PROXY STATEMENT

INTRODUCTION

GENERAL

The accompanying proxy is solicited by the Board of Directors (the 'Board of Directors' or the 'Board') of Triarc Companies, Inc. (the 'Company' or 'Triarc') in connection with the 2003 Annual Meeting of Stockholders of the Company (the 'Meeting'), to be held on Tuesday, June 3, 2003, at 12:00 noon, local time, in Auditorium D, at the offices of Bear, Stearns & Co., Inc., 383 Madison Avenue, 2nd Floor, New York, New York and at any adjournment or postponement of the Meeting. This Proxy Statement and a proxy are first being mailed to stockholders on or about April 28, 2003. The mailing address of the Company's principal

Edgar Filing: TRIARC COMPANIES INC - Form DEF 14A

executive office is 280 Park Avenue, New York, New York 10017.

When a proxy is returned properly dated and signed, the shares represented thereby will be voted by the persons named as proxies in accordance with each stockholder's directions. Stockholders may specify their choices by marking the appropriate boxes on the enclosed proxy. If a proxy is dated, signed and returned without specifying choices, the shares will be voted as recommended by the Board of Directors FOR the election of each of the eight (8) nominees for directors named below and FOR Proposal (2). The Company does not have cumulative voting in the election of directors. Under the Company's By-Laws (the 'By-Laws'), business transacted at the Meeting is confined to the purposes stated in the Notice of the Meeting. The proxy being solicited does, however, convey discretionary authority to the persons named therein as proxies to vote on matters incident to the conduct of the Meeting. The proxy may be revoked by the stockholder at any time prior to the time it is voted by giving notice of such revocation either personally or in writing to the Secretary of the Company at the address provided above.

Only holders of the Company's Class A Common Stock, par value \$.10 per share (the 'Class A Common Stock'), at the close of business on April 14, 2003, their authorized representatives and guests of the Company will be able to attend the Meeting. As a result of heightened security concerns, admission to the Meeting will be by ticket only. If you are a registered stockholder (your shares are held in your name) and plan to attend the Meeting, please check the appropriate box on the enclosed proxy card. Your admission ticket can be detached from the bottom portion of the proxy card. If you are a beneficial owner (your shares are held in the name of a bank, broker or other holder of record) and plan to attend the meeting, your admission ticket is the left side of your voting information form. In addition, you can obtain an admission ticket in advance by writing to Investor Relations, Triarc Companies, Inc., 280 Park Avenue, New York, New York 10017. Please be sure to enclose proof of ownership, such as a bank or brokerage account statement or a letter from the bank or broker verifying

such ownership. Stockholders who do not obtain tickets in advance may obtain them upon verification of ownership at the registration desk on the day of the Meeting.

Tickets may be issued to others at the discretion of the Company.

VOTING SECURITIES

All holders of record of the Company's Class A Common Stock, at the close of business on April 14, 2003 are entitled to vote on all business of the Meeting. At the close of business on such day, the Company had 20,572,095 shares of Class A Common Stock outstanding and entitled to vote at the Meeting. Each share of Class A Common Stock entitles the holder to one vote per share. The presence, in person or by proxy, of stockholders entitled to cast at least a majority of the votes which all stockholders are entitled to cast shall constitute a quorum. Broker 'non-votes' and the shares as to which a stockholder abstains are included for purposes of determining whether a quorum of shares is present at the Meeting. A broker 'non-vote' occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that proposal and has not received instructions from the beneficial owner.

Edgar Filing: TRIARC COMPANIES INC - Form DEF 14A

Under the General Corporation Law of the State of Delaware (the 'Delaware Law'), the state in which the Company is incorporated, the Company's Certificate of Incorporation and the By-Laws, if a quorum is present at the Meeting, the affirmative vote of a plurality of the votes cast is required for the election of directors and the affirmative vote of a majority of the voting power present (in person or by proxy) and entitled to vote at the Meeting is required for approval of Proposal (2). Under the Delaware Law, an abstention is not deemed to be a 'vote cast.' As a result, abstentions and broker 'non-votes' are not included in the tabulation of the voting results on the election of directors (Proposal (1)) and, therefore, do not have the effect of votes in opposition in such tabulations. Abstentions are included in the tabulation of the voting results on issues requiring the affirmative vote of a majority of the voting power present (in person or by proxy) and entitled to vote at the Meeting (Proposal (2)) and have the effect of votes in opposition in such tabulations, while broker 'non-votes' are not included in the tabulation of the voting results on such issues and therefore do not have the effect of votes against in such tabulations.

The Company has been informed that the 5,982,867 shares of Class A Common Stock (constituting approximately 29.1% of the outstanding shares of Class A Common Stock as of April 14, 2003) owned as of the record date by DWG Acquisition Group, L.P., a Delaware limited partnership of which Nelson Peltz and Peter W. May are the sole general partners ('DWG Acquisition'), will be voted in accordance with the recommendation of the Board of Directors FOR the election of each of the eight (8) nominees for director named below and FOR Proposal (2).

PROPOSAL 1. ELECTION OF DIRECTORS

NOMINEES FOR ELECTION

It is recommended that the eight (8) nominees named below be elected as directors of the Company, with each director to hold office until the next Annual Meeting of Stockholders, and until his successor is elected and qualified or until his prior death, resignation or removal. All of the eight (8) nominees are presently serving as directors of the Company and were elected directors at the Annual

2

Meeting of Stockholders held on June 4, 2002 to serve until the next annual meeting of the Company's stockholders and until such director's successor is duly chosen and qualified or until his prior death, resignation or removal. The Company is unaware of any reason why any of the nominees named herein would be unwilling or unable to serve as a director. Should, however, any nominee for director be unwilling or unable to serve at the time of the Meeting or any adjournment or postponement thereof, the persons named in the proxy will vote for the election of such other person for such directorship as the Board of Directors may recommend.

The Company has standing audit, nominating, and compensation committees whose current functions and members are described below. It is anticipated that at its first meeting following the Meeting, the Board will designate the directors to serve on each of these committees until the next annual meeting of stockholders.

The Nominating Committee has adopted the following rules with respect to considering such nominations: (i) the nominating stockholder must have owned, for at least six months prior to the date the nomination is submitted, shares of (x) Class A Common Stock or (y) other classes of common stock or preferred stock, if any, entitled to vote for directors; (ii) the

Edgar Filing: TRIARC COMPANIES INC - Form DEF 14A

nomination must be received by the Nominating Committee at least 120 days before the mailing date for proxy material applicable to the annual meeting for which such nomination is proposed for submission; and (iii) a detailed statement setting forth the qualifications, as well as the written consent, of each party nominated must accompany each nomination submitted.

Compensation Committee and Performance Compensation Subcommittee. The Compensation Committee is composed of Messrs. David E. Schwab II (Chairman), Clive Chajet and Joseph A. Levato. The Subcommittee met three times in 2002.

8

COMPENSATION OF DIRECTORS

Each non-management director of the Company receives an annual retainer of \$30,000 for serving on the Board. In addition, each non-management director of the Company receives \$1,500 for each meeting of the Board or of a committee (or subcommittee) of the Board that such director attends. Under the 1998 and 2002 Plans, each non-management director may elect to have all or a portion of the annual retainer and these meeting attendance fees paid in shares of Class A Common Stock rather than in cash. See 'Executive Compensation -- Certain Employment Arrangements with Executive Officers' below for certain information relating to compensation of the Company's management directors.

In addition, pursuant to the 1998 and 2002 Plans, each director of the Company who is not also an employee of the Company or any subsidiary receives options to purchase an aggregate of 15,000 shares of Class A Common Stock on the date of such director's initial election or appointment to the Board of Directors. On the date of each subsequent annual meeting of stockholders of the Company at which a director is reelected, such director receives options to purchase 4,000 shares of Class A Common Stock.

