PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS TO
BE HELD ON JUNE 5, 2002

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Artemis International Solutions Corporation (f/k/a Opus360 Corporation) (referred to throughout this Proxy Statement as "Artemis International," the "Company," "we," "our" or "us") for use at the Company's Annual Meeting of Stockholders to be held on June 5, 2002 (the "Annual Meeting") at 10:00 a.m., local time, at the Country Inn & Suites, 325 Bristol Street, Costa Mesa, California 92626 and at the adjournment thereof. This Proxy Statement and the accompanying proxy are being mailed to our stockholders on or about April 30, 2002.

THE PROXY

The persons named as proxyholders, Michael J. Rusert and Charles F. Savoni, were selected by the Board of Directors of the Company. Mr. Rusert and Mr. Savoni are both executive officers of the Company: Mr. Rusert is President and Chief Executive Officer; and Mr. Savoni is Senior Vice President, General Counsel.

All shares represented by each properly executed, unrevoked proxy received in time for the Annual Meeting will be voted in the manner specified therein. If no specification is made on the proxy as to any one or more of the proposals, the Common Stock of the Company represented by the proxy will be voted for the election of the directors named in the Proxy Statement and with respect to any other matters that may come before the Annual Meeting, at the discretion of the proxyholders. The Company does not currently know of any other such business. An executed proxy may be revoked at any time before its exercise by filing with the Secretary of the Company a written notice of revocation or a duly executed proxy bearing a later date. The execution of the enclosed proxy will not affect a stockholder's right to vote in person should such stockholder find it convenient to attend the Annual Meeting and desire to vote in person.

VOTING AT THE ANNUAL MEETING

The only issued and outstanding voting securities of the Company are its shares of Common Stock, \$.001 par value (the "Common Stock"), of which 249,124,566 shares were outstanding at the close of business on April 29, 2002. Only holders of record at the close of business on April 29, 2002, are entitled to receive notice of and to vote at the Annual Meeting and any adjournment thereof. Except as described below, the holders of the Common Stock of the Company are entitled to one vote per share on each matter submitted to a vote of the stockholders. The Company's Bylaws do not provide for cumulative voting by stockholders.

The holders of a majority of the Company's outstanding Common Stock, present in person or by proxy, will constitute a quorum for the transaction of business at the Annual Meeting or any adjournment thereof. While there is no

Edgar Filing: ARTEMIS INTERNATIONAL SOLUTIONS CORP - Form DEF 14A

definitive statutory or case law authority in Delaware as to the proper treatment of abstentions (also referred to as withheld votes), the Company believes that abstentions should be

1

counted for purposes of determining if a quorum is present at the Annual Meeting for the transaction of business. With respect to broker nominee votes, the Delaware Supreme Court has held that broker nominee votes may be counted as present or represented for purposes of determining the presence of a quorum. Abstentions are included in determining the number of shares voted on the proposals submitted to stockholders (other than the election of directors) and will have the same effect as a vote against such proposals.

SOLICITATION

The expense of soliciting proxies will be borne by the Company. Proxies will be solicited principally through the use of the mail, but directors, officers and regular employees of the Company may solicit proxies personally or by telephone or special letter without any additional compensation. The Company also will reimburse banks, brokerage houses and other custodians, nominees and fiduciaries for any reasonable expenses in forwarding proxy materials to beneficial owners.

2

PROPOSAL ONE

ELECTION OF DIRECTORS

At the Annual Meeting, four individuals are to be elected to hold office until their term expires and until their successors are elected and qualified. It is intended that the accompanying proxy will be voted in favor of the following persons to serve as directors unless the shareholder indicates to the contrary on the proxy. The election of the Company's directors requires a plurality of the votes cast in person or by proxy at the meeting. Management expects that each of the nominees will be available for election, but if any of them is unable to serve at the time the election occurs, it is intended that such proxy will be voted for the election of another nominee to be designated by the Board of Directors.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE ELECTION OF EACH NOMINEE AS DIRECTORS. UNLESS MARKED TO THE CONTRARY, PROXIES RECEIVED BY THE COMPANY WILL BE VOTED FOR THE ELECTION OF THE FOUR NOMINEES LISTED BELOW.

