By Order of the Board of Directors

/s/ Christopher R. Pook

Christopher R. Pook
President/CEO

This proxy statement and accompanying proxy card are being distributed on or about June 3, 2003.

Q: WHY AM I RECEIVING THESE MATERIALS?

A: The Board of Directors of Championship Auto Racing Teams, Inc. ("CART") is providing these proxy materials for you in connection with CART's annual meeting of stockholders which will take place on July 17, 2003. You are invited to attend the meeting and are requested to vote on the proposals described in this proxy statement.

Q: WHAT INFORMATION IS CONTAINED IN THESE MATERIALS?

A: The information included in this proxy statement relates to the proposals to be voted on at the meeting, the voting process, the compensation of directors and our most highly paid officers and certain other required information. Our 2002 Annual Report to Stockholders was previously delivered to stockholders, under separate cover, and additional copies are available upon written request to the Company.

Q: WHAT IS A PROXY?

A: It is your legal designation of another person to vote the stock you own. That other person is called a proxy. If you designate someone as your proxy in a written document, that document also is called a proxy or proxy card. We have designated Christopher R. Pook and Thomas L. Carter as proxies for the 2003 Annual Meeting of Stockholders.

Q: WHAT PROPOSALS WILL BE VOTED ON AT THE MEETING?

A: There are two proposals scheduled to be voted on at the meeting:

- The election of directors
- The ratification of independent accountants

Q: WHAT SHARES OWNED BY ME CAN BE VOTED?

A: All shares owned by you as of May 23, 2003, the record date, may be voted by you. These shares include those: (1) held directly in your name as a stockholder of record and (2) held for you as the beneficial owner through

Edgar Filing: CHAMPIONSHIP AUTO RACING TEAMS INC - Form DEF 14A

a stockbroker, bank or other nominee.

Q. WHAT IS THE DIFFERENCE BETWEEN HOLDING SHARES AS A STOCKHOLDER OF RECORD AND AS A BENEFICIAL OWNER?

A: Many CART stockholders hold their shares through a stockbroker, bank or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

STOCKHOLDER OF RECORD

If your shares are registered directly in your name with CART's Transfer Agent, Wells Fargo Minnesota N.A., you are considered, with respect to those shares, the stockholder of record and these proxy materials are being sent directly to you by CART. As a stockholder of record, you have the right to grant your voting proxy directly to CART or to vote in person at the meeting. CART has enclosed a proxy card for your use.

BENEFICIAL OWNER

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of the shares held in street name and these proxy materials are being forwarded to you by your broker or nominee who is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker on how to vote and are also invited to attend the meeting. However, since you are not the stockholder of record, you may not vote these shares in person at the meeting. Your broker or nominee has enclosed a voting instruction card for your use.

2

Q: HOW CAN I VOTE MY SHARES IN PERSON AT THE MEETING?

A: Shares held directly in your name as the stockholder of record may be voted in person at the annual meeting. If you choose to do so, please bring the enclosed proxy card or proof of identification.

EVEN IF YOU PLAN TO ATTEND THE ANNUAL MEETING, WE RECOMMEND THAT YOU ALSO SUBMIT YOUR PROXY AS DESCRIBED BELOW SO THAT YOUR VOTE WILL BE COUNTED IF YOU LATER DECIDE NOT TO ATTEND THE MEETING.

Q: HOW CAN I VOTE MY SHARES WITHOUT ATTENDING THE MEETING?

A: Whether you hold shares directly as the stockholder of record or beneficially in street name, you may direct your vote without attending the meeting. You may vote by granting a proxy or, for shares held in street name, by submitting voting instructions to your broker or nominee. In most instances, you will be able to do this over the Internet, by telephone or mail. Please refer to the summary instructions below and those included on your proxy card or, for shares held in street name, the voting instruction card included by your broker or nominee.

BY INTERNET - If you have Internet access, you may submit your proxy from any location in the world by following the "Vote by Internet" instructions on the proxy card.

BY TELEPHONE - If you live in the United States or Canada, you may submit your proxy by following the "Vote by Telephone" instructions on the proxy

Edgar Filing: CHAMPIONSHIP AUTO RACING TEAMS INC - Form DEF 14A

card.