COMPLIANCE WITH SECTION 16(a) OF THE EXCHANGE ACT

Edgar Filing: TRIARC COMPANIES INC - Form DEF 14A

Section 16(a) of the Securities Exchange Act of 1934, as amended (the 'Exchange Act'), requires Triarc's directors, executive officers, and persons who own more than ten percent of Triarc's common stock, to file reports of ownership and changes in ownership on Forms 3, 4 and 5 with the Securities and Exchange Commission (the 'SEC') and the New York Stock Exchange. Directors, executive officers and greater than ten percent stockholders are required by SEC regulations to furnish Triarc with copies of all Forms 3, 4 and 5 they file.

Based solely on Triarc's review of the copies of such forms it has received, or written representations from certain reporting persons that no Form 5s were required for these persons, Triarc believes that all its directors, executive officers and greater than ten percent beneficial owners complied with all filing requirements applicable to them with respect to 2002, except for the inadvertent omission by Messrs. Carey and Tsai to file a report on a timely basis with respect to the receipt of stock options in lieu of meeting fees on four occasions, and Mr. Schwab to file a report on a timely basis with respect to the receipt of stock options in lieu of meeting fees on two occasions, under the new expedited filing requirements of the Sarbanes-Oxley Act of 2002. When the inadvertent omission of the transactions was discovered, Messrs. Carey, Tsai and Schwab promptly filed the appropriate report. Each of Triarc's executive officers was awarded stock options by the Performance Committee on December 18, 2002. However, the executive officers were not notified of such awards and did not receive or execute stock option agreements until February 7, 2003. Appropriate reports were filed by each of such executive officers within two business days of February 7, 2003.

EXECUTIVE COMPENSATION REPORT OF THE COMPENSATION COMMITTEE AND PERFORMANCE COMPENSATION SUBCOMMITTEE*

The Compensation Committee's Role. The Compensation Committee of the Board of Directors (the 'Compensation Committee') is responsible for setting policy for compensation of executive officers of the Company, for reviewing and approving compensation programs for the executive officers of the Company (the 'Executive Compensation Program') and for administering the 1997 Plan and the Deferral Plan. The Performance Compensation Subcommittee's (the 'Subcommittee' or the 'Performance Committee') principal function is to administer the 2002 Plan, the 1998 Plan, the 1993 Plan and the 1999 Executive Bonus Plan. Accordingly, the Subcommittee joins the Compensation Committee in this report.

The Company's Executive Compensation Program is designed to motivate executives to achieve the Company's business objectives, with a particular emphasis on building the value of the Company. Key components of the Executive Compensation Program consist of base salaries, performance-based cash bonus plans, stock-based compensation plans, deferred compensation plans and discretionary bonuses. To fulfill its principal function, the Compensation

Edgar Filing: TRIARC COMPANIES INC - Form DEF 14A

Committee reviews and approves each of the elements of the Executive Compensation Program and assesses the effectiveness of the Executive Compensation Program as a whole. This includes reviewing the design of the Company's various incentive plans for executive officers and assessing the competitiveness of the overall Executive Compensation Program. From time to time, the Company retains external compensation consultants to advise it with respect to competitive pay levels and the development and design of compensation plans.

The Company provides its executive officers with a total compensation package that -- at expected levels of performance -- is generally intended to be highly competitive with compensation packages provided to similarly situated executives in the consumer products, restaurant and food industries and in investment management and private equity/mergers and acquisitions firms. The Company periodically assesses an executive's competitive level of compensation based on comparable information drawn from a variety of sources, including proxy statements, compensation surveys and external compensation consultants. In addition, such compensation takes into account the various roles and combinations of responsibilities undertaken by Triarc's executive officers, as well as their individual performance and contribution to the success of the Company.

The Compensation Committee is aware that companies selected for compensation comparison purposes differ from those used for relative stockholder return comparison purposes in this proxy statement's performance graph. The Compensation Committee believes stockholders' interests are best served by providing compensation necessary to attract needed exceptional executive talent from relevant labor markets and that, in many cases, this talent will be attracted from companies or institutions that are not included in the peer group index in the performance graph set forth below.

Incentive Compensation Varies With Performance and Other Factors. While the expected value of an executive's total compensation package is set at a highly competitive level, each executive officer's pay package places a significant portion of total compensation at risk, and the actual value of the package may exceed or fall below such competitive compensation levels, both annually and over time, based on various factors, including:

the performance of the executive's area of responsibility;

individual executive performance; and

the executive's experience in his or her role.

Awards paid under annual and long-term incentive plans to senior operating unit officers are also tied to that business unit's short- and long-term financial performance and strategic accomplishments of the Company.

The Company also believes that effectively rewarding individual performance helps drive managers to contribute in ways that enhance the financial and stock performance of the Company and its various business units. Although the Executive Compensation Program provides compensation that varies with financial performance and strategic accomplishments, an executive officer's incentive awards may also be influenced by qualitative assessments of Company, business unit and individual performance, as appropriate. For all executive officers, these assessments are made by either the Compensation Committee or the Subcommittee, as appropriate.

Overview of the Executive Compensation Program. Key components of the Executive Compensation Program include: (i) the base salary program, (ii) the annual incentive program, including awards under the 1999 Executive Bonus Plan, discretionary bonuses and special deferred compensation and (iii) the long-term incentive program.

Base Salary Compensation. The Company's base salary program is intended to provide base salary levels that are competitive in the external market for executive talent and reflect an individual's ongoing performance. Base salaries are periodically adjusted based on the executive's performance, the Company's overall financial performance and expected salary increases in the market for executive talent.

Annual Incentive Compensation. During 1999, the Company's stockholders approved the 1999 Executive Bonus Plan which seeks to provide compensation opportunities to eligible executive officers and key employees of the Company and its subsidiaries that are directly related to the financial and operating performance of the Company. During 2002, seven executive officers (including the Chairman and Chief Executive Officer and President and Chief Operating Officer) participated in the 1999 Executive Bonus Plan. The 1999 Executive Bonus Plan provides for two types of bonuses: formula bonus awards and performance goal bonus awards. Formula bonus awards are based solely on the Company's financial performance using certain predetermined earnings and capitalization related criteria outlined in the 1999 Executive Bonus Plan. Performance goal bonus awards are based on the attainment of specific levels of performance by the Company (or operating units of the Company) with reference to one or more objective criteria outlined in the 1999 Executive Bonus Plan. The Subcommittee establishes the performance bonus award targets for each participant eligible for such an award no later than 90 days after the commencement of each 1999 Executive Bonus Plan year. The Subcommittee determines whether the formula based criteria and performance goals were met and, based on such determinations, the actual amount of

Edgar Filing: TRIARC COMPANIES INC - Form DEF 14A

each formula bonus award and each performance goal bonus award and whether payment of all or a portion of such bonus will be deferred. Performance goal bonus awards may not exceed \$5.0 million to any single participant for any 1999 Executive Bonus Plan year. The Subcommittee may also exercise 'negative discretion' and reduce performance goal bonuses otherwise payable under the objective criteria. Bonus payments under the 1999 Executive Bonus Plan are intended to be exempt from the tax deduction limitation of Section 162(m) of the Internal Revenue Code of 1986, as amended ('Code').

In addition, from time to time the Compensation Committee may award discretionary bonuses to the Company's executive officers. The amount of such bonuses are based on the Compensation Committee's evaluation of such individual's performance and contribution to the Company's overall performance.