The following table sets forth the names, ages and positions of all directors and the nominees as of April 29, 2002. A summary of the background and experience of each of these individuals is set forth after the table.

DIRECTORS' FEES AND OPTIONS

Directors currently do not receive a stated salary from the Company for their service as members of Artemis International's Board of Directors. Although directors may receive a fixed sum and reimbursement for expenses in connection with the attendance at Board and committee meetings by resolution of the Board, the Company currently does not provide any cash compensation for either attendance at Board and committee meetings, committee participation or special assignments of the Board of Directors. Directors who are employees of the Company receive no compensation solely related to their role as a director of the Company.

The following table sets forth the individual grants of stock options made by the Company during the fiscal year ended December 31, 2001, to each of the listed Board of Directors. No other board members received grants for that fiscal year.

NAME	NUMBER OF SHARES	EXERCISE PRICE	DATE OF GRANT
Klaus Cawen	12,000	\$ 0.0800	07/31/01
Olof Odman	12,000	\$ 0.0800	07/31/01
Pekka Pere	12,000	\$ 0.0800	07/31/01

Historically, directors who were not our employee or the employee of any of our subsidiaries ("non-employee directors") were eligible to receive stock option grants under the Company's 1998 Stock Option Plan. In March 2000, the Company adopted the Artemis International Solutions Corporation 2000 Stock Option Plan for Non-Employee Directors (the "Directors' Plan"). Under the Directors' Plan, upon initially joining our board of directors each non-employee director receives an initial grant of options to purchase 12,000 shares of our common stock at an exercise price equal to 100% of the fair market value of the common stock as of such date. In addition, immediately

Edgar Filing: ARTEMIS INTERNATIONAL SOLUTIONS CORP - Form DEF 14A

following each annual stockholders meeting, commencing with the annual meeting in 2001, each of our non-employee directors who was not initially elected to the Board and was not our employee or the employee of any of our subsidiaries within the previous 12 months automatically receives an annual grant of options to purchase 12,000 shares of our common stock at an exercise price equal to 100% of the fair market value of our common stock at the date of grant of the option. A total of 1,125,000 shares of our common stock have been reserved for issuance under the Directors' Plan. Options granted under the Directors' Plan will vest ratably over a three-year period, commencing on the first anniversary of the date of grant. The options will vest upon a change of control as defined in the Directors' Plan.

5

On April 11, 2002, the Board of Directors granted Mr. Cannavino options, vesting over a 4-year period, to purchase 5,000,000 shares of our common stock. Mr. Cannavino's option to purchase the 5,000,000 shares at \$0.05, which expires April 11, 2012, vested 20% immediately, and 20% on each successive anniversary, subject to Mr. Cannavino's continued service as Chairman of the Board. All the shares would vest immediately upon a change of control or Mr. Cannavino's removal as Chairman of the Board for any reason other than his resignation or a unanimous consent of all other Directors.

COMMITTEES OF THE BOARD

The Company's Board of Directors currently has two committees, the Audit Committee and the Compensation Committee. The Audit Committee, currently consisting of Mr. Cannavino, Mr. Cawen and Mr. Odman, recommends the appointment of the independent public accountants of the Company, reviews and approves the scope of the annual audit and reviews the results thereof with the Company's independent accountants. The Audit Committee also assists the Board in fulfilling its fiduciary responsibilities relating to accounting and reporting policies, practices and procedures, and reviews the continuing effectiveness of the Company's business ethics and conflicts of interest policies. The members of the Audit Committee are "independent" as defined in Rule 4200(a)(15) of the National Association of Securities Dealers' listing standards.

