PROXY STATEMENT FOR ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD ON JUNE 15, 2010
10:00 A.M.

INTRODUCTION

This Proxy Statement (“Proxy Statement”) is being furnished by Southern Connecticut Bancorp, Inc. (“Bancorp”) in connection with the solicitation by Bancorp’s Board of Directors (“Board”) of proxies from holders of Bancorp’s common stock, \$0.01 par value per share (“Common Stock”), to be voted at the Annual Meeting of Shareholders to be held on Tuesday, June 15, 2010 and at any adjournments thereof (“2010 Annual Meeting”). The 2010 Annual Meeting will take place at 10:00 a.m. at The Quinnipiack Club, 221 Church Street, New Haven, Connecticut. The approximate date on which this Proxy Statement and the enclosed proxy are first being sent or given to shareholders is April 29, 2010. In addition to solicitation by mail, directors, officers and certain management employees of Bancorp or its subsidiaries, The Bank of Southern Connecticut (“Bank”) and SCB Capital, Inc. (“SCB”), may solicit by telephone or in person the return of signed proxies from shareholders without receiving any additional remuneration. All expenses associated with the solicitation of proxies will be borne by Bancorp.

Any proxy given by a shareholder may be revoked at any time before its exercise, and any shareholder who executes and returns a proxy and who attends the 2010 Annual Meeting may withdraw the proxy at any time before it is voted and vote his or her shares in person. A proxy may be revoked by giving notice to the Corporate Secretary of Bancorp in writing (at Bancorp’s address indicated above) or at the 2010 Annual Meeting prior to the taking of a vote.

Unless so revoked, your proxy will be voted in accordance with your instructions. If you do not specify a choice, your proxy will be voted in favor of the matters set forth in the accompanying Notice of Annual Meeting of Shareholders.

The record date for determining shareholders entitled to notice of and to vote at the 2010 Annual Meeting and any adjournments thereof has been set as April 26, 2010 (“Record Date”). As of the Record Date, there were 2,695,902 shares of Common Stock outstanding and entitled to vote at the 2010 Annual Meeting. Each share of Common Stock is entitled to one vote on each matter submitted for a vote at the 2010 Annual Meeting. There is no cumulative voting.

The holders of a majority of the shares of Common Stock outstanding and entitled to vote shall constitute a quorum for the transaction of business at the 2010 Annual Meeting. Shares of Common Stock present in person or represented by proxy (including shares which abstain or do not vote with respect to one or more of the matters presented for shareholder approval) will be counted for purposes of determining whether a quorum exists at the 2010 Annual Meeting. Directors are elected by a plurality of votes cast, which means that the two nominees for director with the most votes will be elected whether or not such nominees receive a majority of the votes cast. Ratification of Bancorp’s independent registered accounting firm will be approved if a majority of the votes cast are in favor of such ratification.

Abstentions are not counted as votes “cast” for the purpose of the election of directors or the ratification of the appointment of McGladrey & Pullen, LLP as Bancorp’s independent registered public accounting firm and thus have no effect on any of such agenda items. Shares held in “street name” by brokers or nominees who indicate on their proxies that they do not have discretionary authority to vote such shares as to a particular matter and that they have not

received voting instructions from the beneficial holder of such shares, are referred to as “Broker Non-Votes.” Brokers do not have discretion to vote on the election of directors without the receipt of instructions from the beneficial owners. Thus, there may be Broker Non-Votes for this item. With respect to the ratification of McGladrey & Pullen, LLP, brokers have discretion to vote on this item without the receipt of instructions from the beneficial owners. Therefore, there will be no Broker Non-Votes for this item.

We will report the voting results in a current report on Form 8-K, which we expect to file with the Securities and Exchange Commission on or before June 21, 2010, which is within four business days of the date of the Annual Meeting.

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR
THE SHAREHOLDER MEETING TO BE HELD ON JUNE 15, 2010

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE ELECTION OF THE DIRECTOR NOMINEES NOTED ABOVE.