The Compensation Committee may defer payment of bonuses in accordance with the terms of the Deferral Plan described below.

The annual cash incentive plan for executive officers of the Triarc Restaurant Group (Arby's), the Company's principal business unit (the 'Annual Plan'), provides competitive annual pay opportunities with amounts payable being linked to the business unit's annual financial performance, and to the individual's annual performance. The Annual Plan sets annual incentive target awards at levels that are competitive in the context of the Company's total Executive Compensation Program, and the appropriate mix of variable and fixed compensation. Financial performance is assessed annually against financial and strategic objectives. Each such executive's individual performance award is related to performance measures most appropriate to his or her responsibilities. To reinforce the need for teamwork and focus attention on overall Company objectives, all participants have a significant portion of their award linked to corporate financial performance, as defined by operating income and other measures.

Annual Bonus Awards for 2002. All of the annual bonus compensation for 2002 for the Named Officers (as defined in the Introduction to the Summary Compensation Table below), was provided pursuant to the 1999 Executive Bonus Plan and, in the case of Triarc Restaurant Group officers, the Annual Plan and/or the Mid-Term Plan (described below). In 2002, the only significant strategic or financial transaction completed by the Company was the acquisition of Sybra, Inc. ('Sybra') and no special discretionary bonuses were awarded to the Named Officers. In addition, in accordance with the terms of the 1999 Executive Bonus Plan, and notwithstanding the fact that certain specified levels of performance goals had been attained by the Company, the Subcommittee, in consultation with management, exercised 'negative discretion' with respect to 2002 and reduced the performance goal bonus awards that would otherwise have been payable to participating Named Officers. Accordingly, as explained below under 'CEO and COO Compensation Arrangements,' total cash compensation payable to the Company's Chairman and Chief Executive Officer and President and Chief Operating Officer was lower with respect to 2002 and total cash compensation payable with respect to 2002 to the other Named Officers was generally comparable to that paid with respect to 2001.

In addition, the Compensation Committee reviewed the fiscal 2002 performance of executive corporate officers not participating in the 1999 Executive Bonus Plan and took into account the fact that the only significant strategic or financial transaction completed by the Company in 2002 was the acquisition of Sybra. Accordingly, no special discretionary bonuses were paid to such executive corporate officers with respect to 2002. The annual bonuses payable to such officers primarily

reflected individual qualitative executive contributions based upon the level of the executive's responsibilities, the efficiency and effectiveness with which the executive oversaw the matters under such executive's supervision, and the degree to which such executive contributed to the accomplishment of the Company's goals. Since these officers generally have overall corporate policy-making and administrative responsibilities, and do not directly oversee principal operating units of the Company, the Compensation Committee's assessment of these executives relates generally to their performance and accomplishment of personal goals and the Company's achievements as a whole. No specific weighting was assigned to any one factor over others in determining bonuses paid to such executive officers with respect to fiscal 2002. Accordingly, the total cash compensation payable to such officers was generally comparable with respect to 2002 as compared to the prior year.

Long-Term Incentive Compensation. The Company provides executive officers and key employees of its principal business units with incentives linked to longer-term business unit and corporate performance through the 1998 Plan, which provides for the grant of options to purchase shares of Company Stock and restricted stock of the Company. The Subcommittee believes equity ownership among executives aligns management's interests with those of stockholders and provides long-term incentives for the Company's officers.

In addition, executive officers and key employees of the Triarc Restaurant Group participate in a mid-term cash incentive plan (the 'Mid-Term Plan'), which provides for cash awards to participants based on the unit's profit over a three year period. A pool is created based upon the amount by which the unit's actual profit reaches or exceeds a targeted level.

Grant of Equity-Based Incentives for Fiscal 2002. The Subcommittee approved stock option grants under the 1998 Plan in respect of fiscal 2002 performance to selected corporate and business unit managers because of the services performed by these individuals on behalf of the Company and the Triarc Restaurant Group and the Subcommittee's determination that it was in the best interest of stockholders to provide equity incentives to the Company's management team. Accordingly, in December 2002, the Subcommittee approved stock option grants under the 1998 Plan to selected officers and certain key employees. The option grants to Named Officers under the 1998 Plan are included in the Summary Compensation Table below. Such awards were made after a review of the exercise prices, numbers and dates of their previous option awards and the option awards made to other executive officers of the Company, as well as the total cash compensation paid to such executive officers. In November 2002, the Board of Directors authorized the Performance Committee, in the case of the 1993 Plan and the 1998 Plan, and the Compensation Committee, in the case of the 1997 Plan, to adopt procedures to implement a deferral arrangement whereby the senior officers of the Company and Arby's would have the ability to defer receipt of the shares issuable upon exercise of their stock options.

CEO and COO Compensation Arrangements. The Company is a party to employment agreements effective as of May 1, 1999 with Nelson Peltz, the Company's Chairman

Edgar Filing: TRIARC COMPANIES INC - Form DEF 14A

and Chief Executive Officer, and Peter W. May, the Company's President and Chief Operating Officer. The agreements are described in 'Certain Employment Arrangements with Executive Officers.' Pursuant to such agreements, in addition to receiving their base salaries, Messrs. Peltz and May are entitled to participate in the 1999 Executive Bonus Plan. Pursuant to the 1999 Executive Bonus Plan, Mr. Peltz and Mr. May were awarded approximately \$3.6 million and \$1.57 million, respectively, in respect of fiscal 2002 (as compared to \$7.2 million and \$3.35 million, respectively, in respect of fiscal 2001) based on pre-determined earnings and capitalization related criteria outlined in the 1999 Executive Bonus Plan.

15

In addition, the Subcommittee exercised 'negative discretion' and significantly reduced the performance goal awards that would otherwise have been payable to the participating Named Officers, including Messrs. Peltz and May. Furthermore, no special discretionary bonuses or deferred bonuses were awarded in respect of fiscal 2002 to Messrs. Peltz and May.

Messrs. Peltz and May also received grants of options under the 1998 Plan (which are set forth in the Summary Compensation Table). The factors considered in determining the size of the stock option grants to Messrs. Peltz and May were the stock option guidelines established for all participants in the 1998 Plan (see 'Grant of Equity-Based Incentives for Fiscal 2002' above), including Messrs. Peltz's and May's respective performance and contributions to the Company.

In accordance with the procedures adopted by the Performance Committee, in November 2002, Messrs. Peltz and May elected to defer receipt of the shares issuable to them upon exercise of their stock options that were to expire on April 24, 2003. On April 23, 2003 Messrs. Peltz and May exercised such options and, in connection with such deferral elections, 216,477 shares and 144,318 shares were credited to deferred compensation accounts on the Company's books pending their future delivery to Messrs. Peltz and May, respectively.

Other Executive Compensation. In addition, the Company provides executive officers with benefits and perquisites such as a 401(k) plan, health and life insurance benefits and, in certain cases, tax and financial planning advice, automobile allowances and other transportation related benefits. Overall, the Compensation Committee believes the provided levels of benefits and perquisites are necessary and competitive and, in combination with the previously mentioned compensation elements, facilitate the Company's ability to secure the needed executive talents.

Section 162(m) Considerations. The Company's general policy is to award incentive compensation to Named Officers which is exempt from the deduction limits of Section 162(m) of the Code. Nevertheless, each of the Compensation Committee and Subcommittee believes it is important to maintain the flexibility to authorize compensation that is not exempt from Section 162(m). Further, because of ambiguities and uncertainties as to the application and interpretation of Section 162(m), no assurance can be given, notwithstanding the Company's efforts, that compensation intended by the Company to be exempt from the deduction limits of Section 162(m) will in fact be so.

