The disclosure under Item 5.02 of this report is incorporated herein by reference.

ITEM 5.02. Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers

On February 14, 2006, the Board of Directors approved a management succession plan for the Company in which Kevin M. Twomey, President and Chief Operating Officer, will be retiring later this year. Mr. Twomey will remain as President and Chief Operating Officer until the Company's 2006 Annual Meeting of Shareholders in May and then will provide consulting services to the Company until he retires on December 28, 2006. Attached as Exhibit 99.1 is the Company's press release announcing these succession planning measures.

Pursuant to the terms of his existing Employment Agreement, Mr. Twomey will continue to receive the following benefits through August 18, 2008: (1) base salary of \$625,000; (2) annual bonus payments of \$562,500 (which bonus payment would be pro-rated for 2008); and (3) a car allowance of \$1,200 per month. Until December 28, 2006, Mr. Twomey will continue to receive his current salary, bonus, car allowance and certain other benefits provided under the Company's benefit plans, including participation in the Company's Supplemental Retirement Plan, health and disability insurance, life insurance and an allowance for financial planning services. His total cash compensation and benefits for 2006 will be approximately \$1,440,650. The total cash compensation and benefits payable to Mr. Twomey pursuant to his Employment Agreement for the period after his retirement date is summarized as follows:

<u>Cash Benefits(1)</u>	Amounts by Year		<u>Total</u>
	<u>2007</u>	<u>2008(2)</u>	
Salary	\$ 625,000	\$ 400,000	\$ 1,025,000
Bonus	562,500	356,250	918,750
Car Allowance	14,400	9,600	24,000
Total			\$ 1,967,750

(1) Cash benefits will be payable in accordance with the Company's normal payroll practices.

(2) Amounts shown have been pro-rated through August 18, 2008.

Any of Mr. Twomey's unvested shares of restricted Company common stock and unvested stock options will vest as of his retirement date. As of December 28, 2006, Mr. Twomey will have 162,106 unvested shares of restricted stock. Another 81,054 shares of restricted stock and 37,500 stock options are scheduled to vest on August 19, 2006. As a result, the approximate pre-tax economic benefit to Mr. Twomey in connection with the accelerated vesting of his 162,106 shares of restricted stock would be \$9,689,076, assuming for purposes of illustration a per share price of \$59.77 (which was the closing price of the Company's common stock on the NYSE on

Table of Contents

February 14, 2006). The actual amount will be based on the closing price of the Company's common stock on December 28, 2006.

The Company believes that the benefits payable or accruing to Mr. Twomey in connection with his retirement will have a minimal effect on the Company's net income.

ITEM 9.01. Financial Statements and Exhibits

(c) Exhibits

10.1 Employment Agreement between the Company and Kevin M. Twomey dated August 19, 2003 (incorporated by reference to Exhibit 10.1 to the Company's Quarterly Report on Form 10-Q for the quarter ended September 30, 2003)

99.1 Press Release dated February 14, 2006
