 days extended period of indemnity. The insurance described in this Section 21.3 shall: (i) insure Landlord, and Landlord's lenders if required by such lenders, as their interests may appear; (ii) contain a Lender's Loss Payable Form (Form 438 BFU or equivalent) in favor of Landlord's lenders and name Landlord, or Landlord's lender if required by such lender, as the loss payee; (iii) provide for severability of interests or include a cross-liability endorsement, such that an act or omission of an insured shall not reduce or avoid coverage of other insureds; and (iv) provide that it is primary coverage and noncontributing with any insurance maintained by Landlord or Landlord's lenders, which shall be excess insurance.

21.4 At all times during the term of this Lease, Tenant shall maintain, at Tenant's expense, all risk insurance against all other personal property, including trade fixtures, equipment and merchandise of Tenant in an amount equal to the full replacement value thereof.

21.5 At all times during the term of this Lease, Tenant shall maintain workers' compensation insurance in accordance with California law.

21.6 At all times during the term of this Lease, Tenant shall maintain seismic insurance, with coverage and in amounts as reasonably determined by Landlord and commercially reasonable. In addition, Landlord agrees to make available to Tenant information on inclusion of the Premises in Landlord's portfolio seismic insurance program, including expected cost.

21.7 All of the policies of insurance referred to in this Article 21 shall be written by companies authorized to do business in California and rated A (minus), VII, or better in Best's Insurance Guide. Each insurer referred to in this Article 21 shall agree, by endorsement on the applicable policy or by independent instrument furnished to Landlord, that it

will endeavor to give Landlord, and Landlord's lenders if required by such lenders, at least ten (10) days' prior written notice before the applicable policy shall be cancelled for non-payment of premium, and thirty (30) days' prior written notice before the applicable policy shall be cancelled or altered in coverage, scope, amount or other material term for any other reason (although any failure of an insurer to give notice as provided herein shall not be a breach of this Lease by Tenant). Tenant shall pay all of the premiums for such insurance and all deductible amounts provided for thereunder. Tenant shall deliver to Landlord, and to Landlord's lenders if required by such lenders, copies of the insurance policies, certified by the insurer, or certificates of liability and evidence of property (Form 27 or 28) evidencing such insurance policies, issued by the broker, together with evidence of payment of the required premiums, prior to the required date for commencement of such coverage. At least fifteen (15) days prior to expiration of any such policy, Tenant shall deliver to Landlord, and Landlord's lenders if required by such lenders, a certificate evidencing renewal, or a certified copy of a new policy or certificate of liability and evidence of property (Form 27 or 28) evidencing the same, together with evidence of payment of the required premiums. If Tenant fails to provide to Landlord any such policy or certificate by the required date for commencement of coverage, or within five (5) days prior to expiration of any policy, or to pay the premiums therefor when required, Landlord shall have the right, but not the obligation, to procure said insurance and pay the premiums therefor. Any premiums paid by Landlord shall be repaid by Tenant to Landlord with the next due installment of rent, and failure to repay the same shall have the same consequences as failure to pay any installment of Rent. Landlord reserves the right to change the coverages or increase the minimum limits required hereunder from time to time in a commercially reasonable manner, consistent with market and region where the Premises are located, and Tenant agrees to comply with any reasonable notice from Landlord to change the coverages or increase its policy limits within sixty (60) days of the date of Landlord's notice.

21.8 Tenant may provide the property insurance required under this Article 21 pursuant to a so-called blanket policy or policies of property insurance maintained by Tenant; provided, however, that the amount and type of coverage afforded to the Landlord shall not be reduced or adversely affected from that which would exist under a separate policy or policies meeting all of the requirements of this Lease by reason of the use of a blanket policy of property insurance, and provided further that the requirements of this Article 21 are otherwise satisfied.

21.9 Landlord and Tenant each hereby waive any and all rights of recovery against the other or against the officers, directors, partners, employees, agents, and representatives of the other, on account of loss or damage (including any claims for bodily injury to persons and/or damage to property) occasioned to such waiving party or its property or the property of others under its control, to the extent that such loss or damage is caused by or results from risks insured against under any insurance policy which insures such waiving party at the time of such loss or damage, which waiver shall continue in effect as long as the parties' respective insurers permit such waiver under the terms of their respective insurance policies or otherwise in writing. Any termination of such waiver shall be by written notice as hereinafter set forth. Prior to obtaining policies of insurance required or permitted under this Lease, Landlord and Tenant shall give notice to the insurers that the foregoing mutual waiver is contained in this Lease, and each party shall use its best efforts to cause such insurer to approve such waiver in writing and to cause each insurance policy obtained by it to provide that the insurer waives all

Table of Contents

right of recovery by way of subrogation against the other party. If such written approval of such waiver of subrogation cannot be obtained from any insurer or is obtainable only upon payment of an additional premium which the party seeking to obtain the policy reasonably determines to be commercially unreasonable, the party seeking to obtain such policy shall notify the other thereof, and the latter shall have twenty (20) days thereafter to either: (i) identify other insurance companies reasonably satisfactory to the other party that will provide the written approval and waiver of subrogation; or (ii) agree to pay such additional premium. If neither (i) nor (ii) are done, the mutual waiver set forth above shall not be operative, and the party seeking to obtain the policy shall be relieved of the obligation to obtain the insurer's written approval and waiver of subrogation with respect to such policy during such time as such policy is not obtainable or is obtainable only upon payment of a commercially unreasonable additional premium as described above. If such policies shall at any subsequent time be obtainable or obtainable upon payment of a commercially reasonable additional premium, neither party shall be subsequently liable for failure to obtain such insurance until a reasonable time after notification thereof by the other party. If the release of either Landlord or Tenant, as set forth in the first sentence of this Section 21.8, shall contravene any law with respect to exculpatory agreements, the liability of the party in question shall be deemed not released but shall be secondary to the other's insurer.

22. Damage or Destruction.

22.1 Tenant shall give written notice to Landlord immediately upon any damages to or destruction of the Premises if the loss sustained exceeds One Hundred Thousand Dollars (\$100,000). Except with regard to Material Damage as defined in Section 22.2 below, in the event of damage to or destruction of all or any portion of the Premises or the improvements and fixtures thereon (collectively, "improvements"), Tenant shall within a reasonable time (not to exceed 365 days from the date of the casualty) commence and proceed in a commercially reasonable manner to repair, reconstruct and restore (collectively, "restore") such improvements to substantially the same condition and utility as they were in immediately prior to the casualty so long as the insurance proceeds plus the deductible for which Tenant is responsible are sufficient to cover the actual cost of restoration. Tenant acknowledges and agrees that it is required to maintain business interruption insurance and that Tenant shall not be entitled to any abatement of the Basic Annual Rent or Additional Rent as a result of (a) any insured casualty or (b) any uninsured casualty caused by Tenant's and Tenant's Agents' gross negligence or willful misconduct. In the event Tenant fails to restore the improvements within three hundred sixty five (365) days for the date of casualty, Landlord, without limiting any of its rights due to Tenant's default, may elect to complete the construction said improvements and Tenant shall assign all of the insurance proceeds to Landlord and Tenant shall pay to Landlord an amount equal to the deductible amount. Except as expressly set forth below, this Lease shall continue in full force and effect, notwithstanding such damage or destruction.

22.2 In the event of damage, destruction and/or restoration (i) renders unusable more than ten percent (10%) of the usable square feet of the Building, or (ii) the Premises cannot be fully repaired or restored within two hundred seventy (270) days after the occurrence of such damage ("Material Damage"), then Tenant shall have the right to terminate this Lease by giving written notice to Landlord of termination within ninety (90) days after the occurrence of such Material Damage ("Notice of Termination"). Termination of this Lease pursuant to this

Table of Contents

subsection shall be effective upon the termination date as set forth in Notice of Termination. In addition, in the event of Material Damage within the three (3) years just prior to the scheduled expiration of the term, Landlord may elect to terminate this Lease by written notice to Tenant within thirty (30) days after the occurrence of such Material Damage; provided, however, Tenant may negate such Landlord termination by, within thirty (30) days after receipt of such Landlord's notice, electing to extend the term of this Lease pursuant to Article 34 below. In the event this Lease is terminated pursuant to this Section 22, Tenant shall assign all insurance proceeds to Landlord and shall pay to Landlord an amount equal to the deductible amount of the all risk insurance described in Section 21.2 above.

22.3 In the event of any uninsured casualty, without limiting any of Landlord's rights hereof, Landlord shall have right to terminate this Lease upon written notice to Tenant; provided, however, Tenant may, at its option, elect to continue the Lease and negate such Landlord's decision to terminate by delivering written notice to Landlord within thirty (30) days of receipt of Landlord's notice and agreeing to pay unabated Rent from the date of receipt of Landlord's notice and all costs of repair of such uninsured casualty.

23. Eminent Domain.

23.1 In the event the whole of the Premises shall be taken for any public or quasi-public purpose by any lawful power or authority by exercise of the right of appropriation, condemnation or eminent domain, or sold to prevent such taking, Tenant or Landlord may terminate this Lease effective as of the date possession is required to be surrendered to said authority.

23.2 In the event of a partial taking of the Premises for any public or quasi-public purpose by any lawful power or authority by exercise of right of appropriation, condemnation, or eminent domain, or sold to prevent such taking, then Tenant may elect to terminate this Lease upon written notice of termination to Tenant. Termination pursuant to this section shall be effective as of the date possession is required to be surrendered to said authority.

23.3 In the event of a partial taking of the Premises for any public or quasi-public purpose by any lawful power or authority by exercise of right of appropriation, condemnation, or eminent domain, or sold to prevent such taking, that renders the Premises unsuitable for Tenant's business operations in Tenant's reasonable discretion, then Tenant may elect to terminate this Lease upon written notice of termination to Landlord. Termination pursuant to this Section shall be effective as of the date possession is required to be surrendered to said authority.

23.4 If upon any taking of the nature described in this Article 23 this Lease continues in effect, then Tenant shall restore the Building to a complete architectural whole and a functional condition and as nearly as reasonably possible to the condition existing before the taking (but only to the extent that sufficient condemnation proceeds are made available to Tenant), and Tenant shall restore the Tenant improvements which Tenant either constructed or paid for and Tenant's other alterations, additions and improvements to a complete architectural whole and a functional condition and as nearly as reasonably possible to the condition existing before the taking. Each party waives the provisions of Code of Civil Procedure

Section 1265.130, allowing either party to petition the Superior Court to terminate this Lease in the event of a partial condemnation of the Premises except in accordance with Article 23.

23.5 Landlord reserves all rights to any award or compensation for damage to the Improvements, the Premises, and the leasehold estate created by this Lease, accruing by reason of any taking in any public improvement, condemnation or eminent domain proceeding or in any other manner by exercise of the right of eminent domain or of anything lawfully done by public authority. Tenant shall have the right to make a separate claim in any condemnation proceeding for the unamortized or undepreciated value of the Tenant improvements and alterations paid for and owned by Tenant which Tenant may remove at the expiration or earlier termination of this Lease, and reasonable removal and relocation costs.