CORPORATE GOVERNANCE

Board Leadership Structure and the Board's Role in Risk Oversight

Bancorp has an independent Chairman separate from the President and Chief Operating Officer. The President and Chief Operating Officer is not a member of the Board. The Board believes it is important to have an independent director in a board leadership position at all times. Bancorp's Chairman provides independent leadership of the Board. The Board also believes that the Board should consist only of outside directors and that members of senior management should not serve on the Board. By not having members of senior management sit on the Board, directors can raise issues and concerns for Board consideration without immediately involving management. The Chairman serves as a liaison between the Board and senior management. The Board has determined that this structure of having an independent Chairman and Board is the most appropriate structure for Bancorp and the Bank.

Risk management at Bancorp is the process for identifying, measuring, controlling and monitoring risk across the enterprise given its business as a financial institution. Risk management crosses all functions and employees and is embedded in all aspects of planning and performance measurement. Systems, information and timely reporting enable Bancorp to quickly adapt to early warning signs.

The Board is responsible for oversight of Bancorp's enterprise risk framework. The Board has three standing independent committees with separate chairpersons – the Audit Committee, Compensation Committee and Nominating Committee. The Audit Committee is responsible for overseeing risk management, and the full Board regularly engages in discussions of risk management and receives reports on risk from our senior executive officers, other Bank officers and the chair of the Audit Committee. Each of the other Board committees also considers the risk within its area of responsibilities. These Board committees report to the full Board to ensure that Bancorp's overall risk exposures are understood, including risk interrelationships between the different areas. Risk reports are provided at committee and Board meetings and the Board regularly engages in discussions of these risk reports and risk management.

Director Independence

All of our directors except Mr. James S. Brownstein are "independent directors" as defined in Section 803A of the NYSE Amex Company Guide.

Family Relationships

There are no family relationships among members of the Board of Directors of Bancorp and the executive officers of Bancorp, the Bank or SCB.

Meetings and Committees of the Board

Bancorp has established standing nominating, audit, and compensation committees of the Board of Directors.

Nominating Committee. The functions of the Nominating Committee include recommending qualified candidates for director positions and evaluating the performance of directors. Except for James S. Brownstein, Esq., who was a member of the Nominating Committee from January 1, 2009 to April 20, 2009, all of the members of the Nominating Committee in 2009 were independent as that term is defined in Section 803A of the NYSE Amex Company Guide. The Nominating Committee acts under a written charter adopted by the Board of Directors, a copy of which is available on Bancorp's website at www.scbancorponline.com. The Nominating Committee will consider any director candidates recommended by shareholders in accordance with the procedures described on pages 16 and 17 under the

heading “Shareholder Nominations and Proposals for 2011 Annual Meeting.” The Nominating Committee seeks candidates who have demonstrated a commitment to Bancorp’s success and growth and who offer Bancorp skills and experience that are presently not represented on the Board or which augment those skills and talents that the Committee believes should be further developed. While the Nominating Committee has not adopted a formal diversity policy with regard to the selection of candidates for director positions, the Nominating Committee does consider diversity as a factor in identifying director nominees. The current nominees were recommended by the Nominating Committee. Bancorp does not utilize any third party to identify or evaluate or assist in identifying or evaluating potential nominees. From January 1, 2009 to April 20, 2009, the members of the Nominating Committee were Elmer F. Laydon (Chair), Carl R. Borrelli, James S. Brownstein, Esq., and Alphonse F. Spadaro, Jr. Effective April 21, 2009, the current members of the Nominating Committee are Elmer F. Laydon (Chair), Carl R. Borrelli, and Alphonse F. Spadaro, Jr. The Nominating Committee met 1 time during 2009.

