Purpose

This Proxy Statement is being furnished to you in connection with the solicitation by and on behalf of our Board of Directors of proxies for use at the 2006 Annual Shareholders Meeting (the Annual Meeting) at which you will be asked to vote upon proposals to:

elect eight Directors to serve until the 2007 Annual Shareholders Meeting and until their successors are duly elected and qualified (see Proposal 1);

approve an amendment to our Certificate of Incorporation to increase the number of authorized shares of common stock (see Proposal 2);

approve an amendment to our 2000 Stock Option Plan to increase the number of shares available for grant under the plan (see Proposal 3).

The Annual Meeting will be held at 11:00 a.m., local time, on Thursday, April 27, 2006, at our main offices at RiverEdge One, Suite 600, 5500 Interstate North Parkway, Atlanta, Georgia 30328. This Proxy Statement and the enclosed proxy are first being mailed to shareholders on or about April 10, 2006.

Proxy Card and Revocation

You are requested to promptly sign, date and return the accompanying proxy card to us in the enclosed envelope. Any shareholder who has delivered a proxy may revoke it at any time before it is voted by either electing to vote in person at the Annual Meeting, by giving notice of revocation in writing or by submitting to us a signed proxy bearing a later date, provided that we actually receive such notice or proxy prior to the taking of the shareholder vote at the Annual Meeting. Any notice of revocation should be sent to RiverEdge One, Suite 600, 5500 Interstate North Parkway, Atlanta, Georgia 30328, Attention: Mark H. Hain, Secretary. The shares of our common and preferred stock represented by properly executed proxies received at or before the Annual Meeting and not subsequently revoked will be voted as directed in such proxies. If instructions are not given, shares represented by proxies received will be voted

FOR the election of each of the eight nominees for Director and FOR Proposals 2 and 3. As of the date of this Proxy Statement, we are unaware of any other matter to be presented at the Annual Meeting.

Who Can Vote; Voting Of Shares

Our Board of Directors has established the close of business on April 6, 2006, as the record date (Record Date) for determining our shareholders entitled to notice of and to vote at the Annual Meeting. Only our shareholders of record as of the Record Date will be entitled to vote at the Annual Meeting. A plurality of votes cast at the Annual Meeting will be required to elect eight Directors to serve until the 2007 Annual Shareholders Meeting and until their successors are duly elected and qualified. A plurality means that the nominees who receive the most votes for the available directorships will be elected as Directors. Accordingly, the withholding of authority by a shareholder will not be counted in computing a plurality and will have no effect on the results of the election of such nominees. The affirmative vote of a majority of our outstanding common and preferred stock present in person or represented by proxy and entitled to vote at the meeting will be required to amend our Amended Certificate of Incorporation to increase our authorized shares of common stock and to amend our 2000 Stock Option Plan. In addition, the affirmative vote of two thirds of our outstanding preferred stock present in person or represented by proxy and entitled to vote at the meeting will be required to amend our Amended Certificate of Incorporation to increase our authorized shares of common stock and to amend our 2000 Stock Option

Plan. The affirmative majority votes of our outstanding common stock and preferred stock present in person or represented by proxy and entitled to vote at the Annual Meeting will be required to approve any other matter to properly come before the Annual Meeting.

Under certain circumstances, brokers are prohibited from exercising discretionary authority for beneficial owners who have not returned proxies to the brokers (so-called broker non-votes). In such cases, those shares will be counted for the purpose of determining if a quorum is present but will not be included in the vote totals with respect to those matters for which the broker cannot vote. Abstentions and broker non-votes are each included in the determination of the number of shares present and voting for the purpose of determining whether a quorum is present, and each is tabulated separately. Because Directors are elected by a plurality, abstentions and broker non-votes have no effect on the election of Directors. In all other matters, abstentions are counted as votes against a proposal and broker non-votes are not counted.

As of the Record Date, there were 51,767,321 shares of our common stock outstanding and entitled to vote at the Annual Meeting, with each share entitled to one vote. As of the Record Date, there were 1,266,000 shares of our Series A Convertible preferred stock (preferred stock) outstanding and entitled to vote at the Annual Meeting. Each share of preferred stock is entitled to ten (10) votes, representing the current number of shares of common stock into which each share of preferred stock may be converted. Holders of common stock and holders of preferred stock will vote together without regard to class on the matters to be voted upon at the Annual Meeting; however, the affirmative vote of two thirds of our outstanding preferred stock present in person or represented by proxy and entitled to vote at the meeting will be required to amend our Amended Certificate of Incorporation to increase our authorized shares of common stock and to amend our 2000 Stock Option Plan.

