Special Bulletin for the Shareholders of Triple-S Management Corporation  
**LETTER FROM THE CHAIRMAN OF THE BOARD OF DIRECTORS**

Dear shareholder:

On April 29, 2007, we held Triple-S Management Corporation's Ninth Annual Shareholders Meeting. The highlights of the Meeting were the presentation of the company's fiscal situation for the year ended 2006, the presentation by our external legal advisors about the process that had taken place for the submittal of the documentation for the Initial Public Offering and the presentation by a representative of an investment bank selected for this process. This last presentation outlined a proposal for converting the current common stock into two classes of stock (Class A and Class B). This proposal requires the shareholders' approval. Soon you will be receiving the Notice for the Special Shareholders Meeting that is expected to be held on Sunday, June 24, 2007 to ratify the changes to the Articles of Incorporation that would allow this stock reclassification.

The Board of Directors endorses this recommendation and will make every effort so that this proposal may be approved in the Special Meeting. I urge you to set this date aside and make your vote count. This will allow the advancement of the steps towards the Initial Public Offering, which would allow our shareholders to monetize a portion of their shares. The Board of Directors will provide the necessary information so that you will be well informed when exercising your vote.

Below you will find the breakdown of the votes for each of the proposals presented in the Ninth Annual Shareholders Meeting:
