**Table of Contents**

***Family Relationships between Directors and Officers***

As of May 13, 2011, there were no relationships between any director or executive officer of the Company and any other director or executive officer of the Company.

***Committees and Meetings of the Board***

**Board**

During 2010, the Board consisted of Dr. Benz and Messrs. Goodpasture, Kaffie, Ostbye and Siem with Mr. Siem serving as Chairman. During the fiscal year ended December 31, 2010, the Board held five (5) regular meetings and eight (8) special meetings. Each director attended at least 75% of the total number of meetings of the Board and committees on which he served. The Board has two standing committees, the Audit Committee and the Compensation Committee.

**Audit Committee**

During 2010, the Audit Committee consisted of Dr. Benz and Messrs. Kaffie and Ostbye with Dr. Benz serving as Chairman. During the fiscal year ended December 31, 2010, the Audit Committee met five (5) times. The Board has affirmatively determined that all members of the Audit Committee are independent and that Dr. Benz qualifies as an Audit Committee Financial Expert. The Audit Committee's duties include overseeing financial reporting and internal control functions and the Audit Committee's charter is available on our website ([www.blue-dolphin.com](http://www.blue-dolphin.com)).

**Compensation Committee**

During 2010, the Compensation Committee consisted of Messrs. Goodpasture and Kaffie. The Compensation Committee did not meet during the fiscal year ended December 31, 2010. The Board has affirmatively determined that all members of the Compensation Committee are independent. The Compensation Committee does not have a charter, however, its duties are to oversee and set the Company's compensation policies, to approve compensation of executive officers and to administer the Company's stock incentive plan.

**Nominating Committee**

Given the size of the Board and that a majority of its members are independent, as defined under National Association of Securities Dealers Automated Quotations (NASDAQ) Listing Rules, the Board adopted a Board Nomination Procedures policy in July 2005 in lieu of appointing a standing nominating committee. The policy is used by independent members of the Board when choosing nominees to stand for election.

The Board will consider for possible nomination qualified nominees recommended by stockholders. As addressed in the Board Nomination Procedures policy, the manner in which independent directors evaluate nominees for director as recommended by a stockholder will be the same as that for nominees received from other sources.

The Board will continue to nominate qualified directors of whom the Board believes will make important contributions to the Board and the Company. The Board generally requires that nominees be persons of sound ethical character, be able to represent all stockholders fairly, have demonstrated professional achievements, have meaningful experience and have a general appreciation of the major business issues facing the Company. The Board also considers issues of diversity and background in its selection process, recognizing that it is desirable for its membership to have differences in viewpoints, professional experiences, educational backgrounds, skills, race, gender, age and national origin.

**Table of Contents**

***Corporate Governance***

**Leadership Structure**

The Company is led by Ivar Siem, who has served as Chairman of the Board since 1989 and Chief Executive Officer since 2004. Having a single leader for the Company is commonly utilized by other public companies in the United States, and we believe it has been effective for our Company as well. This leadership structure demonstrates to our employees, customers and stockholders that we are under strong leadership, with a single person setting the tone and having primary responsibility for managing our operations, and eliminates the potential for confusion or duplication of efforts. We do not believe that appointing an independent Board chairman, or a permanent lead director, would improve upon the performance of the Board.

**Risk Oversight**

Our Board is actively involved in overseeing the risk management of the Company. Presentations by management to the Board include consideration of the challenges and risks to our business, and the Board and management actively engage in discussion on these topics. Furthermore, the two standing Board committees provide appropriate risk oversight. The Audit Committee oversees the accounting and financial reporting processes, as well as compliance, internal control, legal and risk matters. The Compensation Committee oversees compensation policies, including the approval of compensation for our Chairman and Chief Executive Officer. We believe that the processes established to report and monitor systems for material risks applicable to the Company are appropriate and effective.

**Code of Conduct**

In July 2005, the Board adopted a code of conduct (the Code of Conduct ) applicable to all directors, officers and employees, as set forth in the Sarbanes-Oxley Act of 2002, which is publicly available on Blue Dolphin's website ([www.blue-dolphin.com](http://www.blue-dolphin.com)). The Code of Conduct requires all directors, officers and employees to act ethically at all times, and prohibits any employee from retaliating or taking any adverse action against anyone for raising or helping to resolve an integrity concern.

