Item 8.01. Other Events.

On September 27, 2011, the Company's Board of Directors authorized the reinstatement of the Company's 2007 share repurchase program and authorized an increase in repurchase plan authority from \$58.4 million to \$200 million (excluding fees, commissions and all other ancillary expenses). The plan provides for: (i) the repurchase of shares of the Company's common stock, Series A preferred stock, Series D preferred stock and Series E preferred stock, and /or (ii) discounted purchases of outstanding debt obligations of the Company and its subsidiaries, including debt secured by the Company's hotel assets.

The Company intends to fund any repurchases or discounted debt purchases with the net proceeds from asset sales, cash flow from operations, existing cash on the balance sheet, and other sources. Repurchases of securities under this program will be made through the open market, or in privately negotiated transactions, from time to time in accordance with applicable laws and regulations. The manner, timing and amount of repurchases, if any, will be determined by the Company's management and will depend on a variety of factors, including price, corporate and regulatory requirements, market conditions and other corporate liquidity requirements. The repurchase program may be modified or discontinued at any time. Repurchases of common and preferred stock may be made under a Rule 10b5-1 plan, and in the case of repurchases of common stock, will be compliant with Rule 10b-18 of the Securities Exchange Act of 1934. Debt discounted purchases, if any, will occur from time to time, and will be subject to market conditions and negotiation with the Company's current credit providers. While this repurchase program includes repurchases of the Company's outstanding securities, it is not intended to be a going private transaction, and the Company will limit repurchases of securities such that, in no event, will this program have that effect.

The press release announcing the reinstated program is attached hereto as Exhibit 99.1.