Audit Committee. Bancorp's Audit Committee oversees all internal and external audit and compliance functions. Both the internal auditor and the external auditor report directly to the Audit Committee. In performing its functions, the Audit Committee acts as a joint Audit Committee of Bancorp, the Bank and SCB. All of the members of the Audit Committee are independent as that term is defined in Section 803A of the NYSE Amex Company Guide. The Board of Directors has determined that Alphonse F. Spadaro, Jr. is an audit committee financial expert under the rules of the Securities and Exchange Commission. The Audit Committee acts under a written charter adopted by the Board of Directors, a copy of which is available on Bancorp's website at www.scbancorponline.com. The report of the Audit Committee required by the rules of the Securities and Exchange Commission is included in this Proxy Statement on page 16. The current members of Bancorp's Audit Committee are Alphonse F. Spadaro, Jr. (Chair), Carl R. Borrelli, and Elmer F. Laydon. The Audit Committee met 10 times during 2009.

Compensation Committee. Bancorp's Compensation Committee is responsible for determining the compensation, including salaries, bonuses and other benefits, of Bancorp's and the Bank's senior management. The Compensation Committee also is responsible for determining compensation and benefits policies for the Bank. In performing its functions, the Compensation Committee acts as a joint Compensation Committee of Bancorp, the Bank and SCB. The Compensation Committee acts under a written charter adopted by the Board of Directors, a copy of which is available on Bancorp's website at www.scbancorponline.com. All of the members of the Compensation Committee are independent as that term is defined in Section 803A of the NYSE Amex Company Guide. The current members of the Compensation Committee of Bancorp are Carl R. Borelli (Chair), Elmer F. Laydon, Joshua H. Sandman, Ph.D., and Alphonse F. Spadaro, Jr. The Compensation Committee met 5 times in 2009.

The Compensation Committee is appointed by the Board of Directors to discharge the Board of Directors' responsibilities concerning compensation of Bancorp's directors and officers including review and oversight of all compensation plans, policies and programs of Bancorp. The Compensation Committee functions as the Stock Committee or Stock Sub-Committee for purposes of awards under Bancorp's stock option and stock award plans. These committees have sole discretion in granting awards under the stock option and award plans. The Compensation Committee consists of not less than three directors who meet the independence requirements of the NYSE Amex, Securities Exchange Commission and any and all regulators' requirements on independence. In addition to independence, qualification for membership includes financial literacy and business management experience.

The Compensation Committee's authority and responsibilities are as follow:

1. Annually, the Compensation Committee shall determine the form and amount of director compensation with review and comparison against peer companies of like size and operation.
2. Annually, the Compensation Committee shall do an evaluation of all directors as to their attendance, committee participation, and contribution to all board meetings and matters.
3. The Compensation Committee shall have the sole authority to retain and terminate any compensation consultant or benefits consultant to be used to assist in the evaluation of director, CEO or executive compensation and shall have sole authority to approve consultant fees and other retention terms. The Compensation Committee shall have sole authority to set the parameters of the engagement and to receive the reports of consultants retained by them.
4. The Compensation Committee has the authority to obtain advice and assistance from internal or external legal, accounting and other advisors as it may require.
5. Annually, the Compensation Committee shall review and approve the corporate goals and objectives relevant to compensation of the President, and evaluate the President's performance in light of those goals and objectives. The Compensation Committee will determine the President's long term incentive compensation; the Compensation Committee will consider Bancorp's performance, relative shareholder return, peer comparisons and the awards granted to the President in past years.
- 6.

Annually, the Compensation Committee, based on Management's recommendations, shall review the compensation of the executive officers and other key executives, including compensation plans, incentive plans and equity based plans and make recommendations to the Board of Directors for:

- (a) annual base salary level
 - (b) annual incentive opportunity level
 - (c) long term incentive opportunity level
 - (d) employment agreements, severance arrangements and change-in-control agreements/provisions, and if appropriate
 - (e) any special or supplemental benefits.
7. The Compensation Committee is the designated administrator of all employee benefit plans and has the authority to make all decisions concerning the administration of the benefit plans.
8. The Compensation Committee shall review its charter annually to make recommendations to the Board of Directors for change.

