*Senior Credit Facility*

On March 5, 2008, Rock-Tenn and Rock-Tenn Company of Canada, a subsidiary of Rock-Tenn, entered into an Amended and Restated Credit Agreement (the **Senior Credit Facility** ). The Senior Credit Facility includes revolving credit and term loan facilities in the aggregate principal amount of \$1.2 billion, consisting of a \$450 million revolving credit facility, a \$550 million term loan A facility and a \$200 million term loan B facility. The Senior Credit Facility is pre-payable at any time. The revolving credit facility and term loan A facility are scheduled to mature on the earlier to occur of (a) March 5, 2013 and (b) if our \$100 million 5.625% senior public notes due March 2013 (the **2013 Senior Notes** ) have not been paid in full or refinanced by September 15, 2012, then September 15, 2012; the term loan B facility is scheduled to mature on the earlier to occur of (a) March 5, 2014 and (b) if the 2013 Senior Notes have not been paid in full or refinanced by September 15, 2012, then September 15, 2012. At Rock-Tenn's option, borrowings under the Senior Credit Facility (other than swingline and Canadian dollar loans) bear interest at either (1) LIBOR plus an applicable margin ( **LIBOR Loans** ) or (2) the base rate, which will be the higher of the prime commercial lending rate of the U.S. Administrative Agent plus an applicable margin or the Federal Funds Rate for Federal Reserve System overnight borrowing transactions plus an applicable margin ( **Base Rate Loans** ). The applicable margin for determining the interest rate applicable for the revolving credit facility and term loan A facility for LIBOR Loans ranges from 1.25% to 2.50% and for the term loan B facility, is fixed at an applicable margin of 2.75%; for Base Rate Loans, the applicable margin for determining the interest rate for the revolving credit facility and term loan A facility for Base Rate Loans ranges from 0.25% to 1.50% and for the term loan B facility, is fixed at an applicable margin of 1.75%. March 5, 2008, the applicable margin for determining the interest rate applicable to LIBOR Loans and the applicable margin for determining the interest rate applicable to Base Rate Loans for the revolving credit facility and the term loan A facility were 2.50% and 1.50%, respectively. The facility commitment fee for the revolving credit facility and the term loan A facility at March 5, 2008 was 0.40%.

Rock-Tenn's obligations under the new Senior Credit Facility and under any hedging agreements entered into between any lender or affiliate thereof and any U.S. Credit Party, as defined in the Senior Credit Facility documentation, are unconditionally guaranteed by each of Rock-Tenn's present U.S. subsidiaries, other than (1) the following unrestricted subsidiaries of Rock-Tenn: Dominion Paperboard Products Ltd., GraphCorr LLC, Rock-Tenn Financial, Inc., RTS Embalajes de Argentina, RTS Embalajes De Chile Limitada, RTS Empaques, S.De R.L. CV, RTS Packaging Foreign Holdings, LLC, RTS Packaging, LLC, Schiffenhaus California, LLC, Schiffenhaus Canada Inc., and (2) Solvay Paperboard LLC, a subsidiary of Southern Container Corp. (unless any refinancing of certain Solvay Paperboard LLC bonds permits such guarantee, in which case Solvay Paperboard LLC will become a guarantor), and partially by Rock-Tenn's present Canadian subsidiaries. Future subsidiaries will be required to guarantee the obligations under the Senior Credit Facility unless we designate them as unrestricted subsidiaries. Obligations under the Senior Credit Facility are secured by a first priority security interest in a substantial portion of Rock-Tenn's assets, including the capital stock or other equity interests and indebtedness of certain of its U.S. subsidiaries, certain of the stock of its first tier Canadian subsidiary and certain of Rock-Tenn's and its subsidiaries' real and personal property. Additionally, Rock-Tenn's outstanding fixed rate senior notes share certain of the collateral (i.e., any principal property of Rock-Tenn or any subsidiary or any shares of capital stock or other equity interests or indebtedness of any subsidiary) under the terms of its indenture dated as of July 31, 1995.

Rock-Tenn and the Rock-Tenn Guarantors have made certain usual and customary representations and warranties in Senior Credit Facility documentation, which also includes usual and customary affirmative and negative covenants, including maintenance of financial ratios and restrictions on the creation of additional long-term and short-term debt, the creation or existence of certain liens, the occurrence of certain mergers, acquisitions or disposals of assets and certain leasing arrangements, the occurrence of certain fundamental changes in the primary nature of Rock-Tenn's consolidated business, the nature of certain investments, and other matters.

Financial covenants include maintenance of a maximum Leverage Ratio of 5.00 to 1.00 (which decreases to 3.50 to 1.00 over the term of the loans), a minimum Consolidated Interest Coverage Ratio of 2.70 to 1.00 (which increases to 3.50 to 1.00 over the term of the loans), and a minimum Consolidated Net Worth of not less than the sum of \$525.0 million plus 50% of cumulative Consolidated Net Income (in each case as defined in the Senior Credit Facility documentation).