23.6 After any taking where this Lease continues in effect, Basic Annual Rent shall be abated proportionately on the basis of rental value of the Premises including improvements and features, as restored after the taking compared to the rental value of the Premises prior to such taking.

24. Defaults and Remedies.

24.1 Late payment by Tenant to Landlord of Rent and other sums due will cause Landlord to incur costs not contemplated by this Lease, the exact amount of which will be extremely difficult and impracticable to ascertain. Such costs include, but are not limited to, processing and accounting charges and late charges which may be imposed on Landlord by the terms of any mortgage or trust deed covering the Premises. Therefore, if any installment of Rent due from Tenant is not received by Landlord within ten (10) days of the date such payment is due, Tenant shall pay to Landlord interest at the rate of six percent (6%) per annum of the overdue Rent. In the event the Tenant's failure to pay Rent continues for sixty (60) days, the interest rate shall be increased to the lesser of (i) eighteen percent (18%) per annum or (ii) the maximum interest rate permitted by law, (the Default Rate). In the event Tenant fails to timely pay Rent on two or more occasions in any twelve month period, Tenant shall pay the Default Rate on all overdue Rent. The parties agree that this interest represents a fair and reasonable estimate of the costs that Landlord will incur by reason of late payment by Tenant.

24.2 No payment by Tenant or receipt by Landlord of a lesser amount than the rent payment herein stipulated shall be deemed to be other than on account of the rent, nor shall any endorsement or statement on any check or any letter accompanying any check or payment as rent be deemed an accord and satisfaction, and Landlord may accept such check or payment without prejudice to Landlord's right to recover the balance of such rent or pursue any other remedy provided. If at any time a dispute shall arise as to any amount or sum of money to be paid by Tenant to Landlord, Tenant shall have the right to make payment under protest and such payment shall not be regarded as a voluntary payment, and there shall survive the right on the part of Tenant to institute suit for recovery of the payment paid under protest.

24.3 If Tenant fails to pay any sum of money (other than Basic Annual Rent) required to be paid by it hereunder, or shall fail to perform any other act on its part to be performed hereunder, Landlord may, without waiving or releasing Tenant from any obligations of Tenant, but shall not be obligated to, make such payment or perform such act, provided, that

such failure by Tenant continued for ten (10) days after written notice from Landlord demanding performance by Tenant was delivered to Tenant, or that such failure by Tenant unreasonably interfered with the use or efficient operation of the Premises, or resulted or could have resulted in a violation of law or the cancellation of an insurance policy maintained by Landlord.

24.4 The occurrence of any one or more of the following events shall constitute a Default hereunder by Tenant:

(a) The failure by Tenant to make any payment of Rent, as and when due, where such failure shall continue for a period of ten (10) days after written notice thereof from Landlord to Tenant. Such notice shall be in lieu of, and not in addition to, any notice required under California Code of Civil Procedure Section 1161;

(b) The failure by Tenant to observe or perform any obligation other than described in Section 24.4(a) to be performed by Tenant, where such failure shall continue for a period of thirty (30) days after written notice thereof from Landlord to Tenant; provided, however, that if the nature of Tenant's default is such that more than thirty (30) days are reasonably required to cure the default, then Tenant shall not be deemed to be in default if Tenant shall commence such cure within said thirty (30) day period and thereafter diligently prosecute the same to completion. Such notice shall be in lieu of, and not in addition to, any notice required under California Code of Civil Procedure Section 1161;

(c) Tenant makes an assignment for the benefit of creditors;

(d) A receiver, trustee or custodian is appointed to, or does, take title, possession or control of all, or substantially all, of Tenant's assets;

(e) An order for relief is entered against Tenant pursuant to a voluntary or involuntary proceeding commenced under any chapter of the Bankruptcy Code;

(f) Any involuntary petition is filed against the Tenant under any chapter of the Bankruptcy Code and is not dismissed within sixty (60) days; or

(g) Tenant's interest in this Lease is attached, executed upon, or otherwise judicially seized and such action is not released within sixty (60) days of the action.

Notices given under this Section shall specify the alleged default and shall demand that Tenant perform the provisions of this Lease or pay the Rent that is in arrears, as the case may be, within the applicable period of time, or quit the Premises. No such notice shall be deemed a forfeiture or a termination of this Lease unless Landlord elects otherwise in such notice, and in no event shall a forfeiture or termination occur without such written notice.

24.5 In the event of a Default by Tenant, and at any time thereafter, and without limiting Landlord in the exercise of any right or remedy which Landlord may have, Landlord shall be entitled to terminate Tenant's right to possession of the Premises by any lawful means, in which case this Lease shall terminate and Tenant shall immediately surrender possession of the Premises to Landlord. In such event Landlord shall have the immediate right to re-enter and

remove all persons and property, and such property may be removed and stored in a public warehouse or elsewhere at the cost of, and for the account of Tenant, all without service of notice and without being deemed guilty of trespass, or becoming liable for any loss or damage which may be occasioned thereby. In the event that Landlord shall elect to so terminate this Lease, then Landlord shall be entitled to recover from Tenant all damages incurred by Landlord by reason of Tenant's default, including:

(a) The worth at the time of award of any unpaid Rent which had been earned at the time of such termination; plus

(b) The worth at the time of award of the amount by which the unpaid Rent which would have been earned after termination until the time of award exceeds the amount of such rental loss which Tenant proves could have been reasonably avoided; plus

(c) The worth at the time of award of the amount by which the unpaid Rent for the balance of the term after the time of award exceeds the amount of such rental loss which Tenant proves could have been reasonably avoided; plus

(d) Any other amount necessary to compensate Landlord for all the detriment proximately caused by Tenant's failure to perform its obligation under this Lease or which in the ordinary course of things would be likely to result therefrom, including, but not limited to, the cost of restoring the Premises to the condition required under the terms of this Lease; plus

(e) At Landlord's election, such other amounts in addition to or in lieu of the foregoing as may be permitted from time to time by applicable law.

As used in Subsections (a), (b) and (c), the "time of award" shall mean the date upon which the judgment in any action brought by Landlord against Tenant by reason of such default is entered or such earlier date as the court may determine. As used in Subsections (a) and (b), the "worth at the time of award" shall be computed by allowing interest at the Default Rate. As used in Subsection (c) above, the "worth at the time of award" shall be computed by taking the present value of such amount using the discount rate of the Federal Reserve Bank of San Francisco at the time of award plus one percentage point.

24.6 If Landlord does not elect to terminate this Lease as provided in Section 24.5, then Landlord may, from time to time, recover all Rent as it becomes due under this Lease.

24.7 In the event Landlord elects to terminate this Lease and relet the Premises, it may execute any new lease in its own name. Tenant hereunder shall have no right or authority whatsoever to collect any rent from such tenant. The proceeds of any such reletting shall be applied as follows:

First, to the payment of any indebtedness other than Rent due hereunder from Tenant to Landlord, including, but not limited to, storage charges or brokerage commissions owing from Tenant to Landlord as the result of such reletting;

Table of Contents

Second, to the payment of reasonable costs and expenses of reletting the Premises, including reasonable attorneys fees incurred by Landlord in connection with the retaking of the Premises and such reletting;

Third, to the payment of Rent and other charges due and unpaid hereunder; and

Fourth, to the payment of future Rent and other damages payable by Tenant under this Lease.

24.8 No waiver of any default of Tenant hereunder shall be implied from any acceptance by Landlord of any rent or other payments due hereunder or by any omission by Landlord to take any action on account of such default if such default persists or is repeated, and no express waiver shall affect defaults other than as specified in said waiver.

24.9 Termination of this Lease or Tenant's right to possession by Landlord shall not relieve Tenant from any liability to Landlord which has theretofore accrued.

24.10 Landlord shall not be in default unless Landlord fails to perform obligations required of Landlord within a reasonable time, but in no event later than thirty (30) days after written notice by Tenant specifying wherein Landlord has failed to perform such obligation; provided, however, that if the nature of Landlord's obligation is such that more than thirty (30) days are required for performance, then Landlord shall not be in default if Landlord commences performance within such thirty (30) day period and thereafter diligently prosecutes the same to completion.

24.11 In the event of any default on the part of Landlord, Tenant will give notice by registered or certified mail to any beneficiary of a deed of trust or mortgagee of a mortgage covering the Premises whose address shall have been furnished and shall offer such beneficiary and/or mortgagee a reasonable opportunity to cure the default, including time to obtain possession of the Premises by power of sale or a judicial action if such should prove necessary to effect a cure.

24.12 In the event of Landlord default, Tenant may pursue all rights and remedies available at law, or in equity.

25. Assignment or Subletting.

25.1 Except as hereinafter provided, Tenant shall not, either voluntarily or by operation of law, assign, sell, hypothecate or transfer this Lease, or sublet the Premises or any part thereof, or permit or suffer the Premises or any part thereof to be used or occupied as work space, storage space, concession or otherwise by anyone other than Tenant or Tenant's employees, without the prior written consent of Landlord in each instance, which consent shall not be unreasonably withheld, delayed or conditioned. Landlord agrees not to unreasonably withhold consent to any such assignment of this Lease or subletting of all or any portion of the Premises provided that Tenant requests the same in writing and provided that (i) at the time thereof, Tenant is not in default under this Lease, (ii) Landlord, in its reasonable discretion, determines that the reputation, business, proposed use of the Premises and financial

responsibility of the proposed assignee or sublessee, are commercially reasonable, (iii) any assignee or sublessee shall expressly assume all the obligations of this Lease on Tenant's part to be performed, or in the case of a sublease of less than all of the Premises, assume such obligations with respect to the relevant portion of the Premises, (iv) such consent, if given, shall not release Tenant or any guarantor of Tenant's obligation hereunder of any of its obligations under this Lease, including without limitation, its obligation to pay Rent, and (v) Tenant shall indemnify and hold Landlord harmless from any brokerage commissions due in connection with such assignment or subletting by virtue of Tenant's actions. Whether or not such conditions to assignment or subletting are met, Landlord, at its sole option, may elect to (x) terminate this Lease in the case of an assignment, or, (y) in the event of a sublease, the term of which ends during the last year of the Term, terminate this Lease with respect to the portion of the Premises subject to the proposed sublease, on the first day of the second calendar month next succeeding receipt of Tenant's written request for consent to assignment or subletting, to be effective unless Tenant elects to withdraw its request to sublease or assign, which election, if exercised by Landlord, shall be by written notice to Tenant given within twenty (20) days of receipt by Landlord of Tenant's request for such consent to assign or sublet. If Landlord elects to terminate this Lease in accordance with the foregoing sentence, then Landlord may lease the relevant portion of the Premises to the sublessee or assignee proposed by Tenant or any other person or entity.

