OF
BANNER CORPORATION
10 S. First Avenue
Walla Walla, Washington 99362
(509) 527-3636**

**ANNUAL MEETING OF SHAREHOLDERS
APRIL 25, 2006**

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Banner Corporation ("Company") to be used at the 2006 Annual Meeting of Shareholders ("Annual Meeting") of the Company. The Company is the holding company for Banner Bank (sometimes referred to herein as the "Bank"). The Annual Meeting will be held at the Marcus Whitman Hotel at 6 W. Rose Street, Walla Walla, Washington, on Tuesday, April 25, 2006, at 10:00 a.m., local time. This Proxy Statement and the enclosed proxy card are being first mailed to shareholders on or about March 24, 2006.

VOTING AND PROXY PROCEDURE

Shareholders Entitled to Vote. Shareholders of record as of the close of business on March 1, 2006 are entitled to one vote for each share of common stock of the Company ("Common Stock") then held. As of March 1, 2006, the Company had 12,128,640 shares of Common Stock issued and outstanding.

If you are a beneficial owner of Common Stock held by a broker, bank or other nominee (i.e., in "street name"), you will need proof of ownership to be admitted to the Annual Meeting. A recent brokerage statement or letter from a bank or broker are examples of proof of

Edgar Filing: BANNER CORP - Form DEF 14A

ownership. If you want to vote your shares of Common Stock held in street name in person at the Annual Meeting, you will have to get a written proxy in your name from the broker, bank or other nominee who holds your shares.

Quorum. The presence, in person or by proxy, of at least a majority of the total number of outstanding shares of Common Stock entitled to vote is necessary to constitute a quorum at the Annual Meeting. Abstentions will be counted as shares present and entitled to vote at the Annual Meeting for purposes of determining the existence of a quorum. Broker non-votes will be considered shares present and will be included in determining whether a quorum is present.

Voting. The Board of Directors solicits proxies so that each shareholder has the opportunity to vote on the proposals to be considered at the Annual Meeting. When a proxy card is returned properly signed and dated, the shares represented thereby will be voted in accordance with the instructions on the proxy card. Where no instructions are indicated, proxies will be voted in accordance with the recommendations of the Board of Directors. If a shareholder of record attends the Annual Meeting, he or she may vote by ballot.

The Board recommends a vote "FOR" the election of the nominees for director.

The affirmative vote of a plurality of the votes cast at the Annual Meeting is required for the election of directors. Shareholders are not permitted to cumulate their votes for the election of directors. Votes may be cast for or withheld from each nominee. Votes that are withheld and broker non-votes will have no effect on the outcome of the election because the nominees receiving the greatest number of votes will be elected.

Revocation of a Proxy. Shareholders who execute proxies retain the right to revoke them at any time before they are voted. Proxies may be revoked by written notice delivered in person or mailed to the Secretary of the Company or by filing a later dated proxy prior to a vote being taken on a particular proposal at the Annual Meeting. Attendance

<PAGE>

at the Annual Meeting will not automatically revoke a proxy, but a shareholder of record in attendance may request a ballot and vote in person, thereby revoking a prior granted proxy.

If your Common Stock is held in street name, you will receive instructions from your broker, bank or other nominee that you must follow in order to have your shares voted. Your broker or bank may allow you to deliver your voting instructions via the telephone or the Internet. Please see the instruction form that accompanies this proxy statement. If you wish to change your voting instructions after you have returned your voting instruction form to your broker or bank, you must contact your broker or bank.

Participants in the Banner Corporation ESOP. If a shareholder is a participant in the Banner Corporation Employee Stock Ownership Plan ("ESOP"), the proxy card represents a voting instruction to the trustees of the ESOP as to the number of shares in the participant's plan account. Each participant in the ESOP may direct the trustees as to the manner in which shares of Common Stock allocated to the participant's plan account are to be voted. The instructions are confidential and will not be disclosed to the Company. Unallocated shares of Common Stock held by the ESOP and allocated shares for which no voting instructions are received will be voted by the trustees in the same proportion as shares for which the trustees have received voting instructions.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

Persons and groups who beneficially own in excess of five percent of the Company's Common Stock are required to file certain reports disclosing such ownership pursuant to the Securities Exchange Act of 1934, as amended ("Exchange Act"). Based on such reports, the following table sets forth, as of the Record Date, certain information regarding those persons who were beneficial owners of more than five percent of the outstanding shares of Common Stock. To the Company's knowledge, no other person or entity beneficially owned more than five percent of the Common Stock as of the Record Date.

