**Important Notice
to Fund Shareholders**

August 27, 2007

Although we recommend that you read the complete Proxy Statement, for your convenience, we have provided a brief overview of the issues to be voted on.

Q. Why am I receiving this Proxy Statement?

A. You are being asked to vote on two or more important matters affecting your Fund:

- (1) Approval of a New Investment Management Agreement. Nuveen Asset Management (NAM) serves as your Fund 's investment adviser. Nuveen Investments, Inc. (Nuveen), the parent company of NAM, recently announced its intention to be acquired by investors led by Madison Dearborn Partners, LLC, and to thereby become a privately-held company. In the event this takes place, securities laws require your Fund 's shareholders to approve a new investment management agreement between NAM and the Fund;
- (2) Approval of a New Investment Sub-Advisory Agreement. For certain Funds, NAM has retained one or more sub-advisers to manage all or a portion of such funds ' assets. In the event the transaction described in (1) above takes place, securities laws require shareholders of those funds to approve a new sub-advisory agreement between NAM and each sub-adviser;
- (3) Approval of an Additional Sub-Advisory Agreement for each Fund sub-advised by Gateway. For those Funds where Gateway Investment Advisers, L.P. (Gateway) serves as a sub-adviser, securities laws require shareholders of those funds to approve an additional new sub-advisory agreement between NAM and Gateway in the event Gateway 's anticipated acquisition by Natixis Global Asset Management, L.P. takes place as described in the enclosed proxy statement.
- (4) Approval of Fund Board Nominees. Each year, you and other Fund shareholders must approve the election of Board members to serve on your Fund 's Board. This is a requirement for all funds that list their common shares on a stock exchange. Certain of the Funds described in this proxy statement are holding their annual shareholders meeting at which Board members will be elected. The list of specific nominees for those Funds is contained in the enclosed proxy statement; and
- (5) Ratification of Independent Registered Public Accounting Firm. This year, you and other Fund shareholders are being asked to ratify the selection of the independent registered public accounting firm. Ernst and Young LLP or PricewaterhouseCoopers LLP, as applicable, has been selected to serve as your Fund 's independent registered public accounting firm.

Your Fund 's Board, including the independent Board members, unanimously recommends that you vote **FOR** each proposal.

Your vote is very important. We encourage you as a shareholder to participate in your Fund 's governance by returning your vote as soon as possible. If enough shareholders do not cast their votes, your Fund may not be able to hold its meeting or the vote on each issue, and will be required to incur additional solicitation costs in order to obtain sufficient shareholder participation.

Q. How will I as a Fund shareholder be affected if Nuveen becomes a privately-held company?

A. Your Fund investment will not change as a result of NAM's change of ownership. You will still own the same Fund shares and the underlying value of those shares will not change as a result of the transaction. NAM will continue to manage your Fund according to the same objectives and policies as before, and does not anticipate any significant changes to its operations.

Q. Will there be any important differences between my Fund's new investment management agreement and sub-advisory agreement, as applicable, and the current agreements?

A. No. The terms of the new and current agreements are substantially identical. There will be no change in the fees you pay, who manages your Fund, your Fund's objectives and policies, or your Fund's day-to-day management.

Q. What will happen if shareholders do not approve the new investment management agreement or sub-advisory agreement?

A. NAM and your Fund's sub-adviser(s), as applicable, will continue to manage your Fund under an interim investment management agreement and an interim sub-advisory agreement, but must place their compensation for their services during this interim period in escrow, pending shareholder approval. For the Funds where Gateway serves as a sub-adviser, if shareholders do not approve the additional new sub-advisory agreement with Gateway, your Fund's Board will take such actions as it deems to be in the best interests of your Fund. This is discussed in more detail in the proxy statement. **Your Fund's Board urges you to vote without delay in order to avoid potential disruption to the Fund's operations.**

Q. Who do I call if I have questions?

A. If you need any assistance, or have any questions regarding the proposals or how to vote your shares, please call Computershare Fund Services, your Fund proxy solicitor, at 866-434-7510 with your proxy material.

Q. How do I vote my shares?

A. You can vote your shares by completing and signing the enclosed proxy card, and mailing it in the enclosed postage-paid envelope. Alternatively, you may vote by telephone by calling the toll-free number on the proxy card or by computer by going to the Internet address provided on the proxy card and following the instructions, using your proxy card as a guide.

Shareholders who execute proxies may revoke them at any time before they are voted by filing with that Fund a written notice of revocation, by delivering a duly executed proxy bearing a later date or by attending the Meeting and voting in person. Merely attending the Meeting, however, will not revoke any previously submitted proxy.

Votes cast by proxy or in person at each Meeting will be tabulated by the inspectors of election appointed for that Meeting. The inspectors of election will determine whether or not a quorum is present at the Meeting. The inspectors of election will treat abstentions and broker non-votes (i.e., shares held by brokers or nominees, typically in street name, as to which

For purposes of determining the approval of any new investment management agreement, sub-advisory agreement and ratification of the selection of the independent registered public accounting firm, abstentions and broker non-votes will have the same effect as shares voted against the proposal. For purposes of determining the approval of the proposal to elect nominees, abstentions and broker non-votes will have no effect on the election of Board

Members. The details of the proposals to be voted on by the shareholders of each Fund and the vote required for approval of the proposals are set forth under the description of the proposals below.

Preferred Shares held in street name as to which voting instructions have not been received from the beneficial owners or persons entitled to vote as of one business day before the Meeting, or, if adjourned, one business day before the day to which the Meeting is adjourned, and that would otherwise be treated as broker non-votes may, pursuant to Rule 452 of the New York Stock Exchange, be voted by the broker on the proposal in the same proportion as the votes cast by all Preferred shareholders as a class who have voted on the proposal or in the same proportion as the votes cast by all Preferred shareholders of the Fund who have voted on that item. Rule 452 permits proportionate voting of Preferred Shares with respect to a particular item if, among other things, (i) a minimum of 30% of the Preferred Shares or shares of a series of Preferred Shares outstanding has been voted by the holders of such shares with respect to such item and (ii) less than 10% of the Preferred Shares or shares of a series of Preferred Shares outstanding has been voted by the holders of such shares against such item. For the purpose of meeting the 30% test, abstentions will be treated as shares voted and for the purpose of meeting the 10% test, abstentions will not be treated as shares voted against the item.

Those persons who were shareholders of record at the close of business on August 1, 2007 (the Record Date), will be entitled to one vote for each share held and a proportionate fractional vote for each fractional share held. As of the Record Date, the shares of the Funds were issued and outstanding as follows:
