Item 5. Interests of Named Experts and Counsel.

Mr. Haubenreich, who is passing on the legality of the Common Stock offered hereby, as of May 5, 2010 owned approximately 47,120 shares of Common Stock (including 23,600 shares that are represented by restricted stock units credited under employee benefit plans which are subject to vesting and settlement).

Item 6. Indemnification of Directors and Officers.

Delaware General Corporation Law

Section 145 of the Delaware General Corporation Law provides that a corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that he is or was a director, officer, employee or agent of the corporation, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement in connection with such action, suit or proceeding if such person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal proceeding, had no reasonable cause to believe his or her conduct was unlawful. A similar standard of care is applicable in the case of derivative actions, except that indemnification only extends to expenses (including attorneys' fees) actually and reasonably incurred in connection with defense or settlement of such an action and court approval is required before there can be any indemnification where the person seeking indemnification has been found liable to the corporation. To the extent that a director or officer of a corporation has been successful on the merits or otherwise in defense of any action referred to above, or in defense of any such action or claim, issue or matter, that person shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred in connection with such action or claim, issue or matter.

Bylaws

Article VI of Oceaneering's amended and restated bylaws provides that Oceaneering will indemnify and hold harmless each of its directors and officers, to the fullest extent applicable law permits, from and against any and all judgments, penalties, fines (including excise taxes), amounts paid in settlement and, subject to certain limitations, expenses arising out of any claim, other than a claim brought by or on behalf of Oceaneering or a related enterprise, by reason of the fact that: (1) such person is or was a director or an officer of Oceaneering; or (2) while a director or an officer, such person served, at the request of Oceaneering, as a director, officer, manager, administrator, employee, agent or representative of a related enterprise (any person described in item 1 or 2, is referred to as an Eligible Indemnitee). For claims brought by or on behalf of Oceaneering or a related enterprise, Oceaneering will indemnify an Eligible Indemnitee for all expenses reasonably incurred as a result of such claim if the Eligible Indemnitee is not adjudged liable under such claim or if the court making the adjudication of liability against the Eligible Indemnitee determines that despite such an adjudication, the circumstances in the case warrant that the Eligible Indemnitee be indemnified for expenses reasonably incurred. Article VI of Oceaneering's amended and restated bylaws also provides that Oceaneering may advance funds to an Eligible Indemnitee to cover expenses he or she incurs in defending against any action, suit or proceeding that may give rise to a right to indemnification upon receipt of an undertaking by or on behalf of such person to repay such amount if it is ultimately determined that such person is not entitled to be indemnified by Oceaneering. Oceaneering may, to the extent and in the manner applicable law permits, indemnify and advance expenses to persons other than present or former directors or officers of Oceaneering, when authorized by the Board of Directors of Oceaneering or other appropriate corporate action.

Oceaneering has also entered into indemnification agreements with each of its directors. These indemnification agreements generally provide Oceaneering's directors with a contractual right of indemnification to the same extent provided by Section 145 of the Delaware General Corporation Law and a contractual right to advancement of expenses consistent with the provisions of Article VI of Oceaneering's amended and restated bylaws.

Certificate of Incorporation

Additionally, Oceaneering's certificate of incorporation, as amended, contains a provision that eliminates the personal liability of directors to Oceaneering or its stockholders for monetary damages for breach of the director's fiduciary duty of care as a director. As a result, stockholders may be unable to recover monetary damages against directors for negligent or grossly negligent acts or omissions in violation of their duty of care. The provision does not change the liability of a director for breach of his duty of loyalty to Oceaneering or to stockholders, for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, for the declaration or payment of dividends in violation of Delaware law, or in respect of any transaction from which that director receives an improper personal benefit.

Oceaneering also maintains directors' and officers' liability insurance for its directors and officers that protects them from certain losses arising from claims or charges made against them in their capacities as directors or officers of Oceaneering.

2010 Incentive Plan

In addition, Section 6 of Oceaneering's 2010 Incentive Plan (the "2010 Incentive Plan") provides that no member of the Compensation Committee of the Board of Directors of Oceaneering or officers of Oceaneering who administers the 2010 Incentive Plan shall be liable for anything done or omitted to be done by him or her in connection with the performance of duties under the 2010 Incentive Plan, except for his or her own willful misconduct or as expressly provided by statute.

The discussion of Oceaneering's Certificate of Incorporation, Bylaws, 2010 Incentive Plan and Section 145 of the Delaware General Corporation Law included in this Item 6 is intended to be only a summary and is qualified in its entirety by the full text of each of the foregoing.

Item 9. Undertakings

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement.

Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Securities and Exchange Commission pursuant to Rule 424(b) of the Securities Act of 1933 if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective Registration Statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

Table of Contents

Provided, however, that the undertakings set forth in paragraphs (a)(1)(i) and (a)(1)(ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