BY MAIL - You may vote by mail by signing your proxy card or, for shares held in street name, the voting instruction card included by your broker or nominee and mailing it in the enclosed, postage prepaid and addressed envelope. If you provide specific voting instructions, your shares will be voted as you instruct. If you sign but do not provide instructions, your shares will be voted as described below in "HOW ARE VOTES COUNTED?".

Q: CAN I VOTE BY TELEPHONE OR ON THE INTERNET IF I AM NOT A REGISTERED STOCKHOLDER?

A: If your shares are held in "street name" by a broker or other nominee, you should check the voting form used by that firm to determine whether you will be able to vote by telephone or on the Internet.

Q: CAN I CHANGE MY VOTE?

A: You may change your proxy instructions at any time prior to the vote at the annual meeting. For shares held directly in your name, you may accomplish this by granting a new proxy or by attending the annual meeting and voting in person. Attendance at the meeting will not cause your previously granted proxy to be revoked unless you specifically so request. For shares held beneficially by you, you may accomplish this by submitting new voting instructions to your broker or nominee.

Q: HOW ARE VOTES COUNTED?

A: In the election of directors, you may vote "FOR" all of the nominees or your vote may be "WITHHELD" with respect to one or more of the nominees. For the other proposal, you may vote "FOR," "AGAINST" or "ABSTAIN." If you "ABSTAIN," it has the same effect as a vote "AGAINST." If you sign your proxy card or broker instruction card with no further instructions, your shares will be voted in accordance with the recommendations of the Board.

Q: WHAT IS THE VOTING REQUIREMENT TO APPROVE EACH OF THE PROPOSALS?

A: In the election of directors, the eight persons receiving the highest number of "FOR" votes will be elected. The other proposal requires the affirmative "FOR" vote of a majority of those shares present, in person or by proxy, and entitled to vote. If you are the beneficial owner and do not provide the stockholder of record with voting instructions, your shares may constitute broker non-votes, as described in "HOW WILL BROKER NON-VOTES BE

3

TREATED?". In tabulating the voting results for any particular proposal, shares which constitute broker non-votes are not considered entitled to vote.

Q: HOW WILL ABSTENTIONS BE TREATED?

A: If you abstain from voting on one or more proposals, your shares will still be included for purposes of determining whether a quorum is present. Because directors are elected by a plurality of the votes, an abstention will have no effect on the outcome of the vote and, therefore, is not offered as a voting option for Proposal 1. If you abstain from voting on the remaining proposal, your shares will be included in the number of shares voting on the proposal and, consequently, your abstention will have

Edgar Filing: CHAMPIONSHIP AUTO RACING TEAMS INC - Form DEF 14A

the same practical effect as a vote against the proposal.

Q: HOW WILL BROKER NON-VOTES BE TREATED?

A: Shares treated as broker non-votes on one or more proposals will be included for purposes of calculating the presence of a quorum. Otherwise, shares represented by broker non-votes will be treated as shares not entitled to vote on a proposal. Consequently, broker non-votes will have the following effects:

Proposal 1: Broker non-votes will have no effect on the election of directors.

Proposal 2: Broker non-votes will not be counted in determining the number of shares necessary for ratification of the appointment of the Company's independent auditors and will, therefore, reduce the absolute number (but not the percentage) of the affirmative votes required for approval of the proposal.

Generally, broker non-votes occur when shares held by a broker for a beneficial owner are not voted with respect to a particular proposal because (1) the broker has not received voting instructions from the beneficial owner and (2) the broker lacks discretionary voting power to vote such shares.

Q: WHAT DOES IT MEAN IF I RECEIVE MORE THAN ONE PROXY OR VOTING INSTRUCTION CARD?

A: It means your shares are registered differently or are in more than one account. Please provide voting instructions for all proxy and voting instruction cards you receive.

Q: WHERE CAN I FIND THE VOTING RESULTS OF THE MEETING?

A: We will announce preliminary voting results at the meeting and publish final results in our quarterly report on Form 10-Q for the third quarter of 2003.

Additional Q&A information regarding the annual meeting and stockholder proposals may be found on pages 24 and 25.