9. The Compensation Committee shall report to the Board of Directors at least semi annually.
10. The Compensation Committee shall conduct a self evaluation to determine whether it is functioning effectively at least annually.
11. The Compensation Committee shall consider methods of creating incentives for management to achieve sustained growth in earnings and shareholder value and shall make recommendations to the Board of Directors.

Bancorp's Board of Directors met 10 times in 2009. All current directors attended at least eighty percent (80%) of (i) the total number of meetings of the Board of Directors held in 2009 and (ii) the total number of meetings held by committees of the Board on which such directors served during 2009.

Attendance at the Annual Meeting. The Board of Directors encourages directors to attend the annual meeting of shareholders. All of Bancorp's directors attended the 2009 Annual Meeting of Shareholders.

Meetings of Non-Management Independent Directors. Members of the Board of Directors, who are independent, as that term is defined in Section 803A of the NYSE Amex Company Guide, periodically conduct meetings in executive session, without members of management or non-independent members of the Board being present, immediately following the regularly-scheduled meetings of the full Board of Directors. Mr. Laydon, as Chairman, serves as the presiding director of such meetings.

Shareholder Communications

Bancorp does not have a formal process in place for shareholder communication to the Board. Informally, however, any communication from a shareholder to the Board that is received by management or an individual director shall be forwarded to the Board or appropriate individual director as directed. The Board believes this approach is reasonable in light of the number of shareholders of Bancorp at this time and the relatively small number of communications the Board expects to receive in the foreseeable future.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires Bancorp's officers and directors, and persons who own more than ten percent (10%) of Bancorp's Common Stock, to file reports of ownership and changes in ownership of Bancorp's Common Stock with the Securities and Exchange Commission ("SEC"). Officers, directors and greater than ten percent (10%) beneficial owners are required by applicable regulations to furnish Bancorp with copies of all forms they file pursuant to Section 16(a). Based upon a review of the copies of forms furnished to Bancorp, John H. Howland filed one late Form 4 report covering one transaction and Stephen V. Ciancarelli filed a late Form 4 report covering one transaction.

The 2005 Stock Option and Award Plan

Bancorp adopted the Southern Connecticut Bancorp, Inc. 2005 Stock Option and Award Plan (the “2005 Stock Plan”). The purpose of the 2005 Stock Plan is to provide equity-based incentives to employees, officers and directors of Bancorp in order to attract them to, give them a proprietary interest in, and encourage them to remain in the employ or service of Bancorp. An aggregate of 150,000 shares of Bancorp’s Common Stock is reserved for issuance upon the exercise of both incentive stock options and nonqualified stock options granted by Bancorp under the 2005 Stock Plan. All eligible employees and directors of Bancorp or any subsidiary of Bancorp, including the Bank, are eligible to receive options under the 2005 Stock Plan. The exercise price for each share for an incentive stock option may not be less than the fair market value of a share of Bancorp’s Common Stock on the date of grant. Although the Plan does not prescribe a minimum option price for non-qualified stock options, it is the current intention of the Compensation Committee to grant non-qualified stock options at or above fair market value of a share of Bancorp’s Common Stock on the date of grant. Options under the 2005 Stock Plan have a term of 10 years unless otherwise determined at the time of grant. As of December 31, 2009 there were 25,000 outstanding options under the 2005 Stock Plan.

Pursuant to the 2008 Howland Agreement, Mr. Howland received 6,000 shares of restricted stock, 50% of which vested on December 31, 2008 and 50% of which vested on December 31, 2009, under this plan.

Pursuant to the 2008 Ciancarelli Agreement, Mr. Ciancarelli received 3,000 shares of restricted stock, 33 1/3% of which vested on May 5, 2009 and 67 2/3% of which will vest in installments of 33 1/3% on May 5, 2010 and May 5, 2011, respectively, pursuant to this plan.