The Compensation Committee, currently consisting of Mr. Cawen and Mr. Odman, recommends to the Board of Directors the salaries, bonuses and stock awards received by the officers of the Company. The Compensation Committee is also responsible for administering the Company's Stock Incentive Plan. The Compensation Committee determines the recipients of awards, sets the exercise price of shares granted, and determines the terms, provisions and conditions of all rights granted.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

No interlocking relationships exist between the members of the Company's Board of Directors or the Compensation Committee and the board of directors or compensation committee of any other company, nor has any such interlocking relationship existed in the past. None of the members of the Compensation Committee was an officer or employee of the Company at any time during Fiscal 2001.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

During the fiscal year ended December 31, 2001, the Compensation Committee, consisting of Mr. Odman, Mr. Cawen and Mr. Plug, who resigned from the Board of Directors on April 14, 2002, was responsible for establishing and administering the policies that govern the compensation of executive officers, including the Named Executive Officers. The Compensation Committee has furnished the following report on executive compensation:

COMPENSATION COMMITTEE REPORT

The Compensation Committee ("Compensation Committee") of the Board of Directors reviews and administers the Company's various compensation plans, including the base compensation levels of Executive Officers, the Company's bonus plan and the Company's stock incentive plans.

General Compensation Policy. The Compensation Committee's fundamental compensation policy is to make a substantial portion of an executive's total potential compensation contingent upon the financial performance of the Company. Accordingly, in addition to each executive's base salary, the Company offers the opportunity for an annual cash bonus, which is tied to the Company's achievement of financial performance goals, and stock option awards to provide incentives to the executive officers through an equity interest of the Company. The Compensation Committee believes that the stockholders benefit by aligning the long-term interests of stockholders and employees.

Base Salary. For the fiscal year 2001, the Compensation Committee reviewed the recommendations of the Chief Executive Officer as to proposed base salaries

Edgar Filing: ARTEMIS INTERNATIONAL SOLUTIONS CORP - Form DEF 14A

for all executives other than the Chief Executive Officer. Increases in base salaries generally reflect increased responsibilities over the prior fiscal year or strong individual performance in the prior fiscal year.

The Compensation Committee performed an annual review of the base salary of each of the executive officers with reference to the executive's performance, level of responsibility and experience to determine whether the current base salary is appropriate and competitive. The Compensation Committee evaluated the reasonableness of the base salary based upon the median salary range paid to executive officers with comparable duties at companies of similar size in the same geographic area in the computer technology industry. No specific quantitative weight was given to any particular performance measurement.

Cash Bonuses. The Company's Board of Directors approved and implemented a senior management bonus plan for fiscal 2001. The plan was designed to provide an incentive to certain designated senior managers to maximize stockholder value by achieving targeted levels of operating profit. Participants in the plan included all executive officers of the Company and certain other key senior managers.

Pursuant to the terms of the plan, the criterion for earning a bonus was based on the Company's operating profit for fiscal 2001 being equal to or greater than the operating profit set forth in the Company's fiscal 2001 annual operating plan ("AOP") as approved by the Company's Board of Directors.

Since the Company did not achieve AOP in fiscal year 2001, no bonuses were awarded to the executives under the bonus plan. A small number of executives did receive discretionary bonus awards based on exceptional individual performance or attainment of specific objectives.

Stock Option Awards. The Company has granted stock options under its various stock option plans at prices equal to the fair market value of the Company's Common Stock at the date of grant. Grants to executive officers are based on their responsibilities and relative positions in the Company and are considered an integral component of total compensation. The Compensation Committee believes the granting of options to be beneficial to stockholders, because it increases management's incentive to enhance stockholder value. Grants were proposed by the Chief Executive Officer and reviewed by the Compensation Committee based on the individual's overall performance. No specific quantitative weight was given to any particular performance measure. The Compensation Committee believes that stock option grants are necessary to retain and motivate key employees of the Company.