PROPOSAL 1 - ELECTION OF DIRECTORS

The Board of Directors is divided into three classes with three-year staggered terms, with approximately one-third of the directors elected each year. Four directors will be elected at the Annual Meeting to serve for a three-year period, or until their respective successors have been elected and qualified. The nominees for election this year are Gordon E. Budke, David B. Casper, Constance H. Kravas and Michael M. Smith, each of whom is a current member of the Board of Directors.

It is intended that the proxies solicited by the Board of Directors will be voted for the election of the above named nominees. If any nominee is unable to serve, the shares represented by all valid proxies will be voted for the election of such substitute as the Board of Directors may recommend or the Board of Directors may adopt a resolution to amend the Bylaws and reduce the size of the Board. At this time, the Board of Directors knows of no reason why any nominee might be unavailable to serve.

The Board of Directors recommends a vote "FOR" the election of Messrs. Budke, Casper and Smith and Ms. Kravas.

The following table sets forth certain information regarding the nominees for election at the Annual Meeting, as well as information regarding those directors continuing in office after the Annual Meeting.

MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

The Board of Directors of the Company conducts its business through meetings of the Board and through its committees. During the calendar year ended December 31, 2005, the Board of Directors of the Company held 10 meetings. No director of the Company attended fewer than 75% of the total meetings of the Board and committees on which such person served during this period. A majority of the Board of Directors is comprised of independent directors, in accordance with the requirements for companies quoted on The Nasdaq Stock Market. The Board of Directors has determined that Messrs. Adams, Budke, Casper, Epstein, Mitchell, Orrico, Pribilsky and Smith and Ms. Kravas are independent.

The Executive Committee, consisting of Directors Sirmon, Adams, Casper, Foster, Jones and Pribilsky, acts for the Board of Directors when formal Board action is required between regular meetings. This Committee has the

5

<PAGE>

authority to exercise all powers of the full Board of Directors, except that it does not have the power to, among other things, declare dividends, authorize the issuance of stock, amend the Bylaws or approve any agreement of merger or consolidation other than mergers with a subsidiary of the Company. The Executive Committee met once during the year ended December 31, 2005.

The Audit Committee, consisting of Directors Budke, Adams, Mitchell and Smith, oversees management's fulfillment of its financial reporting responsibilities and maintenance of an appropriate internal control system. It also has the sole authority to appoint or replace the Company's independent auditors and oversees the activities of the Company's internal audit functions. The Audit Committee has a Charter which specifies its obligations and the Committee believes it has fulfilled its responsibilities under the Charter. Each member of the Audit Committee is "independent," in accordance with the requirements for companies quoted on The Nasdaq Stock Market. In addition, Mr. Budke meets the definition of "audit committee financial expert," as defined by the Securities and Exchange Commission ("SEC"). The Audit Committee met 12 times during the year ended December 31, 2005.

The Compensation Committee, which consists of Directors Mitchell, Budke, Casper and Orrico, sets salary policies and levels for senior management and oversees all salary and incentive compensation programs for the Company. The Compensation Committee has a Charter which specifies its obligations and the Committee believes it has fulfilled its responsibilities under the Charter. All members of the Committee are independent directors. The Compensation Committee met three times during the year ended December 31, 2005.

The Corporate Governance/Nominating Committee, consisting of Directors Orrico, Casper, Epstein, Kravas and Pribilsky, assures that the Company maintains the highest standards and best practices in all critical areas relating to the management of the business of the Company. The Committee also selects nominees for the election of directors and develops a list of nominees for board vacancies. The Corporate Governance/Nominating Committee has a Charter which specifies its obligations and the Committee believes it has fulfilled its responsibilities under the Charter. The Committee revised its Charter, effective as of July 26, 2005. A copy of the revised Charter is attached hereto as Appendix A. The Company has not made the Charter available on its website. Each member of the Committee is "independent," in accordance with the requirements for companies quoted on The Nasdaq Stock Market. This Committee met five times during the year ended December 31, 2005.