The presence, in person or by proxy, of holders of 10% of the outstanding shares of our common and preferred stock entitled to vote at the Annual Meeting is necessary to constitute a quorum of the shareholders in order to take action at the Annual Meeting. For these purposes, shares of our common and preferred stock that are present, or represented by proxy, at the Annual Meeting will be counted for quorum purposes regardless of whether the holder of the shares or proxy fails to vote on any matter or whether a broker with discretionary authority fails to exercise its discretionary voting authority with respect to any matter.

How You Can Vote

You may vote your shares by marking the appropriate boxes on the enclosed proxy card. You must sign and return the proxy card promptly in the enclosed self-addressed envelope. **Your vote is important. Even if you plan to attend the Annual Meeting in person, please return your marked proxy card promptly to ensure that your shares will be represented.**

PROPOSAL 1 ELECTION OF DIRECTORS

Number of Directors

Our Bylaws provide that our Board of Directors will consist of not less than three directors and no more than ten directors. The number of Directors has been set at eight by the Board. Our Board of Directors currently consists of eight Directors.

Nominees

We have selected eight nominees that we propose for election to our Board of Directors. The nominees are: John E. Cay III, Quill O. Healey, Guy W. Millner, Donald Ratajczak, John Ray, Kaaren J. Street, Lawrence (Bud) Stumbaugh, and Sam Zamarripa. Each of the nominees presently serves on our Board of Directors. It is intended that each proxy solicited on behalf of the Board of Directors will be voted only for the election of the designated nominees.

Each of the nominees has consented to being named in this Proxy Statement and to serve as a Director if elected. In the event that any nominee withdraws or for any reason is not able to serve as a Director, the proxy will be voted for such other person as may be designated by the Board of Directors (or to reduce the number of persons to be elected by the number of persons unable to serve), but in no event will the proxy be voted for more than eight nominees.

He served as President and Chief Executive Officer of AA Holdings, LLC from 1998 to 2003. Prior to joining AA Holdings, LLC, Mr. Stumbaugh was President and Chief Executive Officer of Lawmark International Corporation.

Donald Ratajczak has served on our Board of Directors since 2000. Dr. Ratajczak previously served as the Chairman of our Board of Directors and our Chief Executive Officer from May 2000 to June 2003. From May 2000 to November 2000, Dr. Ratajczak also served as our President. From July 1973 to June 2000, he served as a professor and Director of Economic Forecasting Center at the J. Mack Robinson College of Business Administration at Georgia State University. Dr. Ratajczak also currently serves on the Board of Directors of the following organizations: Crown Crafts, Inc., a textile manufacturing company, Ruby Tuesday, Inc., a food service company, and Regan Holdings, an insurance marketing company. He is a consulting economist for Morgan, Keegan & Co., a broker/dealer company.

Quill O. Healey has served on our Board of Directors since June 2003 and is Managing Partner of Healey Investments, L.P. He retired as Chairman of Marsh, USA in 2001, after serving in that capacity since 1998.

John E. Cay III has served on our Board of Directors since June 2003. He has served as Chairman and Chief Executive Officer of Palmer & Cay, Inc., a risk management and benefits consulting firm, since 1972.

From August 2001 to August 2003, Mrs. Street served as the Associate Deputy Administrator for Entrepreneurial Development, for the U.S. Small Business Administration. Prior to 2001, Mrs. Street served as Vice-President of Enterprise Florida, Inc., a public private partnership responsible for economic development and international trade in Florida.

John Ray has served on our Board since November 2005. For more than the last five years, he has been the President of Heritage Capital Advisors, LLC, a private equity and financial advisory firm with offices in Atlanta and Memphis. Mr. Ray is a director nominee requested by the majority holder of the preferred stock.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE ELECTION OF EACH NAMED NOMINEE OR DIRECTOR.