Section 16(a) of the Securities Exchange Act of 1934 requires our directors, executive officers and holders of more than 10% of our common stock to file with the Securities and Exchange Commission reports regarding their ownership and changes in ownership of our stock. CART believes that during fiscal 2002, its officers and directors complied with all Section 16(a) filing requirements. In making this statement, CART has relied upon the written representations of its directors and officers. CART believes that Gerald R. REPORT OF THE COMPENSATION COMMITTEE

CART's executive compensation program is administered by the Compensation Committee of the Board of Directors (the "Compensation Committee").

Edgar Filing: CHAMPIONSHIP AUTO RACING TEAMS INC - Form DEF 14A

The Compensation Committee, which is comprised of non-employee directors, is responsible for approving and reporting to the Board on all elements of compensation for elected corporate officers. The Compensation Committee of the Board of Directors has furnished the following report on Executive Compensation for the year ended December 31, 2002

COMPENSATION PROGRAM. The compensation program for the executive officers of the Company consist of three (3) key elements: (i) base salary; (ii) performance based annual bonus; and (iii) periodic grants of stock options. Compensation Committee believes that this three part approach best serves the interests of CART and its stockholders. It enables CART to meet the requirements of the highly competitive environment in which CART operates, while insuring that executive officers are compensated in a way that advances both the short and long-term interests of the stockholders. The variable annual bonus and stock options relate to an evaluation of the contribution made by the officers of CART to its performance and to his or her goals, and with respect to the stock options, is long-term remuneration related directly to the stock appreciation realized by all CART stockholders.

BASE SALARY. Base salaries of CART's executive officers, as well as changes in such salaries, take into account such factors as competitive industry salaries; a subjective assessment of the nature of the position; the contribution and experience of the officer; negotiated terms of any applicable employment contracts; and the length of the officer's service. Salaries of all new employees earning in excess of \$150,000 per annum are reviewed and approved by the Compensation Committee.

17

ANNUAL BONUS. Annual bonuses for officers are based upon the recommendation of the Chief Executive Officer and are reviewed and approved by the Compensation Committee. Bonuses are based on a number of factors, including achieving CART's financial and operational goals and overall performance by the individual, including meeting certain specific goals and objectives.

STOCK OPTIONS. The Compensation Committee's policy with respect to Stock Options is to grant options reflecting the participant's position and ability to influence CART's overall performance. The Stock Option Plan is intended to provide participants with an increased incentive to make contributions to the long-term performance and growth of CART and to attract and retain qualified employees. CART's approach has been to grant options to a significant number of employees at all levels in order to align all employees with the stockholders in seeking stockholder value.

CHIEF EXECUTIVE OFFICER COMPENSATION. Christopher R. Pook was elected President and CEO of CART in December 2001. Under the terms of Mr. Pook's employment agreement, he received a salary of \$375,000 for his services in 2002 and received a bonus of \$169,000. During 2002, we granted Mr. Pook options to purchase 250,000 shares of the Company's common stock, vesting over a three (3) year period. Effective January 1, 2003, we increased Mr. Pook's salary to \$450,000 for his services in 2003. We believe that the increase in Mr. Pook's base salary was warranted based on our assessment of the performance of Mr. Pook in a very difficult environment. In addition to Mr. Pook's salary, he will be entitled to a bonus for services provided during 2003 based upon specific written criteria. The Compensation Committee spent a considerable amount of time analyzing various performance criteria, which are important to the Company and its stockholders and, which will be used as a measurement of Mr. Pook's performance and determine any bonus for 2003

DEDUCTIBILITY OF EXECUTIVE COMPENSATION. The Committee intends to

Edgar Filing: CHAMPIONSHIP AUTO RACING TEAMS INC - Form DEF 14A

comply with the requirements of Section 162(m) of the Internal Revenue Code of 1986, as amended, which imposes a limitation on the deductibility of nonperformance-based compensation in excess of \$1 million paid to a named executive officer. The Compensation Committee believes the Company should be able to continue to manage its executive compensation program to preserve federal income tax deductions.

Compensation Committee:

Frederick T. Tucker, Chairman
Derrick Walker

None of the members of the Board's Compensation Committee is or has been an officer or employee of CART or any of its subsidiaries during the last 10 years.

