Cousins Properties Incorporated (the Company) is revising its Consolidated Financial Statements, Management's Discussion and Analysis and Results of Operations, and Selected Financial Data, which appeared in its Annual Report on Form 10-K for the year ended December 31, 2003 (2003 Form 10-K). The revisions relate to Statement of Financial Accounting Standards No. 144, Accounting for the Impairment or Disposal of Long-Lived Assets (SFAS 144). The Company sold properties or had properties categorized as held for sale, as defined in SFAS 144, between December 31, 2003 and September 30, 2004. Income and expenses of those properties have been reclassified as a separate component of income and presented in one line item as Discontinued Operations on the Consolidated Statements of Income for all periods presented. SFAS 144 requires that financial statements be revised to give retroactive effect to discontinued operations if the financial statements are included or incorporated by reference in subsequent filings made with the SEC under the Securities Act of 1933, as amended. This reclassification has no effect on the reported net income available to common stockholders or on funds from operations.

This Current Report on Form 8-K updates Items 6, 7 and 8 and Exhibit 23.1 of the Company's 2003 Form 10-K to reflect properties sold or held for sale through September 30, 2004. The updated information is attached to this report as Exhibit 99.1. The Company also revised and expanded several disclosures to comply with requests made by the SEC staff as a part of a review of the Company's filings under the Securities Exchange Act of 1934, as amended. All other items on the 2003 Form 10-K remain current and no attempt to update information provided in such 2003 Form 10-K has been made.