25.2 Notwithstanding any provision in this Lease, Tenant may, without the consent of Landlord, assign, transfer or sublet this Lease or all or any part of the Premises to any entity substantially owned or controlled by Tenant, is under common control or ownership with Tenant, or owns or controls, directly or indirectly, the stock and assets of Tenant or into which Tenant is merged, with which Tenant is consolidated, or which acquires all or substantially all of the assets of Tenant, provided that (i) the assignee first executes, acknowledges and delivers to Landlord an agreement whereby the assignee agrees to be bound by all of the covenants and agreements in this Lease, and (ii) Tenant, as assignor or transferor, shall remain liable for performance of all obligations under the Lease (Permitted Transfer).

25.3 In the event Tenant desires to assign, sublease, hypothecate or otherwise transfer this Lease or sublet the Premises to an assignee or subtenant other than a Permitted Transfer, then at least twenty (20) days prior to the date when Tenant desires the assignment or sublease to be effective (the Assignment Date), Tenant shall give Landlord a notice (the Assignment Notice) which shall set forth the name, address and business of the proposed assignee or sublessee, information (including references and financial statements) concerning the reputation and financial ability of the proposed assignee or sublessee, the Assignment Date, and any ownership or commercial relationship between Tenant and the proposed assignee or sublessee.

25.4 Landlord in making its determination as to whether consent should be given to a proposed assignment or sublease, may give consideration to the reputation of a proposed successor, the financial strength of such successor (notwithstanding the assignor remaining liable for Tenant's performance), and any use which such successor proposes to make of the Premises. If Landlord fails to deliver written notice of its determination to Tenant within

twenty (20) days of the Landlord's receipt of the Assignment Notice (with the required information), Landlord shall be deemed to have approved the request.

25.5 The consent by Landlord to an assignment or subletting shall not relieve Tenant or any assignee of this Lease or sublessee of the Premises from obtaining the consent of Landlord to any further assignment or subletting or as releasing Tenant or any assignee or sublessee of Tenant from full and primary liability.

25.6 Any sublease of the Premises shall be subject and subordinate to the provisions of this Lease, shall not extend beyond the term of this Lease, and shall provide that the sublessee shall attorn to Landlord, at Landlord's sole option, in the event of the termination of this Lease. Landlord and any lender shall upon Tenant's request provide any subtenant of the entirety of the Premises with a recognition and nondisturbance agreement in the form as acceptable to Landlord in its reasonable discretion, on the condition that the sublessee agrees to attorn to Landlord on substantially the same terms and conditions as this Lease. Under no circumstance shall Landlord be required to remedy any of Tenant's defaults or otherwise assume any of Tenant's liability as sublandlord under any such sublease.

26. Attorney's Fees.

26.1 If either party becomes a party to any action or proceeding concerning this Lease or the Premises, or any part thereof, by reason of any act or omission of the other party or its authorized representatives, and not by any act or omission of the party that becomes a party to that litigation or any act or omission of its authorized representatives, as determined by the final decision of a court of competent jurisdiction, the party that is determined to have caused the other party to become involved in the litigation shall be liable to that party for reasonable attorneys' fees, expert witness fees, and court costs incurred by it in the litigation.

26.2 If either party commences an action or proceeding against the other party arising out of or in connection with this Lease, the prevailing party shall be entitled to have and recover from the other party reasonable attorneys' fees, expert witness fees and costs of suit.

27. Estoppel Certificate. Each party shall, within fifteen (15) days of written notice from the other party, execute, acknowledge and deliver to the other party a statement in writing on a form reasonably requested by a proposed lender, purchaser, assignee or subtenant (i) certifying that this Lease is unmodified and in full force and effect (or, if modified, stating the nature of such modification and certifying that this Lease as so modified is in full force and effect) and the dates to which the rental and other charges are paid in advance, if any, (ii) acknowledging that there are not, to each party's knowledge, any uncured defaults on the part of Landlord or Tenant hereunder (or specifying such defaults if any are claimed) and (iii) setting forth such further information with respect to this Lease or the Premises as may be reasonably requested thereon. Any such statement may be relied upon by any prospective lender, purchaser, assignee or subtenant of all or any portion of the Premises.

28. Removal of Property.

28.1 Upon the expiration of this Lease, Tenant shall remove all goods and effects of Tenant and all fixtures and items required to be removed pursuant to this Lease (including, but not limited to, any such removal required as a result of an election by Landlord to require such removal as contemplated in Section 17.6), and Tenant shall repair any damage caused by such removal (but Tenant shall not be required to repair, renovate or otherwise improve any other portion of the Premises except as required by the provisions of this Lease). Except as provided below and in Section 14.4, all trade fixtures and personal property owned by Tenant shall be and remain the property of Tenant, and may be removed by Tenant at the expiration of the term of this Lease, or at such earlier time as Tenant is not in default hereunder.

28.2 The Building and Improvements, and all fixtures and personal property owned by Landlord, shall be and remain the property of Landlord, and upon the expiration or earlier termination of this Lease, Tenant shall surrender the Premises, the Building and the Improvements, including any additions, alterations and improvements thereto, and all items attached thereto (including, but not limited to, sinks, lab benches, fume hoods, wet laboratories and cold rooms), in good, working and sanitary order, condition and repair, and as required by Section 14.4 hereof, ordinary wear and tear, casualty and condemnation excepted.

28.3 Notwithstanding Sections 28.1 and 28.2 hereof, Tenant may not remove any personal property if such removal would cause material damage to the Premises, unless such damages can be and is repaired by Tenant. Furthermore, Tenant shall repair any damage to the Premises caused by Tenant's removal of any such property, and shall, prior to the expiration or earlier termination of this Lease, restore and return the Premises to the condition they were in when first occupied by Tenant, reasonable wear and tear excepted. At a minimum, even if they are determined to be fixtures or personal property owned by Tenant, Tenant shall leave in place and repair any damage to the interior floors, walls and ceilings of the Premises. The provisions of Article 17 shall apply to any restoration work under this Article as if the restoration was an alteration, addition or improvement thereunder.

28.4 Tenant expressly waives any and all interest in any personal property and trade fixtures not removed from the Premises by Tenant at the expiration or termination of this Lease, agrees that any such personal property and trade fixtures may, at Landlord's election, be deemed to have been abandoned by Tenant, and authorizes Landlord (at its election and without prejudice to any other remedies under this Lease or under applicable law) to remove and either retain, store or dispose of such property and Tenant waives all claims against Landlord for any damages resulting from any such removal, storage, retention or disposal.

29. Quiet Enjoyment. So long as Tenant is not in default, Landlord covenants that Landlord or anyone acting through or under Landlord will not disturb Tenant's occupancy of the Premises, subject to all the terms and conditions of this Lease.

30. Subordination and Attornment.

30.1 Unless the mortgagee or beneficiary elects otherwise at any time prior to or following a default by Tenant, this Lease shall be subject to and subordinate to the lien of any

mortgage or deed of trust now or hereafter in force against the Premises or any portion thereof, and to all advances made or hereafter to be made upon the security thereof without the necessity of the execution and delivery of any further instruments on the part of Tenant to effectuate such subordination, provided that the lienholder, beneficiary, or mortgagee has previously executed and delivered to Tenant a non-disturbance, attornment, and subordination agreement in such form as the lienholder, beneficiary, or mortgagee may reasonably request and is approved by Tenant, which approval will not be unreasonably withheld, setting forth that so long as Tenant is not in default hereunder, Landlord's and Tenant's rights and obligations hereunder shall remain in force and Tenant's right to possession shall be upheld.

30.2 Notwithstanding the foregoing, Tenant shall execute and deliver within ten (10) days after demand such further instrument or instruments evidencing such subordination of this Lease to the lien of any such mortgage or deed of trust as may be required by Landlord, provided that the lienholder, beneficiary, or mortgagee has previously executed and delivered to Tenant a non-disturbance agreement in recordable form. However, if any such mortgagee or beneficiary so elects at any time prior to or following a default by Tenant, this Lease shall be deemed prior in lien to any such mortgage or deed of trust regardless of date and Tenant will execute a statement in writing to such effect at Landlord's request.

30.3 In the event any proceedings are brought for foreclosure, or in the event of the exercise of the power of sale under any mortgage or deed of trust made by the Landlord covering the Premises, the Tenant shall at the election of the purchaser at such foreclosure or sale attorn to the purchaser upon any such foreclosure or sale and recognize such purchaser as the Landlord under this Lease in accordance with the previously executed non-disturbance agreement described in Section 30.1 above.

31. Surrender.

31.1 No surrender of possession of any part of the Premises shall release Tenant from any of its obligations hereunder unless accepted by Landlord.

31.2 The voluntary or other surrender of this Lease by Tenant shall not work a merger, unless Landlord consents, and shall, at the option of Landlord, operate as an assignment to it of any or all subleases or subtenancies.

32. Waiver and Modification. No provision of this Lease may be modified, amended or added to except by an agreement in writing. The waiver by either party of any breach of any term, covenant or condition herein contained shall not be deemed to be a waiver of any subsequent breach of the same or any other term, covenant or condition herein contained.

33. Hazardous Material.

33.1 Tenant, at its sole cost, shall comply with all federal, state and local laws, statutes, ordinances, codes, regulations and orders relating to the receiving, handling, use, storage, accumulation, transportation, generation, spillage, migration, discharge, release and disposal of Hazardous Material (as hereinafter defined) in or about the Premises. Tenant shall not cause or permit any Hazardous Material to be brought upon, kept or used in or about the

Premises by Tenant, its agents, employees, contractors, invitees or subtenants, in a manner or for a purpose prohibited by any federal, state or local agency law.

33.2 Tenant shall immediately provide Landlord with telephonic notice, which shall promptly be confirmed by written notice, of any and all spillage, discharge, release and disposal of Hazardous Material onto or within the Premises, including the soils and subsurface waters thereof, which by law must be reported to any federal, state or local agency, and any injuries or damages resulting directly or indirectly therefrom. Further, Tenant shall deliver to Landlord, within ten (10) business days following Tenant's receipt, each and every notice or order, when said order or notice identifies a violation which may have the potential to adversely affect the Premises, received from any federal, state or local agency concerning Hazardous Material and the possession, use and/or accumulation thereof promptly upon receipt of each such notice or order by Tenant.

33.3 Tenant shall be responsible for and shall indemnify, protect, defend and hold harmless Landlord and Landlord's Agents from any and all liability, damages, injuries, causes of action, claims, judgments, costs, penalties, fines, losses, and expenses which arise during or after the term of this Lease and which result from Tenant's (or from Tenant's Agents, assignees, subtenants, employees, agents, contractors, licensees, or invitees) (i) receiving, handling, use, storage, accumulation, transportation, generation, spillage, migration, discharge, release or disposal of Hazardous Material in, upon or about the Premises in violation of the covenant set forth in Section 33.1 above and (ii) failure to comply with any of the provisions of this Article 33. Landlord shall be responsible for and shall indemnify, protect, defend and hold harmless Tenant on the same basis as above for any claims which result from Landlord's or from Landlord's Agents receiving, handling, use, storage, accumulation, transportation, generation, spillage, migration, discharge, release or disposal of Hazardous Material in, upon or about the Premises.