The Corporate Governance/Nominating Committee met on January 31, 2006 to nominate directors for election at the Meeting. Only those nominations made by the Committee or properly presented by shareholders will be voted upon at the Meeting. In its deliberations for selecting candidates for nominees as director, the Corporate Governance/Nominating Committee considers the candidate's knowledge of the banking business and involvement in community, business and civic affairs, and also considers whether the candidate would provide for adequate representation of the Bank's market area. Any nominee for director made by the Committee must be highly qualified with regard to some or all these attributes. In searching for qualified director candidates to fill vacancies in the Board, the Committee solicits its current Board of Directors for names of potentially qualified candidates. Additionally, the Committee may request that members of the Board of Directors pursue their own business contacts for the names of potentially qualified candidates. The Committee would then consider the potential pool of director candidates, select the candidate the Committee believes best meets the then-current needs of the Board, and conduct a thorough investigation of the proposed candidate's background to ensure there is no past history that would cause the candidate not to be qualified to serve as a director of the Company. The Committee will consider director candidates recommended by the Company's shareholders. If a shareholder submits a proposed nominee, the Committee would consider the proposed nominee, along with any other proposed nominees recommended by members of the Company's Board of Directors, in the same manner in which the Committee would evaluate its nominees for director. For a description of the proper procedure for shareholder nominations, see "Shareholder Proposals" in this proxy statement.

Board Policies Regarding Communications with the Board of Directors and Attendance at Annual Meetings

The Board of Directors maintains a process for shareholders to communicate with the Board of Directors. Shareholders wishing to communicate with the Board of Directors should send any communication to the Secretary, Banner Corporation, 10 S. First Avenue, Walla Walla, Washington 99362. Any communication must state the number of shares beneficially owned by the shareholder making the communication. The Secretary will forward such

<PAGE>

communication to the full Board of Directors or to any individual director or directors to whom the communication is directed unless the communication is unduly hostile, threatening, illegal or similarly inappropriate, in which case the Secretary has the authority to discard the communication or take appropriate legal action. The Company does not have a policy regarding Board member attendance at annual meetings of shareholders. All members of the Board of Directors attended last year's annual meeting of shareholders.

Corporate Governance

The Company and the Bank are committed to establishing and maintaining high standards of corporate governance. The Corporate Governance/Nominating Committee is responsible for initiatives to comply with the provisions contained in the Sarbanes-Oxley Act of 2002, the rules and regulations of the SEC adopted thereunder, and the Nasdaq Stock Market with respect to corporate governance. The Committee will continue to evaluate and improve the Company's and the Bank's corporate governance principles and policies as necessary and as required.

Code of Ethics. On June 19, 2003, the Board of Directors adopted the Officer and Director Code of Ethics. The Code is applicable to each of the Company's directors and officers, including the principal executive officer and senior financial officers, and requires individuals to maintain the highest standards of professional conduct. A copy of the Code of Ethics is being filed as an exhibit to the Company's Annual Report on Form 10-K.

DIRECTORS' COMPENSATION

Non-employee directors of the Company receive an annual retainer of \$25,000, and a fee of \$1,000 per regular meeting attended, \$1,000 per special meeting attended and \$1,000 per committee meeting attended. The Chairman of the Board receives an additional \$20,000 annual retainer. The Chairman of the Audit Committee receives an additional \$20,000 annual retainer and the Chairman of the Corporate Governance/Nominating Committee receives an additional \$250 per committee meeting attended. Officers of the Company or its subsidiaries who are also directors do not receive any fee or remuneration for services as members of the Board of Directors or of any committee of the Board of Directors.

In order to encourage the retention of qualified directors, the Company has entered into deferred fee agreements whereby directors may defer all or a portion of their regular fees until retirement. Each director may direct the investment of the deferred fees toward the purchase of life insurance, the Company's Common Stock, mutual fund-style investments or a stable value account. The Company has established grantor trusts to hold the Common Stock and mutual fund-style investments. The assets of the trusts are considered part of the Company's general assets and the directors have the status of unsecured creditors of the Company with respect to the trust assets. The deferred fee agreements provide pre-retirement death and disability benefits in an amount based on the value of the director's account balance upon the occurrence of either event. At retirement, a director may elect to receive the balance of his account in a lump sum or in annual installments over a period not exceeding the life expectancy of the director and his beneficiary. At December 31, 2005, the Company's estimated deferred compensation liability expense accrual with respect to non-employee directors under these agreements was \$10.8 million.