CERTAIN EMPLOYMENT ARRANGEMENTS WITH EXECUTIVE OFFICERS

Nelson Peltz and Peter W. May. Employment agreements were entered into by the Company and Messrs. Peltz and May, effective as of May 1, 1999. The agreements, which currently extend through April 30, 2008, provide for a five year term, unless otherwise terminated as provided therein, with automatic annual one year extensions unless either the Company or the executive gives written notice not later than 180 days preceding the date of any such extension that such party does not wish to extend the term. The agreements provide for annual base salaries of \$1,400,000 per year for Mr. Peltz and \$1,200,000 per year for Mr. May, subject to increase but not decrease from time to time. Mr. May has waived his right to receive \$250,000 of his 2003 annual base salary. In addition, the executives will receive an annual bonus for each fiscal year at least equal to the Formula Bonus Award actually earned under the 1999 Executive

Bonus Plan; provided that the Board of Directors (including the Performance Committee of the Board of Directors) may award Performance Goal Bonus Awards under the 1999 Executive Bonus Plan and additional bonuses in its discretion. In the event employment is terminated by the Company without 'cause,' or by the executive for 'good reason' (as each such term is defined in the agreements), or at the executive's option following a 'change of control,' the agreements provide that each executive will be entitled to receive within ten days of termination, among other things, an amount equal to the sum of: (i) the executive's then current base salary through the date of termination, any bonus amounts payable, and accrued vacation pay; (ii) the executive's then current base salary through the remainder of the employment term; (iii) five times the highest bonus as calculated under the agreements; and (iv) five times the sum of Company contributions paid or accrued on the executive's behalf to any defined contribution retirement plans during the year preceding termination. In addition, the executives will be entitled to receive a pro rata bonus for the year in which the termination occurs. 'Change of control' would generally include the following events: (i) a majority of the Company's directors being replaced; (ii) any 'person,' as defined in the Exchange Act, acquires 50% or more of the combined voting power of the Company's voting securities; (iii) a sale of all or substantially all of the assets of the Company; (iv) a merger or similar transaction that requires stockholder approval, unless the Company's stockholders continue to own 50% or more of the combined voting power of the resulting entity's voting securities; (v) the Company's stockholders approve a plan of complete liquidation or dissolution of the Company; or (vi) such other events as may be designated by the Board of Directors. taxes, Messrs. Peltz and May will be in the same after-tax position as if no excise tax had been imposed. The agreements also provide that in the event that employment is terminated without 'cause' by the Company, by Messrs. Peltz or May for 'good reason,' or under other specified circumstances (including a change of control), all non-vested stock options and other non-vested stock or stock-based awards then owned by the executives will, subject to certain limitations, vest immediately and (i) subject to certain limitations, all of such awards granted on or after February 24, 2000 and (ii) all of the Company stock options granted before February 24, 2000 with an exercise price greater than \$17.6875 per share (the closing price of the Company's common stock on such date), will remain exercisable until the earlier of one year following termination or the award's stated expiration date. In addition, the Company, pursuant to a security program established by the Board of Directors and administered by independent committees of the Board of Directors, authorized certain security measures for Messrs. Peltz and May and their immediate family members. The Company provides the security measures for the Company's benefit rather than as a personal benefit or perquisite for these executives. The costs of these services for Mr. Peltz were \$225,625 in fiscal 2002, \$351,414 in fiscal 2001 and \$247,983 in fiscal 2000, and for Mr. May were \$50,103 in fiscal 2002, \$53,148 in fiscal 2001 and \$68,811 in fiscal 2000.

Brian L. Schorr. Mr. Schorr, the Company's Executive Vice President and General Counsel, is a party to an employment agreement with the Company entered into effective as of February 24, 2000. The agreement, which currently extends

Edgar Filing: TRIARC COMPANIES INC - Form DEF 14A

through February 24, 2006, provides for a three year term, unless otherwise terminated as provided therein, with automatic annual one year extensions unless either the Company or Mr. Schorr gives written notice not later than 180 days preceding the date of any such extension that such party does not wish to extend the term. The agreement provides for an annual base salary of \$475,000 per year, subject to increase but not decrease from time to time. In addition, Mr. Schorr is eligible to receive bonuses during each of the Company's fiscal years from time to time as appropriate, in the sole discretion of the Company, and to participate in the 1999 Executive Bonus Plan. In the event employment is terminated by the Company without 'cause,' or by Mr. Schorr for certain specified reasons (including following a 'change of control' or for 'good reason'), the agreement provides that Mr. Schorr will be entitled to receive within ten days of termination, among other things, an amount equal to the sum of: (i) Mr. Schorr's then current base salary through the date of termination, any bonus amounts payable, accrued vacation pay, and two and one-half times the sum of Company contributions paid or accrued on Mr. Schorr's behalf to any defined contribution retirement plans during the year preceding termination; (ii) Mr. Schorr's then current salary through the remainder of the employment term (but in no event for more than two and one-half years); and (iii) two and one-half times the highest bonus, as calculated under the agreement. In addition, Mr. Schorr will be entitled to receive a pro rata bonus for the year in which the termination occurs. Under the agreement, in the event that any benefit paid to Mr. Schorr becomes subject to excise tax imposed under Section 4999 of the Internal Revenue Code, the Company will indemnify Mr. Schorr so that after payment of such excise taxes, Mr. Schorr will be in the same after-tax position as if no excise tax had been imposed. The agreement also provides that in the event that employment is terminated without 'cause' by the Company, or by Mr. Schorr for certain specified reasons (including following a 'change of control' or for 'good reason'), all non-vested stock options and other non-vested stock or stock-based awards of the Company or any subsidiary then owned by Mr. Schorr will, subject to certain limitations, vest immediately and (i) all of such awards granted on or after February 24, 2000 and (ii) all of the Company stock options granted before February 24, 2000 with an exercise price greater than \$17.6875 per share (the closing price of the Company's common stock on such date), will remain exercisable until the earlier of one year following termination or the award's stated expiration date.

Michael Howe. Mr. Howe, the President and Chief Executive Officer of the Triarc Restaurant Group, is a party to an employment agreement with Arby's, Inc. entered into effective as of August 1, 1999. The agreement, which currently extends through December 31, 2003 (unless otherwise terminated, as provided therein), and provides for automatic successive 18 month extensions unless either Arby's or Mr. Howe gives notice to the other, at least 180 days before an extension is to take effect, that such party does not wish to extend the term. The agreement currently provides for an annual base salary of \$355,000, subject to increase, but not decrease from time-to-time. In addition, Mr. Howe is eligible to receive annual incentive bonuses and to participate in Arby's Mid-Term Cash Incentive Plan (described below). In the event that Mr. Howe's employment is terminated by Arby's without 'cause' or by Mr. Howe for certain specified reasons (including following a 'change in control' if certain 'triggering events' occur), the agreement provides that Mr. Howe will be entitled to receive (i) a sum equal to his annual rate of salary in effect as of the effective date of such termination, payable in semi-monthly installments for

Edgar Filing: TRIARC COMPANIES INC - Form DEF 14A

a period of twelve months after the effective date of such termination and (ii) commencing twelve months after the effective date of such termination, a sum equal to his annual base rate of salary in effect as of the effective date of such termination payable in semi-monthly installments for a period of twelve months after the effective date of such termination, provided that payments described in clause (ii) will be offset by any compensation earned by Mr. Howe from any new employer during the period in which he receives such semi-monthly payments. In addition, if Arby's delivers a notice that it has determined to terminate the agreement, Arby's is to pay Mr. Howe a sum equal to his annual base rate of salary in effect as of the effective date of such termination, payable in semi-monthly installments for a period of twelve months after the effective date of such termination. In addition, in the event of a termination without cause (or upon termination by Mr. Howe following a change in control if a 'triggering event' occurs) Arby's shall, within 30 days after the effective date of such termination, pay to Mr. Howe a lump sum equal to his annual target incentive and any funds accumulated as part of his Mid-Term Cash Incentive Plan Award. In addition, if Mr. Howe terminates the agreement following a change in control and the occurrence of a triggering event all outstanding stock options granted to Mr. Howe which have not vested as of the date of such termination shall vest as of the effective date of his resignation.

