ICICI Bank acquires Shimla and Darjeeling Branches from Standard Chartered Grindlays Bank

ICICI Bank, the country's largest private sector bank today announced that it has acquired two bank branches located in the popular tourist towns of Shimla and Darjeeling respectively, from Standard Chartered Grindlay's Bank. The acquisition marks the foray of ICICI Bank in the two towns.

The inclusion of these branches takes ICICI Bank's distribution network to 409 branches and extension counters and 1042 ATMs spread across the country. Said Ms. Chanda Kachhar, Executive Director, ICICI Bank, "This acquisition is a continuation of our strategy to expand our brand of technology banking across the country. Now, customers in Shimla and Darjeeling will have access to our inter-connected countrywide banking network enabling them 24-hour access to the Bank anywhere across the country. They will also have access to our comprehensive array of products all under one roof. Our presence here will also greatly facilitate ICICI Bank customers visiting these popular destinations."

Technology banking, which has been the Bank's key strength, will be evident in Darjeeling and Shimla. Both branches now have ATMs and will also provide Internet and Mobile banking in the coming months.