33.4 Tenant shall operate its business in compliance with all laws, rules, regulations, orders, and permits relating to with respect to any Hazardous Materials or Tenant's operations and Tenant's use or presence of Hazardous Material shall be properly monitored in accordance to all applicable governmental requirements. Tenant agrees to make available to Landlord at the Premises upon reasonable request a list identifying each type of Hazardous Material to be present in or upon the Premises and setting forth any and all governmental approvals or permits required in connection with the presence of Hazardous Material on the Premises (Hazardous Material Summary) and make available for review at the Premises the Hazardous Material business plan prepared pursuant to Health and Safety Code Section 25500 *et seq.* At Landlord's request, and at reasonable times, Tenant shall make available for review at the Premises to Landlord the latest available Hazardous Materials Summary and the following documents (hereinafter referred to as the Hazardous Material Documents) relating to the handling, storage, disposal and emission of Hazardous Material: permits; approvals; written notice of violations of any laws; plans relating to the installation of any storage tanks to be installed in or under the Premises (provided said installation of tanks shall be permitted only after Landlord has given Tenant its written consent to do so, which consent shall not be unreasonably withheld). Tenant shall not be required to show Landlord any portion of such documents which contain proprietary information. Landlord shall treat all information disclosed

Such study shall be based on a reasonable and prudent level of tests and investigations of the Premises which tests shall be conducted no earlier than three (3) months prior to the date of termination or expiration of this Lease. Liability for any remedial actions required or recommended on the basis of such study shall be immediately effected by Tenant. In addition to the foregoing, Tenant shall obtain all certificates, clearances and approvals, if any, required by any governmental agency verifying compliance by Tenant with any laws, rules or regulations governing Tenant's use and vacancy of the Premises.

33.7 Tenant shall surrender possession of the Premises in compliance with all laws, rules, regulations, orders, and permits regarding Hazardous Materials, and shall deliver to Landlord clearances and/or certificates of compliance from all applicable governmental agencies, including the State of California in accordance with the terms of the Decommissioning Funding Plan. Tenant shall cause to be removed from the Premises any and all hazardous substances (except for those hazardous substances located in building systems necessary or appropriate for proper operation, such as oil in mechanical systems, cooling towers, and elevator hydraulics) wherever located so that the Premises can be sold, or delivered to a new tenant, in an environmentally sound condition. Tenant shall indemnify, defend and hold Landlord harmless from and against any and all claims, losses, damages, liabilities, costs, legal fees and expenses of any sort arising out of or relating to Tenant's failure to effect the clean up, and assessments, and to obtain the clearances and certifications required by this Lease. If Tenant shall vacate the Premises without having effected such clean up and obtained such clearances and certifications, then Landlord may obtain same at Tenant's cost; Landlord's action in such regard shall not eliminate Tenant's liability to pay for same or to pay Rent as a holdover hereunder.

33.8 In the event of any third-party claims, losses, damages, liabilities, costs, legal fees and expenses of any sort (including, but not limited to, costs incurred with respect to any government-mandated remediation) (Claims), against either Landlord or Tenant or both, arising out of or relating to (i) the presence on the Premises of any Hazardous Material or wastes or radiation or radioactive materials (except to the extent the presence thereof is already covered by an express indemnification obligation under Section 33.3), and/or (ii) any unauthorized release into the environment of any hazardous substances or wastes or radiation or radioactive materials (except to the extent such release is already covered by an express indemnification obligation under Section 33.3), then (x) Landlord and Tenant shall cooperate reasonably and in good faith in the defense of such third-party claims, liabilities and related matters and (y) Tenant shall bear one hundred percent (100%) of the total claims, losses, damages, liabilities, costs, legal fees and expenses incurred by Landlord and/or Tenant in connection with matters covered by this Section 33.3. Notwithstanding any provision in this Lease to the contrary, Tenant shall be liable for Claims only to the extent any such Claim (a) reasonably relates to any time prior to

the Term Commencement Date and were caused by the actions of Tenant or Nexus, or (b) reasonably relates only to any time after the Term Commencement Date and was not caused by the negligence or intentional misconduct of Landlord or Landlord's Agents.

33.9 Tenant's obligations under this Article 33 shall survive the termination of the Lease.

34. Option to Extend.

34.1 Tenant has the right to extend the term of this Lease for two (2) five (5) year periods under the same terms and conditions existing in the original Lease (except for Basic Annual Rent) by Tenant giving written notice to Landlord (Notice of Exercise) no later than twelve (12) months prior to the end of the then current term (Extension Periods). The Basic Annual Rent for the Extension Periods shall be equal to ninety-five percent (95%) of the fair market value for rental of the Premises (Market Rent) measured nine (9) months prior to the commencement of any Extension Period. Within ten (10) days after a Notice of Exercise, Landlord shall propose a Market Rent from which the Basic Annual Rent for an Extension Period will be calculated. If Tenant does not approve of Landlord's proposed Market Rent, Tenant shall provide Landlord a counter-proposal of Market Rent within ten (10) days after receipt of Landlord's initial proposal. If the parties cannot agree on a Market Rent within ten (10) days after Tenant's initial counter-proposal, then Market Rent shall be determined by the procedure set forth in Section 34.2.

34.2 If the parties cannot agree on Market Rent pursuant to Section 34.1, then the Market Rent of the Premises shall be established promptly thereafter by the following appraisal method: Within ten (10) days after failure of the parties to agree on the Market Rent, Landlord and Tenant shall each appoint an appraiser to appraise the rental value of the Premises based on the terms set forth in this Lease (Appraisal) by delivering the appraiser's name to the other party. Each appraiser shall be an MAI appraiser with at least ten (10) years experience appraising rental values of similar properties in San Diego County, California (Qualified Appraiser). Failure by either party to timely appoint a Qualified Appraiser shall be deemed an acceptance of the other party's most recently delivered proposed Market Rent, but only after written notice to such party of such party's failure to appoint a Qualified Appraiser and ten (10) days have elapsed after the date of such written notice with such failure to appoint continuing. Each party's Qualified Appraiser shall perform an Appraisal of the Premises and each party's Qualified Appraiser shall deliver such appraisal to the other Qualified Appraiser and the other party on the fifteenth (15th) calendar day after the last Qualified Appraiser was appointed. If each Appraisal is timely provided and the Market Rent set forth in the lower of the two Appraisals is at least ninety-five percent (95%) of the higher appraisal, then the Market Rent of the Premises shall be the average of the two (2) Appraisals. Each Party shall be responsible for the cost of their respective Qualified Appraiser. Otherwise, the two (2) Qualified Appraisers shall select a third Qualified Appraiser who shall within ten (10) calendar days after the timely delivery of the first two Appraisals select one of the two (2) Appraisals as the Market Rent. The Parties shall split the costs of the third Qualified Appraiser.

34.3 Within fifteen (15) days after the determination of Market Rent and hence the 95% of Market Rent to be paid as Basic Annual Rent during an Extension Period, Tenant may, in its sole and absolute discretion, elect to withdraw and terminate its Notice of Exercise by delivering written notice thereof to Landlord.

35. Agreement for Right to Lease. Concurrently herewith, Landlord and Tenant are entering into an Agreement for Right to Lease the vacant property adjacent to the Premises known as Lot 14 (Lot 14).

36. Right to Use Lot 14. Subject to the further terms of this Section 36, Landlord hereby grants to Tenant (and its employees, invitees, guests, assignees, and subtenants) a license to enter upon Lot 14, use any facility improvement or amenity located thereon, and transport research material and equipment (Access Right). All terms and conditions of this Lease and obligations of Tenant (including without limitation, repair, maintenance, insurance and indemnification obligations) shall apply to the Access Right, except that Tenant shall not be required to pay any additional Rent or any Taxes assessed on Lot 14. One of the improvements on Lot 14 as of the Term Commencement Date is a gravel pathway. Landlord will use commercially reasonable efforts to keep such pathway open and usable during the Lease term. The Access Right shall continue unobstructed by Landlord until the earlier of (i) the expiration or earlier termination of this Lease, or (ii) the commencement of any construction of any improvements. Except for the Access Right, Tenant hereby waives and releases as interest in real property or other interest it may have in Lot 14. Tenant acknowledges that the Access Right is not an interest in real property, and will, at Landlord s request, execute commercially reasonable documents confirming the matter and the expiration or termination of the Access Right as set forth herein.

37. Miscellaneous.

37.1 **Terms and Headings.** Where applicable in this Lease, the singular includes the plural and the masculine or neuter includes the masculine, feminine and neuter. The section headings of this Lease are not a part of this Lease and shall have no effect upon the construction or interpretation of any part hereof.

37.3 **Time.** Time is of the essence with respect to the performance of every provision of this Lease in which time of performance is a factor.

37.8 **Recording**. On the Term Commencement Date, Landlord and Tenant shall record a Memorandum of Lease in the form of Exhibit B attached hereto (Memorandum).

37.9 **Impartial Construction**. The language in all parts of this Lease shall be in all cases construed as a whole according to its fair meaning and not strictly for or against either Landlord or Tenant.

37.10 **Inurement**. Each of the covenants, conditions, and agreements herein contained shall inure to the benefit of and shall apply to and be binding upon the parties hereto and their respective heirs, legatees, devisees, executors, administrators, successors, assigns, sublessees, or any person who may come into possession of said Premises or any part thereof in any manner whatsoever. Nothing in this Section 37.10 contained shall in any way alter the provisions against assignment or subletting in this Lease provided.

37.11 **Force Majeure**. If either party cannot perform any of its non-monetary obligations, or is delayed in such performance, due to events beyond such party's control, the time provided for performing such obligations shall be extended by a period of time equal to the delay attributable to such events, provided that such party shall use reasonable efforts to remove the cause of such delay and to resume the performance of any such obligations. Events beyond a party's control include, but are not limited to, acts of God (including earthquake), war, civil commotion, labor disputes, strikes, fire, flood or other casualty, shortage of labor or material, inability to obtain government permits or approvals within customary time frames, government regulation or restriction, and weather conditions.

Any notice, consent, demand, bill, statement, or other communication required or permitted to be given hereunder must be in writing and may be given by personal delivery, by facsimile transmission, or by mail, and if given by personal delivery or facsimile transmission shall be deemed given on the date of delivery or transmission, and if given by mail shall be deemed sufficiently given three (3) days after time when deposited in United States Mail if sent by registered or certified mail, addressed to Tenant at the Premises, or to Tenant or Landlord at the addresses shown in Section 2.1.6 hereof. Either party may, by notice to the other given pursuant to this Section, specify additional or different addresses for notice purposes.