1999 EXECUTIVE BONUS PLAN

The Company's 1999 Executive Bonus Plan is designed to provide incentive compensation for designated executive officers and key employees of the Company and its subsidiaries that is directly related to the financial performance of the Company. The plan was approved by the Company's stockholders on September 23, 1999. The 1999 Executive Bonus Plan, which became effective as of May 3, 1999, provides for two types of bonuses to be awarded to designated participants: 'Formula Bonus Awards' and 'Performance Goal Bonus Awards'. Formula Bonus Awards are based solely on the Company's financial performance using certain predetermined earnings and capitalization related criteria outlined in the plan. Performance Goal Bonus Awards are based on the Company (or operating units of the Company) achieving certain specific levels of performance with reference to one or more objective criteria outlined in the 1999 Executive Bonus Plan. Performance bonus award targets are established annually by the Performance Committee, based on specific categories of criteria set forth in the 1999 Executive Bonus Plan. Such criteria include the successful completion of acquisitions, dispositions, recapitalizations, financings and refinancings, return on the Company's investment portfolio and other market and operating performance measures, including, among other things, earnings per share, market share, margins, productivity improvement and stock price. The Performance Committee

20

establishes the performance goals as to each participant for each plan year and, if more than one performance goal is established, the weighting of the performance goals. Messrs. Peltz and May are eligible to receive Formula Bonus Awards and each of Messrs. Peltz, P. May, Schorr, McCarron and J. May has, and certain other senior Company executives have, been designated by the Performance Committee as being eligible to receive a Performance Goal Bonus Award under the 1999 Executive Bonus Plan for plan year 2003. Performance Goal Bonus Awards may not exceed \$5,000,000 to any single participant for any plan year. The Performance Committee may, in its sole and absolute discretion, adjust or modify

Edgar Filing: TRIARC COMPANIES INC - Form DEF 14A

the calculation of the performance goals in certain circumstances. In addition, the 1999 Executive Bonus Plan provides that the Performance Committee may reduce or eliminate a Performance Goal Bonus Award even if certain performance goals have been achieved if the Performance Committee, in its sole discretion, determines to do so. The Performance Committee may also amend, suspend, or terminate the 1999 Executive Bonus Plan or any portion thereof at any time; provided that no such amendment or alteration shall be made that would impair the rights of any participant without the participant's consent. Payments of awards under the 1999 Executive Bonus Plan are intended to be exempt from the tax deduction limitation of Section 162(m) of the Internal Revenue Code, which generally limits deductions for compensation paid to senior executive officers to \$1,000,000 per year.

CASH INCENTIVE PLANS

The Triarc Restaurant Group has an annual cash incentive plan (the 'Annual Incentive Plan') and a mid-term cash incentive plan (the 'Mid-Term Incentive Plan') for executive officers and key employees, including Messrs. Jonathan May (through 2002) and Michael Howe.

The Annual Incentive Plan is designed to provide annual incentive awards to participants, with amounts payable being linked to whether the Triarc Restaurant Group has met certain pre-determined financial goals and the performance of the participant during the preceding year. Under the Annual Incentive Plan, participants may receive awards of a specified percentage of their then current base salaries, which percentage varies depending upon the level of seniority and responsibility of the participant. Such percentage is set by the company's management in consultation with management of Triarc. The board of directors of the Triarc Restaurant Group, in consultation with management of Triarc and the Compensation Committee of the Triarc Board of Directors, may elect to adjust awards on a discretionary basis to reflect the relative individual contribution of the executive or key employee, to evaluate the 'quality' of the company's earnings or to take into account external factors that affect performance results. The board of directors of the Triarc Restaurant Group may also decide that multiple performance objectives related to the company's and/or the individual's performance may be appropriate and in such event, such factors would be weighted in order to determine the amount of the annual incentive awards. The Annual Incentive Plan may be amended or terminated at any time.

Under the Mid-Term Incentive Plan, incentive awards are granted to participants if the Triarc Restaurant Group achieves an agreed upon profit over a three year performance cycle. During each plan year, an amount is accrued for each participant based upon the amount by which the company's profit for such year exceeds a certain minimum return. A new three-year performance cycle begins each year, such that after the third year the annual cash amount paid to participants pursuant to the Mid-Term Incentive Plan should equal the target award if the Triarc Restaurant Group's profit goals have been achieved for the full three-year cycle. Except as may otherwise be set forth in a participant's employment agreement, the board of directors of the Triarc Restaurant Group, together with Triarc's

management and the Compensation Committee of Triarc's Board of Directors, may adjust an individual's award, upward or downward, based upon an assessment of

Edgar Filing: TRIARC COMPANIES INC - Form DEF 14A

the individual's relative contribution to the company's longer-term profit performance. The Mid-Term Incentive Plan may be amended or terminated at any time.

DISCRETIONARY BONUSES

From time to time, the Compensation Committee of the Board may award discretionary or special bonuses or deferred compensation based on performance to certain executive officers. The amounts of such bonuses or deferred compensation will be based on the Compensation Committee's evaluation of each such individual's contribution.

DEFERRAL PLAN FOR SENIOR EXECUTIVE OFFICERS OF TRIARC COMPANIES, INC.

The Deferral Plan for Senior Executive Officers of Triarc Companies, Inc. (the 'Deferral Plan') was approved by the Compensation Committee of the Board of Directors effective December 14, 2000. Pursuant to the Deferral Plan, the Company establishes one or more bookkeeping accounts to reflect bonuses awarded to participants the payment of which has been deferred. These accounts are adjusted from time to time for earnings and investment gains and losses. Deferred bonus accounts for each participant are deemed invested in certain approved investments selected by the participant or an investment manager chosen by the Company and reasonably acceptable to the participant. The Company may replicate any deferred bonus account in a trust, in which event the value of the deferred bonus account on the books of the Company will be equal to the value of the actual approved investments related to such account in the trust. A participant may receive the value of a deferred bonus account, in cash or approved investments, or any combination thereof, from the Company upon the earliest of: (i) the first business day in January of the fourth calendar year following the calendar year in which the related bonus was awarded to the participant; (ii) no later than five business days following the participant's 'separation from service' (as defined in the Deferral Plan); and (iii) such time as the payment would be deductible by the Company for Federal income tax purposes without regard to the limitation of Section 162(m) of the Internal Revenue Code. On or before the June 30 preceding the payment date specified in clause (i) above, a participant may elect to defer such date for up to three additional whole years. A participant may make such an election more than one time. Although a participant is at all times fully vested in his or her deferred bonus accounts, participants have the status of general unsecured creditors of the Company with respect to the Company's obligation to make payment to them under the Deferral Plan and any assets contained in a trust formed under the Deferral Plan are subject to claims by creditors of the Company. As of April 14, 2003, deferred bonus accounts have been established for Messrs. Peltz and May and the Company has established grantor trusts with a financial institution for the purpose of paying amounts due to Messrs. Peltz and May under the Deferral Plan.