REPORT OF THE AUDIT COMMITTEE

The Securities and Exchange Commission rules require the company to include in its proxy statement a report from the Audit Committee of the Board. The following report concerns the Committee's activities regarding oversight of the company's financial reporting and auditing process.

The Audit Committee is comprised solely of independent directors, as defined by the New York Stock Exchange, and it operates under a written charter adopted by the Board of Directors, a copy of which is attached to this proxy statement as Exhibit A. The composition of the Audit Committee, the attributes of its members and the responsibilities of the Committee, as reflected in its charter, are intended to be in accordance with applicable requirements for corporate audit committees. The Committee reviews and assesses the adequacy of its charter on an annual basis.

18

As described more fully in its charter, the purpose of the Audit Committee is to assist the Board of Directors in its general oversight of the company's financial reporting, internal control and audit functions. Management is responsible for the preparation, presentation and integrity of the company's financial statements, accounting and financial reporting principles, internal controls and procedures designed to ensure compliance with accounting standards, applicable laws and regulations. Deloitte & Touche LLP, the company's independent auditing firm, is responsible for performing an independent audit of the consolidated financial statements in accordance with generally accepted auditing standards.

The Audit Committee members are not professional accountants or auditors, and their functions are not intended to duplicate or to certify the activities of management and the independent auditor. The Audit Committee acts only in a board-level oversight capacity. In its oversight role, the Committee relies on the work and assurances of the Company's management, which has the primary responsibility for financial statements and reports, and of the independent auditors, who, in their report, express an opinion on the conformity of the Company's annual financial statements to generally accepted accounting principles.

In connection with the preparation and filing of our Annual Report on Form 10-K for the year ended December 31, 2002 the Audit Committee:

Edgar Filing: CHAMPIONSHIP AUTO RACING TEAMS INC - Form DEF 14A

- reviewed and discussed the audited financial statements with CART's management,
- discussed with Deloitte & Touche LLP, our independent auditors, the matters required to be discussed by Statement of Auditing Standards No. 61 (as modified or supplemented), and
- received the written disclosures and the letter from Deloitte & Touche LLP required by Independence Standards Board Standard No. 1 (as modified or supplemented) and discussed the independence of Deloitte & Touche LLP.
- had private sessions, at each of its meetings, with the Company's independent auditors and, separately, with the Company's financial management team, at which candid discussions of financial management, accounting and internal control issues took place.

Management has reviewed the audited financial statements in the Annual Report with the Audit Committee including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements. In addressing the quality for management's accounting judgments, members of the Audit Committee asked for management's representations that the audited consolidated financial statements of the Company have been prepared in conformity with generally accepted accounting principles.

Based on the review and discussions referred to above, among other things, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Championship Auto Racing Teams, Inc. Annual Report on Form 10-K for the year ended December 31, 2002.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

We have historically entered into transactions with related parties, because several of our directors and one of our significant shareholders are team owners. We believe that it is necessary and appropriate to have team owners involved as directors or significant shareholders of the Company because of their unique knowledge of our business. We believe that all the transactions which we have entered into with our directors or significant shareholders, are comparable to the terms that we have in the past or could in the future enter into with third parties with respect to each of these transactions. In order to avoid conflicts of interest, any of our directors who are affiliated with an entity that is entering into a transaction with us have not and will not vote on any matters related to such transactions and may, in certain circumstances, refrain from participating in any discussions related to such transactions.

The related party transactions under "Purse Distributions, Entry Support Program and Lease Arrangements" are all payments or transactions that are made on the identical basis to all race teams, whether they are affiliated with directors or significant shareholders or not affiliated. The payments payable to related parties under the caption "Team Assistance Program" relate to further assistance that the Company is providing to race teams to assure their participation in the 2003 race season. The amounts payable to each race team vary, depending upon the team's ability to raise third party sponsorship, the number of cars that the team will race in 2003, their budget and other factors. The Company has determined that these payments are necessary in order to assure a proper field for 2003 and believes that the amounts payable to each of the race teams affiliated with a director is consistent with arrangements that the Company could enter into with third parties. Both of these programs were developed to insure the necessary participation in the series. Without this additional funding, it is unlikely that there would have been 18 teams, which would result in defaults under certain of the Company's agreements with promoters and television and could have resulted in severe financial consequences to the Company.

