Description of Certain Relationships

MagyarCom is the direct owner of the 617,436,759 Shares that are the subject of this Schedule 13G, as initially filed on February 13, 1998. Prior to July 2000, DT and Ameritech Corporation (which had been acquired by SBC Communications Inc.) each held a 50 percent interest in MagyarCom. In July 2000, Ameritech Corporation exercised an option to put its shares in MagyarCom to DT. As a result, MagyarCom is now a wholly-owned subsidiary of DT.

Until June 2007, the Hungarian State held a single Series "B" share of Magyar Telekom through the Hungarian Minister of Information and Telecommunications (the "Minister"). Ownership of the Series "B" share gave the Hungarian State (through the Minister) certain special rights in the election of one member of each of the Board of Directors and the Supervisory Board and the right to require its consent for certain other decisions taken at the General Shareholders' Meeting. The Series "B" share also carried certain other veto rights. As a result of the approval by the Parliament of the Republic of Hungary of an act that abolished the priority voting share of the state (i.e., the Series "B" share), Magyar Telekom amended its Articles of Association on June 29, 2007 to delete the provisions concerning the Series "B" shares, converted the Hungarian State's single Series "B" share with a face value of HUF 10,000 to 100 dematerialized ordinary Series "A" shares with a face value of HUF 100 each and terminated the priority rights associated with the Series "B" shares. As a result, the Minister should no longer be considered a member of a group with MagyarCom and DT pursuant to Section 13(d)(3) of the Exchange Act.

The shareholders' agreement, dated September 26, 1997, among Magyar Telekom, MagyarCom and the Hungarian Minister of Transport, Telecommunications and Water Management (the "Minister Shareholders' Agreement"), the shareholders' agreement, dated October 21, 1997, among Magyar Telekom, MagyarCom and ÁPV (the "ÁPV Shareholders' Agreement"), the concession agreement entered into between MagyarCom and the Hungarian Minister of Transport, Telecommunications and Water Management in 1993 and the concession contracts executed thereafter by Magyar Telekom and that Minister that were discussed in the original Schedule 13G filing have all lapsed or been terminated.

Item 9. Notice of Dissolution of Group

The Minister's Series "B" share was eliminated and converted into Series "A" shares as a result of a parliamentary act that abolished the priority voting share of the state. As a result, the Minister should no longer be considered a member of a group with MagyarCom and DT pursuant to Section 13(d)(3) of the Exchange Act.