A maximum of 500,000 shares of Class A Common Stock were authorized to be issued under the 1997 Plan. As of April 14, 2003, options to acquire 284,253 shares of Class A Common Stock were outstanding under the 1997 Plan. The 1997 Plan is administered by the Compensation Committee. OPTIONS GRANTED IN FISCAL 2002

The following table sets forth certain information with respect to options to purchase shares of Class A Common Stock granted to the Named Officers in the fiscal year ended December 29, 2002. No SARs were granted to any of the Named

Officers.

24

OPTION GRANTS IN LAST FISCAL YEAR

NAME	INDIVIDUAL GRANTS		
	NUMBER OF SECURITIES UNDERLYING OPTIONS/SARS GRANTED (#) (1)	% OF TOTAL OPTIONS GRANTED TO EMPLOYEES IN FISCAL YEAR (2)	EXERCISE OR BASE PRICE (\$ PER SHARE)
Nelson Peltz.....	350,000	33.95%	\$26.93
Peter W. May.....	175,000	16.97%	\$26.93
Brian L. Schorr.....	30,000	2.91%	\$26.93
Francis T. McCarron.....	30,000	2.91%	\$26.93
Jonathan P. May.....	30,000	2.91%	\$26.93
Michael C. Howe.....	30,000	2.91%	\$26.93

(1) All options granted to Named Officers during fiscal 2002 were granted under the 1998 Plan. One third of the options granted under the 1998 Plan will vest on each of the first, second and third anniversaries of the date of grant and the options will be exercisable at any time between the date of vesting and the tenth anniversary of the date of grant. The option agreements evidencing options to purchase shares of Class A Common Stock awarded to directors of Triarc, the Chairman and Chief Executive Officer, the President and Chief Operating Officer, and all officers of Triarc at the level of Senior Vice President or above provide that the options may be transferred by the optionee pursuant to a domestic relations order or to certain permitted transferees and provide that the Named Officer may, on certain terms and conditions, defer receipt of the shares underlying the options upon exercise of the options.

(2) The percentages are based on the aggregate number of options granted in fiscal 2002 to purchase Class A Common Stock.

(3) These values were calculated using a Black-Scholes option pricing model. The actual value, if any, that an executive may realize will depend on the excess, if any, of the stock price over the exercise price on the date the options are exercised, and no assurance exists that the value realized by an executive will be at or near the value estimated by the Black-Scholes model. The following assumptions were used to calculate the present value of the option grants with respect to Class A Common Stock:

(a) assumed option term of seven years;

Edgar Filing: TRIARC COMPANIES INC - Form DEF 14A

- (b) stock price volatility factor of .185;
- (c) annual discount rate of 3.65%; and
- (d) no dividend payment.

The Black-Scholes option pricing model has limitations on its effectiveness including that it was developed for use in estimating the fair value of traded options which have no vesting restrictions and are fully transferable and that the model requires the use of highly subjective assumptions including expected stock price volatility. Because the Company's stock-based awards to employees have characteristics significantly different from those of traded options and because changes in the subjective input assumptions can materially affect the fair value estimate, in the opinion of the Company, the existing models do not necessarily provide a reliable single measure of the fair value of its stock-based awards to employees.

(footnotes continued on next page)

(footnotes continued from previous page)

These estimated option values, including the underlying assumptions used in calculating them, constitute 'forward-looking statements' within the meaning of the Private Securities Litigation Reform Act of 1995 (the 'Reform Act') and involve risks, uncertainties and other factors which may cause the actual value of the options to be materially different from those expressed or implied herein. For those statements, Triarc claims the protection of the safe-harbor for forward-looking statements contained in the Reform Act.

OPTION VALUES AT END OF FISCAL 2002

The following table sets forth certain information concerning each exercise of options by the Named Officers during fiscal 2002, as well as the value as of December 29, 2002 of unexercised in-the-money options to purchase shares of Class A Common Stock granted to the Named Officers and outstanding as of the end of fiscal 2002.

(1) Awards were made in fiscal 2002 under the Mid-Term Incentive Plan to participants (including Mr. Howe) approved by the Board of Directors of the Triarc Restaurant Group with respect to the three-year performance period 2002-2004. Each participant's target incentive is set at a percentage of his or her annual base salary and is based on meeting certain operating profit targets over the three year performance cycle. Pursuant to Mr. Howe's employment agreement, his target incentive was set at 75% of his annual base salary. No amount will be payable if the Triarc Restaurant Group's operating profits are less than 80% of the specified performance objective for the three year cycle. If a participant is terminated without cause, such participant will be entitled to amounts accrued under the plan as of the date of termination. If a participant is not employed by the Triarc Restaurant Group on the last day of the three year performance cycle for reasons other than death, an approved absence or certain transfers, the participant is not entitled to any incentive compensation under the plan

unless the Board of Directors of the Triarc Restaurant Group determines otherwise.

The Audit Committee discussed with Deloitte & Touche any relationships that may have an impact on their objectivity and independence and satisfied itself as to Deloitte & Touche's independence. The Audit Committee also considered whether the provision of services by Deloitte & Touche to the Company not related to the audit of the financial statements referred to above and to the reviews of the interim financial statements included in the Company's Forms 10-Q is compatible with maintaining Deloitte & Touche's independence.

Based on the above-mentioned review and discussions with management and Deloitte & Touche, and subject to the limitations on the role of the Audit Committee and the Audit Committee's responsibility described above and in the

COMPARISON OF 5-YEAR CUMULATIVE TOTAL RETURN:
TRIARC VS. S&P 500 INDEX AND S&P SMALL CAP 600 INDEX

The following graph compares the cumulative five year total return of Triarc's Class A Common Stock with the S&P 500 Index and the S&P Small Cap 600 Index (the 'Peer Group'). The Peer Group has been selected because the Company does not believe it can reasonably identify a peer group comprised of publicly-traded companies focused, during the applicable period, on non-alcoholic beverages and restaurants that are comparable to the Company in terms of revenues or product mix. Accordingly, the Company has chosen the Peer Group on the basis of comparing the Company's performance to that of the companies with similar market capitalizations comprising the S&P Small Cap 600 Index. The stockholders' returns set forth below assume an initial investment of \$100 and that all dividends have been reinvested.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The Company currently owns approximately 7.2% of the outstanding common stock of Encore Capital Group, Inc. (formerly known as MCM Capital Group, Inc.) ('Encore'). Encore is a financial services company specializing in the collection, restructuring, resale and securitization of receivable portfolios acquired at deep discounts. On January 12, 2000 the Company entered into a guaranty (the 'Note Guaranty') of \$10,000,000 principal amount of senior notes maturing 2007 (the 'Encore Notes') issued by Encore to a major financial institution in consideration of a fee of \$200,000 and warrants to purchase 100,000 shares of Encore common stock at \$.01 per share with an estimated fair value on the date of grant of \$305,000. At April 25, 2003, the \$10,000,000 guaranteed amount has been reduced to \$6,698,000 and will be further reduced by (i) any repayments of the Encore Notes, (ii) any purchases of the Encore Notes by the Company and (iii) the amount of certain investment banking or financial advisory services fees paid to the financial institution or its affiliates or, under certain circumstances, other financial institutions by the Company, Encore or another significant stockholder of Encore or any of their affiliates. Certain officers of the Company, including entities controlled by them and immediate family members, collectively own 17.2% of the outstanding common stock of Encore as of April 1, 2003. These officers are not parties to the Note Guaranty. In addition to the Note Guaranty, the Company and certain other stockholders of Encore, including certain of the officers of the Company referred to above, on a joint and several basis, entered into guaranties (the 'Bank Guaranties') and certain related agreements to guarantee up to \$15,000,000 (reduced to \$5,000,000 in April 2003) of revolving credit borrowings of a subsidiary of Encore. In April 2003, the maximum amount available under the revolving credit agreement was reduced from \$15,000,000 to \$5,000,000 and the maturity date for any outstanding borrowings was extended until April 15, 2004. The Company would be responsible for approximately \$610,000, assuming the full \$5,000,000 was borrowed and all of the parties other than the Company to the Bank Guaranties and the related agreements fully perform thereunder.