PURSE DISTRIBUTIONS, ENTRY SUPPORT PROGRAM AND TEAM ASSISTANCE

We have entered into, and we will continue to enter into, transactions with entities that are affiliated with our directors and/or 5% stockholders who are owners of our race teams. Race teams that participate in the Champ Car World Series receive purse distributions on a per race basis and from the year end point fund, which amounts have been paid based solely upon their performance in specific races. All of these payments are made to our race teams regardless of the affiliation with our directors or significant stockholders. During 2002, we also paid a participation payment to our race teams, including those affiliated with directors (or directors who have resigned during the year) and/or 5% stockholders. The following table provides information with respect to payments made during 2002 by us to race teams that are or were affiliated with directors and/or significant stockholders of CART:

Edgar Filing: CHAMPIONSHIP AUTO RACING TEAMS INC - Form DEF 14A

RACE TEAM/AFFILIATED PERSON	PURSE DISTRIBUTIONS	PARTICIPATION PAYMENTS
Newman/Haas Racing/Carl A. Haas	\$ 2,677,500	\$ 380,000
Team Green/Barry E. Green	2,013,500	570,000
Chip Ganassi Racing Teams, Inc./Chip Ganassi	2,185,000	540,000
Forsythe Racing, Inc./Gerald R. Forsythe	1,532,250	380,000
Patrick Racing, Inc./U.E. Patrick	317,250	190,000
Derrick Walker Racing, Inc./Derrick Walker	317,750	190,000

In 2003, we will lease engines and provide financial assistance to every team that participates in the Champ Car World Series, including teams affiliated with our directors and/or 5% stockholders. The financial assistance payments relate to two programs instituted for the 2003 season, the Entry Support Program (ESP) and the Team Assistance Program. ESP will provide up to \$42,500 in cash payments to teams, per race, for each car entered into the series.

The Company has entered into a sponsorship agreement with Ford Motor Company, which provides in part, that Ford will lease to each of the teams Ford vehicles for their use in 2003. For ease of administration, Ford has leased these vehicles to the Company and the Company has subleased the vehicles to each team on a net net basis. There is no net cost or benefit to the Company related to this arrangement.

21

The Company purchased one hundred (100) race engines from Cosworth Racing, Inc. for a total purchase price of \$4.0 million and agreed to pay for track support in the amount of \$1.5 million. The Company in turn has leased these engines to each team on the basis of \$100,000 per entrant per year.

The following table lists the estimated amount of engine lease income we will receive and Entry Support Payments we will make to related parties for the 2003 race season.

RACE TEAM/AFFILIATED PERSON	ENGINE LEASE INCOME FROM TEAMS	ESP PAYMENTS TO TEAMS
Newman/Haas Racing/Carl A. Haas	\$200,000	\$1,530,000
Forsythe Racing, Inc./Gerald R. Forsythe	200,000	1,530,000
Patrick Racing, Inc./U.E. Patrick	100,000	765,000
Derrick Walker Racing, Inc./Derrick Walker	200,000	1,530,000

TEAM ASSISTANCE PROGRAM. The Team Assistance Program will supply an additional \$30.0 million in team assistance spread over the 2003 race season as described above. The following table sets forth the Team Assistance Program

Edgar Filing: CHAMPIONSHIP AUTO RACING TEAMS INC - Form DEF 14A

payments to teams affiliated with directors and/or 5% stockholders.

RACE TEAM/AFFILIATED PERSON	TEAM ASSISTANCE PAYMENTS
Newman/Haas Racing/Carl A. Haas*	\$ 2,000,000
Patrick Racing, Inc./U.E. Patrick*	1,400,000
Derrick Walker Racing, Inc./Derrick Walker	5,925,000

* These agreements would put the Company over the \$30.0 million in total team assistance the board of directors approved. The board has approved these contracts contingent on reducing the overall team assistance so as not to exceed \$30.0 million.