Banner Bank entered into a salary continuation agreement with Mr. Gary Sirmon, a director and former Chairman, President and Chief Executive Officer of the Company and the Bank to ensure his continued service through retirement. Banner Bank purchased life insurance to finance the benefits payable under the agreement. Mr. Sirmon retired on July 16, 2005 and will receive monthly payments over a minimum of a 180-month period following retirement. The annual payment for Mr. Sirmon is \$77,000.

Banner Bank also is party to an agreement with Mr. Sirmon to provide him with supplemental retirement benefits. The agreement provides that, following Mr. Sirmon's retirement at or after attaining age 62 (or in the event of his prior death or disability) and for a minimum of a 180-month period thereafter, Banner Bank will pay him (or his beneficiary) an annual benefit based on his level of pre-retirement compensation and other retirement benefits. The agreement also restricts Mr. Sirmon's ability to compete with the Bank for a three-year period following his termination of employment. The annual payment for Mr. Sirmon under this agreement is \$57,604, or approximately \$4,800 per month.

<PAGE>

Banner Bank entered into a consulting agreement with Mr. Jesse G. Foster, a director and former executive officer of the Company, on December 19, 2003. The agreement, which is on a month to month basis and may be terminated by either party upon 30 days' notice, provides for compensation of \$10,000 per month. The monthly compensation includes any Board or committee fees payable to Mr. Foster. The agreement restricts Mr. Foster's ability to compete with Banner Bank in any county in which the Bank or any other affiliate of the Company has an office or branch for a period of two years after termination of the agreement.

Banner Bank also is party to an agreement with Mr. Foster to provide him with supplemental retirement benefits. The agreement provides that, following Mr. Foster's retirement at or after attaining age 62 (or in the event of his prior death or disability) and for a 12-year period thereafter, Banner Bank will pay him (or his beneficiary) an annual benefit equal to 40% of his average annual salary during the three years preceding his retirement. The agreement also restricts Mr. Foster's ability to compete with the Bank within a 50-mile radius of the former Banner Bank of Oregon's main and branch office locations for a one-year period following his termination of employment. Mr. Foster retired as an executive officer effective as of December 31, 2003 and is receiving payments of approximately \$6,000 per month under this agreement.

(1) Value of unexercised in-the-money options equals market value of shares covered by in-the-money options on December 31, 2005 less the option exercise price. Options are in-the-money if the market value of the shares covered by the options is greater than the option exercise price.

Employment Agreements with Named Executive Officers. The Company entered into employment agreements with Mr. Jones on February 11, 2002, Messrs. Larsen and Baker on July 1, 1998 and with Messrs. Barton and Folz on June 3, 2002 (individually, the "Executive"). The agreements provide that the Executive's base salary is subject to annual review. As of December 31, 2005, the current base salaries for Messrs. Jones, Larsen, Barton, Folz and Baker are \$365,000, \$234,000, \$203,000, \$182,000 and \$182,000, respectively. In addition to base salary, the agreements provide for the Executive's participation in the employee benefit plans and other fringe benefits applicable to executive personnel. The initial three-year term of each agreement may be extended annually for an additional year at the discretion of the Board of Directors of Banner Bank. The agreements for Messrs. Barton and Folz were extended on April 26, 2005; the agreement for Messrs. Larsen and

Edgar Filing: BANNER CORP - Form DEF 14A

Baker were extended on June 30, 2005; and the agreement for Mr. Jones was extended on January 31, 2006. The employment of the Executive is terminable at any time for cause as defined in the agreements. In addition, the employment of the Executive may be terminated without cause in which case he or she would continue to receive his or her base salary over the remaining term of the agreement.

The agreements also provide for the payment of severance benefits to the Executive in the event of his or her termination of employment following a change in control of Banner Bank or the Company. Such benefits would include a lump sum payment equal to 2.99 times the average of the Executive's five preceding years' compensation and continuation of retirement, life, health and disability coverage for a three-year period. In the event of a change in control

9

<PAGE>

of Banner Bank or the Company as of December 31, 2005, the total cash payment due under the agreements, excluding any benefits payable under any employee benefit plan, would be approximately \$1,370,339, \$957,339, \$690,517, \$584,096 and \$578,516 for Messrs. Jones, Larsen, Barton, Folz and Baker, respectively. For purposes of the agreements, "change in control" includes, among other things, a change in control within the meaning of the rules and regulations promulgated by the Board of Governors of the Federal Reserve System under the Change in Bank Control Act of 1978, the acquisition by any person of securities representing 25% or more of the outstanding securities of Banner Bank or the Company, or a plan of reorganization, merger, consolidation or sale of substantially all of the assets of Banner Bank or the Company in which Banner Bank or the Company is not the resulting entity. The agreements restrict the right of the Executive to compete against Banner Bank or the Company for a period of one year following retirement in the area of Walla Walla or any other area in which Banner Bank maintains a full service branch office.