On October 31, 2000 the Company, certain of the Company's officers who invested in Encore and certain other stockholders of Encore, through a then newly formed limited liability company, CTW Funding, LLC ('CTW'), entered into an agreement, as amended, to make available to Encore a \$2,000,000 revolving credit facility (the 'Encore Revolver') through December 31, 2001 for working capital requirements. The Company owned an 8.7% interest in CTW and, had any borrowings under the Encore Revolver occurred, all members of CTW would have been required to fund such borrowings in accordance with their percentage ownership interests. In return, CTW received warrants to purchase a total of 250,000 shares of Encore common stock at \$.01 per share with an aggregate estimated fair value on the dates of the grant of \$108,000. The Encore Revolver expired on December 31, 2001, without any borrowings being made thereunder. During 2002, CTW exercised the warrants and was then liquidated, resulting in the Company and the other members of CTW receiving their proportionate shares of

Edgar Filing: TRIARC COMPANIES INC - Form DEF 14A

the Encore Common Stock underlying the Encore warrants held by CTW.

During 2002, the Company, entities affiliated with Messrs. Peltz, Peter May and Jon May, certain other officers of the Company, including Messrs. Schorr and Rosen, and other significant stockholders of Encore invested in newly issued convertible preferred stock of Encore (the 'Encore Preferred Stock'). The Company invested \$873,000, affiliates of Mr. Peltz invested approximately \$936,000, an affiliate of Mr. Peter May invested approximately \$210,000 and an affiliate of both Messrs. Peter May and Jonathan May invested approximately \$210,000, of the aggregate \$5,000,000 of Encore Preferred Stock issued. The \$5,000,000 of Encore Preferred Stock issued is convertible into an aggregate of 10,000,000 shares of Encore common stock. If all of the Encore Preferred Stock were converted, the ownership of

30

the Company and the present officers of the Company in Encore's Common Stock would increase to 13.1% and 23.7%, respectively.

In October 2002, the Company made a restricted stock award of 90,000 shares of Encore Common Stock owned by it to an officer of the Company, other than one of the Company's executive officers, who began serving on Encore's board of directors. Such award reduced the Company's ownership of Encore Common Stock by 1.2% to 7.2%. The award vests over a three year period from the date of grant.

As part of its overall retention efforts, the Company has provided certain of its officers and employees with the opportunity to co-invest in some of the investment opportunities available to the Company. In connection therewith, prior to the enactment of the Sarbanes-Oxley Act of 2002, the Company advanced a portion of the funds for the purchases by certain of its officers and employees in four co-investments, EBT Holding Company, LLC ('EBT'), 280 KPE Holdings, LLC ('280 KPE'), K12 Inc. and 280 BT Holdings LLC. In connection with these four investments, the Company received notes due the Company in the original face amount of \$4,046,000, in the aggregate (of which \$2,094,776 was outstanding as of April 1, 2003), of which one-half of the principal amount of these notes (or \$1,047,388 as of April 1, 2003), is non-recourse. The notes bear interest at the prime rate adjusted annually. During 2002, the largest outstanding principal amount owed to the Company by Messrs. Peltz, Peter May and Schorr pursuant to the notes was \$1,033,593, \$961,240 and \$61,706, respectively, in connection with these investments (of which \$888,888, \$888,888 and \$40,000, respectively, was outstanding as of April 1, 2003). In March 2002, the loans related to the investment in 280 KPE became due. In accordance with the terms of such notes, each of the executives repaid, in full, the recourse portion of such executive's note (plus interest thereon) and the non-recourse portion of such notes (approximately \$72,352 for Mr. Peltz, \$36,176 for Mr. May and \$10,853 for Mr. Schorr) were forgiven. In addition, in March 2003, the loans related to the investment in EBT became due. In accordance with the terms of such notes, each of the executives repaid, in full, the recourse portion of such executive's note (plus interest thereon) and the non-recourse portion of such notes (approximately \$90,489 for Mr. Peltz, \$45,245 for Mr. May and \$10,054 for Mr. Schorr) were forgiven. In connection with the foregoing, each of the executives transferred to Triarc all of their right, title and interest in and to of such executive's membership interest in 280 KPE (67.11% of such interest, in the case of Messrs. Peltz and May) and 100% of such executive's membership interest in EBT. Under the Sarbanes-Oxley Act of 2002, the Company may not make any new

Edgar Filing: TRIARC COMPANIES INC - Form DEF 14A

loans to its executive officers and the Company's co-investment policy no longer permits loans.

Through April 5, 2002 the Company leased a helicopter from a subsidiary of Triangle Aircraft Services Corporation ('TASCO'), a company owned by the Chairman and Chief Executive Officer and President and Chief Operating Officer of the Company. Annual rent for the helicopter was \$382,000 from October 1, 2000 through September 30, 2001, and increased to \$392,000 as of October 1, 2001 as a result of an annual cost of living adjustment. Pursuant to the lease, the Company paid the operating expenses, including repairs and maintenance, of the helicopter directly to third parties. On April 5, 2002, the helicopter lease was terminated and Triarc paid \$150,000 to the subsidiary of TASCO in lieu of paying rent for the remaining six months of the initial term of the lease and in consideration for the release of the Company from all of its obligations under the lease, including the obligation to make required repairs to the helicopter upon the termination of the lease. The termination of the lease and the related payment by Triarc were approved by the Audit Committee of the Board of Directors.

In connection with the court-approved settlement of the Malekan litigation, described in 'Item 3. Legal Proceedings' in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2000, Messrs. Peltz and May delivered a Promissory Note in the aggregate principal amount of \$5,000,000, dated as of April 1, 2000. The third and final installment of the note was repaid in full by Messrs. Peltz and May on March 31, 2003.

Mr. Peter May and the Company's wholly-owned subsidiary, Sybra, Inc., have an interest in a franchisee that owns an Arby's restaurant. That franchisee is a party to a standard Arby's franchise license agreement and pays to Arby's fees and royalty payments that unaffiliated third-party franchisees pay. Mr. May acquired his interest in the franchisee prior to the acquisition by the Company of Sybra in December 2002. Under an arrangement that pre-dated the Sybra acquisition, Mr. May contributed all of the capital in the franchisee and Sybra manages the restaurant for the franchisee. Under the pre-existing arrangement, Sybra agreed to waive its management fee until Mr. May's capital is returned.

Andrew Peltz, a son of the Company's Chairman and Chief Executive Officer, was employed by the Company from January 18, 1999 to March 31, 2003, most recently as the Company's Vice President - Investment Services. Mr. Peltz was paid an aggregate salary and bonus of \$450,000 for his services during fiscal 2002 and awarded options to acquire 25,000 shares of the Company's Class A Common Stock. Such aggregate cash compensation was approved by the Compensation Committee and the stock option award was approved by the Performance Committee. In addition, at the request of Messrs. Nelson Peltz and Peter May, the Company has engaged Mr. Peltz as investment manager for the deferred bonus accounts established for Nelson Peltz and Peter May under the Deferral Plan (described above). Under this arrangement, which may be terminated by the Company at any time, the Company will pay Mr. Peltz a fee (approximately 1% per annum) based on the value, at the end of each month, of the trusts established with respect to the liabilities to Mr. Nelson Peltz and Mr. May pursuant to the Deferral Plan. Messrs. Peltz and May will ultimately bear the cost of such fees through a concurrent reduction of their deferred bonus accounts.