PROMOTER AGREEMENTS

Some of our directors or stockholders either control or are affiliated with others who control racing venues which stage CART and other racing events. We have entered into the following agreements with entities associated with directors or 5% stockholders:

Carl A. Haas, a director of the Company and a race team owner, is a principal owner of Carl Haas Racing Teams, Ltd. and Texaco Houston Grand Prix L.L.C. ("HGP"), each of which have entered into Promoter Agreements with respect to Champ Car World Series races at the Wisconsin State Park Speedway in Milwaukee, Wisconsin and at a temporary road course in Houston, Texas. In the second quarter of 2002 the Promoter Agreement for the Milwaukee race was renewed for the 2002 event with the promoter having the option to extend for the 2003 and 2004 years. The sanction fees payable to CART under this agreement is similar to those paid by independent race promoters. Pursuant to the Promoter Agreement, entities affiliated with Mr. Haas have paid sanction fees to CART of \$1.7 million. We are currently in negotiations regarding the option for the 2003 and 2004 events. In addition, we have incurred a total of \$100,000 in sales costs and \$100,000 in marketing expenses in relation to our race at Wisconsin State Park Speedway during 2002. The promoter agreement in regards to the Houston, Texas event provided for races to be held starting in 1998 through 2003. The Houston, Texas race was not held in 2002 and will not be held in 2003 due to construction on the temporary circuit in downtown Houston. Therefore, the promoter agreement has been terminated by mutual agreement. Carl Haas Racing Teams, Ltd. paid a \$500,000 termination fee to CART and CART has received an option to acquire certain assets of HGP, used in operating the Houston event, for \$750,000. This option was exercised and payment was made in January 2003.

Gerald R. Forsythe, a race team owner and 24.9% stockholder, is a principal owner of the entities which entered into Promoter Agreements with respect to Champ Car World Series races in Monterrey, Mexico and Mexico City, Mexico. These entities affiliated with Mr. Forsythe have paid sanction fees to CART in the aggregate amount of \$6.1 million for 2002. We are currently renegotiating the remaining years of the agreements.

Edgar Filing: CHAMPIONSHIP AUTO RACING TEAMS INC - Form DEF 14A

In addition, we have paid a total of \$200,000 in sales costs and \$200,000 in marketing expenses to these entities during 2002.

In order to change the date of the Mexico City race as requested by Mr. Forsythe's affiliated entity, we have paid another promoter \$250,000. Mr. Forsythe's affiliated entity reimbursed us for \$125,000 of that expense.

Gerald R. Forsythe is also a principal owner of an entity which entered into a Promoter Agreement with respect to Champ Car World Series races in Rockingham, England. The agreement provided for a race to be held beginning in 2001 through 2006. Following the cancellation of the race scheduled to be run in Germany, officials at Rockingham expressed concern regarding the viability of running a single event in Europe. In order to assure that the Rockingham event could move forward in 2002, we negotiated an amendment to the Promoter Agreement which reduced the sanction fee to \$2.8 million and we assumed certain costs, including freight and transportation, in the amount of \$900,000. In addition, the terms of the future years of the agreement, 2003-2006, were subject to renegotiation. This renegotiation has subsequently resulted in the cancellation of the remaining years of the agreement. In addition, we have paid a total of \$100,000 in sales costs and \$400,000 in marketing expenses to this entity during 2002.

Floyd R. Ganassi Jr., a former director of the Company and a race team owner, is a principal owner of Chicago Motor Speedway, LLC and has entered into a Promoter Agreement with respect to a Champ Car World Series race at Chicago Motor Speedway in Cicero (Chicago), Illinois. Pursuant to the terms thereof, a Championship race was to be held through 2003. The Chicago Motor Speedway, LLC was to pay sanction fees to CART of \$2.0 million for 2002 and \$2.1 million for 2003. In 2002, the Chicago Motor Speedway, LLC announced the suspension of all race events at Chicago Motor Speedway. We then entered into an agreement with the Chicago Motor Speedway, LLC where we rented the track for \$850,000 in 2002 and promoted the race ourselves.

OTHER TRANSACTIONS

In addition to the above, we have entered into the following transactions with related parties:

Mr. Forsythe is also a principal owner of the entity that holds our Mexican television rights through 2004. In return for these rights, we received a minimum guarantee of \$300,000 in 2002 and will receive a minimum guarantee of \$325,000 and \$350,000 for each of the two years ending 2003 and 2004, respectively. In addition, we will receive 70% of the net profits, if any, until we reach \$500,000, \$550,000 and \$600,000 for each of the three years ending 2002, 2003 and 2004, respectively.