Rock-Tenn is permitted under its Senior Credit Facility to repurchase its capital stock and pay cash dividends. If on a pro forma basis Rock-Tenn's Leverage Ratio does not exceed 3.00 to 1.00, no default or event of default exists under the Senior Credit Facility and Rock-Tenn is able to incur an additional \$1.00 of funded debt under the debt and financial covenants in the Senior Credit Facility documentation, Rock-Tenn is permitted to make purchases and dividend declarations in the aggregate amount up to 50% of cumulative Consolidated Net Income from April 1, 2008 through the last day of the most recent fiscal quarter end for which financial statements have been delivered. If on a pro forma basis Rock-Tenn's Leverage Ratio is greater than 3.00 to 1.00, no default or event of default exists under the Senior Credit Facility and Rock-Tenn is able to incur an additional \$1.00 of funded debt under the debt and financial covenants in the Senior Credit Facility documentation, the aggregate amount of purchases and dividend declarations shall not exceed \$30.0 million per year.

On January 31, 2008, Rock-Tenn entered into two interest rate swaps of an initial notional amount aggregating \$550.0 million. These swaps are tiered and the notional amounts will decline through April 2012. These forward starting floating-to-fixed swaps will start on April 1, 2008 and are based on the one-month LIBOR rate, at an average rate of 3.11%, plus the applicable credit margin then in effect. Rock-Tenn has designated these swaps as cash flow hedges of the interest rate exposure on an equivalent amount of floating rate debt it incurred as part of the Acquisition.

*Cautionary Statements*

The representations, warranties and covenants made by the parties in the agreement documenting the Senior Credit Facility are qualified by information in disclosure schedules that the parties exchanged in connection with the execution of the agreement. Representations and warranties may be used as a tool to allocate risks between the parties, including where the parties do not have complete knowledge of all facts. Accordingly, investors should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of Rock-Tenn or any of Rock-Tenn's affiliates.

*Indenture*

On March 5, 2008, Rock-Tenn issued \$200.0 million aggregate principal amount of 9 1/4% senior notes due 2016 in an unregistered offering pursuant to Rule 144A and Regulation S under the Securities Act of 1933, as amended. The notes were issued pursuant to an indenture, dated as of March 5, 2008 (the **Indenture**), by and among Rock-Tenn, the guarantors listed therein and HSBC Bank USA, National Association, as Trustee. The Indenture does not limit the aggregate principal amount of notes that Rock-Tenn may issue and it provides for the issuance from time to time of additional notes to be issued by Rock-Tenn in one or more series as provided in the Indenture, subject to compliance with certain conditions therein. The Indenture contains financial and restrictive covenants, including limitations on: restricted payments, dividend and other payments affecting restricted subsidiaries (as defined therein), incurrence of debt, asset sales, transactions with affiliates, liens, sale and leaseback transactions and the creation of unrestricted subsidiaries.

Copies of the Senior Credit Facility and the Indenture are attached as Exhibits 10.1 and 4.1, respectively, to this Current Report on Form 8-K and are incorporated by reference herein.

**Item 1.02. Termination of a Material Definitive Agreement**

*Credit Agreement*

On March 5, 2008, contemporaneously with the execution and delivery of the Senior Credit Facility, Rock-Tenn satisfied its obligations under the Credit Agreement dated as of June 6, 2005, among Rock-Tenn, certain of its affiliates and the lenders named therein (the **2005 Credit Agreement**).

On March 5, 2008, all outstanding balances owed under the 2005 Credit Agreement were refinanced under outstanding balances under the new Senior Credit Facility. Rock-Tenn incurred no early termination penalties in connection with the termination of the 2005 Credit Agreement.

**Item 2.01. Completion of Acquisition or Disposition of Assets**

On January 10, 2008, Rock-Tenn, Carrier Merger Sub, Inc., a Delaware corporation and Rock-Tenn's wholly-owned subsidiary, Southern Container, Steven Grossman as the Stockholders' Representative and the stockholders listed therein (collectively, the **Stockholders**), and Steven Hill entered into an Agreement and Plan of Merger (the **Merger Agreement**). Pursuant to the Merger Agreement on March 5, 2008, Carrier Merger Sub was merged with and into Southern Container, whereby Southern Container became a wholly-owned subsidiary of Rock-Tenn, for a purchase price of approximately \$993 million including the assumption of debt. The purchase price is subject to post-closing adjustments to reflect, among other things, changes in Southern Container's working capital. In addition, Rock-Tenn and Southern Container expect to make an election under Section 338(h)(10) of the Internal Revenue Code of 1986, as amended, at which time an additional \$69.3 million will be paid to the Stockholders. This election will increase Rock-Tenn's tax basis in the acquired assets and result in a net present value benefit of approximately \$150.0 million. In addition, Rock-Tenn has agreed to remit to the Stockholders and Steven Hill an estimated \$44.4 million of acquired cash no later than November 15, 2008. Rock-Tenn previously disclosed the material terms and conditions of the Merger Agreement in its Current Report on Form 8-K that it filed with the SEC on January 11, 2008, which is incorporated by reference herein. On March 1, 2008, the Merger Agreement was amended to provide for certain technical and clean-up changes. A copy of the Amendment No. 1 to the Merger Agreement is filed as exhibit 2.1 hereto and is incorporated by reference herein.

Rock-Tenn financed the Acquisition, including related costs, and refinanced the 2005 Credit Agreement with borrowings under the Senior Credit Facility, together with cash on hand and the net proceeds from the issuance of senior notes, as described above under Item 1.01. The information included in Item 1.01 above is incorporated by reference into this Item 2.01.