Meetings and Committees of the Board

Our Board of Directors held four meetings during the year ended December 31, 2005. Each Director attended 75% or more of the aggregate number of meetings held by the Board of Directors and the Committee, if any, on which such Director served. The Board of Directors has a standing Compensation Committee. The Compensation Committee is composed of Mr. Zamarripa, Chairman, and Mrs. Street. The Compensation Committee met twice in 2005. The Compensation Committee is responsible for overseeing the compensation and benefits of our management and employees and acts in accordance with a charter adopted by the Board of Directors. The Board of Directors has a standing audit committee. The audit committee is composed of Mr. Healey, Chairman and Mr. Cay. The audit committee met three times in 2005. The audit committee acts pursuant to the charter adopted by the Board of Directors, a copy of which is attached as Appendix 1 to this proxy statement. Mr. Healey is the Audit Committee financial expert as defined by SEC rules.

Because approximately 75% of our outstanding common stock is beneficially held by two individuals, our Board of Directors feels that it is appropriate not to have a standing Nominating Committee. Each of the members of our Board of Directors participates in the consideration of Director nominees. The Board has not established specific, minimum qualifications for a nominee to the Board of Directors. The Board considers the personal attributes a candidate including: leadership, ethical nature, independence, interpersonal skills, contributing nature, and effectiveness. The candidates experience attributes are also considered and include: financial acumen, general business experience, industry knowledge, diversity of viewpoint, special business experience and expertise. Messrs. Healey, Cay, Ratajczak, Ray, Zamarripa, and Mrs. Kaaren J. Street are independent directors, as defined in Rule 4200 of the National Association of Securities Dealers, Inc., and SEC Rule 10A-3(b)(1)(ii). Messrs. Millner and Stumbaugh serve as our Chairman and President and Chief Executive Officer, respectively. As a result, Messrs. Millner and Stumbaugh would not be considered independent directors. Our Board of Directors does not have a charter relating to the nomination of Directors. Our Board of Directors does not consider nominees for Director submitted by shareholders.

Our Directors are expected to attend each annual shareholders meeting, but are not required to do so. Last year, each of our directors attended our annual shareholders meeting.

Communicating with the Board

If you wish to communicate with our Board of Directors or any individual Director, you may send correspondence to: AssuranceAmerica Corporation, RiverEdge One, Suite 600, 5500 Interstate North Parkway, Atlanta, Georgia 30328, Attention: Corporate Secretary. Our Corporate Secretary will submit your correspondence to the Board or the appropriate Director, as applicable.

Director Compensation

Our Directors are granted an option to purchase 50,000 shares of our common stock (exercisable over five years at fair market value on the date of the grant) upon their initial election to the Board of Directors. Annually, each Director may choose between an award of 20,000 shares of our common stock or \$2,500 per quarter. We reimburse each non-officer director for travel expenses related to attendance at Board and committee meetings.

For the year ended December 31, 2005, Guy W. Millner and Lawrence Stumbaugh were not compensated in their capacity as Directors. Donald Ratajczak, Sam Zamarripa, and John E. Cay III each accepted a grant of 20,000 shares of our common stock in lieu of cash compensation for their service for the year ended December 31, 2005. Quill O. Healey and Kaaren J. Street elected to receive cash compensation of \$10,000 (four quarters) as remuneration for their service for the year ended December 31, 2005.

PROPOSAL 2 AMENDMENT TO OUR AMENDED AND RESTATED CERTIFICATE OF INCORPORATION TO INCREASE OUR AUTHORIZED SHARES OF COMMON STOCK

In November, 2005, the Company's Board of Directors unanimously approved, subject to shareholder approval, the proposed amendment to the Company's Amended and Restated Certificate of Incorporation to increase the number of shares of common stock that the Company has authorized to issue from 80,000,000 shares to 120,000,000 shares. A copy of the amendment is attached as Appendix 2.

On April 6, 2006, the Company had 51,767,321 shares of common stock outstanding and approximately 18,000,000 shares of common stock reserved for issuance in connection with the conversion of our preferred stock to common stock, and our stock option plan. The Board of Directors does not consider the number of shares of common stock currently available to be adequate for the Company's future requirements. The Board of Directors believes that it is prudent to increase the number of authorized shares of common stock to the proposed level in order to provide a reserve of shares to be available for issuance in connection with possible future actions. The additional authorized shares of common stock would give the Company flexibility in its planning and in responding to future business developments including possible financings through the issuance of equity securities, acquisition transactions, stock splits or dividends, establishing strategic relationships with corporate partners, issuances under stock based plans and other general corporate purposes. If the additional authorized common stock is available for issuance, in appropriate circumstances, the Company may avoid the delays and expenses that would be occasioned by the necessity of obtaining shareholder approval at the time of the action and would be better positioned to engage in and consummate these actions. The Board of Directors believes that increasing the authorized common shares to 120,000,000 common shares will provide the Company with sufficient shares available for issuance for the foreseeable future.