The Compensation Committee has broad authority under the 2005 Stock Plan with respect to awards granted under the 2005 Stock Plan, including, without limitation, the authority to:

- authorize the granting of shares of common stock or options under the 2005 Stock Plan;
- determine and designate the employees and directors of Bancorp to receive awards under the 2005 Stock Plan;
- determine the type, number, price, vesting requirements and other features and conditions of individual stock awards and options under the 2005 Stock Plan; and
- interpret the 2005 Stock Plan and the various written agreements made in connection with grants of shares of common stock or options thereunder.

The 2002 Stock Option Plan

Bancorp adopted the Southern Connecticut Bancorp, Inc. 2002 Stock Option Plan (the “2002 Plan”). The purpose of the 2002 Plan is to attract and retain the continued services of employees and directors of Bancorp and the Bank, encourage employees and directors to obtain or increase their stock ownership in Bancorp, and provide incentive compensation programs competitive with those of other similarly situated companies. An aggregate of 383,250 shares of Bancorp’s Common Stock were reserved for issuance upon the exercise of both incentive stock options and nonqualified stock options granted by Bancorp under the 2002 Plan, which number has been adjusted to reflect a 10% stock dividend declared in January 2004 and a 5% dividend declared in April 2005. All eligible employees and directors of Bancorp or any subsidiary of Bancorp, including the Bank, are eligible to receive options under the 2002 Plan. The exercise price for each share covered by an option may not be less than the fair market value of a share of Bancorp’s Common Stock on the date of grant. Options under the 2002 Plan have a term of 10 years unless otherwise determined at the time of grant. On December 22, 2005, the Compensation Committee of the Board of Directors approved the acceleration of all unvested options outstanding as of December 31, 2005, granted under the 2002 Plan. Pursuant to this acceleration of all unvested options, options to purchase 197,571 shares of Bancorp’s Common Stock became immediately exercisable as of December 31, 2005. As of December 31, 2009 there were 167,152 outstanding options under the 2002 Plan.

The 2001 Stock Option Plan

Bancorp adopted the Southern Connecticut Bancorp, Inc. 2001 Stock Option Plan (the “Option Plan”) in 2001 and it was approved by the sole shareholder of Bancorp in 2001. Under the Option Plan, an aggregate of 90,000 shares of Bancorp’s Common Stock was reserved for issuance upon the exercise of options granted under the Option Plan. The Compensation Committee of the Board administers the Option Plan. The Board voted to terminate the Option Plan, except for outstanding options previously granted under that Option Plan, effective as of May 15, 2002. As of December 31, 2009 there were 10,049 outstanding options under the Option Plan.

PROPOSAL 2.
RATIFICATION OF APPOINTMENT OF McGLADREY & PULLEN, LLP

The Audit Committee has selected McGladrey & Pullen, LLP as the independent registered public accounting firm for Bancorp to audit the financial statements of Bancorp for the fiscal year ending December 31, 2010. McGladrey & Pullen, LLP served as Bancorp's independent registered public accounting firm for the fiscal year ended December 31, 2009 and has reported on Bancorp's financial statements for such fiscal year.

The firm of McGladrey & Pullen, LLP has served as Bancorp's independent accountants since its organization and is considered to be well-qualified. Bancorp has been advised by McGladrey & Pullen, LLP that it has neither a direct financial interest nor any material indirect financial interest in Bancorp other than that arising from the firm's employment as independent accountants.

Representatives of McGladrey & Pullen, LLP will be present at the 2010 Annual Meeting and will be provided the opportunity to make a statement and to respond to appropriate questions which may be asked by shareholders.

McGladrey & Pullen, LLP performs both audit and non-audit professional services for and on behalf of Bancorp. During 2009, the audit services included an audit of the consolidated financial statements of Bancorp and a review of certain filings with the SEC. All professional services rendered by McGladrey & Pullen, LLP during 2009 were furnished at customary rates and terms.

