ITEM 5. OTHER EVENTS

## Edgar Filing: BION ENVIRONMENTAL TECHNOLOGIES INC - Form 8-K

1. On February 6, 2001, we proposed certain amended terms to holders of our Convertible Bridge Notes and Warrants (the "Holders") (see Item 1 and Exhibit 10.1, 10.2 and 10.3, Form 8-K dated April 13, 2000; Item 8 and Exhibit 99.8, Form 8-K dated August 3, 2000; and Item 2, Exhibits 99.1, Form 8-K dated August 10, 2000). As of February 24, 2001, slightly in excess of 85% of the Holders (percent is based on principal amount of outstanding convertible bridge notes) have indicated acceptance of the amendments. It is possible that some additional acceptances may be obtained after the date of this Report. For the Holders who indicate acceptance, the amendment: (1) extends the maturity date to April 30, 2001; (2) requires automatic conversion of the notes (principal and interest) to our Common Stock on April 29, 2002, if not previously paid or converted; (3) reduces the maximum conversion price to \$2.50 per share; (4) reduces the call price of the Bridge Warrants to \$3.50; and (5) reduces the warrant exercise price of the Bridge Warrants to \$1.50. As to Holders who do not indicate acceptance: (1) the existing July 1, 2001 maturity date, the \$5.00 maximum conversion price, and the \$2.00 Bridge Warrant exercise price remain unchanged; (2) their notes will be automatically converted to our Common Stock at June 30, 2001 if not previously paid or converted; and (3) the Bridge Warrant call price has been reduced to \$3.50.
