Item 1.02 Termination of a Material Definitive Agreement

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant

On November 10, 2010, certain subsidiaries of The Timken Company (the Company) entered into a \$150 million Receivables Purchase Agreement (the RPA) with Fifth Third Bank and The Bank of Tokyo-Mitsubishi UFJ, Ltd., New York Branch (BTMU), as Managing Agents, and BTMU, as Agent. Under the terms of the RPA and certain related receivables sale agreements (collectively, the Asset Securitization Facility), The Timken Corporation and MPB Corporation, wholly owned subsidiaries of the Company, sell, on an ongoing basis, certain trade receivables to Timken Receivables Corporation, another wholly owned subsidiary, that in turn sells undivided interests, and grants security interests, in the trade receivables to a vehicle that issues commercial paper in the short-term commercial paper market and to other financial institutions. Availability under the RPA is limited by certain calculations relating principally to the outstanding balance of eligible receivables. The Asset Securitization Facility matures on November 10, 2012 and replaces the Company's previous asset securitization facility dated as of December 30, 2005.

As of November 10, 2010, there were no amounts outstanding under the Asset Securitization Facility. Any amounts outstanding under this facility would be reported on the Company's consolidated balance sheet under short-term debt.

A copy of the Receivables Purchase Agreement is filed as Exhibit 10.1 hereto. Copies of the Receivables Sale Agreements are filed as Exhibits 10.2 and 10.3 hereto. The foregoing description of the Asset Securitization Facility does not purport to be complete and is qualified in its entirety by reference to the full text of the Receivables Purchase Agreement and the Receivables Sale Agreements, which are incorporated by reference herein.