Under some circumstances, the issuance of additional shares of common stock could dilute the voting rights, equity, and earnings per share of existing shareholders. The proposed increase in authorized but unissued common stock could also be considered an anti-takeover measure because the additional authorized but unissued shares of common stock could be used by the Board of Directors to make a change in control of the Company more difficult. The Board of Directors purpose in recommending this proposal is not as an anti-takeover measure nor is it being advanced as part of any anti-takeover strategy; the Board of Directors purpose in recommending this proposal is described above.

Authorized shares of the Company's common stock may be issued by the Board of Directors from time to time without further shareholder approval, except in certain circumstances where shareholder approval is required. Except for our preferred shareholders, the Company's shareholders have no preemptive rights to acquire additional shares of common stock; current shareholders do not have the right to purchase any new issue of shares of common stock in order to maintain their proportionate ownership interest in the Company. The issuance of any additional shares of common stock likely would dilute the

voting power of the outstanding shares of common stock and reduced the portion of the dividends and liquidation proceeds payable to the holders of the Company's outstanding common stock.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR PROPOSAL 2 TO AMEND THE COMPANY'S AMENDED AND RESTATED CERTIFICATE OF INCORPORATION TO INCREASE THE AUTHORIZED SHARES OF COMMON STOCK TO 120,000,000 SHARES.

PROPOSAL 3 AMENDMENT TO THE COMPANY'S 2000 STOCK OPTION PLAN TO INCREASE THE SHARES AVAILABLE FOR ISSUANCE THEREUNDER TO 7,500,000

In November 2005, the Board of Directors unanimously approved an amendment to the Company's 2000 Stock Option Plan (the Plan) to increase the shares available for issuance under the Plan from 5,000,000 shares to 7,500,000 shares, subject to shareholder approval. A copy of the amendment to the Plan, as well as the Plan, is attached as Appendix 3. The following description of the Plan is qualified in its entirety by the provisions of the Plan.

On April 6, 2006, there were 5,080,943 shares subject to options outstanding to purchase shares of common stock of the Company. The Board of Directors believes that equity incentives are critical to attracting and retaining the best employees in its industry. The approval of this proposal will enable the Company to continue to provide such incentives. The Company believes its use of equity incentives in the employee compensation process has been a material factor in its success to date, and the Company intends to continue the appropriate use of stock options in the future to motivate individuals receiving a grant of stock options to contribute to the growth and profitability of the Company.

The Company's Plan provides for the grant of incentive and nonstatutory stock options. The compensation committee of the Board of Directors administers the Plan, determines the persons to whom and the dates on which options will be granted, the number of shares to be subject to each option, the time or times during the term of each option within which all or a portion of such option may be exercised, the exercise price, and other terms of each option. In certain circumstances and within stated parameters, the compensation committee may delegate certain aspects of the administration of the Plan to an employee of the Company.

Our officers, employees, directors, consultants and other independent contractors or agents are eligible for selection by the compensation committee to participate in the Plan, provided, however, that incentive stock options may only be granted to our employees. As of April 10, 2006, the approximate number of persons in each class of participants were as follows: employees (approximately 50 persons); employee directors (one-person); nonemployee directors (six persons); and consultants or other independent contractors (one-person).

No awards other than the options have been granted to date under the Plan. If any of the options granted under the Plan expire, terminate, or are forfeited for any reason before they have been exercised, the unused shares subject to such option will again be available for grant under the Plan.

Our Board of Directors may amend or terminate the Plan at any time, although stockholder approval is required if required by applicable law, rule or regulation, and the consent of the optionee may be required if his or her rights with respect to outstanding options would be adversely affected by an amendment or termination. The Plan will continue in effect until June 2010 unless sooner terminated. The Plan also provides that the number of shares underlying the Plan be adjusted in the event of a change in the shares of common stock of the Company as a result of a merger, consolidation, reorganization, a stock dividend or stock split or other similar change in the capital structure and that the terms of options may also be adjusted appropriately.

In order for the Plan to continue to provide an incentive for highly qualified individuals to serve or continue service with the Company, to more closely align the interests of such individuals with our stockholders, and to provide stock based compensation comparable to that offered by other similar

companies, the Board believes that the number of shares of common stock authorized for issuance under the Plan should be increased as proposed.