37.13 **Authority to Execute Lease**. 37.14 **Right of Entry**. Landlord and its authorized representatives shall have the right to enter the Premises with two (2) business days prior notice (except in an emergency which threatens imminent damage to property or personal injury, in which event no such notice shall be required) during the Term of this Lease during normal business hours for the purpose of inspecting and determining the condition of the Premises or for any other proper purpose including, without limitation, to make repairs, replacements or improvements which Landlord may deem necessary, to show the Premises to prospective purchasers, to show the Premises to prospective tenants (but only during the final year of the Term of this Lease), and to post notices of nonresponsibility; if requested by Tenant, any such non-emergency entry shall be conducted with a representative of Tenant as long as Tenant is able to provide such representative at the time which Landlord wishes to effect its entry and inspection. Landlord shall use commercially reasonable efforts to not interfere with or hinder any of Tenant's normal business operations or employees, and shall not be liable for inconvenience, annoyance, disturbance, loss of business, quiet enjoyment or other damage or loss to Tenant by reason of such entry and inspection; provided, however, to the extent Landlord's entry or inspection materially interrupts Tenant's business operations, Rent shall be equitably abated (taking into consideration, among other things, the cause of such entry by Landlord) until such material interruption ceases.

37.15 **Financial Information**. Unless Tenant is a publicly traded entity, (a) from time to time Tenant shall provide directly to prospective lenders and purchasers of the Premises designated by Landlord such financial information pertaining to the financial status of Tenant as Landlord may reasonably request; provided, Tenant shall be permitted to provide such financial information in a manner which Tenant deems reasonably necessary to protect the confidentiality of such information, and (b) Tenant shall provide Landlord with such financial information pertaining to the financial status of Tenant as Landlord may reasonably request. Landlord agrees that all financial information supplied to Landlord by Tenant shall be treated as confidential material, and shall not be disseminated to any party or entity (including any entity affiliated with Landlord) without Tenant's prior written consent.

37.16 **Costs**. If Tenant requests the consent of the Landlord under any provision of this Lease for any act that Tenant proposes to do hereunder, including, without limitation, assignment or subletting of the Lease or Premises or construction of an alteration, Tenant shall, as a condition to doing any such act and the receipt of such consent, reimburse Landlord for reasonable costs and expenses incurred by Landlord in connection therewith, including, without limitation, reasonable attorneys' fees but not to exceed Five Thousand Dollars (\$5,000).

37.17 **Confidentiality**. Except if Tenant is a publicly traded entity, Landlord and Tenant each shall, and each shall cause its officers, directors, employees, agents, consultants, advisors, members, managers and representatives to, maintain the financial and business terms of this Lease, and all exhibits hereto, in strict confidence, not disclosing any of such information, nor providing copies of this Lease or any exhibits hereto, to any person or entity without the written permission of the other; provided, however, that either may make disclosure of such information to its existing and prospective lenders, financial partners, owners, members, managers, consultants, advisors, attorneys, accountants, underwriters and similar parties, to an entity involved in discussions concerning a merger, consolidation, acquisition or similar

AGREEMENT FOR RIGHT TO LEASE

THIS AGREEMENT FOR RIGHT TO LEASE (this Agreement) is made as of October ____, 2006, by and between Slough Estates USA Inc., a Delaware corporation (hereinafter Slough), and Ligand Pharmaceuticals Incorporated, a Delaware corporation (hereinafter Ligand), with reference to the facts set forth below.

RECITALS:

A. Pursuant to that certain Purchase Agreement and Escrow Instructions between Nexus Equity VI, LLC, a California limited liability company (Nexus), Ligand, and Slough dated October ____, 2006 (the Purchase Agreement), concurrently herewith Ligand is conveying to Slough certain real property (the Property) located in the City of San Diego, State of California, more particularly described on Exhibit A attached hereto and incorporated herein by this reference.

B. Concurrently with the conveyance of the Property from Ligand to Slough and also pursuant to the Purchase Agreement, Nexus is conveying to Slough certain real property (Lot 15) located in the City of San Diego, State of California, more particularly described in Exhibit B attached hereto and incorporated herein. Lot 15 is adjacent to the Property.

C. Concurrently with the conveyance of Lot 15 from Nexus to Slough, Slough and Ligand are entering into that certain Lease (Lot 15 Lease) for the lease of all of the improvements and land consisting of Lot 15.

D. As a material consideration to induce Ligand to convey the Property to Slough, Slough agreed that it would grant to Ligand the rights set forth herein in connection with any development on the Property of one or more commercial office buildings (Buildings).

E. Slough acknowledges that Ligand occupies the office building on Lot 15 and will continue to do so pursuant to the Lot 15 Lease, and that Ligand agreed to sell the Property to Slough in part in reliance on Slough's agreement to grant the rights set forth herein.

NOW, THEREFORE, in consideration of the foregoing and other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, including, without limitation, the sale of the Property to Slough, Slough hereby grants to Ligand a right of first offer to lease all or any portion of the Buildings (Right of First Offer) and a right of first refusal to lease all or any portion of the Buildings which become available for lease at any time (Right of First Refusal) on the terms and conditions set forth below.

ARTICLE 1

DEFINED TERMS

1.1 Defined Terms. Except as the context otherwise requires, all terms used herein shall have the same meanings as set forth herein.

Table of Contents

1.2 Transfer. The term transfer shall mean any lease, license, or permission to use all or any material portion of the Buildings for a term in excess of one (1) year; provided that the term transfer specifically excludes any sale or other conveyance of fee title to the Property.

1.3 Building Lease. The term Building Lease shall mean a lease for the portion of the Building subject to the Right of First Offer or the Right of First Refusal, as the case may be, which lease shall be similar in form and content to the Lot 15 Lease, except (x) to the extent set forth in Slough's Notice or Slough's Availability Notice, as the case may be, and (y) in the event Ligand exercises the Right of First Offer, the rent shall be the fair market rent for such space at the time of Slough's Notice.

ARTICLE 2

GRANT OF RIGHT OF FIRST OFFER AND RIGHT OF FIRST REFUSAL

2.1 Grant of Right of First Offer. Commencing on the date hereof, and continuing until term of the Lot 15 Lease expires or is earlier terminated, Ligand shall have a continuous Right of First Offer on any speculative Building constructed on the Property, it being understood that Ligand shall not have the Right of First Offer with respect to any building for which construction is commenced after a particular tenant or group of tenants has communicated to Slough its desire to occupy all or a portion of such building (a Build-to-Suit Building). At least one (1) year prior to estimated completion of any such speculative Building, Slough shall provide Ligand with written notice of Slough's decision to construct one or more speculative Buildings and the economic terms (including without limitation Slough's proposed fair market rent) on which it is willing to lease the Building(s) (Slough's Notice). Ligand shall have the right to exercise its Right of First Offer by delivering written notice thereof to Slough within thirty (30) days after receipt of Slough's Notice. If Ligand exercises its Right of First Offer, Slough and Ligand will attempt for a period of thirty (30) days (Negotiation Period) to agree on the fair market rent for that portion of area in the Buildings described in Slough's Notice. If Slough and Ligand are able to agree on the fair market rent within the Negotiation Period, the parties will execute and deliver the Building Lease no later than the end of the Negotiation Period. If Slough and Ligand cannot agree upon the fair market rent prior to the end of the Negotiation Period, the same shall be extended for a period of thirty (30) days for the purposes of (i) determining fair market rent pursuant to Section 2.5 of this Agreement, and (ii) executing a Building Lease. If Ligand does not timely exercise its Right of First Offer, then the Right of First Offer shall no longer be applicable for the Building described in Slough's Notice; provided, however, that if Slough intends to transfer all or any part of the Building for a rental amount or fee that is less than ninety-five percent (95%) of the rental rate set forth in Slough's Notice, then such space shall be subject to the Right of First Refusal in accordance with Section 2.2 hereof.

2.2 Grant of Right of First Refusal. In addition to the Right of First Offer, commencing on the date hereof and continuing until the term of Lot 15 Lease expires or is earlier terminated, Ligand shall have a continuous Right of First Refusal on the Property. Slough shall provide to Ligand written notice of (1) the terms upon which Slough intends to lease any Build-to-Suit Building, or (2) any space that becomes available within the Buildings and a copy of the letter of intent with a third-party which Slough intends to accept (or has accepted conditionally, subject to this Right of First Refusal) (Slough's Availability Notice); provided that if Slough initially leases all or any portion of the Buildings for a rental amount or fee that is not less than

Table of Contents

ninety-five percent (95%) of the rental rate set forth in Slough's Notice pursuant to Section 2.2 above, Slough shall not be obligated to deliver Slough's Availability Notice, and Ligand shall have no Right of First Refusal, with respect to such space. Ligand shall have a period of fourteen (14) days following receipt of Slough's Availability Notice to advise Slough of Ligand's desire to lease the space as described in Slough's Availability Notice on the terms and conditions as set forth therein, except that a Building Lease shall be utilized incorporating the rental rate and other economic matters (tenant improvement allowance, refurbishment allowance, rent abatement, etc.) described in Slough's Availability Notice. If Ligand fails to reply to Slough's Availability Notice within the fourteen (14) day period, Ligand shall be deemed to have elected not to lease such space. If Ligand responds within the fourteen (14) day period and indicates a desire to lease the space described in Slough's Availability Notice, Slough and Ligand shall enter into a Building Lease incorporating the terms and conditions as set forth in Slough's Availability Notice. If Ligand elects not to lease the space as set forth in Slough's Availability Notice, Slough shall have the right to lease such space for a rental amount or fee that is not less than ninety-five percent (95%) of the rental rate set forth in Slough's Availability Notice. If Slough fails to so lease the space within one hundred eighty (180) days after Ligand's election not to lease the space, Slough shall again, prior to leasing such space, have the obligation to provide a revised Slough's Availability Notice to Ligand, indicating the revised terms upon which such space is available. Slough further agrees and acknowledges that for the benefit of Ligand retaining some right and option to expand and lease additional space within the Buildings, Slough will not grant to any other person or entity any right of first offer, right of first refusal, or any similar rights to lease space in the Buildings unless it is subject and subordinate to the rights of Ligand as set forth herein. Notwithstanding anything to the contrary contained in this Agreement, the commencement and pursuit of design activities for a Building shall not trigger Ligand's Right of First Offer or Right of First Refusal as provided in this Agreement.

2.3 Quitclaim Deed. Upon the expiration or earlier termination of the Lot 15 Lease, this Agreement shall automatically be terminated and released from the Property. Ligand agrees that, at any time after the expiration or earlier termination of this Agreement, it shall execute and deliver to Slough, within ten (10) days after receipt of a written request therefor, a quitclaim deed, in form and substance reasonably acceptable to Slough and Ligand, in recordable form conveying to Slough all of Ligand's interests under this Agreement in the Property. In addition, Ligand shall promptly execute and deliver to Slough such documents as Slough may reasonably require evidencing Ligand's waiver, or failure or refusal to exercise, either the Right of First Offer or the Right of First Refusal, as the case may be.