The Audit Committee established procedures to enable anyone who has a concern about the Company's conduct or policies, or any employee who has a concern about the Company's accounting, internal accounting controls or auditing matters, to communicate that concern directly to the Chairman of the Audit Committee. Violations and/or concerns may be sent anonymously by mail to Laurence N. Benz (Audit Committee Chairman, Blue Dolphin Energy Company), 13000 Equity Place, Suite 105, Louisville, Kentucky 40223, via email to [larry@physicaltherapist.com](mailto:larry@physicaltherapist.com) or such other contact information for Dr. Benz that the Company may post on its website from time to time.

**Code of Ethics**

In April 2003, the Board adopted a Code of Ethics policy that is applicable to the principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. The Code of Ethics policy is posted on our website ([www.blue-dolphin.com](http://www.blue-dolphin.com)) and is available to any stockholder, without charge, upon written request to Blue Dolphin Energy Company, Attention: Secretary, 801 Travis Street, Suite 2100, Houston, Texas 77002. Any amendments or waivers to provisions of the Code of Ethics policy will be disclosed on our website.

**Table of Contents**

**Communicating with Directors**

As the Board does not receive a large volume of correspondence from stockholders, at this time, there is no formal process by which stockholders can communicate with the Board. Instead, any stockholder who desires to contact the Board or specific members of the Board may do so by writing to: Blue Dolphin Energy Company, Attention: Secretary for Board, 801 Travis Street, Suite 2100, Houston, Texas 77002. Currently, all communications addressed in such manner are sent directly to the indicated directors. In the future, if the Board adopts a formal process for determining how communications are to be relayed to directors, that process will be disclosed on our website.

**ITEM 11. EXECUTIVE COMPENSATION**

***Executive Compensation Policy and Procedures***

Compensation for the Company's executive officers consists of base salary, cash bonuses and incentive awards that have historically consisted of stock options. The Company does not offer a retirement plan that provides for the payment of retirement benefits. In the event an employee of the Company retires after age 65, the non-vested portion of any stock options received expires immediately. The vested portion of any stock options received expires, to the extent not exercised, three months after retirement. The Compensation Committee has the authority to approve all forms of executive compensation based on its experience and informal consideration of compensation practices of oil and gas companies of similar size and business focus. The Compensation Committee has not used compensation consultants in the past in making its determinations. The Company believes that stock ownership by its executive officers and other employees furthers the alignment between the interests of the executive officers and other employees and the stockholders, thereby enhancing the Company's efforts to improve stockholder returns and increase stockholder value.

The Company's stock incentive plan provides that upon a change of control, the Compensation Committee may accelerate the vesting of options, cancel options and make payments in respect thereof in cash in accordance with the terms of the stock incentive plan, adjust the outstanding options as appropriate to reflect such change of control or provide that each option shall thereafter be exercisable for the number and class of securities or property that the optionee would have been entitled to receive had the option been exercised. The stock incentive plan provides that a change of control occurs if any person, entity or group acquires or gains ownership or control of more than 50% of the outstanding common stock, par value \$0.01 per share, ( Common Stock ) or, if after certain enumerated transactions, the persons who were directors before such transactions cease to constitute a majority of the Board.

The compensation of executive officers is reviewed on an annual basis, as well as when changes in responsibilities occur. The Compensation Committee may not delegate its authority to approve compensation determinations for executive officers. The Compensation Committee approves changes in compensation for Mr. Howard based on the recommendations of Mr. Siem as principal executive officer and Chairman of the Board. The Compensation Committee determines the compensation for Mr. Siem.

**Director Independence**

The Board has affirmatively determined that each of its members, with the exception of Mr. Siem, are independent and have no material relationship with the Company (either directly or indirectly or as a stockholder or officer of an organization that has a relationship with the Company), and that all members of the Audit and Compensation Committees are independent, pursuant to NASDAQ Listing and SEC rules.

**ITEM 14. PRINCIPAL ACCOUNTING FEES AND SERVICES**

UHY LLP, the Company's independent registered public accounting firm since 2002, has a continuing relationship with UHY Advisors, Inc. (both entities collectively referred to herein as "UHY"), from which it leases auditing staff who are full-time, permanent employees of UHY Advisors, Inc. and through which UHY's partners provide non-audit services. As UHY only has a few full-time employees, few, if any of the audit services performed for the Company were provided by permanent full-time employees of UHY. UHY manages and supervises the audit services and audit staff, and is exclusively responsible for the opinion rendered in connection with its examination.