Our Board believes that the amendment to increase the number of shares available for issuance under the Plan are necessary in order for the Plan to continue to serve as a strong stock based incentive for our employees and other eligible individuals now and in the future. The Plan as amended is intended to be effective as of April 27, 2006.

The amount of compensation that would be paid pursuant to the grant of options under the Plan in the current year is not yet determinable. However, the following table sets forth the number of options that were granted in 2005 under the Plan to each of the named individuals.

(NASD) or if sales or bid and offer quotations are reported for the Common Stock in the automated quotation system (NASDAQ) operated by the NASD (publicly traded), Fair Market Value shall mean the closing price of the Common Stock as of the day in question, or if such day is not a trading day in the principal securities market or markets for such stock, on the nearest preceding trading day, as reported with respect to the market (or the composite of markets, if more than one) in which shares of such stock are then traded, or if no such closing prices are reported, on the basis of the mean between the high bid and low asked prices that day on the principal market or quotation system on which shares of such stock are then quoted, or if not so quoted, as furnished by a professional securities dealer making a market in such stock selected by the Board. If the Common Stock is no publicly traded, Fair Market Value means with respect to shares of Common Stock, the amount that a willing buyer would pay for such shares to a willing seller, neither being under any compulsion to buy or to sell and both having reasonable knowledge of all relevant factors, as such amount is determined by the Board in good faith using any reasonable valuation method as of the date of any grant of an ISO (or on any other relevant valuation date specified herein).

(n) **Fiscal Year.** The taxable year of the Company, which ends March 31 of each year.

(o) **Independent Contractor.** A Person engaged to provide services to the Company or any Affiliate on an independent basis and not as an Employee.

(t) **Parent.** Any corporation (other than the Company) in an unbroken chain of corporations ending with the Company, if, at the time of the grant of an Option, each of the corporations (other than the Company or a Subsidiary) owns stock possessing 50% or more of the total combined voting power of all classes of stock in one of the other corporations in such chain.

(u) **Participant.** An Employee, Director, Consultant, Independent Contractor or other agent who is granted an Option under the Plan.

(v) Person. An individual, corporation, partnership, limited liability company, joint venture, association, syndicate, trust, unincorporated organization or other entity.

2.2 *Other Definitions*. In addition to the above definitions, certain words and phrases used in the Plan and any Option Agreement may be defined in other portions of the Plan or in such Option Agreement.

2.3 *Conflicts in Plan*. In the case of any conflict in the terms of the Plan, or between the Plan and an Option Agreement, relating to an Option, the provisions in the article of the Plan which specifically grants such Option shall control those in a different article or in such Option Agreement.

ARTICLE 3

COMMON STOCK

3.1 *Numbers of Shares*. The number of Shares for which Options may be granted under the Plan shall be 5,000,000. Such Shares may be authorized but unissued Shares, reacquired Shares, or any combination thereof.

3.2 *Reusage*. If an Option expires or is terminated, surrendered or canceled without having been fully exercised, the unused Shares covered by any such Option shall again be available for grant under the Plan to any Participant.

3.3 *Adjustments*. If there is any change in the Common Stock by reason of any stock split, stock dividend, spin-off, split-up, spin-out or recapitalization, or any other similar transactions, the number of Shares under the Plan or subject to or granted pursuant to an Option and the price thereof, as applicable, shall be appropriately adjusted by the Committee.

3.4 *Reorganization*. If the Company is merged, consolidated or effects a share exchange with another corporation (whether or not the Company is the surviving corporation), or if substantially all of the assets or all of the shares of Common Stock are acquired by another corporation, or in the event of a separation, reorganization or liquidation of the Company, the Board or the board of directors of any corporation assuming the obligations of the Company hereunder, shall make appropriate provision for the protection of any outstanding Options by the substitution on an equitable basis of appropriate capital stock of the Company, or of the merged, consolidated or otherwise reorganized corporation which will be issuable in respect to the Shares, provided only that the excess of the aggregate Fair Market Value of the Shares subject to the Options immediately after such substitution over the exercise price thereof is not more than the excess of the aggregate Fair Market Value of the Shares subject to the Options immediately before such substitution over the exercise price thereof. Notwithstanding the preceding sentence, if the Company is merged, consolidated or effects a share exchange with another corporation or if substantially all of the assets or all of the shares of Common Stock of the Company are acquired by another corporation, or in the event of a separation, reorganization or liquidation of the Company, the Board or the board of directors of any corporation assuming the obligations of the Company hereunder may, upon written notice to the holder of any outstanding Option, provide that such Option must be exercised within sixty (60) days of the date of such notice or it will be terminated.