Mr. Ganassi is also principal owner of Target Chip Ganassi Racing, Inc., which entered into an agreement by which Target Chip Ganassi Racing Inc. ran a third car for a portion of the 2002 season. Pursuant to the terms thereof, we paid Target Chip Ganassi Racing, Inc. \$1.7 million for running the third car, and we received the right to sell certain sponsorship space on that car.

Ralph Sanchez, a director of the Company, is a principal owner of RAS Development, Inc. which has entered into a five year lease agreement with the Company for office space in Miami, Florida. Payments for this lease total \$80,292, \$97,957, \$99,081, \$100,045, \$101,008 and \$16,861 for 2003, 2004, 2005, 2006, 2007 and 2008, respectively.

PAYMENTS TO CART

In addition to the payments described above, CART receives revenues

from its race teams, including those affiliated with CART directors and/or 5% stockholders, for entry fees, equipment leases and other payments based

APPENDIX A

AUDIT COMMITTEE CHARTER
OF
CHAMPIONSHIP AUTO RACING TEAMS, INC.

ORGANIZATION

1. The Audit Committee is a committee of the Board of Directors of Championship Auto Racing Teams, Inc. The members and chair of the committee will be elected by the full Board on the recommendation of the Nominating and Corporate Governance Committee and will serve at the pleasure of the Board.
2. All members of the committee must meet the independence and experience requirements for audit committee members under the listing standards of the New York Stock Exchange and applicable law. Unless determined otherwise by the Board (in which case disclosure of such determination shall be made as required by applicable rules of the Securities and Exchange Commission ("SEC)), at least one member of the Audit Committee shall be an "audit committee financial expert" as defined by the SEC. If an audit committee member simultaneously serves on the audit committee of more than three public companies, the Board must determine that such simultaneous service would not impair his or her ability to serve on the audit committee and must disclose this determination in the annual proxy statement.
3. The committee will regularly report on actions taken by it to the full Board.
4. The committee is authorized to obtain advice and assistance as it believes necessary from corporate personnel and from external legal, accounting and other advisors.
5. The committee will establish, with the assistance of management and the internal audit manager, a calendar incorporating regular reporting items it requires from independent auditors, the internal audit function and management during the year.

PURPOSE

The purpose of the committee will be to:

- Assist Board oversight of (i) the integrity of the corporation's financial statements, (ii) the corporation's compliance with legal and regulatory requirements, (iii) the independent auditor's qualifications and independence and (iv) the performance of the corporation's internal audit function and independent auditor; and
- Prepare the committee report to be included in the corporation's proxy statement in accordance with applicable rules and regulations.

DUTIES AND RESPONSIBILITIES

The committee's duties and responsibilities will be to:

1. Retain and terminate, and be responsible for the compensation and oversight of, the corporation's independent auditor.
2. Approve all audit engagement fees and terms and all non-audit

Edgar Filing: CHAMPIONSHIP AUTO RACING TEAMS INC - Form DEF 14A

engagements with the independent auditor.

3. On an annual basis, obtain and review a report by the independent auditor describing (i) all relationships the independent auditor has with the corporation, including any management consulting services and related fees provided to the auditor (so that the committee may assess the auditor's independence); (ii) the firm's internal quality-control procedures; and (iii) any material issues raised by the most recent internal quality-control review, or peer review, of the firm, or by any inquiry or investigation by governmental or

26

professional authorities within the preceding five years respecting one or more independent audits carried out by the firm, and any steps taken to deal with any such issues. In connection with its evaluation of the independent auditor, the committee should, in addition to assuring the regular rotation of the audit partners as required by law, consider whether, in order to assure continuing auditor independence, there should be regular rotation of the audit firm itself.