Chief Executive Officer Compensation. The base salary of the Chief Executive Officer was recommended by the Compensation Committee and approved by the Board of Directors. The Compensation Committee reviewed the salaries of comparable executive officers at companies of similar size and in the same geographic area as the Company and in the software industry. Prior to July 31, 2001, Mr. Horowitz received an annual base salary of \$250,000, with a potential Bonus at AOP of \$100,000. Subsequent to the July 31, 2001, combination between Opus360 and Legacy Artemis, Mr. Yager became CEO with an annual base salary of \$290,000 and a potential Bonus at AOP of \$135,000. Mr. Horowitz and Mr. Yager participated in the same executive compensation plans as those described above for the other executive officers. The Compensation Committee's policy is to have a substantial portion of the Chief Executive Officer's total compensation

Edgar Filing: ARTEMIS INTERNATIONAL SOLUTIONS CORP - Form DEF 14A

based on the Company's financial performance.

Policy Regarding Deductibility of Compensation. Section 162(m) of the Internal Revenue Code ("Section 162(m)") provides that for federal income tax purposes, the otherwise allowable deduction for compensation paid or accrued to a covered employee of a publicly held corporation is limited to no more than \$1 million per year. Section 162(m) does not presently affect the Company because, for the fiscal year ended December 31, 2001, no executive officer's compensation exceeded \$1 million, and the Company does not believe that the compensation of any executive officer will exceed \$1 million for the 2002 fiscal year. Options granted under the Company's 2001 Stock Incentive Plan would be considered performance-based compensation. As performance-based compensation, compensation attributable to options granted under the Plan and awarded to covered employees will not be subject to the compensation deduction limitations of Section 162(m).

If Mr. Schwartz's employment is terminated for any reason, other than termination by the Company for cause or his resignation without Good Reason (as defined in the Schwartz Agreement), he shall be entitled to continued base salary and bonus payments, as equating to such sums paid out in the 12-month period immediately prior to his termination date, for a period of twelve (12) months subsequent to termination. Mr. Schwartz' options and any equity awards granted to Mr. Schwartz during his employment with the Company shall vest according to the schedule in the Schwartz Agreement. The continuation of payments described herein upon termination shall cease in the event that Mr. Schwartz becomes employed by another entity during the continuation period. In the event of a Change of Control (as defined in the Schwartz Agreement), Mr. Schwartz's options shall vest and become immediately exercisable.

Mr. Savoni's employment agreement became effective on March 1, 2002, (the "Savoni Agreement"). Mr. Miller was employed under an employment agreement that was amended on two occasions, the last of which was effective June 21, 2001 (the "Miller Agreement"). Under the Miller Agreement, Mr. Miller's base salary was \$250,000, with an annual increase at the discretion of our board of directors. Mr. Miller was eligible to receive an annual bonus of no less than \$100,000 during each calendar year of his employment period in the event he achieved performance criteria mutually agreed upon by Mr. Miller and the Company for such calendar year. In addition Mr. Miller was granted options to purchase up to 1,507,500 shares of our common stock. Pursuant to the Miller Agreement, his separation from the Company as President and Chief Operating Officer was by mutual agreement, effective June 30, 2001. Options to purchase shall vest over three years, 6/36 of such amount shall vest on the six (6) month anniversary of the date of grant and 1/36 of such amount shall vest each month thereafter.

The Company and Ms. Murphy mutually agreed to terminate her position as the Company's Executive Vice President, General Counsel and Secretary of the Company, effective February 15, 2001, with the termination to be considered without cause for purposes of paying out severance under the Murphy Agreement. Ms. Murphy is eligible to receive continued base salary and bonus payments, as equating to such sums paid out in the 12-month period immediately prior to her termination date, for a period of twelve (12) months subsequent to termination, and shall be credited with one additional year of employment for purposes of calculating her vested interest in her options and any other equity awards granted to her during her employment period with the Company. Ms. Murphy's options and any equity awards granted to Ms. Murphy during her employment with the Company shall vest according to the schedule in the Murphy Agreement. The continuation of payments as described herein upon termination shall be reduced by the amount of any salary or other cash compensation paid by another employer during the continuation period.