During fiscal 2002, the Company made a charitable contribution of \$90,000 to the Simon Weisenthal Center and a charitable contribution of \$63,000 to the CaPCure Association for the Cure of Cancer of the Prostate. Mr. May is a trustee, and Mr. Peltz is a former co-chairman, of the Weisenthal Center. Mr. Peltz is a director of CaPCure.

PROPOSAL 2. RATIFICATION OF APPOINTMENT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

INTRODUCTION

The Audit Committee of the Board of Directors has selected Deloitte & Touche LLP ('Deloitte') to be the Company's independent certified public accountants for fiscal 2003. Deloitte has acted as the Company's independent certified public accountants since July 9, 1994.

Representatives of Deloitte will be present at the Meeting with the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

32

REQUIRED VOTE

Ratification of the appointment of the independent certified public accountants requires the affirmative vote of a majority of the voting power present (in person or by proxy) and entitled to vote at the Meeting. In the event that the Company's stockholders fail to ratify the appointment of Deloitte, the selection of the Company's independent certified public accountants will be submitted to the Company's Board of Directors for reconsideration.

AUDITOR FEES

The Company has elected to early adopt the Securities and Exchange Commission's new proxy disclosure requirements relating to fees paid to the Company's independent certified public accountants. Under the new requirements there are four categories of fees: Audit, Audit Related, Tax and All Other. Under the previous disclosure requirements, there were three categories of fees: Audit, Financial Information Systems Design and Implementation and All Other. In addition, the new disclosure requirements also provide that comparative information for the prior fiscal year be reported. Accordingly, the fee information presented in the 2002 proxy for 2001 has been restated here for comparative purposes.

The following is a description of the fees billed to the Company by Deloitte during the fiscal years ended December 29, 2002 and December 30, 2001:

Audit Fees: Audit fees paid by the Company to Deloitte in connection with Deloitte's review and audit of the Company's annual financial statements, Deloitte's review of the Company's interim financial statements included in the Company's Quarterly Reports on Form 10-Q and for services that are normally provided by Deloitte in connection with statutory and regulatory filings or engagements totaled approximately \$704,000 for fiscal 2002 and \$550,000 for

Edgar Filing: TRIARC COMPANIES INC - Form DEF 14A

fiscal 2001.

Audit-Related Fees: The aggregate fees billed by Deloitte for assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements and are not reported under the 'Audit Fees' above were \$1,276,000 for fiscal 2002 (principally for post-closing matters relating to the sale of the Snapple Beverage Group, due diligence with respect to a proposed acquisition and subsidiary stand-alone reports) and \$1,110,000 for fiscal 2001 (principally for post-closing matters relating to the sale of the Snapple Beverage Group).

Tax Fees: The aggregate fees billed by Deloitte for professional services rendered by Deloitte for tax compliance, tax advice and tax planning were \$109,000 for fiscal 2002 (principally related to the acquisition of Sybra, Inc.) and \$360,000 for 2001 (principally related to the Snapple Beverage Group sale).

All Other Fees: Fees billed to the Company by Deloitte for all other products and services provided to the Company and not reported under the three prior headings were \$0 for fiscal 2002, and approximately \$18,000 for fiscal 2001 (principally related to miscellaneous work done for Arby's Canadian subsidiary).

As noted in the Audit Committee Report (see page 28), the Audit Committee has considered whether the provision of services by Deloitte that were not related to the audit of the Company's consolidated financial statements referred to above and to the reviews of the interim financial statements included in the Company's Forms 10-Q is compatible with maintaining Deloitte's independence.

33

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE RATIFICATION OF APPOINTMENT OF DELOITTE & TOUCHE LLP AS THE COMPANY'S INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS.

OTHER MATTERS

EXPENSES OF SOLICITATION

The cost of soliciting proxies will be borne by the Company. In addition to the solicitation of proxies by use of the mails, some of the officers, directors and regular employees of the Company and its subsidiaries, none of whom will receive additional compensation therefor, may solicit proxies in person or by telephone, telegraph or other means. Solicitation will also be made by employees of Georgeson & Company, which firm will be paid a fee of \$8,000, plus expenses. As is customary, the Company will, upon request, reimburse brokerage firms, banks, trustees, nominees and other persons for their out-of-pocket expenses in forwarding proxy materials to their principals.

STOCKHOLDER PROPOSALS FOR THE 2004 ANNUAL MEETING

From time to time, stockholders present proposals which may be proper subjects for inclusion in a proxy statement and for consideration at an annual meeting. To be considered, proposals must be submitted on a timely basis. It is currently expected that the next Annual Meeting will be held during the early part of June 2004, with the related proxy statement being first mailed to

Edgar Filing: TRIARC COMPANIES INC - Form DEF 14A

stockholders on or about April 23, 2004. To be considered for the 2004 Annual Meeting of Stockholders of the Company, proposals must be received by the Company no later than December 29, 2003, and must otherwise comply with Rule 14a-8 under the Exchange Act.

Stockholders who do not wish to follow Rule 14a-8 under the Exchange Act in proposing a matter for action at the next annual meeting may also submit a proposal pursuant to the procedural requirements set forth in Triarc's Certificate of Incorporation. Any such proposals must be specified in a written notice given by or on behalf of a stockholder of record on the record date for such meeting entitled to vote thereat or a duly authorized proxy for such stockholder, in accordance with all of the following requirements. Such notice must be delivered personally to, or mailed to and received at, the principal executive office of the Company addressed to the attention of the Secretary, not less than 45 days nor more than 60 days prior to the meeting; provided, however, that in the event that less than 55 days' notice or prior public disclosure of the date of the meeting is given or made to stockholders, notice by the stockholder to be timely must be so received not later than the close of business on the 10th day following the day on which such notice of the date of the annual or special meeting was mailed or such public disclosure was made, whichever first occurs. Such notice must set forth (i) a full description of each such item of business proposed to be brought before the meeting and the reasons for conducting such business at such meeting, (ii) the name and address of the person proposing to bring such business before the meeting, (iii) the class and number of shares held of record, held beneficially and represented by proxy by such person as of the record date for the meeting (if such date has then been made publicly available) and as of the date of such notice, (iv) if any item of such business involves a nomination for director, all information regarding each such nominee that would be required to be set forth in a definitive proxy statement filed with the SEC pursuant to Section 14 of the Exchange Act, or any successor thereto, and the written consent of each such nominee to serve if elected, (v) any material interest of the stockholder in such item of business and (vi) all other

34

information that would be required to be filed with the SEC if, with respect to the business proposed to be brought before the meeting, the person proposing such business was a participant in a solicitation subject to Section 14 of the Exchange Act, or any successor thereto. The Company may require a proposed nominee for director to furnish such other information as may be required to be set forth in a stockholder's notice of nomination which pertains to the nominee or which may be reasonably required to determine the eligibility of such proposed nominee to serve as a director of the Company. At the request of the Board of Directors, any individual nominated by the Board of Directors for election as a director shall furnish to the Secretary of the Company that information required to be set forth in a stockholder's notice of nomination which pertains to a nominee. The Nominating Committee has adopted certain rules with respect to nominations for Board membership. See 'Proposal 1. Election of Directors -- Board Meetings and Certain Committees of the Board -- Nominating Committee' above. The Chairman of the meeting may, if the facts warrant, determine that a nomination or stockholder proposal was not made in accordance with the foregoing procedure, and if he should so determine, he shall so declare to the meeting and the defective nomination or proposal shall be disregarded. Any questions relating to stockholder proposals should be submitted in writing