ARTICLE 4

5.1 *Committee.* The Plan shall be administered by the Committee.

5.2 *Authority.* Subject to the terms of the Plan, the Committee shall have sole discretionary authority to:

5.3 *Delegation.* The Committee may delegate all or any part of its authority under the Plan to any Employee or committee of Employees.

5.4 *Decisions of Committee and its Delegates.* All decisions made by the Committee, or (unless the Committee has specified an appeal process to the contrary) any other Person to whom the Committee has delegated authority, pursuant to the provisions hereof shall be final and binding on all Persons.

5.5 *Indemnification of the Board and the Committee.* In addition to such other rights of indemnification as they may have as Directors, the Directors and members of the Committee shall be indemnified by the Company as and to the fullest extent permitted by law, including, without limitation, indemnification against the reasonable expenses, including attorneys' fees, actually and necessarily incurred in connection with the defense of any action, suit or proceeding, or in connection with any appeal thereof, to which they or any of them may be a party by reason of any action taken or failure to act under or in connection with this Plan, or any Options granted hereunder, and against all amounts paid by them in settlement thereof (provided such settlement is approved by independent legal counsel selected by the Company), or paid by them in satisfaction of a judgment in any such action, suit or proceeding except in relation to matters as to which it shall be adjudged in such action, suit or proceeding that such Director or Committee member is liable for gross negligence, bad faith or affirmative misconduct in his duties.

ARTICLE 6
AMENDMENT OF PLAN

6.1 *Power of Committee.* The Committee shall have the sole right and power to amend the Plan at any time and from time to time, provided, however, that the Committee may not amend the Plan without

approval of the stockholders of the Company if such stockholder approval is required under Section 422 of the Code or if directed by the Board.

ARTICLE 7

TERM AND TERMINATION OF PLAN

7.1 *Term.* The Plan shall be effective as of the Effective Date. No Option shall be granted pursuant to the Plan on or after the tenth (10th) anniversary date of the adoption of the Plan by the Board, but Options granted prior to such tenth anniversary may extend beyond that date to the date(s) specified in the Option Agreement(s) covering such Options.

7.2 *Termination.* Subject to Article 8 hereof, the Plan may be terminated at any time by the Committee.

ARTICLE 8

MODIFICATION OR TERMINATION OF OPTIONS

8.1 *General.* Subject to the provisions of Section 8.2, the amendment or termination of the Plan shall not adversely affect a Participant's rights to or under any Option granted prior to such amendment or termination.

8.2 *Committee's Right.* Except as may be provided in an Option Agreement, any Option granted may be converted, modified, forfeited or canceled, prospectively or retroactively in whole or in part, by the Committee in its sole discretion; provided, however, that, subject to Section 8.3, no such action may impair the rights of any Participant without his or her consent. Except as may be provided in an Option Agreement, the Committee may, in its sole discretion, in whole or in part, waive any restrictions or conditions applicable to, or may accelerate the vesting of, any Option.

8.3 *Termination of Options under Certain Conditions.* The Committee, in its sole discretion, may cancel any unexpired or deferred Options at any time if the Participant is not in compliance with all applicable provisions of this Plan or with any Option Agreement or if the Participant, whether or not he or she is then an Employee, Director, Consultant, Independent Contractor or other agent, acts in a manner contrary to the best interests of the Company or any Affiliate.

ARTICLE 9

OPTION AGREEMENTS; LIMITATIONS

9.1 *Grant Evidenced by Option Agreement.* The grant of any Option under the Plan shall be evidenced by an Option Agreement which shall describe the Option granted and the terms and conditions thereof. The granting of any Option shall be subject to, and conditioned upon, the recipient's execution of an Option Agreement with respect thereto. All capitalized terms used in both the Option Agreement and the Plan shall have the same meaning as in the Plan, and the Option Agreement shall be subject to all of the terms of the Plan.

9.2 *Provisions of Option Agreement.* Each Option Agreement shall contain such provisions as the Committee shall determine in its sole discretion to be necessary, desirable and appropriate for the Option granted, which may include, without limitation, the following: description of the type of Option; the Option's duration; its transferability; exercise price, exercise period and the Person or Persons who may exercise; the manner in which any withholding tax obligation of the Company or any Affiliate arising as the result of such exercise will be satisfied; the effect upon such Option of the Participant's death, disability, change of duties or termination of employment; the Option's conditions; subject to the provisions

of Article 10, when, if, and how any Option may be forfeited, converted into another Option, modified, exchanged for another Option, or replaced; and the restrictions on any Shares purchased under the Plan.

