If the answer is no, identify report(s).

Yes No

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?

Yes No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

Registrant's net loss for the year ended December 31, 2001 increased to approximately \$830,000 from approximately \$383,000 in the prior year. The increase in net loss resulted primarily from a decrease in revenues (from approximately \$1,231,000 to approximately \$772,000) and gross margin (from approximately \$621,000 to approximately \$406,000) accompanied by an increase in general and administrative expenses (from approximately \$433,000 to approximately \$690,000). The increase in general and administrative expenses primarily reflected increased professional fees and expenses resulting from ongoing litigation relating to Registrant's former affiliate, Euro-Nocopi, S.A., and the decrease in revenues and gross margin reflected the loss of license fees previously paid by Euro-Nocopi in connection with sales to European users of Registrant's technologies.