Salary Continuation and Deferred Compensation Agreements. Banner Bank has entered into a salary continuation agreement with Mr. Larsen to ensure his continued service with Banner Bank through retirement. Banner Bank has purchased life insurance to finance the benefits payable under the agreement. Assuming that Mr. Larsen remains in the employ of Banner Bank to age 65, the agreement provides for monthly payments over a minimum of a 180-month period following retirement. The annual payment for Mr. Larsen would be \$64,000. In the event of Mr. Larsen's termination of employment by reason of death or disability prior to age 65, the salary continuation benefit would be payable to him or his designated beneficiary.

For 1994 and subsequent years, Section 401(a)(17) of the Internal Revenue Code of 1986, as amended, limits to \$150,000 (indexed) per employee the amount of compensation that is considered for purposes of determining the maximum contribution to Banner Bank's tax-qualified profit sharing plan on behalf of each eligible employee. Banner Bank credits certain executive officers whose total compensation exceeds \$150,000 with additional deferred compensation to restore amounts that may not be contributed to the profit sharing plan as a consequence of the Section 401(a)(17) limitation. For the fiscal year ended December 31, 2005, \$18,300 was credited as deferred compensation for Mr. Jones; \$7,486 was credited as deferred compensation for Mr. Larsen; \$3,460 was credited as deferred compensation for Mr. Barton; \$1,374 was credited as deferred compensation for Mr. Folz; and \$1,249 was credited as deferred compensation for Mr. Baker.

In order to encourage the retention of qualified executive officers, the Company has entered into deferred compensation agreements whereby executive officers may defer all or a portion of their cash and stock compensation until retirement. Each executive officer may direct the investment of the deferred compensation toward the purchase of life insurance, the Company's Common Stock, mutual fund-style investments or a stable value account. The Company has established grantor trusts to hold the Common Stock and mutual fund-style investments. The assets of the trusts are considered part of the Company's general assets and the executive officers have the status of unsecured creditors of the Company with respect to the trust assets. The deferred compensation agreements provide pre-retirement death and disability benefits in an amount based on the value of the executive officer's account balance upon the occurrence of either event. At retirement, an executive officer may elect to receive the balance of his account in a lump sum or in annual installments over a period not exceeding the life expectancy of the executive officer and his beneficiary. At December 31, 2005, the Company's estimated deferred compensation liability expense accrual with respect to executive officers under these agreements was \$1.4 million.

Supplemental Executive Retirement Program. The Company has adopted a Supplemental Executive Retirement Program ("SERP") for selected senior executives, including Messrs. Jones, Larsen and Baker (individually, the "Executive"). At termination of employment at or after attaining age 62 with at least 15 years of service (age 65 with at least five years of service in the case of Mr. Jones), the Executive's annual benefit under the SERP would be computed as the product of 3% of the Executive's final average compensation (defined as the three calendar years of the Executive's annual cash compensation, including bonuses, which produce the highest average within the Executive's final eight (five in the case of Mr. Jones) full calendar years of employment) and the Executive's annual years of service, reduced by certain amounts, such as the amount payable to the Executive under the Company's 401(k) profit sharing plan and its ESOP, employer-contributed deferred compensation and any amount payable to an Executive under the salary continuation agreements described above. The maximum benefit would be 60% of final average compensation, less applicable reductions. A reduced benefit is payable at termination of employment at or after attaining age 59 1/2 with at least 15 (five in the case of Mr. Jones) years of service. At December 31, 2005, only Mr. Larsen was eligible for

<PAGE>

benefits under the SERP. At December 31, 2005, the estimated annual benefit payable to Messrs. Jones, Larsen and Baker upon normal retirement would be approximately \$75,220, \$37,855 and \$103,725, respectively.