The following table sets forth information regarding the aggregate fees for services rendered by McGladrey & Pullen, LLP for the fiscal years ended December 31, 2009 and 2008, respectively:

	2009	2008
Audit fees	\$ 128,580	\$ 139,609
Audit Related fees	NONE	NONE
Tax fees	11,900	10,900
All Other fees	1,700	2,733

Audit fees consist of fees for professional services rendered for the audit of the consolidated financial statements, review of financial statements included in quarterly reports on Form 10-Q and services connected with statutory and regulatory filings or engagements. Tax fees consist of fees for tax return preparation for Bancorp. All other fees are for consultations related to Bancorp's compliance with Section 404 of the Sarbanes-Oxley Act of 2002.

The Audit Committee has established policies and procedures for the engagement of the independent auditor to provide non-audit services, including a requirement for approval in advance of all non-audit services to be provided by the independent auditor. To ensure that this does not restrict access to the independent accountant by management on matters where the advice and consultation of the independent auditor is sought by management and such advice or consultation, in the opinion of management, cannot practically be delayed pending preapproval by the audit committee, the committee authorizes management to use their judgment and retain the independent accountant for such matters and consider such services to be preapproved provided the estimated cost of such services does not exceed 5% of the annual fees paid to the independent accountant and such services are formally approved by the audit committee at its next meeting.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF MCGLADREY & PULLEN, LLP AS BANCORP'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2010.

REPORT BY THE AUDIT COMMITTEE

The Board, in its business judgment, has determined that each of the members of the Audit Committee is independent, in accordance with the applicable listing standards of the NYSE Amex.

In performing its function, the Audit Committee has:

- reviewed and discussed the audited financial statements of Bancorp as of and for the year ended December 31, 2009 with management and with McGladrey & Pullen, LLP, Bancorp's independent auditors for the year ended December 31, 2009;
- discussed with Bancorp's independent auditors the matters required to be discussed by the Statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1 AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T; and
- received the written disclosures and the letter from the independent auditors required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent auditors' communications with the Audit Committee concerning independence, and discussed with the independent auditors the independent auditors' independence.

Based on the foregoing review and discussions, the Audit Committee recommended to the Board that Bancorp's audited financial statements be included in its Annual Report on Form 10K for the year ended December 31, 2009 for filing with the SEC.

In the normal course of business, the Bank and SCB may grant loans to executive officers, directors, and members of their immediate families and to entities in which these individuals have more than ten percent (10%) equity ownership. As of December 31, 2009, the total amount of loans outstanding to officers and directors was \$1,006,463. In the opinion of the Board of Directors, all such loans were made in the ordinary course of business of the Bank and SCB on substantially the same terms, including interest rates and collateral requirements, as those then prevailing for comparable transactions with other persons not related to the Bank and SCB and do not involve more than the normal risk of collectability or present other unfavorable features. The Bank has in place policies and procedures for identifying and handling transactions with related persons.

Information regarding transactions involving related persons is assessed by independent directors of the entity considering the loan. Related persons include directors and executive officers as well as immediate family members of directors and officers. If the independent directors approve or ratify a material transaction involving a related person, then the transaction would be disclosed in accordance with the SEC rules. If the related person is a director, or a family member of a director, then that director would not participate in those discussions.

SHAREHOLDER NOMINATIONS AND PROPOSALS FOR 2011 ANNUAL MEETING

It is the policy of the Nominating Committee of the Board of Directors to consider director candidates who appear to be qualified to serve on Bancorp's Board of Directors and who are recommended by shareholders, using the same general criteria and in the same manner as candidates recruited by the Nominating Committee or recommended by board members. The Nominating Committee may choose not to consider an unsolicited recommendation if no vacancy exists on the Board of Directors and the Nominating Committee does not perceive a need to increase the size of the Board of Directors. To avoid the unnecessary use of the Nominating Committee's resources, the Nominating Committee will consider only those director candidates recommended in accordance with the procedures set forth below.

