Item 6. Indemnification of Directors and Officers.

The Ohio Revised Code (the Code) authorizes Ohio corporations to indemnify officers and directors from liability if the officer or director acted in good faith and in a manner reasonably believed by the officer or director to be in or not opposed to the best interests of the corporation, and with respect to any criminal actions, if the officer or director had no reason to believe his action was unlawful. In the case of an action by or on behalf of a corporation, indemnification may not be made (i) if the person seeking indemnification is adjudged liable for negligence or misconduct, unless the court in which such action was brought determines such person is fairly and reasonably entitled to indemnification or (ii) if liability asserted against such person concerns certain unlawful distributions. The indemnification provisions of the Code require indemnification if a director or officer has been successful on the merits or otherwise in defense of any action, suit or proceeding that he was a party to by reason of the fact that he is or was a director or officer of the corporation. The indemnification authorized under Ohio law is not exclusive and is in addition to any other rights granted to officers and directors under the articles of incorporation or code of regulations of the corporation or any agreement between officers and directors and the corporation. A corporation may purchase and maintain insurance or furnish similar protection on behalf of any officer or director against any liability asserted against him and incurred by him in his capacity, or arising out of the status, as an officer or director, whether or not the corporation would have the power to indemnify him against such liability under the Code.

The Registrant's Amended and Restated Code of Regulations provides for the indemnification of directors and officers of the Registrant to the maximum extent permitted by Ohio law as authorized by the Board of Directors of the Registrant, for the advancement of expenses incurred in connection with the defense of any action, suit or proceeding that he was a party to by reason of the fact that he is or was an officer or director of the Registrant upon the receipt of an undertaking to repay such amount unless it is ultimately determined that the officer or director is entitled to indemnification. The Amended and Restated Code of Regulations authorizes the Registrant to purchase and maintain insurance on behalf of any director, officer, employee or agent of the Registrant against any liability asserted against them in such capacity or arising out of their status as such, whether or not the Registrant would have power to indemnify such officer, employee or agent against such liability under the provisions of the Amended and Restated Code of Regulations of the Registrant.

The Registrant maintains a directors' and officers' insurance policy which insures the officers and directors of the Registrant from any claim arising out of an alleged wrongful act by such persons in their respective capacities as officers and directors of the Registrant.

Item 7. Exemption From Registration Claimed.

Not applicable.

- (2) That, for the purpose of determining any liability under the Securities Act of 1933, as amended (the Securities Act), each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and

(3) To remove from registration by means of a post-effective amendment any of the securities being registered that remain unsold at the termination of the offering.

The Registrant further undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the provisions described under Item 6 above or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy, as expressed in the Securities Act, and is therefore unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy, as expressed in the Securities Act, and will be governed by the final adjudication of such issue.