2.4 Subordination. Slough shall have the right to encumber the Property, or any portion thereof, by loan(s) secured by deeds of trust in order to finance the acquisition of, or construction of improvements on, the Property or any portion thereof. Ligand agrees that it shall, within ten (10) days after receipt thereof from Slough, execute and return to Slough an agreement subordinating Ligand's interest in this Agreement to the lien of any such deed of trust, provided that such subordination agreement is mutually reasonably acceptable to Slough and Ligand.

2.5 Appraisal. If Slough and Ligand cannot, despite their good faith efforts, agree on a fair market rent for the Right of First Offer as set forth in Section 2.1 hereof prior to the end of the Negotiation Period, the fair market rent shall be established by an

Table of Contents

appraisal conducted by an appraiser reasonably mutually agreed upon by Slough and Ligand, who shall be a member of the American Institute of Real Estate Appraisers. The thirty (30) day Negotiation Period provided above shall be extended for an additional thirty (30) days to complete such appraisal. The cost of the appraisal shall be split equally between Slough and Ligand.

ARTICLE 3

MEMORANDUM OF AGREEMENT FOR RIGHT TO LEASE

Concurrently herewith, Ligand and Slough shall execute a Memorandum of Agreement for Right to Lease in the form attached hereto as Exhibit C, and Slough shall cause said Memorandum to be recorded as an encumbrance on Slough's title to the Property, subject to no monetary liens (other than the lien for nondelinquent taxes, bonds and assessments) or deeds of trusts.

ARTICLE 4

GENERAL PROVISIONS

4.1 Notice and Payments. Any notice to be given or other document to be delivered by any party to the other or others under this Agreement may be delivered by facsimile, or in person to an officer of any party, or may be deposited in the United States, duly certified or registered, return receipt requested, with postage prepaid, or by Federal Express or other similar overnight delivery service and addressed to the party for whom intended, at the addresses set forth in the Purchase Agreement. Any party may from time to time, by written notice to the other, designate a different address, which shall be substituted for the one above specified. Unless otherwise specifically provided for in this Agreement, all notices, payments, demands or other communications shall be in writing and shall be deemed to have been duly given and received as provided in the Purchase Agreement.

4.2 Captions. The captions used herein are for convenience only and are not a part of this Agreement and do not in any way limit or amplify the terms and provisions hereof.

4.3 Governing Law. This Agreement shall be governed by and construed under the internal laws of the State of California without regard to choice of law rules. This Agreement shall be deemed made and entered into in San Diego County.

4.4 Time of the Essence. Time is of the essence of each and every provision of this Agreement. In the event any date, or the final date of any period, which is set out in any provision of this Agreement, falls on other than a Business Day, such date or time period, as the case may be, shall be extended to the next Business Day (as that term is defined in the Purchase Agreement).

4.5 Successors and Assigns. All of the covenants and conditions of this Agreement shall inure to the benefit of and shall be binding upon the successors-in-interest of Ligand and the successors, heirs, representatives and assigns of Slough. As used in the foregoing, successors includes successors to the parties' interest in the Property and successors to all or substantially all of their assets and successors by merger or consolidation.

4.6 Construction of Agreement. The Agreement contained herein shall not be construed in favor of or against either party, but shall be construed as if both parties prepared this Agreement. Slough and Ligand acknowledge that they have been represented, or have had the opportunity to be represented, by counsel of their own choice. Neither Slough nor Ligand is relying upon any legal advice from the other party's counsel regarding the subject matter thereof. Both parties acknowledge that they understand the terms and conditions of this Agreement and the terms and conditions of all other documents and agreements executed in connection herewith and that they sign the same freely. Neither Slough nor Ligand shall deny the enforceability of any provision of this Agreement or any of the other documents or agreements executed in connection herewith on the basis that it did not have legal counsel or that it did not understand any such term or condition. This Agreement and any ambiguities or uncertainties contained in this Agreement shall be equally and fairly interpreted for the benefit of and against all parties to this Agreement and shall further be construed and interpreted without reference to the identity of the party or parties preparing this document, it being expressly understood and agreed that the parties hereto participated equally in the negotiation and preparation of this Agreement or have had equal opportunity to do so. Accordingly, the parties hereby waive the legal effect of California Civil Code Section 1654 or any successor and/or amended statute which in part states that in cases of uncertainty, the language of the contract should be interpreted most strongly against the party who caused the uncertainty to exist.

4.7 Attorney's Fees. If any action, arbitration, judicial reference or other proceeding is instituted between Ligand and Slough in connection with this Agreement, the losing party shall pay to the prevailing party a reasonable sum for attorneys' and experts' fees and costs incurred in bringing or defending such action or proceeding and/or enforcing any judgment granted therein, all of which shall be deemed to have accrued upon the commencement of such action or proceeding and shall be paid whether or not such action or proceeding is prosecuted to final judgment. Any judgment or order entered in such action or proceeding shall contain a specific provision providing for the recovery of attorneys' fees and costs, separate from the judgment, incurred in enforcing such judgment. The prevailing party shall be determined by the trier of fact based upon an assessment of which party's major arguments or positions taken in the proceedings could fairly be said to have prevailed over the other party's major arguments or positions on major disputed issues. For the purposes of this section, attorneys' fees shall include, without limitation, fees incurred in the following: (1) post-judgment motions; (2) contempt proceedings; (3) garnishment, levy, and debtor and third party examinations; (4) discovery; (5) any appeals; and (6) bankruptcy proceedings. This Section is intended to be expressly severable from the other provisions of this Agreement, is intended to survive any judgment and is not to be deemed merged into the judgment.

4.8 Severability. If any phrase, clause, sentence, paragraph, section, article or other portion of this Agreement becomes or is held to be illegal, null or void or against public policy, for any reason, the remaining portions of this Agreement shall not be affected thereby and shall remain in full force and effect.

4.9 Gender and Number. In this Agreement (unless the content requires otherwise), the masculine, feminine and neuter genders and the singular and the plural include one another.

4.10 No Partnership or Joint Venture. Slough or Ligand shall not, by virtue of this Agreement, in any way or for any reason be deemed to have become a partner of the other in the conduct of its business or otherwise, or a joint venturer. In addition, by virtue of this Agreement there shall not be deemed to have occurred a merger of any joint enterprise between Slough and Ligand.

4.11 Remedies Cumulative. All rights, options and remedies of Ligand contained in this Agreement shall be construed and held to be cumulative, and no one of them shall be exclusive of the other. Ligand shall have the right to pursue any one of the remedies specified in this Agreement or to seek damages or specific performance in the event of any breach of the terms of this Agreement by Slough or to pursue any other remedy or relief that may be provided by law or equity, whether or not stated in this Agreement.

4.12 Entire Agreement. This Agreement constitutes the entire agreement between the parties hereto pertaining to the subject matter hereof, and all prior and contemporaneous agreements, representations, negotiations and understandings of the parties hereto, oral or written, are hereby superseded and merged herein.

4.13 Authority. If Slough is a corporation, each individual executing this Agreement on behalf of Slough represents and warrants that he is duly authorized to execute and deliver, and has the power to execute and deliver, this Agreement on behalf of the corporation in accordance with a duly adopted resolution of the Board of Directors of the corporation or in accordance with the bylaws of the corporation. If Slough is a partnership, each person signing this Agreement for Slough represents and warrants that he is a general partner of the partnership, that he has full authority to sign for the partnership and that this Agreement binds the partnership and all general partners of the partnership. Slough shall give written notice to Ligand of any general partner's withdrawal or addition. If Slough is a limited liability company, each individual executing this Agreement on behalf of Slough represents and warrants that he is an officer of the limited liability company, that he has full authority to sign for the limited liability company, and that this Agreement binds the limited liability company.

4.14 Counterparts. This Agreement may be executed in counterparts, each of which, taken together, will constitute one fully executed original.

4.15 Judicial Reference. The parties agree to promptly submit any dispute between them arising from this Agreement to JAMS. In the event an action is filed in any court by either party to this Agreement involving a dispute arising from this Agreement (Dispute), within twenty (20) days after such filing, either party may, upon five (5) days notice to the other party, apply ex parte to the Court for a reference of the entire dispute to JAMS in accordance with Code of Civil Procedure §638. The application shall be deemed a mutual request by both parties for the reference. For either voluntary submission of a dispute to JAMS or reference by the Court in the event an action has been filed, the parties shall mutually select a member from JAMS's panel to hear the dispute. In the event the parties fail to mutually select a member from the panel within ten (10) days after submission of the dispute to JAMS, then JAMS shall select the hearing officer. The hearing shall take place on the first available date on the calendar of the hearing officer, or on such other date as the parties may agree upon in writing. The decision of the hearing officer shall be final, binding on the parties, and enforceable in a California court having

competent jurisdiction over the parties. Subject to the limitations set forth in this Section, the judicial referee shall have the authority to try all issues, whether of fact or law, and to report a statement of decision to the court. The judicial referee shall be the only trier of fact or law in the reference proceeding, and shall have no authority to further refer any issues of fact or law to any other party, without the mutual consent of all parties to the judicial reference proceeding. This agreement to seek voluntary reference to resolve disputes shall not apply to any claim or action in which any of the causes of action includes either disputes involving third parties other than the parties to this Agreement, or disputes involving allegations of defective construction or defective development of the Property which is the subject of this Agreement.

(a) **Participation by Parties.** The parties to the Dispute shall cooperate in good faith to ensure that all necessary and appropriate parties are included in the judicial reference proceeding. Ligand or Slough, as applicable in a particular judicial reference proceeding (individually, Party or collectively, the Parties), shall not be required to participate in the judicial reference proceeding if all parties against whom the applicable Party would have cross-claims or counterclaims necessary to afford complete relief to such Party cannot be joined in the judicial reference proceeding, including, but not limited to, any Ligand Party (collectively, a Necessary Party). If a Party determines that it cannot join all Necessary Parties such Party may elect not to participate in the judicial reference proceeding. If a Party so elects not to participate in the judicial reference proceeding, such Party will provide notice to the other Parties to the judicial reference proceeding that the Dispute will not be resolved by judicial reference. In such circumstances, the other Parties may seek determination of the Party s right not to participate by way of a motion under California Code of Civil Procedure Sections 638, 641 through 645.1, or any successor statutes thereto. If a determination is made as a result of such a motion that a Party is not required to participate in the judicial reference proceeding, unless the remaining Parties agree otherwise, the Dispute shall not be resolved by judicial reference and the Parties may commence an action with respect to the subject Dispute in an appropriate court of law.

(b) **Venue.** The proceedings shall be heard in San Diego County.