AUDIT COMMITTEE MATTERS

Audit Committee Charter. The Audit Committee operates pursuant to a Charter approved by the Company's Board of Directors. The Audit Committee reports to the Board of Directors and is responsible for overseeing and monitoring financial accounting and reporting, the system of internal controls established by management and the audit process of the Company. The Audit Committee Charter sets out the responsibilities, authority and specific duties of the Audit Committee. The Charter specifies, among other things, the structure and membership requirements of the Audit Committee, as well as the relationship of the Audit Committee to the independent auditors, the internal audit department and management of the Company.

- The Audit Committee has completed its review and discussion with management of the Company's 2005 audited financial statements;

- The Audit Committee has, based on its review and discussions with management of the Company's 2005 audited financial statements and discussions with the independent auditors, recommended to the Board of Directors that the Company's audited financial statements for the year ended December 31, 2005 be included in the Company's Annual Report on Form 10-K.

COMPENSATION COMMITTEE MATTERS

Notwithstanding anything to the contrary set forth in any of the Company's previous filings under the Securities Act of 1933, as amended, or the Exchange Act that might incorporate future filings, including this Proxy Statement, in whole or in part, the following Report of the Compensation Committee and Performance Graph shall not be incorporated by reference into any such filings.

Report of the Compensation Committee. Under rules established by the SEC, the Company is required to provide certain data and information in regard to the compensation and benefits provided to its Chief Executive Officer and other executive officers. The disclosure requirements for the Chief Executive Officer and other executive officers

<PAGE>

Edgar Filing: BANNER CORP - Form DEF 14A

include the use of tables and a report explaining the rationale and considerations that led to the fundamental executive compensation decisions affecting those individuals. The Compensation Committee of the Board of Directors of the Company is responsible for setting the policies and compensation levels for directors, officers and employees of the Company, while the Compensation Committee of the Board of Directors of the Bank is responsible for setting the policies and compensation levels for directors, officers and employees of the Bank.

General. The Compensation Committees' duties are to recommend and administer policies that govern executive compensation. Each Committee is responsible for evaluating the performance of its Chief Executive Officer while the Chief Executive Officer evaluates the performance of other senior officers and makes recommendations to the appropriate Committee regarding compensation levels. The Compensation Committee of the Company has final authority to set compensation levels with respect to all Company directors, officers and employees, and the Compensation Committee of the Bank has final authority to set compensation levels with respect to all Bank directors, officers and employees.

Compensation Policies. The executive compensation policies of the Company and the Bank are designed to establish an appropriate relationship between executive pay and the Company's and the Bank's annual performance, to reflect the attainment of short- and long-term financial performance goals and to enhance the ability of the Company and the Bank to attract and retain qualified executive officers. The principles underlying the executive compensation policies include the following:

- To attract and retain key executives who are vital to the long-term success of the Company and the Bank and are of the highest caliber;
- To provide levels of compensation competitive with those offered throughout the financial industry and consistent with the Company's and the Bank's level of performance;
- To motivate executives to enhance long-term shareholder value by building their equity interest in the Company; and
- To integrate the compensation program with the Company's and the Bank's annual and long-term strategic planning and performance measurement processes.

The Committees consider a variety of subjective and objective factors in determining the compensation package for individual executives including: (1) the performance of the Company and the Bank as a whole with emphasis on annual performance factors and long-term objectives; (2) the responsibilities assigned to each executive; and (3) the performance of each executive of assigned responsibilities as measured by the progress of the Company and the Bank during the year.

Base Salary. The current compensation plans involve a combination of salary, at-risk incentives to reward short-term performance, and stock options and restricted stock awards to reward long-term performance and deferred compensation. The salary levels of executive officers are designed to be competitive within the banking and financial services industries. In setting competitive salary levels, the Compensation Committees continually evaluate current salary levels by surveying similar institutions in Washington, Oregon, the Northwest and the United States. The Committees' peer group analyses focus on asset size, nature of ownership, type of operation and other common factors. Specifically, the Committees annually review the Northwest Financial Industry Salary Survey prepared by Milliman USA (actuaries and consultants) in association with the Washington Bankers Association, the Washington Financial League and the Oregon Bankers Association, covering 106 Northwest financial organizations, the America's Community Bankers' Compensation Survey which covers 375 responding financial institutions, the Moss Adams Pacific Northwest Bankers' Compensation Survey covering 100 respondents in seven Western states, Pacific Northwest Compensation Data 2005 sponsored by the Association of Washington Business and Compdata Surveys, covering 124 companies in Washington and Oregon, the Watson Wyatt Survey of Top Management Compensation and an individualized review of executive compensation prepared by Watson Wyatt.

