This statement relates to the common units representing limited liability company interests (the Units) of Valero GP Holdings, LLC, a Delaware limited liability company (the Company), which has its principal executive offices at One Valero Way, San Antonio, Texas 78249.

### Item 2. Identity and Background

(a) The information required to be filed in response to paragraph (a) of Item 2 with respect to the Reporting Persons is set forth on Schedule I hereto.

(b) The information required to be filed in response to paragraph (b) of Item 2 is set forth on Appendices A, B and C hereto.

(c) The information required to be filed in response to paragraph (c) of Item 2 with respect to the Reporting Persons is as follows:

1. Valero Energy is principally engaged in the refining and retailing of refined products and convenience store merchandise. The executive officers and directors of Valero Energy are listed on Appendix A hereto.

The membership interests in the Company now represented by the 42,500,000 Units issued and outstanding as of July 19, 2006 were initially beneficially owned by Ultramar Diamond Shamrock Corporation, a Delaware corporation (UDS), through certain subsidiaries. Pursuant to that certain Agreement of Plan of Merger dated as of May 6, 2001 by and between UDS and Valero Energy (the Merger Agreement), UDS was merged with and into Valero Energy on December 31, 2001 (the Merger), with Valero Energy remaining as the surviving corporation and ultimate parent company of the subsidiaries holding the Units.

As a result of the Merger, Valero Energy beneficially owned all of the membership interests in the Company through UDS Logistics, LLC, its indirect wholly owned subsidiary. Also as a result of the Merger, Valero Energy became the direct owner of 100% of each of DSRMC and Sigmor.

On July 19, 2006, in an underwritten public offering, (i) Sigmor sold 9,199,911 Units, representing 21.7% of the membership interests in the Company, (ii) The Shamrock Pipe Line Corporation sold 5,750,032 Units, representing 13.5% of the membership interests in the Company, (iii) Diamond Shamrock Refining Company sold 2,298,782 Units, representing 5.4% of the membership interests in the Company, L.P., (iv) and each of Valero Refining New Orleans, L.L.C., Valero Refining Company California and Valero Refining Texas, L.P. (collectively, the Selling Unitholders), sold 425 Units representing less than 1% of the membership interests in the Company. The initial public offering was conducted pursuant to the Registration Statement on Form S-1 of the Company filed with the Securities and Exchange Commission (File No. 333-132917), which is incorporated by reference to this Schedule 13D. Following the initial public offering, DSRMC owns 21,926,636 Units, representing 51.6% of the membership interests in the Company, and Sigmor owns 3,323,364 Units, representing 7.8% of the membership interests in the Company. As a result of the ownership structure of these entities, Valero Energy is deemed to beneficially own 25,250,000 of the issued and outstanding Units representing 59.4% of the membership interests in the Company.

2. DSRMC owns approximately 51.6% of the member interests of the Company and is principally engaged in the ownership and operation of retail stores. The executive officers and directors of DSRMC are listed on Appendix B hereto.

3. Sigmor owns approximately 7.8% of the member interests of the Company and is principally engaged in the ownership and leasing of real estate. The executive officers and directors of Sigmor are listed on Appendix C hereto.

(d) During the last five years, none of the Reporting Persons nor, to the knowledge of the Reporting Persons, any of the persons listed on Appendices A, B and C hereto, has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors).

(e) During the last five years, none of the reporting persons nor, to the knowledge of the Reporting Persons, any of the persons listed on Appendices A, B and C hereto, has been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction as a result of which any of such persons was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

(f) The information required to be filed in response to paragraph (f) of Item 2 with respect to the Reporting Persons is set forth on Schedule I hereto.

**Item 3. Source and Amount of Funds or Other Consideration**

The membership interests in the Company were initially acquired by UDS and certain of its subsidiaries on June 6, 2000 in connection with the formation of UDS Logistics, LLC, a subsidiary of UDS. Pursuant to the Merger Agreement, UDS was merged with and into Valero Energy on December 31, 2001, whereupon UDS ceased its existence and Valero Energy, as the surviving entity of the Merger, became the ultimate parent company of UDS Logistics, LLC, which subsequently filed a Certificate of Amendment to its Certificate of Incorporation to change its name to Valero GP Holdings, LLC, DSRMC and Sigmor and, as a result, the beneficial owner of the Units.

**Item 4. Purpose of Transaction**

The Reporting Persons acquired the Units reported herein solely for the purpose of investment. The Reporting Persons may make additional purchases of Units either in the open market or in private transactions depending on the Company's business, prospects and financial condition, the market for the Units, general economic conditions, money and stock market conditions and other future developments.

**Item 5. Interest in Securities of the Issuer**

(a) There were 42,500,000 Units outstanding as of July 19, 2006, the date of the initial public offering of the Units. Valero Energy, through DSRMC and Sigmor, is deemed to be the beneficial owner of 25,250,000 Units, which based on calculations made in accordance with Rule 13d-3 ( Rule 13d-3 ) of the Securities Exchange Act of 1934, as amended (the Exchange Act ), represents 59.4% of the total issued and outstanding Units.

Valero Energy acquired beneficial ownership of the 25,250,000 Units as a result of the Merger described in Item 2(c).

(b) The number of Units as to which there is sole power to vote or to direct the vote, sole power to dispose or to direct the disposition, or shared power to dispose or direct the disposition for the Reporting Persons is set forth on the cover page of this Statement on Schedule 13D, and such information is incorporated herein by reference.

(c) There have been no reportable transactions with respect to the Units within the last 60 days by the Reporting Persons except for the disposition of Units by Sigmor and the acquisition of beneficial ownership of Units being reported on this Schedule 13D.

(d) The Reporting Persons have the right to receive distributions from, and the proceeds from the sale of, the respective Units reported by such persons on the cover pages of this Statement on Schedule 13D.

---

(e) Not applicable.

**Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer**

The 25,250,000 Units held by the Reporting Persons after the initial public offering reported herein were acquired in a private placement and are restricted securities. Certain transfer restrictions, voting rights of the Reporting Persons and rights granted by the Company and to which the Company is entitled are set forth in the Second Amended and Restated Limited Liability Company Agreement of the Company, a copy of the form of which is incorporated by reference to this Schedule 13D. Under the Limited Liability Company Agreement, DSRMC and Sigmor have certain registration rights with respect to the 25,250,000 Units they own.