(c) **Referee.** The referee shall be an attorney or retired judge with experience in relevant real estate matters. The referee shall not have any relationship to the parties to the Dispute or interest in the Property. The parties to the Dispute participating in the judicial reference proceeding shall meet to select the referee within ten (10) days after service of the initial complaint on all defendants named therein. Any dispute regarding the selection of the referee shall be promptly resolved by the judge to whom the matter is assigned, or if there is none, to the presiding judge of the Superior Court of the County in which the Property is located, who shall select the referee.

(d) **Commencement and Timing of Proceeding.** The referee shall promptly commence the proceeding at the earliest convenient date in light of all of the facts and circumstances and shall conduct the proceeding without undue delay.

(e) **Pre-hearing Conferences.** The referee may require one or more pre-hearing conferences.

Table of Contents

(f) **Motions**. The referee shall have the power to hear and dispose of motions, including motions relating to provisional remedies, demurrers, motions to dismiss, motions for judgment on the pleadings and summary adjudication motions, in the same manner as a trial court judge, except the referee shall also have the power to adjudicate summarily issues of fact or law including the availability of remedies, whether or not the issue adjudicated could dispose of an entire cause of action or defense. Notwithstanding the foregoing, if prior to the selection of the referee as provided herein, any provisional remedies are sought by the parties to the Dispute, such relief may be sought in the Superior Court of the County in which the Property is located.

(g) **Rules of Law**. The referee shall apply the laws of the State of California except as expressly provided herein, including the rules of evidence, unless expressly waived by all parties to the judicial reference proceeding.

(h) **Record**. A stenographic record of the hearing shall be made, provided that the record shall remain confidential except as may be necessary for post-hearing motions and any appeals.

(i) **Statement of Decision**. The referee's statement of decision shall contain findings of fact and conclusions of law to the extent required by law if the case were tried to a judge. The decision of the referee shall stand as the decision of the court, and upon filing of the statement of decision with the clerk of the court, judgment may be entered thereon in the same manner as if the Dispute had been tried by the court.

(j) **Post-Hearing Motions**. The referee shall have the authority to rule on all post-hearing motions in the same manner as a trial judge.

(k) **Appeals**. The decision of the referee shall be subject to appeal in the same manner as if the Dispute had been tried by the court.

(l) **Expenses**. Except as otherwise agreed by the parties or as required by applicable law, no Party shall be required to pay any fee of the judicial reference proceeding or the referee except to the extent of the costs that would be imposed upon the disputant if the Dispute had been filed as a suit in court. The referee may not award against either Party any expenses in excess of those that would be recoverable as costs if the Dispute had been litigated to final judgment in court. Each party to the judicial reference proceeding shall bear its own attorneys' fees and costs in connection with such proceeding.

(m) **Severability**. If the referee or any court determines that any provision of this Section is unenforceable for any reason, that provision shall be severed, and judicial reference shall be conducted under the remaining enforceable terms of this Section.

(n) **Statutes of Limitation**. Nothing in this Section shall be considered to toll, stay, reduce or extend any applicable statutes of limitations; provided, however, that the Ligand Parties or Slough shall be entitled to commence a legal action which in the good faith determination of such Party(ies) is necessary to preserve their rights under any applicable statute of limitations, provided that such Party shall take no further steps in prosecuting the action until it has complied with the procedures described above.

4.16Waiver. No waiver by Ligand or Slough of a breach of any of the terms, covenants or conditions of this Agreement by the other party shall be construed or held to be a waiver of any succeeding or preceding breach of the same or any other term, covenant or condition herein contained. No waiver of any default by Slough or Ligand hereunder shall be implied from any omissions by the other party to take any actions on account of the default if the default persists or is repeated, and no express waiver shall affect the default other than as specified in the waiver.

Ligand Announces Sale of Real Estate

SAN DIEGO, CA October 26, 2006 Ligand Pharmaceuticals Incorporated (NASDAQ:LGND) (the Company or Ligand) announced today that it has signed a definitive agreement to sell its corporate headquarters building/land and two adjacent undeveloped parcels of land in Torrey Pines Science Center to Slough Estates USA Inc. (Slough) for an aggregate consideration of \$47.6 million and to lease the building back from Slough.

We are pleased that our strategic process has produced another transaction that we believe will enhance shareholder value. The sale of our real estate assets will provide additional working capital as we transition to a refocused Ligand built upon our targeted internal research and development effort and broad partnered product pipelines, said Henry F. Blissenbach, Ligand Chairman and Interim CEO. The shareholder maximization process remains ongoing as we continue to identify sources of value for Ligand s shareholders.

The asset purchase agreement and related contracts have been approved by the Ligand board of directors. The transaction is subject to payment of an existing mortgage and other customary closing conditions.

Under the terms of the asset purchase agreement, Ligand will receive cash of approximately \$35 million, net of fees, expenses, and existing indebtedness. In addition, Ligand has entered into a long term lease arrangement with Slough to lease back the building.

Unaudited Pro Forma Condensed Consolidated Financial Statements

On September 7, 2006, Ligand Pharmaceutical Incorporated (the Company or Ligand), Eisai Inc., a Delaware corporation and Eisai Co., Ltd., a Japanese company (together with Eisai Inc., Eisai), entered into a purchase agreement (the Oncology Purchase Agreement) pursuant to which Eisai has agreed to acquire all of the Company s worldwide rights in and to the Company s oncology product line, including, among other things, all related inventory, equipment, records and intellectual property, and assume certain liabilities (together Oncology or the Oncology Product Line) as set forth in the Oncology Purchase Agreement. The Oncology Product Line includes the Company s four marketed oncology drugs: ONTAK, Targretin capsules, Targretin gel and Panretin gel. Pursuant to the Oncology Purchase Agreement, at closing, the Company will be paid a \$205.0 million cash payment, \$20.0 million of which will be funded into an escrow account to support any indemnification claims. On October 25, 2006, the Company consummated the sale of Oncology. The Company expects to account for the disposition of the Oncology product line as a discontinued operation in its consolidated financial statements.

On October 25, 2006, the Company entered into an agreement (the Sale Leaseback) with Slough Estates USA, Inc. to sell the real properties at its corporate headquarters located in San Diego, California. Under the terms of the agreement, Slough Estates USA, Inc. (the Buyer) has agreed to purchase all real properties (land, building and improvements) known as 10275 Science Center Drive, 10265 Science Center Drive and 10285 Science Center Drive in San Diego, California for a purchase price of approximately \$47.6 million. In addition, the Company is leasing back the building at 10275 Science Center Drive from the Buyer as its corporate headquarters office, with a lease term of fifteen years through 2021. Under the terms of the lease, the Company will pay a basic annual rent, which is subject to an annual fixed percentage increase, and management fees, property taxes and other necessary expenses associated with the lease. As a condition of the sale, the Company will pay off its outstanding mortgage for the property. The transaction is expected to close on or before November 27, 2006.

The following unaudited pro forma condensed consolidated financial statements illustrate the effects the Company s sale of Oncology and the Sale Leaseback entered into by the Company for the Company s corporate offices in San Diego, California (together, the Transactions), as these Transactions have not yet been fully reflected in the Company s historical financial statements.

The unaudited pro forma condensed consolidated balance sheet as of June 30, 2006 gives effect to the Transactions as if they occurred as of that date. The unaudited pro forma condensed consolidated statements of operations give effect to the Sale Leaseback as if it occurred on January 1, 2005 and give effect to the sale of Oncology as if it occurred on January 1, 2003, as Oncology is expected to be reported as a discontinued operation in the Company s consolidated financial statements. The Sale Leaseback has not been reflected in the unaudited pro forma condensed consolidated statements of operations for the years ended December 31, 2004 and 2003, as it will not be reported as a discontinued operation in the Company s consolidated financial statements. The unaudited pro forma condensed consolidated financial statements have been derived from, and should be read, in conjunction with the Company s historical consolidated financial statements, including the notes thereto, in the Company s Form 10-K for the year ended December 31, 2005 and Quarterly Report on Form 10-Q for the quarter ended June 30, 2006. The unaudited pro forma condensed consolidated financial statements are not necessarily indicative of the financial position or results of operations that would have been achieved had the Transactions described above occurred on the dates indicated or that may be expected to occur in the future as a result of such transactions.

Table of Contents

The unaudited pro forma condensed consolidated balance sheet reflects significant assets and liabilities associated with Oncology product line that will remain for a period of time with the Company subsequent to the proposed dispositions. Accordingly, the unaudited pro forma condensed consolidated balance sheet may not reflect the ongoing financial position of the Company. The unaudited pro forma condensed consolidated statements of operations exclude revenues and expenses directly attributable to Oncology and the Sale Leaseback. As such, the unaudited pro forma condensed consolidated statements of operations do not reflect a reduction of general corporate allocations or other non-direct costs which may occur as a result of the Transactions.

Table of Contents**Basis of Pro Forma Presentation**

On September 7, 2006, Ligand Pharmaceutical Incorporated (the Company or Ligand), Eisai Inc., a Delaware corporation and Eisai Co., Ltd., a Japanese company (together with Eisai Inc., Eisai), entered into a purchase agreement (the Oncology Purchase Agreement) pursuant to which Eisai has agreed to acquire all of the Company's worldwide rights in and to the Company's oncology product line, including, among other things, all related inventory, equipment, records and intellectual property, and assume certain liabilities (together Oncology or the Oncology Product Line) as set forth in the Oncology Purchase Agreement. The Oncology Product Line includes the Company's four marketed oncology drugs: ONTAK, Targretin capsules, Targretin gel and Panretin gel. Pursuant to the Oncology Purchase Agreement, at closing, the Company will be paid a \$205.0 million cash payment, \$20.0 million of which will be funded into an escrow account to support any indemnification claims. On October 25, 2006, the Company consummated the sale of Oncology. The Company expects to account for the disposition of the Oncology product line as a discontinued operation in its consolidated financial statements.

On October 25, 2006, the Company entered into an agreement (the Sale Leaseback) with Slough Estates USA, Inc. (the Buyer) to sell the real properties at its corporate headquarters located in San Diego, California. Under the terms of the agreement, Slough Estates USA, Inc. has agreed to purchase all real properties (land, building and improvements) known as 10275 Science Center Drive, 10265 Science Center Drive and 10285 Science Center Drive in San Diego, California for a purchase price of approximately \$47.6 million. In addition, the Company is leasing back the building at 10275 Science Center Drive from the Buyer as its corporate headquarters office, with a lease term of fifteen years through 2021. Under the terms of the lease, the Company will pay a basic annual rent, which is subject to an annual fixed percentage increase, and management fees, property taxes and other necessary expenses associated with the lease. As a condition of the sale, the Company will pay off its outstanding mortgage for the property. The transaction is expected to close on or before November 27, 2006.

The following unaudited pro forma condensed consolidated financial statements illustrate the effects the Company's sale of Oncology and the Sale Leaseback entered into by the Company for the Company's corporate offices in San Diego, California (together, the Transactions), as these Transactions have not yet been fully reflected in the Company's historical financial statements.