9.3 *Limitations on Right to Exercise ISO s.* No ISO may be exercised after the expiration of three (3) months after the earlier of the date the employment of an Employee terminates with the Company or the date an Employee is given written notice of his or her discharge from such employment. The expiration period described in the preceding sentence shall be waived in the event such termination occurs because of death or because of disability within the meaning of Code Section 22(e)(3) (Disability); provided, however, that no ISO may be exercised after the expiration of one (1) year after the earlier of the date the employment of the Employee terminates with the Company or the date the Employee is given written notice of his or her discharge from such employment because of Disability. Absence or leave approved by the Company, to the extent permitted by the applicable provisions of the Code, shall not be considered an interruption of employment for any purpose under this Plan.

9.4 *Limitations on Transfer of ISO.* No ISO shall be transferable otherwise than by will or the laws of descent and distribution and, during the lifetime of the Employee to whom such ISO was granted, no ISO may be exercised or other rights or benefits claimed under the Plan by any Person other than such Employee (other than the Employee s guardian or legal representative). After the death of such original grantee, the holder of the ISO shall be deemed to be the Person to whom the original grantee s rights shall pass under the original grantee s will or under the laws of descent and distribution. Notwithstanding the foregoing, no transfer of an ISO by will or the laws of descent or distribution will be binding on the Company unless the Board is furnished with sufficient proof establishing the validity of such transfer.

9.5 *Additional Limitations on Issuance of Shares.* The transfer or issuance of Shares upon the exercise of any Option granted under the Plan will be contingent upon the advice of counsel to the Company that the Shares to be issued pursuant thereto have been duly registered or are exempt from registration under the applicable securities laws.

ARTICLE 10

SURRENDER AND REISSUANCE OF OPTIONS

10.1 *Cancellation and Reissuance of Options.* With the prior written consent of any affected grantee of Options hereunder, the Committee may grant to one or more such grantees, in exchange for their surrender and the cancellation of such Options, new Options which may have different exercise prices than the exercise prices provided in the Options so surrendered and canceled and containing such other terms and conditions consistent with the Plan as the Committee may deem appropriate.

ARTICLE 11

TERMS OF OPTIONS

11.1 *Types of Options.* It is intended that both ISOs and NQSOs may be granted by the Committee under the Plan.

11.2 *Option Price.* The purchase price for Shares under any ISO shall be no less than the Fair Market Value of the Common Stock at the time the Option is granted, (or in the case of a ten-percent-or-greater stockholder under Section 422(b)(6) of the Code, 110 percent of Fair Market Value).

11.3 *Other Requirements for ISOs.* The terms of each Option which is intended to qualify as an ISO shall meet all requirements of Section 422 of the Code or any successor statute in effect from time to time, including, without limitation the requirement that the grantee be an Employee.

11.4 *NQSOs.* The terms of each NQSO shall provide that such Option will not be treated as an ISO. The purchase price for Shares under any NQSO shall be established by the Committee, in its sole discretion, at the time of granting such NQSO.

11.5 *Determination by Committee.* Except as otherwise provided in Sections 11.2 through Section 11.4, the terms of all Options shall be determined by the Committee.

ARTICLE 12

PAYMENT, DIVIDENDS, DEFERRAL AND WITHHOLDING

12.1 *Payment.* Upon the exercise of an Option, the amount due the Company is to be paid:

(a) in cash;

(b) by the surrender of all or part of an Option (including the Option being exercised);

(c) by the tender to the Company of shares of Common Stock owned by the Participant and registered in his or her name having a Fair Market Value equal to the amount due to the Company;

(d) in other property, rights and credits, deemed acceptable by the Committee, including the Participant's promissory note; or

(e) by any combination of the payment methods specified in (a) through (d) above.

Notwithstanding the foregoing, any method of payment other than in cash may be used only with the consent of the Committee or if and to the extent so provided in an Option Agreement. The proceeds of the sale of Shares purchased pursuant to an Option shall be added to the general funds of the Company or to the reacquired Shares held by the Company, as the case may be, and used for the corporate purposes of the Company as the Board shall determine.