<PAGE>

Incentive (at-risk) Compensation Program. A short-term incentive plan is in effect for the officers of the Bank which is designed to compensate for performance. The plan is designed to provide for incentive compensation of up to 35% of salary for the chief executive officer, up to 25% of salary for executive and senior vice presidents, up to 20% of salary for branch managers and lenders at the vice president level and up to 15% of salary for vice presidents and certain other officers. In certain circumstances, incentive compensation may be payable at higher levels based on exceptional performance in excess of established targets. The performance incentive is based primarily on quantifiable data such as return on assets, return on equity, loan and deposit growth, asset quality and level of operating expenses. Subjective evaluation of performance is limited.

Edgar Filing: BANNER CORP - Form DEF 14A

Deferred Compensation. To the extent that executive officers' contributions to the Company's retirement programs are limited by applicable law, the Company credits each affected executive with deferred compensation in the amount of the additional annual contribution the executive would have received if such limits were not applicable. In 2004, the Company adopted deferred compensation plans which allow executive officers of the Company to defer all or part of their cash compensation or non-qualified stock options until retirement.

Long Term Incentive Compensation. The Company, with shareholder approval, adopted both the 1996 Management Recognition and Development Plan and the 1996 Stock Option Plan on July 26, 1996, the 1998 Stock Option Plan on July 24, 1998 and the 2001 Stock Option Plan on April 20, 2001, under which officers may receive grants and awards. The Company believes that stock ownership by the Company's and the Bank's officers is a significant factor in aligning the interests of the officers with those of shareholders. Stock options and stock awards under such plans are allocated based upon regulatory practices and policies and are based upon the officers' level of responsibility and contributions to the Company and the Bank. The Company also provides a 401(k) profit sharing plan. A committee appointed by the Board of Directors administers the 401(k) profit sharing plan and the named executive officers participate in the 401(k) profit sharing plan.

Compensation of the Chief Executive Officer. During the calendar year ended December 31, 2005, D. Michael Jones, President and Chief Executive Officer of the Company and of Banner Bank, earned \$365,000 in base salary, an amount unchanged from calendar year 2004. In addition, he received incentive compensation of \$150,000, which was accrued during the calendar year ended December 31, 2004 but was paid in February 2005, and was credited with \$35,100 in other compensation (composed of deferred compensation of \$18,300, employees' stock ownership contribution of \$12,600 and 401(k) contribution of \$4,200). This resulted in total compensation of \$550,100, which represents a 21.0% increase from compensation paid during the prior year. In calendar year 2005, Mr. Jones was not awarded any stock options or restricted stock grants. Mr. Jones' performance bonus reflected progress the Company made during calendar year 2004 toward the attainment of improved financial performance relative to net income, return on assets, return on equity, loan and deposit growth and asset quality. In particular, net income increased \$3.2 million, or 20%, from \$16.1 million for the year ended December 31, 2003, to \$19.3 million for the year ended December 31, 2004. Return on average assets and return on average equity improved from 0.66% and 8.21%, respectively, for 2003 to 0.70% and 9.22%, respectively, for 2004. Total loans increased by 21% and total deposits increased by 15%. The Company's non-performing assets declined from 1.20% of total loans at December 31, 2003, to 0.60% at December 31, 2004. The Committee believes that Mr. Jones' compensation is appropriate based on the Company's overall compensation policy, on the basis of the Committee's consideration of peer group data and the financial performance of the Company during the fiscal year.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's executive officers and directors, and persons who own more than 10% of any registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the SEC. Executive officers, directors and greater than 10% shareholders are required by regulation to furnish the Company with copies of all Section 16(a) forms they file.

<PAGE>

Based solely on its review of the copies of such forms it has received and written representations provided to the Company by the above referenced persons, the Company believes that during the fiscal year ended December 31, 2005, all filing requirements applicable to its reporting officers, directors and greater than 10% shareholders were properly and timely complied with, except for Messrs. Foster and Adams. Messrs. Foster and Adams each filed a late Form 4 covering one transaction.