4. Review and approve the committee's report to be included in the proxy statement and the corporation's response to any comments of the Securities and Exchange Commission on the report.
5. Review and discuss with management and the independent auditor the corporation's annual and quarterly financial statements, including the corporation's critical accounting estimates underlying the financial statements and other disclosures discussed in "Management's Discussion and Analysis of Financial Condition and Results of Operation"; the effect of regulatory and accounting initiatives and any off-balance sheet structures on the corporation's financial statements; and any certification, report, opinion or review rendered by the independent auditor.
6. Resolve any disagreements between management and the independent auditors regarding financial reporting.
7. Discuss with management the corporation's earnings press releases before their release. In addition, discuss the types of financial information and earnings guidance provided to analysts and rating agencies.
8. Periodically consult with the independent auditor, outside the presence of management, about internal controls and the quality of the corporation's financial statements. As part of this review, the committee will receive regular reports from the corporation's counsel on significant litigation in which the corporation is involved and the anticipated impact of such litigation.
9. Meet separately, at least quarterly, with management, the internal audit manager and the independent auditor to review the integrity of the corporation's financial reporting processes, both internal and external.
10. Discuss with management significant risks or exposures that the corporation may have and the steps management has taken to monitor and control such risks or exposures.
11. Review and discuss with management and the independent auditor (i)

Edgar Filing: CHAMPIONSHIP AUTO RACING TEAMS INC - Form DEF 14A

major issues regarding accounting principles and financial statement presentation, including any significant changes in the corporation's selection or application of accounting principles or adoption of new accounting principles; (ii) major issues as to the adequacy of the corporation's internal controls and any special audit steps adopted in light of material control deficiencies; and (iii) analyses prepared by management and/or the independent auditor setting forth significant financial reporting issues and judgments made in connection with the preparation of the financial statements, including analyses prepared by management and the independent auditor of the effects of applying alternative accounting principles on the financial statements.

12. Consider, in consultation with the independent auditor, the internal audit manager and the chief financial officer, the audit scope and plan of the independent auditor and the internal auditors. Review with the independent auditor, the internal audit manager and the chief financial officer the coordination of the audit effort with respect to completeness of coverage, reduction of redundant efforts, and the effective use of audit resources.
 13. Review with the independent auditor any audit problems or difficulties and management's response. This review must include any restrictions on the scope of the independent auditor's activities or on access to requested information and discussion of any disagreements with management. It should also include accounting adjustments proposed by the independent auditor but not adopted; communications between the audit team and the audit firm's national office with regard to auditing to accounting issues presented by the engagement; and any management or internal control letter issued or proposed to be issued by the independent auditor.
- 27
14. Receive any reports from the independent auditor under the provisions of Section 10A of the Securities Exchange Act of 1934 and review with management and recommend to the Board appropriate remedial action to be taken by the corporation.
 15. Establish hiring policies with respect to employees or former employees of the independent auditor.
 16. Discuss with the independent auditor the responsibilities, budget and staffing of the internal audit function.
 17. Review the appointment and replacement of the internal audit manager.
 18. Review significant reports to management prepared by the internal auditing department and management's responses.
 19. Review legal and regulatory matters that may have a material impact on the corporation's financial statements.
 20. Perform such other functions as may be assigned by the Board of Directors or as specified in policies adopted or approved by the Board of Directors.
 21. Establish procedures for (i) the receipt, retention and treatment of complaints received by the corporation regarding accounting, internal accounting controls or auditing matters, and (ii) the confidential, anonymous submission by employees of the corporation of concerns

Edgar Filing: CHAMPIONSHIP AUTO RACING TEAMS INC - Form DEF 14A

regarding questionable accounting or auditing matters. Receive reports regarding any violations of the corporation's code of business conduct and ethics relating to accounting, financial reporting or internal controls.

- 22. Review and approve all related party transactions.
- 23. Evaluate the committee's own performance annually and report the results of the evaluation to the Board.
- 24. Review this charter at least annually and update as necessary (with any amendments subject to approval by the Board.)

ROLE OF THE AUDIT COMMITTEE

This charter assigns oversight responsibilities to the audit committee. Management is responsible for the preparation, presentation and integrity of the corporation's financial statements; accounting and financial reporting principles; internal controls; and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent auditor is responsible for performing an independent audit of the consolidated financial statements in accordance with generally accepted auditing standards.

The members of the audit committee are not acting as experts in accounting or auditing and rely without independent verification on the information provided to them and on the representations made by management and the independent auditor. Accordingly, the audit committee's oversight does not provide an independent basis to determine that the corporation's financial statements have been prepared in accordance with generally accepted accounting principles or that the audit of the corporation's financial statements by the independent auditor has been carried out in accordance with generally accepted auditing standards.