12.2 *Withholding.* The Company may, at the time any Option is exercised, withhold from such exercise of an Option, any amount necessary to satisfy federal, state and local withholding requirements with respect to such exercise of such Option. Such withholding may be satisfied, at the Company's option, either by cash or the Company's withholding of Shares.

ARTICLE 13

MISCELLANEOUS PROVISIONS

13.1 *Unfunded Status of the Plan.* The Plan is intended to constitute an unfunded plan for incentive and deferred compensation. With respect to any payments or deliveries of Shares not yet made to a Participant by the Company, nothing contained herein shall give any rights that are greater than those of a general creditor of the Company. No provision of the Plan shall require or permit the Company, for the purpose of satisfying any obligations under the Plan, to purchase assets or place any assets in a trust or other entity to which contributions are made or otherwise to segregate any assets, nor shall the Company maintain separate bank accounts, books, records or other evidence of the existence of a segregated or separately maintained or administered fund for such purposes.

13.2 *Underscored References.* The underscored references contained in the Plan and in any Option Agreement are included only for convenience, and they shall not be construed as a part of the Plan or Option Agreement or in any respect affecting or modifying its provisions.

13.3 *Number and Gender.* The masculine, feminine and neuter, wherever used in the Plan or in any Option Agreement, shall refer to either the masculine, feminine or neuter; and, unless the context otherwise requires, the singular shall include the plural and the plural the singular.

13.4 *Governing Law.* The place of administration of the Plan and each Option Agreement shall be in the State of Georgia, and this Plan and each Option Agreement shall be construed and administered in accordance with the laws of the State of Nevada, without giving effect to principles relating to conflicts of laws, including, without limitation, issues related to the validity and issuance of the Shares.

13.5 *Purchase for Investment.* The Committee may require each Person purchasing the Shares pursuant to an Option to represent to and agree with the Company in writing that such Person is acquiring the Shares for investment and without a view to distribution or resale. The certificates for such Shares may include any legend which the Committee deems appropriate to reflect the restrictions on transfer set forth in this Plan. All certificates for the Shares delivered under the Plan shall be subject to such stock-transfer orders and other restrictions as the Committee may deem advisable under all applicable laws, rules and regulations, and the Committee may cause a legend or legends to be put on any such certificates to make appropriate references to such restrictions.

13.6 *No Employment or Service Contract.* Neither the adoption of the Plan nor any Option granted hereunder shall confer upon any Employee, Director, Consultant, Independent Contractor or other agent any right to continued employment with or services to the Company or any Affiliate, nor shall the Plan or any Option interfere in any way with the right of the Company or any Affiliate to terminate the employment or services of any of its Employees, Directors, Consultants, Independent Contractors or other agents at any time.

13.7 *No Effect on Other Benefits.* The receipt of Options under the Plan shall have no effect on any benefits to which a Participant may be entitled from the Company or any Affiliate under another plan or otherwise, or preclude a Participant from receiving any such benefits.

13.8 *Registration of Shares.* The Committee, in its discretion, may postpone the issuance and/or delivery of the Shares issuable upon any exercise of an Option until completion of any registration, or other qualification or exemption of such Shares under applicable state and/or federal laws, rules or regulations as the Committee considers appropriate, and may require any grantee to make such representations and furnish such information as it may consider appropriate in connection with the issuance or delivery of the Shares in compliance with applicable laws, rules and regulations.

13.9 *Rights as a Stockholder.* Any recipient of an Option shall have no rights as a stockholder with respect to any Shares related thereto until the issuance of a stock certificate for such Shares following the exercise of such Option. Except as otherwise provided for in Sections 3.3 and 3.4 hereof, no adjustment shall be made for dividends (ordinary or extraordinary, whether in cash, securities, or other property) or distributions or other rights for which the record date is prior to the date such stock certificate is issued.

13.10 *Plan Financing.* The Company may extend and maintain, or arrange for the extension and maintenance of, financing to any grantee (including a grantee who is a Director) to purchase Shares pursuant to exercise of an Option granted hereunder on such terms as may be approved by the Committee in its sole discretion. In considering the terms for extension or maintenance of credit by the Company, the Committee shall, among other factors, consider the cost to the Company of any financing extended by the Company.

13.11 *ERISA.* The Plan is not an employee benefit plan which is subject to the provisions of the Employee Retirement Income Security Act of 1974, and the provisions of Code Section 401(a) are not applicable to the Plan.
