Senior Executive Management Performance Plan

On February 5, 2007, the Compensation Committee (the Committee) of the Board of Directors of The Timken Company (the Company) established the performance goals for 2007 under the Senior Executive Management Performance Plan, which are earnings before interest and taxes as a percentage of beginning invested capital (EBIT/BIC) and working capital as a percentage of sales. For 2007, the Company's principal executive officer, principal financial officer and three other most highly compensated executive officers for 2006 (the Named Executive Officers) and the President-Steel (collectively with the Named Executive Officers, the Senior Executive Officers) are eligible to receive awards under the Senior Executive Management Performance Plan.

Performance Units

The Company awards performance units to officers (including the Named Executive Officers) of the Company under its Long-Term Incentive Plan, as Amended and Restated. On February 5, 2007, the Committee established performance goals and awarded performance units for the 2007-2009 performance cycle. Payouts under performance units are subject to the attainment of performance goals for return on equity and sales growth over a three-year performance cycle.

Death Benefit Agreement

On February 5, 2007, the Committee approved a revised Death Benefit Agreement with Michael C. Arnold, President of the Company's Industrial Business. The Agreement replaces a prior Employee Death Benefit Agreement with Mr. Arnold, dated as of April 21, 2004. The revised Agreement provides Mr. Arnold's beneficiary with a cash payment in the amount of twice Mr. Arnold's annual salary in effect as of December 31, 2003, increased to offset federal and state income taxes, if Mr. Arnold dies before he reaches the age of 70. Such Agreement shall terminate if Mr. Arnold terminates his employment with the Company, other than through retirement or as the result of a change in control of the Company. The summary of the new Death Benefit Agreement described above is qualified in its entirety by reference to such agreement attached hereto as Exhibit 10.1 and incorporated herein by reference.