TRANSACTIONS WITH MANAGEMENT

Federal regulations require that all loans or extensions of credit to executive officers and directors of insured financial institutions must be made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons, except for loans made pursuant to programs generally available to all employees, and must not involve more than the normal risk of repayment or present other unfavorable features. The Bank is therefore prohibited from making any new loans or extensions of credit to executive officers and directors at different rates or terms than those offered to the general public, except for loans made pursuant to programs generally available to all employees, and has adopted a policy to this effect. In addition, loans made to a director or executive officer in an amount that, when aggregated with the amount of all other loans to such person and his or her related interests, are in excess of the greater of \$25,000 or 5% of the institution's capital and surplus (up to a maximum of \$500,000) must be approved in advance by a majority of the disinterested members of the Board of Directors.

INDEPENDENT AUDITORS

Moss Adams LLP served as the Company's independent auditors for the fiscal year ended December 31, 2005. The Audit Committee of the Board of Directors is scheduled to meet in May 2006 to select the independent auditors for the fiscal year ending December 31, 2006. A representative of Moss Adams LLP will be present at the Annual Meeting to respond to shareholders' questions and will have the opportunity to make a statement if he or she so desires.

Neither of Moss Adams LLP's reports on the Company's financial statements for the fiscal years ended December 31, 2005 or 2004 contained an adverse opinion or a disclaimer of opinion and was not qualified or modified as to uncertainty, audit scope, or accounting principles. On June 9, 2004, the Audit Committee of the Company selected Moss Adams LLP to serve as the Company's independent public accountants for the fiscal year ending December 31, 2004. The Company terminated its engagement of Deloitte & Touche LLP as its independent accountants effective June 9, 2004. The decision to change accountants was approved by the Company's Audit Committee and Board of Directors on June 4, 2004.

In connection with the audits for the 2003 and 2002 fiscal years and through June 9, 2004, (1) there were no disagreements with Deloitte & Touche LLP on any matter of accounting principle or practice, financial statement disclosure, auditing scope or procedure, whereby such disagreements, if not resolved to the satisfaction of Deloitte & Touche LLP, would have caused them to make reference thereto in their report on the financial statements for such years; and (2) there have been no reportable events (as defined in Item 304(a)(1)(v) of Regulation S-K).

The Company requested that Deloitte & Touche LLP furnish it with a letter addressed to the Securities and Exchange Commission, stating whether they agree with the foregoing statements, and if not, stating the respects in which they do not agree. The required letter from Deloitte & Touche LLP with respect to the above statements made by the Company was filed as an exhibit to the Current Report on Form 8-K filed by the Company on June 11, 2004.

The reports of Deloitte & Touche LLP on the Company's financial statements for fiscal years ended December 31, 2003 and 2002 contained no adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles.

<PAGE>

Edgar Filing: BANNER CORP - Form DEF 14A

The Company had not consulted with Moss Adams LLP during 2004 or 2003 or the period from January 1, 2004 through June 9, 2004, on either the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion Moss Adams LLP might issue on the Company's financial statements.

The following table sets forth the aggregate fees billed, or expected to be billed, to the Company by Moss Adams LLP for professional services rendered for the fiscal years ended December 31, 2005 and 2004.

	December 31,	
	2005	2004
Audit Fees (1)	\$327,900	\$225,000
Audit-Related Fees	--	40,500
Tax Fees	--	6,081
All Other Fees	--	--

(1) Fees for 2005 include estimated amounts to be billed.

The Audit Committee will establish general guidelines for the permissible scope and nature of any permitted non-audit services to be provided by the independent auditors in connection with its annual review of its Charter. Pre-approval may be granted by action of the full Audit Committee or by delegated authority to one or more members of the Audit Committee. If this authority is delegated, all approved non-audit services will be presented to the Audit Committee at its next meeting. In considering non-audit services, the Audit Committee or its delegate will consider various factors, including but not limited to, whether it would be beneficial to have the service provided by the independent auditors and whether the service could compromise the independence of the independent auditors.

OTHER MATTERS

The Board of Directors is not aware of any business to come before the Annual Meeting other than those matters described above in this Proxy Statement. However, if any other matters should properly come before the Annual Meeting, it is intended that proxies in the accompanying form will be voted in respect thereof in accordance with the judgment of the person or persons voting the proxies.

MISCELLANEOUS

The cost of solicitation of proxies will be borne by the Company.