Shareholders may make nominations of individuals for election to the Board at Bancorp's Annual Meeting of Shareholders in 2011 ("2011 Annual Meeting"). Such nominations shall be made in writing and shall be delivered or mailed and received by the Corporate Secretary of Bancorp not less than 60 or more than 90 calendar days prior to Bancorp's 2011 Annual Meeting, which is expected to be held on June 21, 2011.

Such written nominations shall contain the following information, to the extent known to the nominating shareholder: (1) the name, age, business and residence address of each proposed nominee; (2) the principal occupation or employment of each proposed nominee; (3) the total number of shares of Common Stock of Bancorp that are beneficially owned by each proposed nominee; (4) the name and address of the nominating shareholder; (5) the total number of shares of Common Stock of Bancorp owned by the nominating shareholder; (6) a representation that the shareholder is a holder of record of stock of Bancorp entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to nominate the person or persons specified in the notice; and (7) a description of all arrangements or understandings between the shareholder and each nominee and any other person or persons (naming such person or persons) pursuant to which the nomination or nominations are to be made by the shareholders. Nominations by beneficial owners of Bancorp Common Stock who are not record holders must be accompanied by evidence satisfactory to the Corporate Secretary of Bancorp showing that such nominating persons are entitled to act with respect to such shares. Nominations that are not made in accordance with these procedures may be disregarded by the Chairperson of the meeting, in his or her discretion, and upon his or her instructions, the vote tellers may disregard all votes cast for such nominee.

Any proposal intended to be presented by a shareholder at Bancorp's 2011 Annual Meeting which is not a nomination to the Board must be presented to Bancorp in writing, and must be delivered to the Corporate Secretary of Bancorp not less than 60 nor more than 90 calendar days prior to Bancorp's 2011 Annual Meeting, which is expected to be held on June 21, 2011. Such notice shall include: (1) a brief description of the business desired to be brought before the Bancorp's Annual Meeting and the reasons for conducting such business at such meeting; (2) the name and address, as they appear on Bancorp's records, of the shareholder proposing such business; (3) the number of shares of Common Stock which are beneficially owned by the shareholder; and (4) any material interest of the shareholder in such business. Such proposals must comply with SEC Rule 14a-8. As the rules of the SEC make clear, simply submitting a proposal does not guarantee its inclusion.

Bancorp must receive proposals that shareholders seek to include in the proxy statement for the 2011 Annual Meeting no later than December 27, 2010. If the 2011 Annual Meeting is held on a date more than 30 calendar days from June 21, 2011, a shareholder proposal must be received by a reasonable time before Bancorp begins to print and mail its proxy solicitation for such annual meeting. Any shareholder proposals will be subject to the requirements of the proxy rules adopted by the Securities and Exchange Commission.

Pursuant to Rule 14a-4(c) of the Exchange Act, if a shareholder who intends to present a proposal at Bancorp's 2011 Annual Meeting does not notify us of such proposal on or prior to March 11, 2011, then management proxies would be allowed to use their discretionary voting authority to vote on the proposal when the proposal is raised at the 2011 Annual Meeting, even though there is no discussion of the proposal in the proxy statement.

Nominations and proposals should be addressed to Rosemarie A. Romano, Corporate Secretary, Southern Connecticut Bancorp, Inc., 215 Church Street, New Haven, Connecticut 06510. It is suggested that such nominations and proposals be sent by Certified Mail-Return Receipt Requested.

OTHER MATTERS

As of the date of this Proxy Statement, the Board knows of no other matters to be voted upon at the 2010 Annual Meeting. Because Bancorp did not receive advance notice of any shareholder proposal in accordance with the time limit specified in Rule 14a-4(c) under the Exchange Act, it will have discretionary authority to vote on any shareholder proposal presented at the 2010 Annual Meeting. If any other matters properly come before the 2010 Annual Meeting, it is the intention of the persons named in the enclosed proxy to vote the proxy in accordance with their judgment on such matters.