The unaudited pro forma condensed consolidated balance sheet as of June 30, 2006 gives effect to the Transactions as if they occurred as of that date. The unaudited pro forma condensed consolidated statements of operations give effect to the Sale Leaseback as if it occurred on January 1, 2005 and the sale of Oncology as if it occurred on January 1, 2003, as Oncology is expected to be reported as a discontinued operation in the Company's consolidated financial statements. The Sale Leaseback has not been reflected in the unaudited pro forma condensed consolidated statements of operations for the years ended December 31, 2004 and 2003, as it will not be reported as a discontinued operation in the Company's consolidated financial statements. The unaudited pro forma condensed consolidated financial statements have been derived from, and should be read, in conjunction with the Company's historical consolidated financial statements, including the notes thereto, in the Company's Form 10-K for the year ended December 31, 2005 and Quarterly Report on Form 10-Q for the quarter ended June 30, 2006. The unaudited pro forma condensed consolidated financial statements are not necessarily indicative of the financial position or results of operations that would have been achieved had the Transactions described above occurred on the dates indicative or that may be expected to occur in the future as a result of such transactions.

Table of Contents

The unaudited pro forma condensed consolidated balance sheet reflects significant assets and liabilities associated with Oncology product line that will remain for a period of time with the Company subsequent to the proposed dispositions. Accordingly, the unaudited pro forma condensed consolidated balance sheet may not reflect the ongoing financial position of the Company. The unaudited pro forma condensed consolidated statements of operations exclude revenues and expenses directly attributable to Oncology and the Sale Leaseback. As such, the unaudited pro forma condensed consolidated statements of operations do not reflect a reduction of general corporate allocations or other non-direct costs which may occur as a result of the Transactions.

Notes to Unaudited Pro Forma Condensed Consolidated Financial Statements

- A.** Reflects the adjustments to the Company's historical consolidated balance sheet for the specific assets and liabilities to be transferred to Eisai under the Oncology Purchase Agreement.
- B.** Reflects the adjustments to cash and cash equivalents related to the sale of the Oncology Product Line as follows:

The amounts in thousands:

	Oncology
Cash consideration	\$ 205,000
Less: Cash held in escrow	(20,000)
Estimated transaction costs	(2,710)
Repayment of equipment financing obligations for equipment transferred to Eisai	(22)
Net cash proceeds from the sale of Oncology	\$ 182,268

The Oncology Purchase Agreement requires a total of \$20.0 million be held in escrow pending the resolution of certain contingencies. This amount has been excluded from the net sales consideration in the table above. If these contingencies are resolved in favor of Ligand and additional consideration is distributable, the additional consideration received will serve to increase the Company's gain on the disposal of the Oncology product line.

As of the closing date of the Oncology transaction, the Company is required to transfer manufactured product inventory to Eisai of at least \$9.8 million (the Required Closing Date Inventory Value). To the extent the actual inventory value is less than the Required Closing Date Inventory Value, the Oncology Purchase Agreement provides for a corresponding decrease to the purchase price. As of June 30, 2006, Oncology inventory exceeded \$9.8 million. Furthermore, the Company believes that Oncology inventory exceeded \$9.8 million on October 25, 2006. Accordingly, no such adjustment has been reflected in the accompanying unaudited pro forma condensed consolidated balance sheet. However, there can be no assurance that the actual inventory value as of the Oncology closing date did exceed the Required Closing Date Inventory, until final approval from Eisai is obtained.

Table of Contents

- C.** Reflects the removal of deferred revenue, deferred cost of products sold and deferred royalty cost related to sale of Oncology.

The Company accounts for domestic product shipments made to wholesalers for Oncology under the sell-through revenue recognition method. For these product sales, the Company records deferred revenue and classifies inventory held by the wholesaler as deferred cost of products sold within other current assets. The Company recognizes revenue when Oncology inventory is sold through to the wholesaler's customers. Consequently, royalty cost associated with these product sales is also deferred until the product revenue is recognized. Upon closing of the Oncology transaction, the deferred revenue, deferred cost of products sold, and the deferred royalty cost associated with these product sales will be removed from Ligand's balance sheet and recognized as part of the gain on the disposal of Oncology.

- D.** Reflects adjustments to accrued liabilities related to Oncology for royalty payments, rebates and chargebacks.

The Company records accruals for royalty payments, rebates and chargebacks when product sales are recognized as revenue under the sell-through method. In connection with eliminating the deferred revenue balances associated with Oncology upon disposition (see Note C above), the Company will accrue for royalty payments, rebates and chargebacks related to product in the distribution channel which has not sold-through and for which the Company will retain the liability subsequent to the disposal of Oncology.

- E.** Reflects adjustments to record an estimate of product in the wholesale distribution channels that could be returned based on estimated channel inventories as of June 30, 2006. Based on the terms of the Oncology Purchase Agreement, the Company is required to retain the obligation for returns for product shipped to wholesalers prior to the closing of the transaction.

- F.** Reflects the repayment of equipment financing obligations related to equipment to be transferred to Eisai as a result of the Oncology sale.

- G.** Reflects the sale and subsequent leaseback of the Company's corporate office building and land in San Diego, California (the Sale Leaseback).

On October 25, 2006, the Company entered into a purchase agreement with Slough Estates USA Inc. (the Buyer) to sell the facilities encompassing the Company's corporate headquarters and two land parcels. The total purchase price for the facilities and land was approximately \$47.6 million. As a term of the purchase agreement, the Company will pay off the outstanding bank loan on the building, the balance of which approximated \$11.7 million as of June 30, 2006. A prepayment penalty approximating \$0.4 million is expected to be incurred (see Note I). Concurrently, the Company entered into a lease agreement (the Lease) with the Buyer dated October 25, 2006 to leaseback the office building housing the Company's corporate headquarters. The Lease has a term of 15 years with an annual base rent, which is subject to an annual fixed percentage increase. The Sale Leaseback transaction will be recorded per Statement of Financial Accounting Standards No. 13, *Accounting for Leases*. The Company expects to record an immediate gain on the sale totalling approximately \$2.8 million and defer a gain of approximately \$29.5 million on the sale of the corporate headquarters, which will be recognized on a straight-line basis over the 15-year life of the lease at a rate of approximately \$2.0 million per year.

Table of Contents

- H.** Reflects current tax liabilities for federal Alternative Minimum Tax (AMT) and certain state taxes associated with the sale of Oncology and the Sale Leaseback, based on the expected proceeds to be received in the current period. The release of escrow amounts for the Oncology sales transactions are expected to be taxable in the year received by the Company. There can be no assurance of the extent to which net operating loss carryforwards (NOLs) or tax credits will be available to offset or otherwise minimize any such taxable gain.

The estimated taxable gains on the disposition of Oncology and the Sale Leaseback have been reduced, fully for federal purposes and partially for state purposes, by the estimated utilization of net operating loss carryforwards (NOLs), which the Company has estimated to be available. However, the Company has not completed its analysis of the tax implications of the Transactions. Accordingly, the Company's ability to utilize its NOLs and research and development credit carryforwards (R&D Credits) for State of California purposes may materially differ from the amounts assumed to be used in the unaudited pro forma condensed consolidated financial statements. In particular:

The Company's expectation of federal tax to the extent of AMT is predicated upon the full value of the NOLs being available, which in turn is predicated on certain assumptions regarding the valuation of the Company's intellectual property on the date of the Transactions and the dates of prior ownership changes, and certain tax elections and options which may be available to the Company. Changes to the valuations of intellectual property could result in material limitations on the Company's ability to fully utilize such NOLs.

The Company has not completed its study of the availability of R&D Credits in the State of California. While the Company believes it has sufficient R&D credits to offset some or all of the taxable gains from the Transactions, it has assumed no R&D Credit utilization in the unaudited pro forma condensed consolidated financial statements, as it can not yet determine a reasonable estimate of the R&D Credits which ultimately may be available.

- I.** Reflects estimated net gains, net of tax, on the sale of Oncology, the Sale Leaseback and extinguishment of the mortgage debt.

- J.** Reflects adjustments to remove the results of operations directly attributable to the Oncology Product Line. Income tax expense has been computed using statutory rates on the pro forma adjustments to the extent of Product Line income. However, since the Company retains a full valuation allowance with respect to its net deferred tax assets, an offsetting adjustment has been reflected through other adjustments. A non-recurring net gain on sale has been excluded from the unaudited pro forma condensed consolidated statements of operations, but will be included in the Company's consolidated statement of operations when the sale of Oncology is concluded.
- K.** Reflects adjustments to reverse historical expenses for depreciation, mortgage interest and other operating expenses recorded in the Company's historical consolidated financial statements for the Company's corporate headquarters, which was sold in the Sale Leaseback.
- L.** Reflects adjustments to record annual base rent expense of \$3.7 million and annual executory costs of \$0.4 million for the lease of the Company's corporate headquarters entered into in connection with the Sale Leaseback. These expenses have been allocated to research and development expenses and selling, general, and administrative expenses in the unaudited pro forma condensed consolidated statements of operations using the Company's historical allocation percentages.
- M.** Reflects the accretion of the deferred gain resulting from the Sale Leaseback over the 15-year term of the related lease.

Ligand Announces Notice of Redemption of Convertible Subordinated Notes

SAN DIEGO (BUSINESS WIRE) Oct. 30, 2006 Ligand Pharmaceuticals Incorporated (NASDAQ:LGND) (the Company or Ligand) today announced that it has given notice of redemption to the noteholders of its 6% convertible subordinated notes due November 2007. The redemption date of the Notes has been set for November 29, 2006. Approximately \$128.15 million of principal amount of the notes remains outstanding and may be converted into common stock at a rate of 161.9905 shares per \$1,000 (about \$6.17 per share).

We are calling the notes to help strengthen our balance sheet and fulfill our obligations under the Purchase Agreement we signed with King Pharmaceuticals. Assuming the noteholders convert given our recent stock price, we will have successfully eliminated virtually all of our long term debt, said Henry F. Blissenbach, Ligand Chairman and Interim CEO. We believe the redemption will substantially increase our financial flexibility while reducing our cash interest expense as we transition to a dynamic and highly specialized R&D and royalty company.

Table of Contents

The Company issued \$155.25 million principal amount of its 6% convertible subordinated notes in November, 2002. The terms of the 6% notes give the Company the right to provide a notice of redemption to noteholders after November 22, 2005.

The noteholders may elect to receive cash in the redemption or convert the 6% notes, on or before November 29, 2006 into shares of the company's common stock at a conversion rate of 161.9905 shares per \$1,000 principal amount of the notes. The conversion price for the notes is approximately \$6.17 per share. Since the company's stock is trading well above the conversion price, the Company expects the vast majority if not all of the noteholders will convert into shares of Ligand common stock in lieu of cash. The Company will pay the holders of those notes that are not converted into shares a redemption price equal to 101.2 % of the outstanding principal amount plus accrued and unpaid interest.
