Section 1 Registrant's Business and Operations

Item 1.01 Entry into a Material Definitive Agreement.

On December 15, 2004, Avista Corporation (the Company) issued \$172.6 million of non-transferable First Mortgage Bonds (the Collateral Bonds) under its Mortgage and Deed of Trust, dated as of June 1, 1939, as amended and supplemented (the Mortgage), in order to provide the benefit of the lien of the Mortgage to secure its obligations with respect to previously issued and outstanding unsecured debt securities, namely \$88.9 million of its Medium Term Notes, Series C and the municipal bond insurance policies insuring \$83.7 million of Pollution Control Revenue Bonds issued for the benefit of the Company by the City of Forsyth, Montana. The Collateral Bonds were issued in order to suspend certain negative covenants, which had limited the Company's ability to issue additional secured debt.

On December 17, 2004, the Company entered into a five-year committed line of credit with various banks in the amount of \$350.0 million with an expiration date of December 16, 2009. This committed line of credit replaced a \$350.0 million committed line of credit with a 364-day term that had an expiration date of May 5, 2005. The Company can request the issuance of up to \$150.0 million in letters of credit under the committed line of credit. The committed line of credit is secured by \$350.0 million of non-transferable First Mortgage Bonds of the Company issued to the agent bank. Such First Mortgage Bonds would only become due and payable in the event, and then only to the extent, that the Company defaults on its obligations under the committed line of credit.

The committed line of credit agreement contains customary covenants and default provisions, including covenants not to permit the ratio of consolidated total debt to consolidated total capitalization of Avista Corporation to be greater than 70 percent at the end of any fiscal quarter. The committed line of credit also has a covenant requiring the ratio of earnings before interest, taxes, depreciation and amortization to interest expense of Avista Utilities for the twelve-month period ending each fiscal quarter to be greater than 1.6 to 1.
